- } Special
Signals
for Fires
in the
Blue Hills
Reservation.

Running Card.

Engine No. 1 and Hose No. 1 will respond to all alarms and signals.

Ladder Truck No. 1 will respond to all alarms and signals except signal 451.

Combination No. 1 will respond to all alarms but not to signals calling for apparatus to go out of town.

Hose No. 2 will respond to first alarms from Boxes 32, 34, 341, 6, 62, 63, 64, 65, 67, 68, 69, 651, 652, 671, 71, 73.

Hose No. 3 will respond to first alarms from Boxes 35, 312, 315, 351.

Hose No. 4 will respond to first alarms from Boxes 17, 142, 151, 21, 23, 24, 25, 27, 5, 51, 52, 53, 54, 56, 57, 521, 542.

When, after an alarm has been sounded, and before the all-out signal for the same has been given, an alarm is given from another box, the alarm from the second box is to be responded to the same as a General Alarm.

Directions in Case of Fire.

Get the key to the nearest box, open and pull the hook all the way down once, then let go and close the door.

Remain at the station, if possible, after giving an alarm, to direct the firemen to the fire.

Second alarms will be given only by one of the Engineers.

Citizens are earnestly requested to keep themselves informed as to the location of the keys. Signs over each box will give the desired information.

Caution to Persons Holding Station Keys.

Never open or touch the apparatus except in case of fire.

Never sound the alarm for a fire seen at a distance, unless assistance is called for.

Be reasonably sure there is a fire before sounding the alarm.

Never let the key go out of your possession, except to some responsible person to give an alarm of fire, and be sure the key is returned.

If you remove from your house or place of residence, return the key to the Engineers at once.

82nd
ANNUAL TOWN REPORT
OF
MILTON
MASS.

FOR THE YEAR ENDING
DECEMBER 31, 1918

COMPILED BY
THE AUDITORS

POOLE PRINTING CO., INC.
217 FRIEND STREET
BOSTON

STATEMENT OF THE AUDITORS

To the Citizens of Milton:

In accordance with the Revised Laws and the By-Laws of the Town, we have examined the books and accounts of all officers and committees intrusted with the expenditure of money, and all original bills and vouchers on which moneys have been paid from the treasury for the year ending December 31, 1918, and have found the same correct.

Respectfully submitted,

J. HERBERT RAYMOND }
FREDERICK N. KRIM } *Auditors*

MILTON, MASS., December 31, 1918.

REVISED BY-LAWS

TOWN OF MILTON, MARCH 2, 1902

*Adopted by the Town and approved by the Superior Court
May 20, 1902.*

*The amendments to Chapters 2, 3, 7, 8, and 10 adopted by
the Town March 2, 1914, March 13, and September 1,
1915, were approved by the Attorney-General,
December 10, 1914, May 8, and
September 22, 1915.*

CHAPTER 1

GENERAL PROVISIONS

SECTION 1. These By-Laws, contained in this and the succeeding chapters, being ten chapters in all, may be designated as the Revised By-Laws, adding the number of the chapter and section when necessary.

SECT. 2. So far as the provisions of these By-Laws are the same in effect as those of previously existing By-Laws, they shall be construed as a continuation of such By-Laws, but, subject to said limitations and the provisions of the next section, all By-Laws of the Town heretofore in force are hereby repealed; provided that this repeal shall not apply to or affect any By-Law, order, or article heretofore adopted, accepting or adopting the provisions of any statute of the Commonwealth.

SECT. 3. These By-Laws and the repeal of all By-Laws heretofore in force shall not affect any act done, any right accrued, any penalty or liability incurred, or any suit, prosecution, or proceeding, pending at the time when they take effect; nor shall the repeal of any

By-Law thereby have the effect of reviving any By-Law theretofore repealed or suspended.

SECT. 4. When in a By-Law anything is prohibited from being done without the license or permission of a certain officer, officers, or board, such officer, officers, or board, shall have the power to license or permit such thing to be done.

SECT. 5. In all the By-Laws of the Town the following words and expressions shall, unless inconsistent with the manifest intent, be severally construed as follows:—

The word *public way* shall include any highway, town-way, road, bridge, street, avenue, boulevard, roadway, parkway, lane, sidewalk or square; *the owner or occupant* of a building or land shall include any sole owner or occupant, and any joint tenant and tenant in common of the whole or of any part of a building or lot of land; words purporting to give a joint authority to three or more officers or other persons shall give such authority to a majority of such officers or persons; the word *person* may include corporations; words importing the singular number may apply to the plural number, and words importing the masculine gender may apply to the feminine gender.

SECT. 6. All fines and penalties for the violation of any By-Laws shall, when received, inure to the use of the Town, and be paid into the Town treasury, unless it be otherwise directed by the laws of the Commonwealth or the By-Laws of the Town.

SECT. 7. Whoever violates any of the provisions of the By-Laws of the Town, whether included in these By-Laws or any hereafter enacted, whereby any act or thing is enjoined or prohibited, shall, unless other provision is expressly made, forfeit and pay a fine not exceeding twenty dollars for each offence.

SECT. 8. Whoever shall refuse or neglect to obey any

order of any Town officer or board of Town officers, issued under any of the By-Laws of the Town, directed to him and properly served upon him, shall, in cases not otherwise provided for, forfeit and pay for such offence a fine not exceeding twenty dollars.

SECT. 9. Prosecutions for the breach of any of the provisions of the By-Laws of the Town shall be commenced within six months from such breach.

SECT. 10. Any or all of the By-Laws of the Town may be repealed or amended, or other By-Laws may be adopted, at any Town meeting, annual or special, an article containing the subject-matter of the proposed change having been inserted in the warrant for such meeting.

CHAPTER 2

TOWN MEETINGS

SECTION 1. The warrants for all Town meetings shall be directed to the constables of the Town, and the meetings shall be notified by posting attested copies of the warrant in each of the post-offices of the Town at least fourteen days, and by leaving printed copies thereof at the dwelling-houses in the Town at least four days, before the day of such meeting.

SECT. 2. The annual meeting for the election of Town officers shall be held upon the first Saturday of March, the polls to be open at fifteen minutes before six o'clock in the forenoon, and they shall remain open until four o'clock in the afternoon for the election of such other Town officers as are required by law to be elected by ballot, all said officers to be voted for on official ballots. At any time after said four o'clock a vote may be passed to close the polls in not less than ten minutes.

SECT. 3. All business except the election of such officers and the determination of such matters as by law are required to be elected or determined by ballot shall be considered at an adjournment of said meeting to the following Saturday at one-thirty o'clock in the afternoon.

SECT. 4. All motions shall, if required by the Moderator, be reduced to writing before being submitted to the meeting.

SECT. 5. Upon taking the question, if the decision of the Moderator is doubted, or a division of the house called for, the Moderator shall request the voters to be seated, and shall appoint tellers; the question shall then be distinctly stated, and those in the affirmative and negative, respectively, shall be requested to rise and stand in their places until they are counted by the tellers, who shall carefully count each side and make a report thereof to the Moderator.

SECT. 6. No vote shall be reconsidered at the same meeting, except upon a motion made within one hour of the adoption of such vote, unless ordered by two-thirds of the voters present and voting thereon.

SECT. 7. When a question is before the meeting, the following motions, viz.:—

- to adjourn,
- to lay on the table,
- for the previous question,
- to postpone to a time certain,
- to commit (or recommit) or refer,
- to amend or substitute,
- to indefinitely postpone,

shall have precedence in the order in which they are placed in this section.

In proposed amendments involving amounts or dates, the smallest amount and the shortest time shall be put first.

SECT. 8. After the declaration of the vote for Town officers, fifteen legal voters shall be appointed by the Moderator, who shall constitute a committee to be known as the Warrant Committee. The persons so appointed shall continue as members of said committee until the Town meeting of the ensuing year.

CHAPTER 3

THE WARRANT COMMITTEE

SECTION 1. The Warrant Committee shall, within two weeks after their appointment, meet, at the call of the member thereof first named, for organization by the choice of a chairman and secretary. And they shall meet thereafter from time to time as they may deem advisable.

They shall have power to fill vacancies in their number by vote, attested copy of which shall be sent by the secretary to the Town Clerk.

SECT. 2. It shall be the duty of the Warrant Committee to inform themselves concerning those affairs and interests of the Town, the subject-matter of which is generally included in the warrants for its Town meetings; and the officers of the Town shall, upon their request, furnish them with facts, figures, and any other information pertaining to their several departments; provided, however, that any such information may be withheld when, in the opinion of the officer or board of officers so requested, the communication thereof might injuriously affect the interests of the Town or its citizens.

SECT. 3. The Warrant Committee shall consider the various articles in the warrants for all the Town meetings held during the period for which they were appointed including the various articles in the warrant for the annual Town meeting next after their appointment; they shall also consider all questions submitted to the

voters of the Town at any meeting, including State elections under any act or resolve of the Legislature and proposed amendments to the Constitution; and they shall report in print before all such meetings their estimates and recommendations for the action of the Town."

CHAPTER 4

THE TOWN'S FINANCES AND PROPERTY

SECTION 1. The financial year shall begin with the first day of March.

SECT. 2. The Selectmen shall annually, not less than seven days before the annual meeting, cause to be printed and distributed among the tax-payers of the Town, a detailed report of all moneys received into and paid out of the Town treasury during the preceding calendar year, with such information and recommendations as they may deem proper, and with detailed estimates of the amounts of money that will be required for the ensuing financial year. With this report shall be printed the records of all meetings of the Town held since the last annual report was printed, the reports of the Auditors, of the Surveyors of Highways, and of the Engineers of the Fire Department, the Collector's account of receipts, payments, and abatements, a list of all taxes assessed, an abstract of the births, marriages, and deaths to be furnished by the Town Clerk, a statement concerning the condition and funds of the public library and the cemetery to be furnished by the Trustees respectively, and a statement of all other funds belonging to the Town or held for the benefit of its inhabitants; also statements of the liabilities of the Town on bonds, notes, certificates of indebtedness, or otherwise, and of the total money paid the Town, the income of which is to be applied to the care of lots in the cemetery. The annual report shall also contain

such other matters as may be required by the By-Laws of the Town.

SECT. 3. The assessment of taxes shall be completed and the tax list and warrant shall be delivered to the Collector on or before the first day of August in each year.

SECT. 4. Poll taxes shall be payable on demand, and all other taxes assessed in each year shall be payable on or before the first day of November in the same year; and on all such taxes as are not paid on or before the said first day of November, interest shall be charged at a rate to be fixed annually by the Town, pursuant to Section 71 of Chapter 490 of the Acts of the year 1909, Part 1, and the Collector shall use all the means and processes provided by law for the collection of all taxes remaining unpaid after the first day of November in the same year.

SECT. 5. No person being an officer of the Town shall in his official capacity make or pass upon, or participate in making or passing upon, any sale, contract or agreement, or the terms or amount of any payment, in which the Town is interested and in which such officer has any personal interest at variance with that of the Town.

SECT. 6. The Selectmen, being duly authorized by vote of the Town under the limitations imposed by statute, may authorize the Treasurer to borrow money temporarily in anticipation of the collection of taxes, or upon loans authorized by vote of the Town, and to give promissory notes therefor in behalf of the Town, the same to be signed by the Treasurer and countersigned by a majority of the Selectmen.

SECT. 7. No money granted for special purposes shall be applied to any other use unless by a vote of the Town, and all unexpended balances of such grants shall be stated in the annual report.

SECT. 8. No order shall be drawn by any officer or

committee on the Town Treasurer for any purpose not authorized by a vote of the Town, or by the laws of the Commonwealth, nor shall any such draft be made for any amount which overdraws the appropriation against which it is made, whether general or special; and the Town Treasurer shall keep full accounts in respect to the several separate appropriations and the drafts made against each, and shall not honor any draft which does not state specifically the appropriation against which it is drawn, or which overdraws such appropriation, whether general or special.

SECT. 9. To provide for extraordinary expenditures of departments, should any become necessary in excess of appropriations made, the Town shall annually appropriate a certain sum of money to be known as the Contingent Fund. No direct drafts against this fund shall be made, but transfers from the fund may be made by vote of the Warrant Committee to the account of any other appropriation. A certified copy of such vote shall be sent to the Town Treasurer, and the Treasurer shall transfer accordingly, and honor drafts against the funds so transferred as if originally appropriated.

SECT. 10. No board, committee, or officer of the Town shall commit the Town to any expenditure or liability which would, in the ordinary course of business, be chargeable to the appropriation of which such board, committee or officer is or has been in charge, after such appropriation has been exhausted, or after the satisfaction of all liabilities against it would exhaust it, until either the Warrant Committee shall have transferred additional sums to such appropriation, or until the Town at a meeting of the voters, shall have acted in the matter.

SECT. 11. No grant of a sum of money exceeding five hundred dollars shall be made until the subject-matter thereof has been considered and the estimates reported to

the Town, either by the Selectmen or other Town officers, or by the Warrant Committee or some committee chosen for that purpose in pursuance of a vote of the Town.

SECT. 12. The Selectmen shall have full authority as agents of the Town to institute and prosecute suits in the name of the Town, and to appear and defend suits brought against it, unless it is otherwise specially ordered by a vote of the Town.

SECT. 13. Whenever it shall be necessary to execute any deed conveying land or other instrument required to carry into effect any vote of the Town, the same shall be executed by the Selectmen, or a majority thereof, in behalf of the Town, unless the Town shall otherwise vote in any special case.

SECT. 14. Two Auditors shall be chosen by ballot at the annual meeting, who shall have the power and perform the duties prescribed by statute.

CHAPTER 5

THE CEMETERY

SECTION 1. The sole care, superintendence, management, and control of the Cemetery shall be intrusted to a Board of five Trustees to serve for the period of five years; one of said Board shall retire and a new member be elected at each annual meeting of the Town.

In case of vacancies in the Board of Trustees the remaining members may fill the same, but any member so chosen shall hold office only until the next annual Town meeting, when a Trustee shall be elected for the unexpired term.

SECT. 2. Citizens of Milton who are heads of families and have been residents of the Town not less than five years shall be entitled to lots in the Cemetery, allowing one lot to a family, subject to the regulations adopted by

the Town, upon payment of the charges for putting the lot in order; but by unanimous consent of the Trustees the five years' residence requirement may be waived.

SECT. 3. The Trustees, when in their judgment it shall be deemed advisable, may sell lots at the rate of fifty cents a square foot, but only to those who are in some way connected with Milton people.

SECT. 4. The proprietor of each lot shall cause to be erected, at his own expense, corner-stones, and a step with his name and the number of the lot inscribed on the same, and shall cause his lot to be kept in proper order; and if the proprietor shall omit for thirty days after notice to erect such landmarks and to keep the lot in order, the Trustees shall have authority to have the same done at the expense of said proprietor.

SECT. 5. No lot shall be used for any other purpose than as a place of burial for the dead, and no proprietor shall suffer the remains of any person to be deposited within the bounds of his lot for hire; nor shall any proprietor sell or transfer the whole or any part of his lot without the consent of the Trustees.

SECT. 6. If in the judgment of the Trustees any trees or shrubs in any lot shall become detrimental to the adjacent lots or avenues, or dangerous or inconvenient, it shall be the duty of the Trustees to enter upon said lot and to remove said trees and shrubs, or such parts thereof as are thus detrimental, dangerous or inconvenient.

SECT. 7. There shall be no structure or inscription placed in, upon or around any lot which the Trustees shall deem offensive or improper; and it shall be the duty of the Trustees to remove all offensive or improper objects.

SECT. 8. The Trustees shall have authority to purchase any tomb in the Cemetery offered for sale, paying for the same such sums as, in their judgment, may be fair and reasonable. They shall also have authority to

give for any tomb a lot to be constructed on the land occupied by the tomb, or to be selected at some other point in the Cemetery grounds, as they may agree with the proprietor of the tomb. Should there be no living proprietors, or legal representatives of deceased proprietors, the Trustees may take possession of such Tomb, carefully remove its contents to a lot prepared for the purpose, and erect over the remains a suitable memorial stone.

SECT. 9. The following regulations shall be posted within the Cemetery:—

1. All persons are prohibited from driving on the borders.
2. No horse shall be left upon the grounds without a keeper, unless fastened to posts provided for the purpose.
3. All persons are prohibited from discharging fire-arms within the grounds of the Cemetery, except in connection with military memorial services.
4. All persons are prohibited from writing upon or otherwise defacing any sign, monument, fence, or other structure.
5. All persons are prohibited from gathering flowers, or breaking any tree, plant or shrub.
6. Dogs are not allowed within the Cemetery grounds.

CHAPTER 6

POLICE REGULATIONS

SECTION 1. No person shall move or assist in moving any building, over any way which the Town is obliged to keep in repair, without the written permit of the Selectmen being first obtained; nor, having obtained such permit, without complying with the restrictions and provisions thereof.

SECT. 2. Whoever, without a written license from the Selectmen, shall cause or suffer any cart or wagon to remain within the limits of any public way so as in any manner to obstruct travel thereon, or for more than twenty-four hours, shall forfeit and pay a sum not less than one dollar and not more than ten dollars for each offence; and he shall be subject to a like penalty if he neglects to remove the same within the time ordered by such officers, who may revoke such license at any time.

SECT. 3. No person shall place or cause to be placed, upon any public way or sidewalk, any lumber, iron, wood, coal, trunk, bale, box, crate, cask, barrel, package or other thing, and allow the same to remain for more than one hour, or more than ten minutes after being notified by a constable, police officer or the Selectmen.

SECT. 4. Any person who intends to erect, repair or take down any building on land abutting on any way which this Town is obliged to keep in repair, and desire to make use of any portion of said way for the purpose of placing thereon building materials or rubbish, shall give notice thereof to the Selectmen. And thereupon the Selectmen may grant a permit in writing to occupy such a portion of said way to be used for such purpose as in their judgment the necessity of the case demands and the security of the public allows; such permit in no case to be in force longer than ninety days, and to be on such conditions as the Selectmen may require; and especially in every case, upon condition that during the whole of every night, from twilight in the evening until sunrise in the morning, lighted lanterns shall be so placed as effectually to secure all travellers from liability to come in contact with such building materials or rubbish.

SECT. 5. No person shall throw or place, or cause to be thrown or placed, any ice or snow into or upon any

public way unless the same be broken into small pieces and spread evenly.

SECT. 6. Whoever, without the written permission of the Selectmen, shall place or cause to be placed in or upon any public way, or sidewalk, any ashes, dirt, rubbish or filth of any kind, or any animal or vegetable substance, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

SECT. 7. Whoever shall suffer any horse or grazing beast, or swine, to run at large in the Town, or to feed in any public way either with or without a keeper, and whoever shall drive any such animal upon any sidewalk, or suffer any horse to remain hitched across any sidewalk, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

SECT. 8. Three or more persons shall not continue to stand or remain in a group, or near to each other, on any sidewalk or in any public place in such a manner as to obstruct a free passage for foot passengers, after having been requested by a constable or police officer to move on. Any person who shall violate the provisions of this section shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

SECT. 9. No person shall dig up or obstruct any portion of any way which the Town is obliged to keep in repair without the permit, in writing, of the Selectmen, nor, having obtained such permit, shall fail to comply with the conditions thereof; and in addition to any penalty to which he may be subjected under these By-Laws for such failure, he shall reimburse the Town for all expenses and damages which, or for which, the Town may be compelled to pay by reason of such unauthorized use, or any failure to comply with said conditions.

SECT. 10. No person shall ride or drive any beast of burden, carriage or draught, or shall propel or cause to be

propelled any bicycle, tricycle, automobile or any vehicle whatsoever, at a rate of speed exceeding ten miles an hour, in or over any crossing in any public way.

SECT. 11. No person shall permit any team under his care or control to stand across any public way in such a manner as to obstruct the travel over the same for an unnecessary length of time; no person shall stop with any team in any public way so near to another team as to obstruct public travel; and no person shall stop with any team or carriage upon or across any crossing in any public way.

SECT. 12. No person shall drive or take charge of at the same time in any public way two or more vehicles drawn by horses or other beasts; or shall allow any vehicle belonging to him to be driven in any public way without some competent person in charge thereof.

SECT. 13. Whoever shall coast upon ice or snow on Adams Street, between Churchill's Lane and the line of the City of Boston, or upon any public way on which the Selectmen or Superintendent of Police shall by public notice have forbidden such coasting, and whoever shall drive, wheel or draw any coach, cart, wheelbarrow, hand-cart, velocipede, bicycle or any carriage of burden or pleasure, except children's carriages, or coast upon any sidewalk in the Town, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

SECT. 14. Whoever shall behave in an indecent or disorderly manner, or use profane, indecent, or insulting language in or upon any sidewalk, public way, or other public place, to the annoyance or disturbance of any other person there being or passing in a peaceable manner, shall forfeit and pay a sum not less than one dollar nor more than twenty dollars for each offence.

SECT. 15. Any person or persons who shall play or

perform on any musical instruments, or sing, parade, march, or congregate in any public way or public place, except in connection with a funeral, without the written permit of the Selectmen, shall forfeit and pay a sum not less than one dollar nor more than twenty dollars for each offence.

SECT. 16. Whoever shall be or remain on any doorstep, portico, or other projection from any house or building, or upon any wall or fence on or near any public way or public place, after being requested by the occupant of the premises or by any constable or police officer to remove therefrom, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

SECT. 17. No person shall throw stones, snowballs, sticks, or other missiles, or kick a football or play at any game in which a ball is used, or fly any kites or balloons, in any public way.

SECT. 18. Whoever shall affix, by paste or otherwise, any handbill, placard, notice, or advertisement, or paint, draw or stamp the same, or any marks or figures, to or upon any sign board of the Town, or to or upon any building, fence, wall, tree or structure, without the permission of the owner of such building, fence, wall, tree or structure, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence; and if such handbill, placard, notice, advertisement, mark, or figure be obscene or indecent, the penalty shall not be less than twenty dollars for each offence.

SECT. 19. Whoever shall undertake to enter a particular drain into a common sewer without a permit in writing from the Sewer Commissioners or without complying with the conditions and directions of such permit, shall forfeit and pay a sum not exceeding ten dollars.

SECT. 20. Whoever shall lead or cause to be led into any public way, or running stream, any drain or pipe

from any house or other building whereby filthy water or other unclean matter may be emptied into or upon any such public way or running stream; and whoever shall throw, lead or discharge or cause to be thrown, led or discharged, into any public way, or running stream, any noxious or poisonous matter or substance, or any matter or substance which shall cause an offensive smell or odor, or which shall be destructive of, or injurious to, animal life, shall forfeit and pay a sum not less than five dollars nor more than twenty dollars.

SECT. 21. The Selectmen may grant licenses to use a certain portion of any public way as a carriage-stand, under such terms and conditions as they may prescribe; and no person shall use any portion of any public way as a carriage-stand for the solicitation of passengers for hire without a license from the Selectmen. But licenses shall not be confined to one person to the exclusion of other applicants, and shall be granted so as to allow competition and promote public convenience.

SECT. 22. No person shall distribute papers, circulars, or advertisements through the Town or any portion thereof in such a manner as to make a litter or otherwise cause public annoyance.

SECT. 23. No person shall fire, discharge, explode or set off any gun, fire-arm, torpedo, fire-cracker or fireworks in such manner as to frighten any horse, or to disturb the peace or quiet of any neighborhood.

SECT. 24. No person shall wilfully deface or injure any public playground, planting space, flower bed, tree, shrub or grass border.

SECT. 25. No person shall own or keep a dog which by barking, biting, howling or in any other manner is disturbing the peace or quiet of any neighborhood.

SECT. 26. No person shall hawk or peddle any of the articles enumerated in Section 15 of Chapter 65 of the

Revised Laws, until he has recorded his name and residence with the Superintendent of Police, and been assigned a number by him, nor unless any vehicle or receptacle in which he shall carry or convey such articles shall have painted on it in letters and figures at least two inches in height the name of the person selling, and the number given him by the Superintendent of Police, and be approved on the first Monday in every month by the Superintendent of Police; provided, however, that the foregoing provisions shall not apply to minors licensed by the Selectmen; and, further, provided that the Selectmen may restrain the sale by minors of any or all such articles.

No person hawking, peddling or selling, or exposing for sale, any articles enumerated in Section 15 of Chapter 65 of the Revised Laws, shall cry his wares to the disturbance of the peace and comfort of the inhabitants of the town.

No hawker or peddler shall carry or convey any articles enumerated in Section 15 of Chapter 65 of the Revised Laws in any manner that will tend to injure or disturb the public health or comfort, nor otherwise than in vehicles or receptacles which are neat and clean and do not leak.

SECT. 27. The Selectmen may license suitable persons to be dealers in and keepers of shops for the purchase, sale, or barter of junk, old metals, or second-hand articles, in the Town. They may also license suitable persons as junk collectors, to collect, by purchase or otherwise, junk, old metals, and second-hand articles from place to place in the Town; and they may provide that such collectors shall display badges upon their persons, or upon their vehicles, or upon both, when engaged in collecting, transporting, or dealing in junk, old metals, or second-hand articles; and may prescribe the design thereof. They may also provide that such shops and all articles of merchandise therein, and any place, vehicle

or receptacle used for the collection or keeping of the articles aforesaid, may be examined at all times by the Selectmen or by any person by them authorized thereto. The aforesaid licenses may be revoked at pleasure, and shall be subjected to the provisions of Sections 186 to 189 inclusive of Chapter 102 of the Revised Laws.

Whoever violates any provisions of Sections 26 and 27 shall in cases not otherwise provided for, forfeit and pay for each offence a fine not exceeding twenty dollars.

SECT. 28. The Selectmen may order numbers to be affixed to or painted on the buildings on any street in their discretion. The owner of every house shall comply with such order within thirty days thereafter.

PROSECUTIONS AND PENALTIES

Except when otherwise provided by law, prosecutions for offences under the By-Laws of the Town may be made by any constable or police officer of the Town.

CHAPTER 7

THE CONSTRUCTION AND INSPECTION OF BUILDINGS

SECTION 1. This Chapter shall constitute and be known as the Building Code and may be cited as such. It provides, in conjunction with Chapter 635, Acts of 1912, known as the "Tenement House Act," for all matters concerning the construction, equipment, alteration, repair, demolition or moving of buildings or structures erected or to be erected in the Town of Milton.

SECT. 2. Whenever the word "Inspector" occurs in this Chapter it means the Inspector of Buildings.

SECT. 3. The Inspector may, so far as is necessary for the performance of his duties, enter any building or premises within the Town at any reasonable hour.

SECT. 4. In this Chapter the following terms shall have the meanings respectively assigned to them:

First Class Buildings: A first class building shall consist of fireproof material throughout, with floors constructed of iron, steel or reinforced concrete beams, filled in between with terra cotta or other masonry arches or with concrete or reinforced concrete slabs. Wood may be used only for under and upper floors, window and door frames, sashes, doors, interior finish, hand rails for stairs, necessary sleepers bedded in cement, and for isolated furrings bedded in mortar. There shall be no air space between the top of any floor arches and the floor boarding.

Second Class Buildings: Second class buildings shall include all buildings not of the first class, the external and party walls of which are of brick, stone, iron, steel, concrete, reinforced concrete, concrete blocks or other equally substantial and fireproof material.

Third Class Buildings: Third class buildings shall include all buildings not of the first or second class.

Thickness of Wall: The minimum thickness of such wall.

Grade: Average grade of the ground immediately adjoining a building.

Cellar: A story more than one-half below the average grade of the ground immediately adjoining a building.

Wooden Frame Building: Any building of which an external wall is constructed wholly or partly of wood. Wood frames covered with metal, wire lath and plaster or brick shall be deemed to be wood structures.

Reinforced Concrete: By the term "reinforced concrete" is meant an approved concrete mixture reinforced by steel of any shape so combined that the steel takes up the tensile stress and assists in the resistance to shear.

Story: That part of a building between the top of any floor beams and the top of the floor or roof beams next above.

PERMITS

SECT. 5. Before the erection, construction or alteration of any building or part of any building, structure or part of any structure, wall, or any platform or flooring to be used for standing or seating purposes, is commenced, the owner or lessee, or agent of either, or the architect or builder employed by such owner or lessee in connection with the proposed erection or alteration shall, except for ordinary repairs, submit to the Inspector a detailed description of the location, purpose and construction of the proposed structure or work on proper blanks to be furnished by the Inspector, and full and complete copies of the plans of such proposed work, and such structural detailed drawings as the Inspector may require.

Such plans and detailed drawings shall be furnished in duplicate and, if approved by the Inspector, one set shall be kept at the building during the progress of the work, open to the inspection of the Inspector or his representative. The other shall be kept on file in the office of the Inspector.

The Inspector may require an applicant for a permit to submit with the plans of a building or other structure detailed drawings and calculations of any portions thereof subjected to unusual stresses, or of complicated construction, or for a steel frame or reinforced concrete construction, or of any type of construction not particularly described in this chapter.

Nothing in this section shall be construed to prevent the Inspector from granting his approval of the erection of any part of a building or structure where the general

plans and detailed descriptions have been filed for the same, before the entire detailed plans have been submitted.

SECT. 6. It shall be the duty of the Inspector to approve or reject any plans filed with him pursuant to the provisions of this chapter within a reasonable time and within ten (10) days in any event, and no work shall be commenced until a permit is issued.

SECT. 7. Upon approval of plans the Inspector shall issue a permit. The permit shall be void unless work is commenced within three (3) months from the date thereof.

SECT. 8. No building shall be lathed nor shall any metal ceiling, plaster board or other covering be put on until the Inspector has been notified that the building is ready for such work, and until he has given written consent thereto.

SECT. 9. If a proposed building or structure is of a size or character not provided for by this chapter, plans and specifications of such building or structure shall be submitted to the Inspector and referred by him, with his recommendations thereon, to the Board of Selectmen for approval.

CONSTRUCTION

SECT. 10. The Inspector shall examine all buildings in the course of erection or alteration as frequently as is necessary, to see that the Law and the By-Laws of the Town are complied with.

SECT. 11. Every portion of every building or other structure in process of construction, alteration, repair or removal and every neighboring building or other structure or portion thereof affected by such process, or by any excavation, shall be properly supported during such process or excavation.

SECT. 12. All masonry below the finished grade shall be laid up in mortar no poorer than one part Portland cement and three parts sand.

All masonry above grade shall be laid up in mortar no poorer than one part Portland cement, one part lime, and six parts sand.

SECT. 13. Every building or structure hereafter erected shall have a masonry foundation resting upon the solid ground, piles, or other durable structure. Said foundation shall be securely and properly built, and shall be of such thickness as to properly sustain the weight it is intended to support; provided, however, that the Inspector may, in his discretion, permit the use of other materials for foundations of buildings not over one and one-half stories high.

SECT. 14. The underpinning above grade, if of concrete, shall be not less than ten (10) inches in thickness; if of brick, not less than twelve (12) inches in thickness; if of stone, not less than sixteen (16) inches in thickness; and shall be laid in cement mortar, as prescribed in Section 12.

SECT. 15. All foundation walls and pier footings shall be laid at least three (3) inches below cellar bottom and not less than three (3) feet six (6) inches below any adjoining surface exposed to frost.

SECT. 16. All piers shall be built of stone, good hard burnt brick laid in mortar, or reinforced concrete. Isolated brick piers shall not exceed in height ten (10) times their horizontal dimensions and, if of reinforced concrete, fifteen (15) times their least horizontal dimensions, which shall not be less than twelve (12) inches. Cement filled iron columns may be substituted for piers if of suitable size to carry the superimposed load. Such columns shall have cast iron caps and bases and shall rest on foot-

ings of masonry, stone, or concrete which shall be at least twelve (12) inches in each dimension.

SECT. 17. For buildings other than frame, where the walls are of brick or solid concrete, the minimum thickness in inches of all exterior and dividing walls carrying the loads of floors and roofs and including foundation walls for the same shall be not less than specified in the following table:

Height	Founda- tions	Base- ment	Stories					
			1	2	3	4	5	6
1 Story	16	12	8					
2 Stories	16	12	12	8				
3 Stories	20	16	12	12	8			
4 Stories	20	16	16	12	12	8		
5 Stories	20	16	16	16	12	12	8	
6 Stories	24	20	16	16	16	12	12	8

The height of stories for the thickness of walls given shall not exceed:

First Story	17 feet
Second Story	15 feet
Third Story	13 feet
Fourth and Upper Stories	12 feet

and if any story exceeds the foregoing heights, it shall be counted as one additional story for each twelve feet in height or fraction thereof and the thickness of the walls not diminished from the thickness of the lower portion of such story.

If stone is used in place of brick or solid concrete, the thickness of walls shall be made four (4) inches thicker than above specified.

In external walls of the thickness specified in this section, the area of openings for windows, doors, flues, etc., shall not exceed 50 per cent of the gross sectional area.

In case the width of such openings exceeds one-half the length of the wall, the thickness of piers between openings shall be increased so as to maintain an area of at least fifty (50) per cent of the gross area required by the specified thickness; provided, however, that in the upper half of any vertical portion of the wall required to be of constant thickness a smaller addition may be made to the thickness of piers, if the stresses allowed by this code are not exceeded. Curtain walls of brick or concrete between piers, where carried to the piers by arches or lintels at each story, shall be not less than eight (8) inches in thickness.

SECT. 18. Vaulted walls shall contain, exclusive of ties, the same amount of material as required for solid walls, and shall be securely tied together with headers in every sixth course at least.

SECT. 19. In reckoning the thickness of walls, no allowance for ashlar shall be made unless it is at least eight (8) inches thick, in which case the excess over four (4) inches shall be reckoned as part of the thickness of the wall. Ashlar shall be at least four (4) inches thick and properly held by metal clamps to the backing, or properly bonded to the same.

SECT. 20. Reinforced concrete construction will be accepted for buildings of the first class, and must be designed in accordance with the recommendations of the Joint Committee of the American Society of Civil Engineers, or American Society for Testing Materials, and all materials used in the construction must conform to the requirements of the standard specifications of the American Society for Testing Materials.

The Building Inspector shall have authority to require tests to be made of all materials used in the construction. Such tests shall conform to the requirements as approved by the American Society for Testing Materials.

Only stone or gravel concrete shall be allowed in the construction of reinforced concrete buildings, except that slag or cinder concrete may be used for fireproofing purposes and for floors or roofs where the super-imposed load does not exceed fifty (50) pounds per square foot, and the spacing between supports does not exceed six (6) feet.

The allowable unit stresses shall not exceed those recommended by the Joint Committee above mentioned.

Before issuing permit for the construction of reinforced concrete buildings, the Inspector of Buildings shall require the owner to submit a complete set of working drawings and details of the proposed construction with the approval of some well-known consulting engineer written upon each sheet of the drawing, and the cost of such approved drawings shall be paid by the owner.

SECT. 21. The studding in outside walls shall be at least two (2) by four (4) inches in size and spaced not over sixteen (16) inches on centers.

Studs next door and window openings shall be at least three (3) inches by four (4) inches and shall be mortised into sills and girts.

Openings in outside walls shall be trussed if the Inspector so requires.

SECT. 22. Every wooden building hereafter erected or altered shall have all parts of sufficient strength to carry the weight of the super-structure; shall be built with sills, posts, girts, studs and plates all properly framed, braced and secured together by mortising, strapping or halving, to the satisfaction of the Inspector.

The posts and girts shall be not less than four (4) inches in size except intermediate posts, which shall be not less than four (4) inches by eight (8) inches in size. Studs in interior partitions shall be placed not more than twenty (20) inches on centers. Plates shall be not less

than four (4) inches by four (4) inches in size, but may be two (2) inches by four (4) inches doubled. Sills shall be not less than four (4) inches by six (6) inches in size.

SECT. 23. The studding of main or carrying partitions shall be not less than two (2) by four (4) inches in size, and shall rest on a sole piece of hard pine two (2) by four (4) inches. All openings in main partitions of more than thirty-six (36) inches shall be trussed and have studs doubled at sides. Every partition shall have a header extending the length of the partition, and carrying partitions shall be bridged with stock the full width of studding and two (2) inches thick, at least once in height.

Partitions over twelve (12) feet in height shall be bridged at least once in every six (6) feet.

When carrying partitions rest directly over each other, the studs shall run down between the floor beams and rest on the header of the partition below.

Headers of carrying partitions shall be at least two (2) inches by four (4) inches in size, doubled and of hard pine.

SECT. 23 A: All wooden header beams more than four (4) feet long used in any building shall be framed together and pinned or hung to the trimmer beams in stirrup-irons. When it is not practicable to frame or secure the ends of tail beams into header beams, the ends of the tail beams shall be hung to the header beams by stirrup-irons.

SECT. 24. All wooden beams of floors or flat roofs shall be properly bridged with cross bridging at least one (1) inch by three (3) inches in size, and the distance between bridging or between bridging and walls shall not exceed eight (8) feet.

SECT. 25. No part of any floor timber shall be within two (2) inches of any chimney; no studding or furring shall be within one (1) inch of any chimney; and no

timbers or woodwork shall be within two (2) inches of the back wall of any fireplace. The header beam, carrying the tail beams of a floor and supporting the trimmer arch in front of a fireplace, shall be not less than eighteen (18) inches from the finished chimney breast.

SECT. 26. Every wooden beam, except header beams, shall rest four (4) inches in the wall at each end, or upon a girder or column as authorized by this chapter, unless the wall is properly corbelled out of four (4) inches, in which case the brickwork or corbelling shall extend to the top of the floor beams.

SECT. 27. The ends of all wooden beams of floors where they rest on brick walls, and the ends of all wooden roof beams in parapeted walls, shall be cut to a bevel of three (3) inches in their depth.

SECT. 28. No cutting of timbers for any purpose shall be done so as to reduce the strength of the supporting parts below that required by the provisions of this chapter. No floor timber, header or trimmer beam of any building shall be cut into more than two (2) inches in depth for piping without a permit from the Inspector. Holes for electric wires through wooden beams, girders or floor beams shall not be located more than one (1) inch from the neutral axis thereof.

SECT. 29. Every second and third class building hereafter built shall have in each story all vertical space in the exterior walls, and carrying partitions thoroughly stopped with fireproof materials not less than four (4) inches in height. These steps may be omitted on approval of the Inspector in cases where the studding is to remain open and uncovered. In every building used solely as a mill or factory there shall be a fireproof stop between the upper and under floor. This fire stop may, however, be omitted if the floor boards are at least two (2) inches

thick and splined or tongued together and the space between the timbers of the floor open and uncovered.

SECT. 30. All floors shall be of sufficient strength to bear the weight imposed thereon and of sufficient strength in all parts to safely bear (in addition to the weight of the material of which the floor is composed), upon every square foot of its surface not less than the weights named below for the specified purposes for which such floors are respectively used or designed to be used:

Dwelling houses and hotels [except public rooms having a floor area of over five hundred (500) square feet and corridors], fifty (50) pounds; unfinished attics used for storage purposes only, thirty (30) pounds; schoolhouses, except corridors and assembly halls, sixty (60) pounds; stairs, landings, platforms, fire escapes, office floors, places of public assembly and public buildings having permanent seats, seventy-five (75) pounds; stables, private garages and the portions of public garages not containing machinery, seventy-five (75) pounds; corridors of hotels, of public buildings and of schoolhouses and rooms in hotels exceeding five hundred (500) square feet in area, one hundred (100) pounds; retail stores and buildings for light manufacturing purposes, one hundred and twenty-five (125) pounds; places of public assembly and public buildings having movable seats, dance halls and gymnasiums, two hundred (200) pounds; warehouses and buildings for heavy manufacturing purposes, two hundred and fifty (250) pounds. Loads not included in the above classification shall be determined by the Inspector.

SECT. 31. The pressure upon brick masonry in walls or piers, of which the thickness or least dimension is more than one-sixth of the height, when lime mortar is used, shall not exceed eight (8) tons per square foot; with lime and cement mortar, twelve (12) tons per square

foot; with cement mortar, eighteen (18) tons per square foot. When the thickness or least dimension is between one-sixth and one-twelfth the height, and lime mortar is used, the pressure shall not exceed seven (7) tons per square foot; lime and cement mortar, ten (10) tons per square foot; with cement mortar, fifteen (15) tons per square foot.

On first class stone work laid in cement, pressures shall not exceed: on sandstone, thirty (30) tons per square foot; on marble or limestone, forty (40) tons per square foot; on granite, sixty (60) tons per square foot.

Hollow blocks of terra cotta or concrete when used for bearing walls shall have not more than fifty (50) per cent of cellular space. Concrete blocks shall not be used in construction until they have attained the age of twenty-eight days, or developed the strength required in this section. All building blocks shall be laid in Portland cement mortar.

The compressive strength of building blocks shall in all cases be calculated upon the gross area of the bedding faces, no account being taken of the cellular spaces. The average ultimate compressive strength for terra cotta blocks laid with cells vertical shall be not less than twelve hundred (1200) pounds per square inch; the average for concrete blocks laid with cells vertical shall be not less than eight hundred (800) pounds per square inch. Concrete blocks shall be not less than thirty-six (36) days old when tested. The average strength of the blocks as here given shall be obtained by testing ten blocks of average quality.

The allowable working stress of hollow building blocks shall not exceed one hundred (100) pounds per square inch of gross area for terra cotta blocks, or seventy-five (75) pounds per square inch of gross area for concrete blocks. If a wall be built of blocks with the cells horizon-

tal, the allowable working stress shall not exceed thirty (30) pounds per square inch of gross area.

The maximum stress in pounds per square inch in wood-work shall not exceed the following:

	Long-leaved Yellow Pine Oak and Locust	Other Woods
Direct tension on compr. or fiber str.	1,500	1,000
Direct comp. side grain	500	300
Shear across fiber	1,200	800
“ with “	150	100
Short columns	1,000	700

Columns may be used with a length not exceeding forty (40) times the least dimension. The unit strain for lengths up to ten (10) times the least dimensions shall be as given in the above table, with a reduction of one hundred (100) pounds per square inch for every increase of ten in the ratio of length to least dimension.

The maximum stress in tension in cast iron, or tensile fiber stress in case of beams, shall not exceed three thousand (3000) pounds per square inch. The maximum compression in short pieces or compressive fibre stresses in beams shall not exceed sixteen thousand (16,000) pounds per square inch. Cast iron columns may be used with a length not exceeding twenty (20) times their least external diameter. The unit stress for lengths up to three (3) times their least diameter shall not exceed eleven thousand (11,000) pounds per square inch, with a reduction of five hundred (500) pounds per square inch for every increase of 3 in the ratio of length to least diameter.

In rolled steel the maximum stresses shall not exceed the following:

Tension and fiber stress, 16,000 lbs. per square inch; compression in columns, 13,000 lbs. per square inch.

Columns may be used with a ratio of length (1) to least radius of gyration (r) not exceeding 16, 1 being expressed in feet and the r in inches. The unit stress allowed shall be 13,000 pounds per square inch, for $1/r$ from 2 to 4; 12,000 from 4 to 6; with a decrease of 1000 pounds for each succeeding increase of 2 in the ratio of 1 to r .

Shear in rivets, 10,000 lbs. per square inch; shear in rough bolts, 9000 lbs. per square inch; shear in web (stiffened), 8000 lbs. per square inch; bearing on rivets, 18,000 lbs. per square inch; bearing on rough bolts, 15,000 lbs. per square inch.

The maximum stresses in wrought iron shall not exceed seventy-five (75) per cent of those allowed in rolled steel.

Materials not specifically mentioned above shall not be allowed to carry stresses exceeding one-quarter the stresses which would cause fracture or cracks in specimens of such materials of average quality under similar conditions of loading. In cases of doubt of the strength of such materials, the owner may be required to make such tests as the Inspector shall deem necessary to determine the strength, said tests to be made in the presence of the Inspector or his authorized representative.

SECT. 32. Frame buildings veneered on the outside with four (4) inches of brick or stone work shall have such brick or stone work supported on a foundation of masonry, and shall be properly anchored to the frame structure. The height of any such veneer shall not exceed twenty-five (25) feet above the solid masonry.

SECT. 33. All hot air furnaces, low pressure boilers, and hot water heaters shall be placed at least two (2) feet from any wooden or combustible partition or ceiling, unless such partition or ceiling is properly protected by incombustible material, when the distance shall be not less than one (1) foot.

SECT. 34. No wood shall be placed within one (1) inch of any smoke flue or metal pipe used to convey hot air. No smoke pipe shall pass through any wood floor. No smoke pipe shall be placed nearer than twelve (12) inches to any woodwork unless it is properly guarded by metal shields; if so guarded smoke pipes shall be not less than six (6) inches distant. Where smoke pipes pass through a lath and plaster partition they shall be guarded by galvanized iron ventilated thimbles at least twelve (12) inches larger in diameter than the pipes, or by galvanized iron thimbles surrounded by solid masonry extending through the partition and eight (8) inches larger than the pipe. No smoke pipe shall pass through the roof of any building unless a special permit be first obtained from the Inspector of Buildings.

SECT. 35. Steam or hot water heating pipe shall not be placed within two (2) inches of any timber or woodwork, unless the timber or woodwork is protected by a metal shield; then the distance shall be not less than one (1) inch. All steam or hot water heating pipes passing through floors and ceilings or lathed and plastered partitions shall be protected by a metal tube one (1) inch larger in diameter than the pipe—having a metal cap at the floor.

All pipes or ducts used to convey air warmed by steam or hot water shall be of metal or other fireproof material. All steam and hot water pipe coverings shall consist of fireproof materials only.

SECT. 36. All walls, ceilings and partitions inclosing drying-rooms, when not made of fireproof material, shall be wire lathed and plastered, or covered with metal, tile or other hard, incombustible material.

SECT. 36 A: No portion of any building of third class construction to which the provisions of Chapter 635 of the Acts of 1912 do not apply shall be hereafter erected, enlarged, altered, or placed nearer than four (4)

feet to the line of any adjacent lot or to any other building of the first or second class; or nearer than eight (8) feet to any portion of any other building of the third class on the same lot, unless fireproof masonry walls, with openings protected as required by Section 36, are built next to the said lot or other building, such walls to be of thickness provided under Section 17.

SECT. 37. In first or second class buildings all openings in walls within four (4) feet of adjoining property lines shall be protected by metal shutters or by metal sash, frames and wire glass.

SECT. 38. Every building of the third class hereafter erected to form a block of two or more buildings shall have a wall of brick, or Portland cement concrete, or other equally substantial and approved fireproof material between adjoining buildings, completely separating same. Such walls to be of thickness specified in Section 17, carried to under side of roof boarding.

SECT. 38 A: Every dwelling to which the provisions of Chapter 635 of the Acts of 1912 do not apply shall have at least two independent means of egress.

ELECTRIC WIRING AND FIXTURES

SECT. 39. All wires, appliances and apparatus in the interior of a public building or on private premises, which are intended for the transmission of electricity and to be connected with an outside circuit, shall be made and at all times kept safe, and shall be placed, arranged, attached, changed and maintained by the person, firm or corporation owning or using the same, to the satisfaction of the Inspector of Wires appointed in accordance with the provisions of Chapter 337 of the Acts of the year 1899. The Inspector of Wires shall have access at all reasonable times to such wires, appliances and apparatus.

Before any person, firm or corporation shall arrange, fix, or essentially change any such wires, appliances and apparatus, the Inspector of Wires shall be notified and given full opportunity to inspect the said wires and their arrangement and fixtures before the same are covered or enclosed. Wires in the interior of buildings and on private premises shall not be connected with an outside circuit which crosses or runs along, over or under any street or way of the Town without written permission therefor having been first obtained from the Inspector of Wires.

Companies and contractors making any repairs on or installing any electric plants in the Town of Milton shall send a notice to the Inspector of Wires before the work is commenced.

All work and material must be supplied and installed in accordance with provisions of the National Electric code and any amendments or additions thereto.

GAS FIXTURES

SECT. 40. The burners of all gas fixtures shall be at least three (3) feet below any ceiling or woodwork, unless the same is properly protected by a shield, in which case the distance shall be not less than eighteen (18) inches. No gas bracket on any lath and plaster partition or woodwork shall be less than five (5) inches in length, measured from the burner to the plaster surface or woodwork.

SECT. 41. Gas pipes in any building or structure shall be installed in accordance with the rules and regulations prescribed by the company furnishing gas. All gas pipes shall be inspected and tested by the gas company before the pipes are covered, and a certificate of the same from the gas company shall be placed on file with the Inspector of Buildings by the owner of the building or his

representative. The method of installation of the gas pipes shall be subject to the approval of the Inspector of Buildings.

SECT. 42. Every hot water boiler hereafter installed, to be used for heating purposes, shall be provided with a safety or relief valve of a size not less than that known commercially as one-half ($\frac{1}{2}$) inch. Such valve shall be attached either directly to the boiler or to some pipe connected therewith at a point not more than one foot from the boiler.

REGULATIONS MADE BY THE FIRE ENGINEERS ACCORDING
TO THE PROVISIONS OF CHAPTER 32, SECTION 46 OF THE
REVISED LAWS IN REGARD TO CHIMNEYS, FLUES, FIRE-
PLACES AND HEATING PIPES.

SECT. 43. All chimneys hereafter erected shall be built of brick, stone or other incombustible material.

SECT. 44. All chimneys hereafter erected, if walls are less than eight (8) inches thick, shall be lined on the inside with terra cotta or tile pipe, made smooth on the inside from two (2) feet below girder, or from the throat of the fireplace, if the flue starts from the latter, and carried up continuously to the top. The ends of all such lining pipes shall be made to fit close together, and the pipe shall be built in, as the flue or flues are carried up. The walls shall be at least four (4) inches thick. No parging mortar shall be used on the inside of any fireplace, chimney or flue. The firebacks of all fireplaces hereafter erected shall be not less than eight (8) inches in thickness if of solid brickwork nor less than twelve (12) inches if of stone. When a grate is set in a fireplace, a lining of firebrick at least two (2) inches in thickness shall be added to the fireback, unless soapstone, tile or cast iron is used and filled solidly behind with fireproof material.

All chimneys shall extend at least three (3) feet above the highest point at which the chimney cuts the roof and at least six (6) inches above any roof surface within ten (10) feet in a horizontal line.

SECT. 45. Imitation fireplaces intended for use with gas or electricity and not having a flue shall be constructed throughout, including the hearth, of fireproof material not less than two (2) inches thick.

Hearths of all fireplaces and chimney breasts where mantels are placed shall be supported by trimmer arches of brick, stone, burnt clay or concrete at least eighteen (18) inches in width measured from the face of the finished chimney breast and not less than sixteen (16) inches longer than the width of the finished fireplace opening. Wooden centers under trimmer arches shall be removed before plastering the ceiling underneath. Hearths may be supported on steel cantilever beams built not less than sixteen (16) inches into the chimney.

SECT. 46. No chimney shall be supported by, started or built upon any woodwork.

In no case shall a chimney be corbelled out more than two-thirds the thickness of a wall to which it is attached, and in all such cases the corbellings shall consist of at least five course of brick. Where chimneys are supported by piers, the piers shall start from the foundation on the same line with the chimney breast, and shall be not less than twelve (12) inches on the face, properly bonded into the walls. When a chimney is to be cut off below, in whole or in part, it shall be wholly supported by stone, concrete, brick, iron or steel.

All chimneys which become dangerous in any manner whatever shall be repaired and made safe, or taken down.

SECT. 47. All hot air furnaces, low pressure boilers, and hot water heaters shall be placed at least two (2) feet from any wooden or combustible partition or ceiling,

unless such partition or ceiling is properly protected by incombustible material, when the distance shall be not less than one (1) foot.

SECT. 48. No wood shall be placed within one (1) inch of any smoke flue or metal pipe used to convey hot air. No smoke pipe shall pass through any wood floor. No smoke pipe shall be placed nearer than twelve (12) inches to any woodwork unless it is properly guarded by metal shields; if so guarded smoke pipes shall be not less than six (6) inches distant. Where smoke pipes pass through a lath and plaster partition they shall be guarded by galvanized iron ventilated thimbles at least twelve (12) inches larger in diameter than the pipes, or by galvanized iron thimbles surrounded by solid masonry extending through the partition and eight (8) inches larger than the pipes. No smoke pipe shall pass through the roof of any building unless a special permit be first obtained from the Inspector of Buildings.

SECT. 49. Steam or hot water heating pipe shall not be placed within two (2) inches of any timber or woodwork, unless the timber or woodwork is protected by a metal shield; then the distance shall be not less than one (1) inch. All steam or hot water heating pipes passing through floors and ceilings or lathed and plastered partitions shall be protected by a metal tube one (1) inch larger in diameter than the pipe—having a metal cap at the floor.

All pipes or ducts used to convey air warmed by steam or hot water shall be of metal or other fireproof material. All steam and hot water pipe coverings shall consist of fireproof materials only.

CHAPTER 8

THE REGULATION AND INSPECTION OF PLUMBING

SECTION 1. There shall be in the Town a department for the inspection of plumbing in accordance with the provisions of Chapter 103 of the Revised Laws.

SECT. 2. The word "Inspector" without further addition wherever used in this chapter means the Inspector of Plumbing.

SECT. 3. Every plumber before commencing work on any part of the drainage system in a building, except in the case of the repair of leaks, shall file at the office of the Inspector upon blanks provided for that purpose, a description of the proposed work. No such work shall be done in any building unless approved by the Inspector and after a permit is issued therefor. Permits to perform plumbing shall be issued only to master plumbers. Drawings of the proposed work shall be filed when required by the Inspector.

SECT. 4. No drainage, waste or ventilation pipes shall be covered or concealed in any way until the same have been examined and approved by the Inspector. Notice shall be sent to the Inspector when the work is sufficiently advanced for such inspection, and it shall be the duty of such Inspector, within two (2) working days after receiving such notice, to inspect the same; and in case any change therein shall be found necessary, he shall direct in writing the change to be made.

SECT. 5. All drainage, waste and ventilation pipes shall be subjected to the water test before the fixtures are set. After all the fixtures are set, said pipings and fixtures shall be subjected to pneumatic or other reliable pressure test. All such tests shall be made in the presence of the Inspector.

SECT. 6. The drainage and waste piping of every building shall be connected with the public sewer when such sewer is located in a street, way or other land adjacent to the lot upon which the building is located, if the sewer is within two hundred (200) feet of such building and is so located as to take the sewerage therefrom. If the building is more than two hundred (200) feet from

the sewer or a sewer is not accessible, connection may be made with a proper cesspool, provided a permit is granted therefor by the Board of Health.

SECT. 7. The soil pipe of every building shall be of sufficient size to receive, and allow freely to pass, all that enters or should enter the same. All soil pipes shall be of extra heavy cast iron pipe. All drain and connecting ventilating pipes within the building shall be of sufficient size, and made of cast iron with leaded and caulked joints, but galvanized wrought iron pipe may be used for vent purposes. All pipes shall be properly secured to walls and ceilings with wrought iron hangers. Waste pipes shall be of cast iron, of lead, or of annealed brass of a thickness not less than No. 13 Stubbs gauge with brass or cast iron recessed fittings. No soil pipe of any building shall be less than four (4) inches inside diameter, except by written permission of the Board of Health. No vent pipe shall be less than one and a half ($1\frac{1}{2}$) inches inside diameter. No waste pipe shall be less than one and a quarter ($1\frac{1}{4}$) inches inside diameter.

SECT. 8. All drain pipes shall have a proper pitch, shall have an accessible clean-out, and shall extend to a point ten (10) feet outside of the cellar wall. The pipe from the sewer or cesspool to within ten (10) feet of the cellar wall shall have tight joints. The clean-out, if made accessible, may be placed outside of the cellar wall. All drain or ventilation pipes shall extend undiminished in inside diameter at least two (2) feet above the highest window on the roof. Every drain pipe, except a drain pipe from a building having but one sink, or but one sink with adjoining trays, shall have a suitable trap placed with an accessible clean-out at a reasonable distance from the point where such drain pipe leaves the building. All changes in direction of soil pipes shall be made by Y branches or by curved pipes. No ventila-

tion pipes on the outside of any building shall be less than two (2) inches inside diameter.

SECT. 9. All joints in iron drain pipes, soil or vent pipes shall be made by thoroughly caulking the same with molten lead. Joints of lead pipes with iron pipes shall be made by soldering the same into brass ferrules by means of a full sized wiped joint and caulking the ferrules to pipes which are of cast iron, or screwing them to pipes which are of wrought iron.

SECT. 10. Every water-closet, urinal, sink, basin, bath-tub, slop hopper, and every tray or set of four or less wash trays shall have a separate trap, placed as near the fixture as possible, except that when two sinks or two basins, or a sink and a set of four or less wash trays adjoin, one trap shall be sufficient. A basin and bath-tub adjoining shall each have a separate trap, and in no case shall the waste from the bath-tub or other fixtures be connected with the water-closet trap or water-closet lead outlet pipe.

All fixture traps shall be protected from syphonage or air pressure by special vent pipes having a diameter not less than the diameter of the waste pipe and connected with the waste pipe at a point not lower than the seal of the trap in such manner as to make the vent pipe a continuation of or a Y branch from the waste pipe, except that the highest fixture on a stack which extends through the roof shall not require such special vent pipe unless the length of the waste pipe from the trap of said fixture to the said stack exceeds three (3) feet. Vent pipes for water-closets shall be of not less than two (2) inches bore and may be connected with the water-closet waste pipe below the level of the trap seal. Two or more vent pipes may be connected together or with a soil pipe, but such connection with a soil pipe shall be above the uppermost fixture connected with such soil pipe. Lead

vent pipes may be used only where they are exposed to view.

SECT. 11. No drip or overflow pipes from safes under water-closets, urinals, or other fixtures, no overflow pipes from tanks or cisterns, no waste pipes from refrigerators or other receptacles in which food is stored, no rain water conductors, and no steam exhaust pipes, or steam waste pipes shall be connected with any soil pipe. No openings shall be allowed in the soil or waste pipe of any building for the purpose of receiving the surface drainage of the cellar except by permission of, and in a manner satisfactory to, the Board of Health. No brick, sheet metal, earthenware, or chimney flue shall be used as a sewer ventilator, or to ventilate any trap, drain, soil or waste pipe.

SECT. 12. Every water-closet shall be supplied with water from a tank or cistern, and shall have a flushing pipe of not less than one and a quarter ($1\frac{1}{4}$) inches inside diameter. Flushing valves attached directly to a water-closet may be used, but when used the method of installation shall conform in every particular to the requirements of the Inspector.

SECT. 13. Cesspools shall have a top of stone, or arched brick, with iron rim and cover, and may be laid up dry, unless otherwise ordered by the Board of Health.

SECT. 14. No water-closet shall be enclosed with any woodwork.

SECT. 15. None of the provisions of the foregoing sections of this chapter shall apply to the drainage systems of barns and stables, except so far as ordered by the Board of Health, and all drainage systems of barns and stables shall be constructed according to plans approved in writing by the Board of Health.

SECT. 16. Every closed tank or boiler hereafter installed, which is to be used for the storage and supply of hot water, shall, if fed by direct pressure from any source

outside of the building, have a safety or relief valve and a vacuum valve. Each valve shall be of a size not less than that known commercially as one-half ($\frac{1}{2}$) inch.

SECT. 17. Any person violating any of the provisions of Chapters numbered Seven and Eight shall be liable to a fine of not less than twenty (20) dollars nor more than one hundred (100) dollars for each offense, to be paid into the treasury of the Town of Milton.

SECT. 18. Upon the approval of Chapters 7 and 8 by the Attorney-General of the Commonwealth and the publication as required by law, they shall go into effect, and all building laws heretofore adopted by the Town shall be thereby repealed, except that in cases where permits have been issued prior to the approval and publication as above provided, the laws then existing shall govern the work to be performed under said permits.

CHAPTER 9

STREET RAILWAYS

SECTION 1. The annual report shall contain the following concerning the street railways in the Town and the street railway companies owning or operating the same, viz.:—

Copies or full statements of all locations granted to street railways during the preceding calendar year, with all the terms, conditions and modifications thereof, and the terms of any modifications granted during the year of locations previously granted.

A copy of all regulations in force as to the rate of speed, the mode, manner and extent of use of tracks, and the number and routes of cars of any and all such companies made by the Selectmen under the provisions of Sections 40 and 42 of Chapter 112 of the Revised Laws.

A statement of all taxes paid the Town by street railway companies during the preceding calendar year,

which by the terms of Section 47 of Chapter 14 of the Revised Laws are to be applied toward the construction, repair and maintenance of the public ways and removal of snow therefrom within the Town.

SECT. 2. Whenever the Selectmen are of the opinion that additional accommodations for the travelling public are required upon any street railway in the Town, and the company neglects or refuses to furnish the same at their request, it shall be their duty to petition the Board of Railroad Commissioners to order such additional accommodations to be provided under the terms of Section 70 of Chapter 112 of the Revised Laws.

CHAPTER 10

TOWN WAYS

SECTION 1. Every way that shall be laid out for the acceptance of the Town as a Town way shall be not less than thirty feet in width.

SECT. 2. Whenever an existing private way, the fee of which is in the abutters, shall be laid out for the acceptance of the Town as a Town way, the documents relating to such laying out shall be accompanied by a letter from the Selectmen, which shall be filed in the office of the Town Clerk, together with said documents, before such way shall be accepted. This letter shall state that such private way is well built; and that as constructed it is equal to the average construction of the existing highways of the Town.

SECT. 3. Whenever any way shall have been laid out or altered by the Selectmen, and accepted and allowed by the Town, no entry for the purpose of constructing any part of such laying out or alteration shall be made until all claims for damages by reason thereof shall have been finally adjusted or determined, unless such entry shall be authorized by special vote of the Town.

LEGISLATIVE ACTS ACCEPTED BY THE TOWN OF MILTON

MARCH 19, 1866. *Voted*, To establish a High School, according to the provisions of Section 2 of Chapter 38 of the General Statutes.

MARCH 2, 1874. *Voted*, To accept the provisions of Chapter 265 of the Acts of 1873, relative to public landing places in the Town of Milton.

MARCH 4, 1878. *Voted*, To accept the provisions of Sections 23 to 32 of Chapter 24 of the General Statutes, relative to the establishment of a board of fire engineers.

MARCH 3, 1879. *Voted*, To accept the provisions of Section 21 of Chapter 38 of the General Statutes, relative to the election of School Committee.

DECEMBER 8, 1879. *Voted*, To accept the provisions of Section 1 of Chapter 234 of the Acts of 1878, relative to truants and neglected children.

MARCH 1, 1880. *Voted*, To accept the provisions of Section 1 of Chapter 234 of the Acts of 1878, relative to truants and neglected children.

MARCH 5, 1883. *Voted*, To accept the provisions of Section 10 of Chapter 48 of the General Statutes, relative to truants and neglected children.

MARCH 7, 1881. *Voted*, To accept the Act of the Legislature, Chapter 158 of the Laws of 1871, entitled, "An Act to Provide for the Election of Road Commissioners."

MARCH 3, 1890. *Voted*, To accept the first nine sections of Chapter 51 of the Public Statutes, said chapter being entitled, "Of Betterments, and Other Assessments on Account of the Cost of Public Improvements."

FEBRUARY 12, 1891. *Voted*, To accept the Act authorizing towns and cities to lay out public parks within their limits; being Chapter 154 of the Acts of 1882.

MARCH 2, 1891. *Voted*, To accept the provisions of Chapter 386 of the Acts of 1890, relative to the election of Town Officers.

FEBRUARY 3, 1894. *Voted*, That the Town does hereby accept the provisions of Section 268 of Chapter 417 of the Acts of the Legislature of Massachusetts passed in the year 893, relative to the election of a separate Board of Assessors.

NOVEMBER 28, 1894. *Voted*, That the Town hereby accepts the provisions of Chapter 324 of the Acts of the Legislature of 1894, entitled, "An Act Relative to the Reservation of Spaces in Public Ways."

MARCH 4, 1895. *Voted*, That the Town hereby accepts the provisions of Chapter 309 of the Acts of 1885, entitled, "An Act Authorizing Cities and Towns to License Groves, to be Used for Picnics and Other Lawful Amusements."

MARCH 4, 1895. *Voted*, That the Town hereby accepts the provisions of Section 272 of Chapter 417, Acts of the Legislature of 1893, relating to the election of Sewer Commissioners in towns.

MARCH 4, 1895. *Voted*, That the Town hereby accepts the provisions of Chapter 462 of the Acts of the Legislature of 1893, entitled "An Act to Authorize the Establishment of a Building Line on Public Ways."

MARCH 4, 1895. *Voted*, That the Town hereby accepts the provisions of Chapter 218 of the Acts of the Legislature of 1894, as amended by Chapter 473 of the Act of the same year, being "An Act Relative to the Election of Boards of Health in Towns."

MARCH 4, 1895. *Voted*, That the Town hereby accepts the provisions of Sections 20 and 21 of Chapter 50 of the Public Statutes, relating to the establishment and grading of sidewalks, by the Selectmen.

JUNE 29, 1895. *Voted*, That the Town accept the provisions of Chapter 304 of the Acts of 1895, entitled, "An

Act to Authorize the Town of Milton to Construct One or More Systems of Sewerage."

MARCH 1, 1897. *Voted*, That the Town accept Chapter 101 of the Public Statutes, entitled, "Of the Suppression of Common Nuisances."

MARCH 1, 1897. *Voted*, That the provisions of Chapter 481 of the Acts of the year 1894, be accepted, entitled, "Regulation and Inspection of Buildings."

MARCH 5, 1900. *Voted*, That Chapter 344, Acts of 1899, entitled, "An Act to Make Eight Hours a Day's Work for City and Town employees," be accepted.

MARCH 3, 1902. *Voted*, That the Town accept Section 18 of Chapter 122 of the Revised Laws, relative to the appointment of an Inspector of Wires.

MARCH 3, 1902. *Voted*, That the Town accept Chapter 38 of the Revised Laws of Massachusetts, relative to the election of a treasurer of Public Library Trustees.

JULY 14, 1902. *Voted*, To accept Chapter 307 of the Acts of 1902, entitled, "An Act to Supply the Town of Milton with Water."

AUGUST 16, 1902. *Voted*, To accept Sections 58 to 64, inclusive, of Chapter 48 of the Revised Laws, relative to jurisdiction of towns over highways and county bridges.

MARCH 2, 1903. *Voted*, To accept Sections 20 and 21, of Chapter 25 of the Revised Laws of Massachusetts, relating to public baths, etc.

MARCH 2, 1903. *Voted*, To accept Section 339 of Chapter 11 of the Revised Laws, and Acts in amendment thereof and in addition thereto, relative to the election of Overseers of the Poor.

MARCH 7, 1904. *Voted*, To accept Section 70 of Chapter 75 of the Revised Laws, relating to privy vaults.

MARCH 6, 1905. *Voted*, To accept Chapter 103 of the Revised Laws, relative to supervision of plumbing.

JULY 21, 1905. *Voted*, To accept Chapter 381 of the Acts

of 1905, relative to the suppression of gypsy and brown-tail moths.

MARCH 1, 1909. *Voted*, To accept the provisions of Chapter 476, Acts of 1908, relative to vacations of members of Police departments.

MARCH 7, 1910. *Voted*, To accept the provisions of Section 43 of Chapter 49 of the Revised Laws, relative to the grading and construction of sidewalks.

MARCH 4, 1911. *Voted*, To accept the provisions of Section 359 of Chapter 560 of the Acts of 1907, relative to the election of Moderator for the term of one year.

MARCH 4, 1911. *Voted*, To accept the provisions of Section 362 of Chapter 560 of the Acts of 1907, relative to the number of Constables to be elected.

NOVEMBER 7, 1911. *Voted*, To accept Chapter 634, Acts of 1911, authorizing counties to establish retirement systems for employees.

MARCH 11, 1912. *Voted*, To accept Chapter 146 of the Acts of 1911, authorizing the Town to establish an Art Commission.

MARCH 11, 1912. *Voted*, To accept the provisions of Chapter 468 of the Acts of 1911, relative to the extension of the Civil Service Act to the Chiefs of Police in certain cities and towns.

MARCH 11, 1912. *Voted*, To accept the provisions of Chapter 314 of the Acts of 1911, relative to authorizing the School Committee to spend money for the supervision of sports.

MARCH 11, 1912. *Voted*, To accept the provisions of Chapter 367 of the Acts of 1911, relative to the use of school halls for other than school purposes.

NOVEMBER 5, 1912. *Voted*, To accept the provisions of Chapter 503 of the Acts of 1912, an Act relative to pensioning laborers in the employ of cities and towns.

MARCH 3, 1913. *Voted*, To accept the provisions of

Chapter 327 of the Acts of 1904, relative to the pensioning of permanent members of the Police and Fire Departments.

MARCH 3, 1913. *Voted*, To accept Chapter 498, Acts of 1908, entitled An Act to Authorize Cities and Towns to Establish Pension Funds for Teachers in the Public Schools.

MARCH 4, 1913. *Voted*, To adopt Chapter 635 of the Acts of 1912, known as the Tenement House Act for Towns.

MARCH 4, 1913. *Voted*, To accept the provisions of Chapter 191 of the Acts of 1907, authorizing the establishment of Boards of Survey in Towns.

MARCH 2, 1914. *Voted*, To accept Chapter 807 of the Acts of 1913, being an Act to provide for compensating laborers, workmen and mechanics for injuries sustained in public employment, and to exempt from legal liability counties and municipal corporations which pay such compensation.

MARCH 2, 1914. *Voted*, To accept the provisions of Section 42 of Chapter 514 of the Acts of 1909, as affected by Chapter 494 of the Acts of 1911, which provide that eight hours shall constitute a day's work for city or town employees.

MARCH 13, 1915. *Voted*, To accept the Act provided for in Chapter 296 of the Legislative Enactments of 1913 and to establish the office of Bird Warden provided under this Act.

MARCH 10, 1917. *Voted*, To accept Chapter 15, Special Acts of 1917. "An Act authorizing the Town of Milton to revoke the reserved space for the use of street railways in a part of Blue Hill Avenue."

G. Frank Kempf,
Town Clerk

IN THE BOARD OF SELECTMEN

MILTON, September 6, 1918.

ORDERED that the following rules are hereby adopted for the regulation of carriages and vehicles in the Town of Milton, however propelled.

RULE 1. Every person having charge or control of any carriage or other vehicle, upon a public street, shall stop, place, change the position of, or move such carriage or other vehicle as directed by any police officer.

RULE 2. Every person having charge or control of a carriage or other vehicle, upon a public street, shall comply with and obey the directing upon all signs, movable posts or mechanical devices placed by direction of the Board of Selectmen or by a police officer on or near such street, unless otherwise directed by a police officer.

RULE 3. All carriages or other vehicles stopping in any business section must stand near to and parallel with the right-hand curb, unless it is necessary for the purpose of loading or unloading said vehicle to back up to the curb. By the words "business section" is meant any section of a street in the Town where two or more stores or shops for the sale of goods, wares or merchandise are located within 100 feet of each other.

RULE 4. No carriage or other vehicle shall remain backed up to the curb except when actually loading or unloading, and the horse thereof, if it be a horse-drawn vehicle, shall be turned in the direction of traffic and parallel with the curb.

RULE 5. Unless in an emergency or to allow another vehicle or a pedestrian to cross a street, no carriage or other vehicle shall stop in any public street except close to the curb.

RULE 6. No carriage or other vehicle shall stop in such a way as to obstruct any street or crossing or within ten feet of a fire hydrant, street corner, electric car or pole stop, except in case of emergency or when directed to do so by a police officer.

RULE 7. The operator of a motor vehicle shall under no circumstances cut out the muffler while on a public street.

RULE 8. A carriage or other vehicle when turning to the right into another street shall slow down and keep as near to the right-hand curb as possible.

RULE 9. A carriage or other vehicle in turning to the left into another street shall slow down and pass to the right of and beyond the center of the intersecting streets before turning.

RULE 10. A carriage or other vehicle crossing from one side of the street to the other, except for the purpose of passing other vehicles or because of dangers in the street, shall do so by turning to the left, so as to head in the general direction of traffic after it has crossed the street.

RULE 11. The words "carriage or other vehicle" herein shall include horses hitched to vehicles, horses ridden or led, motor vehicles of all kinds, bicycles, tricycles propelled by hand, and everything on wheels or runners except street cars and light carriages for the conveyance of children.

Whosoever violates any of the provisions of the foregoing rules and regulations shall be punished by a fine not exceeding twenty dollars (\$20 for each offense.

MAURICE A. DUFFY,

JAMES F. MITCHELL,

JACOB A. TURNER,

Selectmen of Milton.

MILTON TOWN RECORDS IN THE MUNICIPAL YEAR 1918

SPECIAL FEBRUARY PRIMARY

WARRANT

COMMONWEALTH OF MASSACHUSETTS, NORFOLK, SS.

To either of the Constables of the Town of Milton, Greeting:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of the Town of Milton, qualified to vote at elections, to meet in the Town Hall in said Milton, on Tuesday, the twenty-sixth day of February next, at four o'clock in the afternoon, then and there to bring in their ballots to the primary officers for the nomination of a candidate of political parties for the following office, namely: to fill vacancy in the Fourth Norfolk Representative District, according to precept issued by Channing H. Cox, Speaker of the House of Representatives.

All the above candidates are to be voted for upon one ballot.

The polls may be closed at 9 o'clock P.M.

And you are directed to warn the inhabitants qualified as aforesaid to meet at the time and place and for the purpose herein mentioned, by posting attested copies of this Warrant in each of the post offices of said Milton at least fourteen days before the date of said meeting.

Hereof fail not, and make due return of this Warrant, with your doings thereon, to the Town Clerk at or before the time of said meeting.

Given under our hands at Milton, this eighth day of February, nineteen hundred and eighteen.

JAMES S. RUSSELL,
MAURICE A. DUFFY,
JAMES F. MITCHELL,
Selectmen of Milton.

COMMONWEALTH OF MASSACHUSETTS, NORFOLK, SS.

MILTON, February 26, 1918.

Pursuant to the within Warrant, I have notified the inhabitants of the Town of Milton as therein directed, to meet at the Town Hall in said Milton upon the date above mentioned, for the purposes therein set forth.

PELEG BRONSDON,
Constable of Milton.

At a meeting of the inhabitants of Milton, held according to a Warrant of which the foregoing is a copy, upon February 26, 1918, the following number of votes were given in for the several persons hereinafter named, for Representative of the Fourth Norfolk District:

REPUBLICAN

Josiah Babcock, Jr., of Milton, three hundred and ninety votes.

Jonathan B. L. Bartlett of Milton, eight votes.

Blanks, one.

DEMOCRATIC

Josiah Babcock, Jr., of Milton, nine votes.

Blanks, ten.

At the meeting aforesaid the following appointments of Ballot Clerks and Tellers were made by the Selectmen to serve at said meeting, namely:

Ballot Clerks: Thomas M. Lennon, Henry D. Mahoney, John A. Larrabee, Charles F. Thompson.

Tellers: Patrick F. Mahoney, Prescott Skinner, Henry F. Brierly, Walter A. Cheney.

All of the above Ballot Clerks and Tellers were sworn by the Town Clerk before entering upon their duties.

Whole number of ballots cast was 418.

Republican, 399, Democratic, 19.

At 9 o'clock and 15 minutes P.M., February 26, 1918,

Voted, That the meeting be dissolved.

A true record.

Attest:

G. Frank Kemp,
Town Clerk

MARCH MEETING

WARRANT

COMMONWEALTH OF MASSACHUSETTS, NORFOLK, SS.

To either of the Constables of the Town of Milton, Gree'ing:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Milton qualified to vote in Town affairs, to meet at the Town Hall in said Milton upon the second day of March next at fifteen minutes before six o'clock in the forenoon, then and there to act upon the following articles, to wit:

At a meeting of the inhabitants of the Town of Milton held March 2, 1918, the following proceedings were had upon the several articles in the Warrant, namely:

ARTICLE 1. To choose by ballot the following Town Officers: Moderator, Town Clerk, 3 Selectmen, Assessor, Overseers of Poor, Treasurer, 2 Auditors, Collector of Taxes, Constables, Sewer Commissioners, Member of Board of Health, 2 Members of School Committee, Water Commissioner, Cemetery Trustee, Park Commissioner, 3 Trustees of Public Library, Tree Warden.

The following appointments of Ballot Clerks and Tellers were made by the Selectmen to serve at said meeting, viz:

Ballot Clerks: John A. Larrabee, Albert M. Hoxie, E. J. Fairbank, Charles E. Whelan, Henry D. Mahoney, Thomas M. Lennon, Henry W. Walsh.

Tellers: John T. Forde, Jr., James C. Burke, Jr., Prescott Skinner, Joseph J. Mullen, Thomas B. Gordon, Joseph A. Rein, Albert J. Eichorn, Charles E. Cross, Robert F. Duncan, Frank I. Jordan, William A. Haley, Walter A. Cheney, John L. Kelly, Edward L. Corkery,

Edmond M. Poitevin, John H. Donovan, J. Arthur Spencer, Patrick F. Healey, Patrick F. Mahoney, Clarence L. Dutton, Charles F. Thompson, Clyde L. Whittier, William H. McGee, Henry F. Brierly, Martin L. Bannin, C. Fred Joy, Jr.

All of the above-named Ballot Clerks and Tellers were sworn by the Town Clerk.

At four o'clock P.M., *Voted*, To close the Polls for Town officers in ten minutes.

All ballots cast for Town officers having been sorted, counted, declared and recorded, the result being as hereby appended, and the following officers chosen, viz:

Maurice A. Duffy, James F. Mitchell, Jacob A. Turner, Selectmen and Surveyors of Highways.

G. Frank Kemp, Town Clerk.

William W. Churchill, Assessor.

J. Porter Holmes, Town Treasurer.

Alfred J. Ellsworth, Stephen C. Mitchell, School Committee.

Josiah Babcock, Collector of Taxes.

Frederick N. Krim, J. Herbert Raymond, Auditors.
Malcolm Donald, Park Commissioner.

James S. Gallagher, Sewer Commissioner, 3 years.

Stanley Cunningham, Sewer Commissioner, 1 year.

Marcy L. Sperry, Water Commissioner.

Jacob S. Lincoln, Board of Health.

Peleg Bronsdon, George W. Higgins, Timothy McDermott, Maurice Pierce, Constables,

Frank E. Lane, Charles E. Rogerson, Robert Saltonstall, Trustees of Public Library.

Thomas K. Cummins, Trustee of Cemetery.

Ralph S. Carpenter, Tree Warden.

Overseers of Poor: Homer W. Le Sourd and Horace

N. Plummer, 3 years, Frederick Chase, 2 years, Edith Stebbins, 1 year.

Robert F. Herrick, Moderator.

George Wigglesworth, H. Clifford Gallagher, Lincoln Bryant, Trustees of Wadsworth Fund.

ARTICLE 2. To vote "Yes" or "No" in answer to the question, "Shall licenses be granted for the sale of intoxicating liquors in this Town?" The polls will remain open until four o'clock in the afternoon, after which time a vote may be passed to close them in not less than ten minutes. In accordance with the By-Laws the meeting will then be adjourned until Saturday, March 9, next, at one-thirty o'clock, P.M., to consider the following articles:

Voted, That no licenses for the sale of intoxicating liquors be granted in this Town. The vote being as follows: Yes, 110; No, 905; Blanks, 291.

The following questions were submitted to the voters on the ballot and accepted by the Town, the result being shown below:

Shall Chapter 140, General Acts of 1917, amending Chapter 291, General Acts of 1916, be accepted by this Town?

"An Act relative to the tenure of office of chiefs of fire departments in the Metropolitan Fire Prevention District."

Yes, 418; No, 258; Blanks, 630.

Shall Chapter 575 of the Acts of 1913 be accepted by this Town?

"An Act authorizing the furnishing of lunches for school children at a price not exceeding cost."

Yes, 704; No, 140; Blanks, 462.

The result of the ballot was declared at 9 o'clock and 48 minutes and the meeting adjourned until March 9, 1918, at 1.30 P.M.

ADJOURNED MEETING, MARCH 9, 1918.

ARTICLE 3. To choose all such Town Officers as are not required by law to be chosen by ballot.

The following officers were elected viva voce, namely: Ralph E. Forbes, Bird Warden; George Y. Badger, Mal-

colm A. LeFevre, Fence Viewers; George E. Burt, Horace B. Horne, Surveyors of Lumber; Calvin H. Sanford, Pound Keeper.

ARTICLE 4. To hear and act upon the Auditors' report and reports of other Town Officers and committees.

Voted, That the Auditors' (printed) Report, also the reports of the following Committee: Edwin D. Wadsworth Fund Special Committee, and Committee on School Buildings, contained therein be accepted and placed on file.

Mr. William B. Thurber reported for the Committee on Town Government. *Voted*, That the report be accepted and the committee continued.

Mr. Charles S. Pierce reported for the Legislative Committee. *Voted*, That the report be accepted.

The following reports of the Town Landing Committee and Blue Hill Avenue Special Committee were read by Mr. James S. Russell:

REPORT OF TOWN LANDING COMMITTEE.

MILTON, March 6, 1918.

To the Citizens of Milton:

Your Town Landing Committee which was continued last March for another year begs to report as follows:

The Milton Boat Club again rented the old police station for \$50 to cover the year ending March 1, 1918, and acted as the committee's agent in boating matters. The club has proved a satisfactory tenant, and it is to be regretted that more Milton citizens do not belong to it.

Early in the year Charles M. Rogerson, Esq., was engaged to thoroughly investigate the legal status of the Town Landing, especially the flats which form a part of the property and lie between the town wharf and the upper wharf belonging to the Godfrey Coal Company.

Mr. Rogerson has made an exhaustive report from which it appears:

1. That the Godfrey Coal Company, as a part of the general public, has a right to sail over the town flats.

2. That the Godfrey Coal Company is now occupying a triangular piece of land once and perhaps now forming part of the Town Landing. The area of this triangle is about six and one-half square rods located at or near the scales and office of the Company.

3. That the agreement made by the commissioners in 1835 allowing Henry and Clarissa Gardner to dock vessels is of doubtful validity.

4. That a public right of way exists across the Godfrey Lower Wharf, known as the Whitney Wharf to the Faucon lot, now owned by the Town, and probably thence along the river to Squantum Street in East Milton.

The Godfrey Coal Company is an important part of the industrial community, and your committee does not favor pressing action during war times on any of the points mentioned above.

Your committee also feels that the future care of the Town Landing should rest with the Park Commissioners of Milton, and therefore requests that the Town Landing Committee be discharged and its balance of \$285.52 placed to the general credit of the Park Board.

Respectfully submitted,

HORACE B. HORNE,

JAMES S. RUSSELL,

EDWARD C. WILLIAMS, by J. S. R.

Voted, That this report be accepted and the Committee discharged.

BLUE HILL AVENUE SPECIAL COMMITTEE.

MILTON, March 7, 1918.

To the Citizens of Milton:

At the adjourned Annual Meeting, March 10, 1917, under Article 53 the Town accepted Chapter 15 of the Special Acts of 1917, and thereby revoked the special reserved space for street railways in that portion of Blue Hill Avenue from its junction with the Blue Hills Parkway to a point three hundred feet beyond Cheever Street, a distance of about three thousand two hundred feet.

In March, 1917, soon after this action by the Town, a number of citizens presented the following petition to the Selectmen:

“GENTLEMEN:

Respectfully represent the undersign citizens of the Town of Milton who reside on the westerly side of Blue Hill Avenue between Cheever Street and Blue Hills Parkway and who are persons interested in the location of the Blue Hill Street Railway on Blue Hill Avenue between those points:

(1) That the location of the tracks of the Blue Hill Street Railway in that part of Blue Hill Avenue in the Town of Milton between Cheever Street and the Blue Hills Parkway constitutes a grave inconvenience and a continuing source of danger to the residents on the westerly side of Blue Hill Avenue between the points designated and causes a great injury to the value of their property.

(2) That the present location of the tracks of said railway is such that a car which is being operated upon the westerly track of the railway is so close to the sidewalk situated on the westerly side of the highway that its step overhangs the edge of the sidewalk and that the passage of each car in such track endangers the travellers on that sidewalk.

(3) That the tracks of the railway are located in the westerly side of the highway and that there is no travelled way laid out between the tracks or between the rails of each track, so that persons residing upon the westerly side of Blue Hill Avenue are separated by the width of the street railway location from the travelled part of the highway, and that these facts constitute a great inconvenience to the petitioners and an injury to their property.

(4) That the poles carrying the trolley wires of the railway are situated on the easterly side of the location of the railway and near the central part of the highway and constitute a menace to all persons travelling in the highway.

Wherefore your petitioners respectfully request that your Board alter the location of the tracks so that they may be situated in the centre of the highway or in such part of the highway as in the opinion of your Board the public interest may require."

The Town having made no appropriation to meet the cost of the proposed rearrangement of the Blue Hill Street Railway tracks, your committee entered into negotiations with Stone and Webster, managers of the railway, hoping to report something definite to the Town at a Special Meeting so that the actual work could be done in 1917. The war and the sale of the property by Stone and Webster to Michael A. Cavanaugh prevented any such satisfactory result. Mr. Cavanaugh has committed himself to nothing, but from figures kindly furnished by Stone and Webster and W. R. Farrington, Division Engineer, Massachusetts Highway Commission, it looks like a \$40,000 job to shift the tracks, poles, etc., and resurface the street forty-eight feet wide.

Your committee does not recommend going ahead in these war times, but suggests the continuance of the

Special Committee consisting of the Selectmen, together with Messrs. W. Rodman Peabody and John A. Ewell; such committee to report in writing on or before the Annual Meeting in 1919 and to have for expenses the \$200 left from the appropriation of 1916.

Respectfully submitted,

JAMES S. RUSSELL,
MAURICE A. DUFFY,
JAMES F. MITCHELL,
W. RODMAN PEABODY,
JOHN A. EWELL.

Voted, That this report be accepted and placed on file.

ARTICLE 5. To see what sum of money the Town will vote to appropriate for the support of the schools the present year.

Voted, To appropriate \$114,000 together with the receipts of the department, this sum to include the cost of transportation of pupils, and Medical Inspection of Public Schools, as well as the general school expenditures.

ARTICLE 6. To see what sum of money the Town will vote to appropriate to be expended by the Park Commissioners in conjunction with the School Committee in the improvement of school lots the present year.

Voted, That no appropriation be made.

ARTICLE 7. To see what sum of money the Town will vote to appropriate to be expended under the direction of the School Committee for the supervision of play and games on land under their control and for the equipment thereof in accordance with Acts of 1911, Chapter 314, the present year.

Voted, To appropriate \$100.

ARTICLE 8. To see what sum of money the Town will vote to appropriate for equipment in the High School.

Voted, That no appropriation be made.

ARTICLE 9. To see what sum of money the Town will vote to appropriate to pay the cost of the municipal use of the gymnasium and school buildings.

Voted, To appropriate \$1,500 together with the receipts from such municipal use.

ARTICLE 10. To see if the Town will vote to accept the provisions of Chapter 575 of the Acts of the year 1913, authorizing the furnishing of lunches for school children at a price not exceeding cost.

Voted, To accept the provisions of Chapter 575 of the Acts of 1913. (See vote under Article 2.)

ARTICLE 11. To see what sum of money the Town will vote to appropriate to provide lunches for pupils in the public schools.

Voted, To appropriate \$200 together with the receipts in connection therewith.

ARTICLE 12. To see what sum of money the Town will vote to appropriate for the Street Department the present year: General Expenses, Sidewalk Purposes, Maintenance of Public Fountains, Street Watering and Oiling, Removal of Ice and Snow, Permanent Construction.

Voted, To appropriate \$64,300 together with the Excise Tax to be apportioned as follows:

General Expenses, \$30,000 together with the Excise Tax.

Sidewalk Purposes, \$2,500.

Maintenance of Public Fountains, \$300.

Street Watering and Oiling, \$7,500.

Removal of Ice and Snow, \$4,000.

Permanent Construction, \$20,000 for rebuilding a portion of the main thoroughfares of the Town, as recommended by the Highway Committee in its report dated December 31, 1915, said sum to be expended under the

direction and control of a committee consisting of two (2) citizens appointed by the Moderator, and the three (3) members of the Board of Selectmen; the work to be done by contract or otherwise, as the said committee shall consider for the best interests of the Town.

Committee appointed: Robert H. Hallowell, Sidney A. Parsons.

ARTICLE 13. To see if the Town will appropriate money to be expended by the Selectmen for surveys, etc., in connection with street drainage.

Voted, That the subject matter of Article 13 be referred with full powers to the Special Committee on Permanent Construction appointed under Article 12, said committee to report in writing to the Town not later than the Annual Meeting in 1919.

ARTICLE 14. To see what sum of money the Town will vote for the care and maintenance of Granite Avenue Bridge over the Neponset River. (See Chapter 58, General Acts, 1915.)

Voted, To appropriate \$2,500 for the care and maintenance of Granite Avenue Bridge over the Neponset River.

ARTICLE 15. To see what sum of money the Town will vote to appropriate for street lighting the present year.

Voted, To appropriate \$19,226.88 for street lighting the present year.

ARTICLE 16. To see what sum of money the Town will vote to appropriate for the Fire Department the present year.

Voted, To appropriate \$27,818.40 for the Fire Department the present year.

ARTICLE 17. To see what sum of money the Town will vote to appropriate toward the further motorization of the Fire Department and to authorize the sale of apparatus not needed.

Voted, That no appropriation be made.

ARTICLE 18. To see if the Town will vote to appropriate the sum of \$780 for the purpose of increasing the salary of the permanent members of the Fire Department.

Voted, To appropriate \$780 for the purpose of increasing the salary of the permanent members of the Fire Department.

ARTICLE 19. To see if the Town will vote to accept the provisions of Chapter 140 of the Acts of 1917 relative to the tenure of office of chiefs of fire departments in the Metropolitan Fire Prevention District.

Voted, To accept the provisions of Chapter 140 of the Acts of 1917. (See vote under Article 2.)

ARTICLE 20. To see what sum of money the Town will vote to appropriate for the use of the Department of Wires, the Police and Fire alarm Signal System and the Inspection of Wires, the present year.

Voted, To appropriate \$2,061 for the use of the Department of Wires, the present year.

ARTICLE 21. To see what sum of money the Town will vote to appropriate for the Police Department the present year.

Voted, To appropriate \$39,700, for the Police Department the present year.

ARTICLE 22. To see if the Town will vote to appoint an additional police officer to patrol the Mattapan Section of Milton daytimes, and appropriate money for the same.

Voted, That no appropriation be made, provision for this Article having been made under Article 21.

ARTICLE 23. To see what sum of money the Town will vote to appropriate for the Public Library the present year.

Voted, To appropriate \$11,500, together with all fines received at the Library for 1918, and the Dog Tax for 1917, for the Public Library, the present year.

ARTICLE 24. To see what sum of money the Town will vote to appropriate for the improvement of the Cemetery the present year.

Voted, To appropriate \$5,500, together with the receipts of the department, for the improvement of the Cemetery the present year.

ARTICLE 25. To see what sum of money the Town will vote to appropriate for the general uses of the Board of Park Commissioners the present year.

Voted, To appropriate \$3,060 for the general uses of the Board of Park Commissioners the present year.

ARTICLE 26. To see what sum of money the Town will vote to appropriate for the use of the Tree Warden, to be expended in the care and planting of shade trees and the destruction of insect pests, injurious to trees the present year.

Voted, To appropriate \$1,500, together with the receipts of the department for the use of the Tree Warden, to be expended in the care and planting of shade trees and the destruction of insect pests, injurious to trees the present year.

ARTICLE 27. To see what sum of money the Town will vote to appropriate to be expended by the Local Superintendent for the suppression of the gypsy and brown-tail moths the present year.

Voted, To appropriate \$8,500, together with all receipts of the department, to be expended by the Local Superintendent for the suppression of the gypsy and brown-tail moths the present year.

ARTICLE 28. To see what sum of money the Town will vote to appropriate for the support of the poor the present year.

Voted, To appropriate \$8,000 together with reimbursements for aid rendered and receipts from sales at Town Farm, for the support of the poor the present year.

ARTICLE 29. To see what sum of money the Town will vote to appropriate for the Soldiers' Relief the present year.

Voted, To appropriate \$1,250 for the Soldiers' Relief the present year.

ARTICLE 30. To see what sum of money the Town will vote to appropriate for State Aid the present year.

Voted, To appropriate \$1,700 for State Aid the present year.

ARTICLE 31. To see what sum of money the Town will vote to appropriate for the maintenance of the Sewer Department the present year.

Voted, To appropriate \$6,000 for the maintenance of the Sewer Department the present year, the same to be transferred from the Sewer Assessment Account.

ARTICLE 32. To see what sum of money the Town will vote to appropriate for the extension of the sewerage system the present year.

Voted, That no appropriation be made.

ARTICLE 33. To see what sum of money the Town will vote to appropriate for the extension of water mains the present year.

Voted, To appropriate \$1,500 for the extension of water mains the present year, and the further sum of \$3,500 to defray the emergency expenses incurred because of frozen service pipes and meters the present winter.

ARTICLE 34. To see what sum of money the Town will vote to appropriate for hydrant service the present year.

Voted, To appropriate \$9,000 for hydrant service the present year.

ARTICLE 35. To see what sum of money the Town will vote to appropriate for the Health Department the present year.

Voted, To appropriate \$3,800 together with the receipts of the department, for the Health Department the

present year, this appropriation to include the expense of inspection of sewer connections.

ARTICLE 36. To see what sum of money the Town will vote to appropriate for the collection of ashes and garbage the present year.

Voted, To appropriate \$5,500 for the collection of ashes and garbage the present year, to be expended under the direction of the Board of Health.

ARTICLE 37. To see what sum of money the Town will vote to appropriate for salaries the present year.

Voted, To appropriate \$11,250 for salaries the present year, to be disbursed as follows:

Selectmen: Chairman, \$500. Second and Third Members \$500 each.

Assessors: Chairman, \$600. Second and Third Members \$500 each.

Treasurer, \$1,800. Town Clerk, \$500.

Collector of Taxes, \$1,500. Two (2) Auditors, \$250 each.

Registrars of Voters: Clerk not more than \$100. Second, Third and Fourth Members not more than \$50 each.

Inspector of Animals, not more than \$300.

Inspector of Buildings, not more than \$1000.

Inspector of Milk, not more than \$300.

Inspector of Plumbing and Deputy Inspector of Plumbing, \$3 for each permit, the amount required to be taken from Miscellaneous Account.

Clerk of Selectmen, not more than \$1,200 with the understanding that the services for which this salary is paid shall include the bookkeeping work required by the Overseers of the Poor.

Sealer of Weights and Measures, not more than \$200.

Tree Warden, not more than \$400, said salary to cease and determine at any time during the year when the Tree

Warden shall cease to occupy the position of Local Superintendent for the Suppression of Gypsy and Brown Tail Moths.

Inspector of Wires, not more than \$200.

ARTICLE 38. To see what sum of money the Town will vote to appropriate for miscellaneous expenses the present year: General Expenses, Town Hall and Lot, Interest, Printing, Contingent, Insurance.

Voted, To appropriate the following sums for miscellaneous expenses the present year:

General Expenses, \$5,000 and receipts.

Interest, \$18,108.75. Contingent Fund, \$5,000.

Town Hall and Lot, \$1,800 and receipts.

Printing, \$2,400. Insurance, \$6,500.14.

ARTICLE 39. To see what sum of money the Town will vote to appropriate for the General uses of the Board of Assessors the present year.

Voted, To appropriate \$1,357 for the general uses of the Board of Assessors the present year.

ARTICLE 40. To see if the Town will vote to authorize the Collector of Taxes to use all means of collecting taxes which a Town Treasurer, when appointed Collector, may use.

Voted, To authorize the Collector of Taxes to use all means of collecting taxes which a Town Treasurer, when appointed Collector, may use.

ARTICLE 41. To fix the rate of interest on taxes unpaid after a time fixed by the town.

Voted, That this Article be indefinitely postponed.

ARTICLE 42. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money in anticipation of the revenue of the financial year ending December 31, 1918.

Voted, That the Town Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow to

an amount not to exceed \$300,000 in anticipation of the revenue of the financial year ending December 31, 1918, and to issue a note or notes therefor, payable within one year from the date thereof; any debt or debts incurred under this vote to be paid from the revenue of the financial year ending December 31, 1918.

ARTICLE 43. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money on and after January 1, 1919, in anticipation of the revenue of the financial year ending December 31, 1919.

Voted, That the Town Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow on and after January 1, 1919, to an amount not to exceed \$50,000 in anticipation of the revenue of the financial year ending December 31, 1919, and to issue a note or notes therefor; any debt or debts incurred under this vote to be paid from the revenue of the financial year ending December 31, 1919.

ARTICLE 44. To see if the Town will vote to appropriate the sum of two hundred and fifty dollars (\$250) to be expended by the Huntington Frothingham Wolcott Post 102, G. A. R., on Memorial Day.

Voted, To appropriate \$250 to be expended by the Huntington Frothingham Wolcott Post 102, G. A. R., on Memorial Day.

ARTICLE 45. To see if the Town will vote to authorize the Selectmen to employ counsel to represent the Town at hearings before committees of the General Court.

(Passed by more than two-thirds vote, and so declared by the Moderator.)

ARTICLE 46. To see if the Town will authorize the Moderator to appoint a committee of five citizens to consider such proceedings of the Legislature and of State Boards and Commissions as may affect the interests of the

Town, and confer as they may think expedient with the Selectmen in regard to the employment of counsel to represent the Town in any such proceedings; such committee to hold office for the calendar year next following its appointment, to have power to fill vacancies in its own number and to report in print to the Town at the Town Meeting next following the close of its term of office.

Voted, To authorize the Moderator to appoint a committee of five citizens to consider such proceedings of the Legislature and of State Boards and Commissions as may affect the interests of the Town, and confer as they may think expedient with the Selectmen in regard to the employment of counsel to represent the Town in any such proceedings; such committee to hold office for the calendar year next following its appointment, to have the power to fill vacancies in its own number, and to report in print to the town at the Town Meeting next following the close of its term of office.

Committee appointed: Messrs. Charles S. Pierce, Lincoln Bryant, G. Frank Kemp, W. Rodman Peabody, Felix Rackemann.

ARTICLE 47. To see what sum of money the Town will vote to appropriate towards the restoration of the Perpetual Care Fund.

Voted, To appropriate \$2,000 towards the restoration of the Perpetual Care Fund; that such sum be deposited by the Town Treasurer in the same manner and upon the same terms as the appropriation of 1910.

ARTICLE 48. To see what sum of money the Town will vote to appropriate for the retirement of teachers in the Public Schools under the provisions of Chapter 498, Acts of 1908, for the present year.

Voted, To appropriate \$425 for the retirement of teachers in the Public Schools under the provisions of Chapter 498, Acts of 1908, for the present year.

ARTICLE 49. To see what sum of money the Town will vote to appropriate for the present year for the purpose of providing pensions for members of the Police and Fire Departments retired and placed upon the pension roll under the provisions of Chapter 327, Acts of 1904.

Voted, To appropriate \$1,238.75, for the present year for the purpose of providing pensions for members of the Police and Fire Departments retired and placed upon the pension roll under the provisions of Chapter 327, Acts of 1904.

ARTICLE 50. To see what sum of money the Town will vote to appropriate for pensions for laborers under Chapter 503, Acts of 1912, for the present year.

Voted, To appropriate \$1,439.86 for pensions for laborers under Chapter 503, Acts of 1912, for the present year.

ARTICLE 51. To see what sum of money the Town will vote to appropriate to pay awards of compensation for injuries under Chapter 807 of the Acts of 1913.

Voted, To appropriate \$351, to pay awards of compensation for injuries under Chapter 807 of the Acts of 1913.

ARTICLE 52. To see what sum of money the Town will vote to appropriate to be expended by the Selectmen for a band concert and fireworks for the celebration of the Fourth of July.

Voted, That no appropriation be made.

ARTICLE 53. To see what action the Town will take toward continuing the improvement of Pine Tree Brook, and appropriate money for the same.

Voted, That no appropriation be made, and that the balance of \$4,095.67 now remaining in this special account revert to the treasury.

ARTICLE 54. To see what action the Town will take toward continuing the improvement of the Town Landing, and what sum of money it will appropriate for the same.

Voted, That the Town Landing Committee be discharged, and the property be managed by the Milton Park Commissioners with the same powers now vested in the Town Landing Committee. And that the unexpended balance be transferred to the general credit of the Park Commissioners.

ARTICLE 55. To see what action the Town will take toward improving Blue Hill Avenue from Brush Hill Road near Mattapan to a point about three hundred feet west of Cheever Street, and appropriate money for the same.

Voted, That the Blue Hill Avenue Committee, consisting of the present Board of Selectmen together with W. Rodman Peabody and John A. Ewell, be continued for one year, said committee to report to the Town in writing not later than the Annual Meeting of 1919. And that the unexpended balance of the appropriation made in 1916 be at the disposal of the committee.

ARTICLE 56. To see whether the Town will accept Chapter 305 of the Special Acts of 1917 relative to the management and use of the property received under the will of Edwin D. Wadsworth and to other matters.

Voted, To accept Chapter 305 of the Special Acts of 1917 relative to the management and use of the property received under the will of Edwin D. Wadsworth and to other matters.

ARTICLE 57. To see whether the Town will vote to amend the Revised By-Laws by repealing or amending Chapter 10 thereof, relative to Town ways.

Voted, That Chapter 10 of the Revised By-Laws be amended by adding a new section as follows:

SECTION 4. Nothing in these By-Laws shall be construed or held to affect or impair the right and authority of the Selectmen to lay out any way under the provisions of any Betterment Act or Acts then in force and effect in the Commonwealth.

The foregoing amendment was disapproved by the Attorney-General July 11, 1918.

ARTICLE 58. To see if the Town will accept and allow the laying out, relocation and alteration of a portion of Centre Street lying west of Randolph Avenue, three hundred and fifty-two feet more or less in length as reported by the Selectmen.

Voted, To accept and allow the laying out, relocation and alteration of a portion of Centre Street lying west of Randolph Avenue, 352 feet more or less in length as reported by the Selectmen.

ARTICLE 59. To see if the Town will vote to accept Curtis Road, running from Blue Hills Parkway to Eliot Street, as laid out by the Board of Selectmen, as a Town way.

Voted, To accept Curtis Road, running from Blue Hills Parkway to Eliot Street, as laid out by the Board of Selectmen, as a Town way.

ARTICLE 60. To see if the Town will vote to accept Briarfield Road, running from Eliot Street to Brook Road, as laid out by the Selectmen, as a Town way.

Voted, That this Article be indefinitely postponed.

ARTICLE 61. To see if the Town will vote to erect one electric light on Maple Street opposite property numbered 29, and appropriate money for the same.

(See vote under Article 67.)

ARTICLE 62. To see if the Town will vote to erect one electric light on Brush Hill Road at or near the corner of Aberdeen Road and appropriate money for the same.

ARTICLE 63. To see if the Town will vote to erect one electric light on Belcher Circle, at a point about five hundred feet from Bates Road, and appropriate money for the same.

(See vote under Article 67.)

ARTICLE 64. To see if the Town will vote to erect four electric lights on Hudson Street, and appropriate money for the same.

(See vote under Article 67.)

ARTICLE 65. To see if the Town will vote to install four electric lights on Hawthorn Road, and appropriate money for the same.

(See vote under Article 67.)

ARTICLE 66. To see if the Town will vote to install an additional electric light on Mathaur Street, and two electric lights on Spruce Street, and appropriate money for the same.

(See vote under Article 67.)

ARTICLE 67. To see if the Town will vote to install two electric lights on Dudley Road, one between Adams Street and Brook Road, and one between Brook Road and Centre Street, and appropriate money for the same.

Voted, That the subject matter of Articles 61 to 67, inclusive, be referred to the Selectmen, and that the sum of \$158.58 be appropriated for the erection, location or relocation of electric lights in the Town under the direction of the Selectmen.

ARTICLE 68. To see what action the Town will take toward amending Chapters 7 and 8 of the Town By-Laws, so that fees may be charged for building and plumbing permits.

Voted, That Section 7 of Chapter 7 of the Revised By-Laws be amended by inserting after the word "plans" in the first line the following: "and payment of the fee fixed as hereinafter provided," and by adding after the word "thereof" in the last line the following: "The schedule of fees for permits shall be fixed by the Selectmen after consultation with the Inspector of Buildings, and

said schedule shall not thereafter be changed, except after public hearing. Said schedule of fees shall be published once each year, and posted in the Selectmen's office"; so that said section as amended shall read as follows:

"SECTION 7. Upon approval of plans and payment of the fee fixed as hereinafter provided the Inspector shall issue a permit. The permit shall be void unless work is commenced within three (3) months from the date thereof. The schedule of fees for permits shall be fixed by the Selectmen after consultation with the Inspector of Buildings, and said schedule shall not thereafter be changed, except after public hearing. Said schedule of fees shall be published once each year, and posted in the Selectmen's office."

also that Section 39 of Chapter 7 of the Revised By-Laws be amended by striking out the whole of the second and third paragraphs and by inserting in place thereof the following: "Before any person, firm or corporation shall start any work to arrange, fix or essentially change any such wires, appliances and apparatus, the Inspector of Wires shall be notified, and after approval of the proposed work and the payment of the fee fixed as hereinafter provided, the Inspector shall issue a permit. He shall be given full opportunity to inspect said wires and their arrangement and fixtures before the same are covered or enclosed. Wires in the interior of buildings and on private premises shall not be connected with an outside circuit which crosses or runs along, over or under any street or way, of the Town without written permission therefor having been first obtained from the Inspector of Wires.

"Companies and contractors making any repairs on or installing any electric plants in the Town of Milton shall

send a notice to the Inspector of Wires and obtain a permit before the work is commenced.

“The schedule of fees for permits shall be fixed by the Selectmen after consultation with the Inspector of Wires and said schedule shall not thereafter be changed except after public hearing. Said schedule of fees shall be published once each year, and posted in the Selectmen’s office”; so that said section as amended shall read as follows:

“SECTION 39. All wires, appliances and apparatus in the interior of a public building or on private premises, which are intended for the transmission of electricity and to be connected with an outside circuit, shall be made and at all times kept safe, and shall be placed, arranged, attached, changed and maintained by the person, firm or corporation owning or using the same to the satisfaction of the Inspector of Wires appointed in accordance with the provisions of Chapter 337 of the Acts of the year 1899. The Inspector of Wires shall have access at all reasonable times to such wires, appliances and apparatus. Before any person, firm or corporation shall start any work to arrange, fix or essentially change any such wires, appliances and apparatus, the Inspector of Wires shall be notified, and after approval of the proposed work and the payment of the fee fixed as hereinafter provided, the Inspector shall issue a permit. He shall be given full opportunity to inspect said wires and their arrangement and fixtures, before the same are covered or enclosed. Wires in the interior of buildings and on private premises shall not be connected with an outside circuit which crosses or runs along, over or under any street or way of the Town without

written permission therefor having been first obtained from the Inspector of Wires:

“Companies and contractors making any repairs on or installing any electric plants in the Town of Milton shall send a notice to the Inspector of Wires and obtain a permit before the work is commenced.

“The schedule of fees for permits shall be fixed by the Selectmen after consultation with the Inspector of Wires, and said schedule shall not thereafter be changed except after public hearing. Said schedule of fees shall be published once each year, and posted in the Selectmen’s office.

“All work and material must be supplied and installed in accordance with provisions of the National Electric Code and any amendments or additions thereto.”

Also that Section 3 of Chapter 8 of the Revised By-Laws be amended by striking out the words “and after a permit is issued therefor” in the seventh line and inserting in place thereof the following: “who after approval and payment of the fee fixed as hereinafter provided shall issue a permit therefor,” and by adding after the word “Inspector” in the last line the following: “The schedule of fees for permits shall be fixed by the Selectmen after consultation with the Inspector of Plumbing and said schedule shall not thereafter be changed except after public hearing. Said schedule of fees shall be published once each year, and posted in the Selectmen’s office”; so that said section as amended shall read as follows:

“SECTION 3. Every plumber before commencing work on any part of the drainage

system in a building, except in the case of the repair of leaks, shall file at the office of the Inspector upon blanks provided for that purpose, a description of the proposed work. No such work shall be done in any building unless approved by the Inspector who, after approval and payment of the fee fixed as hereinafter provided shall issue a permit therefor. Permits to perform plumbing shall be issued only to master-plumbers. Drawings of the proposed work shall be filed when required by the Inspector.

“The schedule of fees for permits shall be fixed by the Selectmen after consultation with the Inspector of Plumbing, and said schedule shall not thereafter be changed except after public hearing. Said schedule of fees shall be published once each year, and posted in the Selectmen’s office.”

The foregoing Amendment was disapproved by the Attorney-General, July 11, 1918.

Be It Resolved by the Inhabitants of the Town of Milton, Massachusetts, in town meeting assembled, that we recognize with grateful hearts and sincere admiration the patriotic sacrifices which are being made by her sons in the performance of their various duties in defence of their flag and their country. We take a just pride in all their attainments and performances in the past, and we look forward with every confidence and hope to the time when they shall eagerly embrace all opportunities for more arduous and signal service, whenever that may come.

We send a personal greeting to each and every man among them.

“All is well with those that have faith” so wrote a

wounded and dying Union officer on one of the battle-fields of the Civil War in 1862.

Have faith, Men of Milton, wheresoever you may be; faith in the justness of the cause for which you labor and toil; faith in the right outcome of the struggle; faith in the devotion and love of kindred and friends, and faith in the mercy and care of the Giver of All Good!

We are with you in heart and soul and spirit all the time. Let us all press on, each in our own path of duty, until the final victory is won.

And be it further Resolved that a copy of this resolution, attested by the Town Clerk, and the seal of the Town, be sent to each Milton man now engaged in the army or navy, or aviation service.

The foregoing resolution was presented to the meeting by Mr. Charles S. Rackemann, and unanimously accepted.

And you are directed to warn said inhabitants qualified as aforesaid, to meet at the time and place and for the purpose herein mentioned, by posting attested copies of this Warrant in each of the post offices of said Town fourteen days at least before said meeting, and leaving printed copies hereof at the dwelling-houses in said Town at least four days before said meeting.

Hereof fail not, and make due return of this Warrant with your doings thereon, to the Town Clerk, at the time and place of said meeting.

Given under our hands at Milton, the thirteenth day of February, nineteen hundred and eighteen.

JAMES S. RUSSELL,
MAURICE A. DUFFY,
JAMES F. MITCHELL,

Selectmen of Milton.

COMMONWEALTH OF MASSACHUSETTS, NORFOLK, SS.

MILTON, March 2, 1918.

Pursuant to the within Warrant, I have notified the inhabitants of the Town of Milton, as therein directed, to meet at the Town Hall in said Milton, upon the date above mentioned, for the purposes therein set forth.

PELEG BRONSDON,

Constable of Milton.

March 9, 1918, at 4.23 P.M., *Voted*, That the meeting be dissolved.

The foregoing meeting was opened March 2, 1918, at 5.45 A.M., by the Town Clerk (who proceeded to read the Warrant); upon the conclusion of the reading of the second Article it was moved that further reading of the Warrant be dispensed with. Said motion being put was unanimously carried and the further reading of the Warrant (except the concluding paragraphs) was dispensed with.

The total number of ballots cast at the aforesaid meeting was 1,647, of which 341 were cast by women voters for School Committee.

A true record.

Attest:

G. Frank Kemp,
Town Clerk

Warrant Committee

SPECIAL MARCH ELECTION

WARRANT

COMMONWEALTH OF MASSACHUSETTS. ~~THE~~ NORFOLK, SS.

To either of the Constables of the Town of Milton, Greeting:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of the Town of Milton, qualified to vote at elections, to meet in the Town Hall in said Milton, on Tuesday, the twelfth day of March, next, at five forty-five in the forenoon, then and there to bring in their ballots to fill vacancy in the Fourth Norfolk Representative District according to precept issued by Channing H. Cox, Speaker of the House of Representatives.

All to be voted for on one ballot.

The polls may be closed at 4 o'clock, P.M.

And you are directed to warn said inhabitants, qualified as aforesaid, to meet at the time and place and for the purposes herein mentioned, by posting attested copies of this Warrant in each of the post offices of said Milton at least fourteen days before the date of said meeting, and leaving printed copies hereof at the dwelling-houses in said Milton at least four days before said meeting.

Hereof fail not, and make due return of this Warrant, with your doings thereon, to the Town Clerk at or before the time of said meeting.

Given under our hands at Milton, this Twenty-second day of February, nineteen hundred and eighteen.

JAMES S. RUSSELL,

MAURICE A. DUFFY,

JAMES F. MITCHELL,

Selectmen of Milton.

COMMONWEALTH OF MASSACHUSETTS. NORFOLK, SS.

MILTON, March 12, 1918.

Pursuant to the within Warrant, I have notified the inhabitants of the Town of Milton, as therein directed, to meet at the Town Hall in said Milton, upon the date above mentioned, for the purposes therein set forth.

PELEG BRONSDON,

Constable of Milton.

At a meeting of the inhabitants of the Town of Milton held according to a Warrant of which the foregoing is a copy, upon March 12, 1918, the following number of votes were given in for the several persons hereinafter named for the office specified below, namely:

Representative in General Court (Fourth Norfolk District)

JOSIAH BABCOCK, JR., of Milton, two hundred and eighteen votes.

At the meeting aforesaid, the following appointments of Ballot Clerks were made by the Selectmen to serve at said meeting, namely:

Thomas M. Lennon, Henry D. Mahoney, Edwin J. Fairbank, John A. Larrabee, C. Fred Joy, Jr., John L. Kelly, Prescott Skinner, Wallace C. Tucker.

All the above named Ballot Clerks were sworn by the Town Clerk before entering upon their duties.

At 4 o'clock P.M. *Voted*, To close the polls.

At 4.20 o'clock P.M. *Voted*, That the meeting be dissolved.

Number of ballots cast 218.

A true record.

Attest:

E. Frank Kemp,
Town Clerk

Fourth Norfolk Representative District

We, the undersigned Town Clerks of Canton, Westwood and Milton, comprising Representative District Number Four, in the County of Norfolk, hereby certify: That at an election duly held in said towns upon the twelfth day of March, A.D. 1918, for a candidate to represent said district in the General Court (to fill vacancy existing) the following number of votes were given in for the person hereinafter named, to wit:

JOSIAH BABCOCK, JR., of Milton, two hundred and sixty-six votes.

Given under our hands at Canton, this twenty-second day of March, A.D. 1918.

WALTER AMES,

W. W. BAKER,

G. FRANK KEMP,

Town Clerks of Canton, Westwood and Milton.

SEPTEMBER PRIMARY

WARRANT

COMMONWEALTH OF MASSACHUSETTS.

NORFOLK, SS.

To either of the Constables of the Town of Milton, Greeting:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of the Town of Milton, qualified to vote at elections; to meet in the Town Hall in said Milton, on Tuesday, the twenty-fourth day of September next, at four o'clock in the afternoon, then and there to bring in their ballots to the primary officers for the nomination of candidates of political parties for the following offices of Governor, Lieutenant-Governor, Secretary of the Commonwealth, Treasurer and Receiver-General, Auditor of the Commonwealth, Attorney-General, United States Senator in Congress, for the Commonwealth, Congressman for the Fourteenth Congressional District, Councillor for the Second Councillor District; Senator for the Norfolk Senatorial District; Representative in the General Court for the Fourth Norfolk District; County Commissioner for the County of Norfolk; County Treasurer for the County of Norfolk; Register of Probate and Insolvency for the County of Norfolk; Clerk of Courts for the County of Norfolk to fill vacancy; and for the election of the following officers: District Member of State Committee for each political party for the Norfolk Senatorial District; Members of the Democratic Town Committee; Members of the Republican Town Committee; Members of the

Socialist Town Committee; Delegates to the State Convention of the Democratic Party; Delegates to the State Convention of the Republican Party; Delegates to the State Convention of the Socialist Party.

All the above candidates and officers are to be voted for upon one ballot.

The polls may be closed at nine o'clock, P.M.

And you are directed to warn the inhabitants qualified as aforesaid to meet at the time and place and for the purposes herein mentioned, by posting attested copies of this Warrant in each of the post offices of said Milton at least fourteen days before the date of said meeting.

Hereof fail not, and make due return of this Warrant with your doings thereon, to the Town Clerk at or before the time of said meeting.

Given under our hands at Milton, this sixth day of September, nineteen hundred and eighteen.

MAURICE A. DUFFY,

JAMES F. MITCHELL,

JACOB A. TURNER,

Selectmen of Milton.

COMMONWEALTH OF MASSACHUSETTS.

NORFOLK, SS.

MILTON, September 24, 1918.

G. Frank Kemp,
Town Clerk

NOVEMBER MEETING

WARRANT

COMMONWEALTH OF MASSACHUSETTS. NORFOLK, SS.

To either of the Constables of the Town of Milton, Greeting:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of the Town of Milton, qualified to vote at elections, to meet in the Town Hall in said Milton on Tuesday, the fifth day of November next, it being the Tuesday after the first Monday in said November, at five forty-five o'clock in the forenoon, then and there to bring in their ballots for Governor, Lieutenant-Governor, Secretary of State, Treasurer and Receiver-General, Auditor, Attorney-General, Senator in Congress, all of this Commonwealth; Member of Congress for the Fourteenth Congressional district; Councillor for the Second District; Senator for the Norfolk Senatorial District: Representative in General Court for the Fourth Norfolk District: County Commissioner for the County of Norfolk for the term of three years; Clerk of Courts to fill vacancy; County Treasurer for the County of Norfolk, Register of Probate and Insolvency for the County of Norfolk, also to see if the Town will vote to accept the following Articles of Amendment submitted by the Constitutional Convention.

ARTICLE OF AMENDMENT No. 1

The establishment of the popular initiative and referendum and the legislative initiative of specific amendments of the Constitution.

ARTICLE OF AMENDMENT No. 2

The conservation, development and utilization of the agricultural, mineral, forest, water and other natural resources of the Commonwealth are public uses, and the general court shall have power to provide for the taking upon payment of just compensation therefor, of lands and easements or interests therein, including water and mineral rights, for the purpose of securing and promoting the proper conservation, development, utilization and control thereof and to enact legislation necessary or expedient therefor.

ARTICLE OF AMENDMENT No. 3

Advertising on public ways, in public places and on private property within public view may be regulated and restricted by law.

ARTICLE OF AMENDMENT No. 4

The preservation and maintenance of ancient landmarks and other property of historical or antiquarian interest is a public use, and the Commonwealth and the cities and towns therein may, upon payment of just compensation take such property or any interest therein under such regulations as the General Court may prescribe.

ARTICLE OF AMENDMENT No. 5

The General Court, by concurrent vote of the two houses may take a recess or recesses amounting to not more than thirty days; but no such recess shall extend beyond the sixtieth day from the date of their first assembling.

ARTICLE OF AMENDMENT No. 6

To authorize the General Court to prescribe, subject to certain restrictions, the manner of the appointment and removal of military and naval officers to be commissioned by the Governor.

ARTICLE OF AMENDMENT No. 7

To define the powers and duties of the General Court relative to the military and naval forces, and of the Governor as Commander-in-Chief thereof.

ARTICLE OF AMENDMENT No. 8

To provide for the succession, in cases of vacancies in the offices of Governor and Lieutenant-Governor, by the Secretary, Attorney-General, Treasurer and Receiver-General and Auditor, in the order named.

ARTICLE OF AMENDMENT No. 9

To authorize the Governor to return to the General Court with a recommendation for amendment bills and resolves which have been laid before him.

ARTICLE OF AMENDMENT No. 10

ARTICLE IV of the articles of amendment of the constitution of the Commonwealth is hereby amended by adding thereto the following words: Women shall be eligible to appointment as notaries public. Change of name shall render the commission void, but shall not prevent reappointment under the new name.

ARTICLE OF AMENDMENT No. 11

(Relative to the Retirement of Judicial Officers.)

ARTICLE I of CHAPTER III of Part the Second of the constitution is hereby amended by the addition of the

following words: and provided also that the governor, with the consent of the council, may after due notice and hearing retire them because of advanced age or mental or physical disability. Such retirement shall be subject to any provisions made by law as to pensions or allowances payable to such officers upon their voluntary retirement.

ARTICLE OF AMENDMENT No. 12

Every charter, franchise or act of incorporation shall forever remain subject to revocation and amendment.

ARTICLE OF AMENDMENT No. 13

The General Court shall have power to limit buildings according to their use or construction to specified districts of cities and towns.

ARTICLE OF AMENDMENT No. 14

The General Court shall have authority to provide for compulsory voting at elections, but the right of secret voting shall be preserved.

ARTICLE OF AMENDMENT No. 15

To limit the power of the General Court to lend the credit of the Commonwealth and to contract loans.

ARTICLE OF AMENDMENT No. 16

To provide for a state budget and the veto by the Governor of items or parts of items in appropriation bills.

ARTICLE OF AMENDMENT No. 17

To provide for biennial elections of state officers, councillors and members of the General Court.

ARTICLE OF AMENDMENT No. 18

No person elected to the General Court shall during the term for which he was elected be appointed to any office created or the emoluments whereof are increased during such term, nor receive additional salary or compensation for services upon any recess committee or commission except a committee appointed to examine a general revision of the statutes of the Commonwealth when submitted to the General Court for adoption.

ARTICLE OF AMENDMENT No. 19

On or before January first, nineteen hundred and twenty-one, the executive and administrative work of the Commonwealth shall be organized in not more than twenty departments, in one of which every executive and administrative office, board and commission, except those officers serving directly under the governor or the council, shall be placed. Such departments shall be under such supervision and regulation as the General Court may from time to time prescribe by law.

All to be voted for on one ballot.

The polls may be closed at 4 o'clock, P.M.

And you are directed to warn said inhabitants, qualified as aforesaid, to meet at the time and place and for the purposes herein mentioned, by posting attested copies of this Warrant in each of the post offices of said Milton at least fourteen days before the date of said meeting, and leaving printed copies hereof at the dwelling-houses in said Milton at least four days before said meeting.

Hereof fail not and make due return of this Warrant, with your doings thereon, to the Town Clerk at or before the time of said meeting.

Given under our hands at Milton, this nineteenth day of October, nineteen hundred and eighteen.

MAURICE A. DUFFY,

JAMES F. MITCHELL,

JACOB A. TURNER,

Selectmen of Milton.

Attest:

G. Frank Kemp,
Town Clerk

Whole number of ballots cast, 1,363.

Whole number of registered voters, November 1, 1918,
Men, 1,885; Women, 658.

Fourth Norfolk Representative District.

We the undersigned Town Clerks of the towns of Canton, Westwood and Milton, comprising Representative District Number Four in the County of Norfolk, hereby certify: That at an election duly held in said towns upon the fifth day of November, A.D. 1918, for a candidate to represent said district at the next General Court, the following number of votes were given in for the person hereinafter named, to wit:

Josiah Babcock, Jr., of Milton, one thousand seven hundred and sixty-four votes.

Blanks five hundred and eighty-five.

Given under our hands at Canton, this fifteenth day of November, A.D. 1918.

WALTER AMES,

W. W. BAKER,

G. FRANK KEMP,

Town Clerks of Canton, Westwood and Milton.

REPORT OF THE COMMITTEE ON SCHOOL BUILDINGS

MILTON, January 11, 1919.

To the Citizens of Milton:

The Committee on School Buildings herewith submits its final report on construction of the High School Building.

With the exception of \$86.25, contracted for, but withheld until specified fittings can be installed, all appropriations have been expended. A complete financial report is included in report of the Town Auditors.

A portion of the building was first used in September, 1917, and the entire building was occupied in May, 1918.

Owing to war conditions it was impossible to complete our plans within the appropriations. The building was finished and such equipment as was required for immediate use was supplied.

Much of the equipment originally included in the plans was necessarily omitted, and should be supplied as soon as conditions of labor and material permit.

Respectfully submitted,

PERCY E. SHELDON, *Chairman,*

HARRIS KENNEDY, *Secretary,*

Committee.

Two members of this Committee are absent on work connected with war.

Mr. Malcolm Donald, at Washington, D. C.

Mr. R. L. Robbins, in France.

DEPARTMENT REPORTS

REPORT OF THE SELECTMEN

MILTON, February 1, 1919.

To the Citizens of Milton:

We respectfully submit the following report for the year ending December 31, 1918.

The Bonded debt of the Town is as follows:—

Outstanding January 1, 1918	\$449,500.00
Paid during 1918	37,500.00
<hr/>	
Outstanding December 31, 1918	\$412,000.00

The Board organized March 22d with Maurice A. Duffy, Chairman, James F. Mitchell, Secretary.

HIGHWAY DEPARTMENT

The Board appointed Edward A. McCue as Superintendent of Streets and he has given satisfactory results. Messrs. Robert H. Hallowell and Sidney A. Parsons were again appointed by the Moderator to assist the Board in spending the twenty thousand dollars (\$20,000) appropriated for Permanent construction work.

The Maintenance of the Highways, as well as the Permanent work done, will be found in detail in Superintendent McCue's report. On account of the very high cost of materials, labor, and other things incidental to street construction, the Board thought it wise to recommend an appropriation of twenty thousand dollars (\$20,000) for Permanent construction work this year, as material may be cheaper in the future.

The Board has asked for an increase of ten thousand dollars (\$10,000) for General Maintenance work, as last year's appropriation was very limited. It will be necessary

to increase the Street Oiling appropriation materially, because of the increased cost of oil. Again, the streets already permanently constructed will have to be seal coated.

BY LAWS OF THE TOWN

The vote passed to amend by Laws Chapter 10 relative to Town ways, and the vote passed to amend Chapters 7 and 8 relating to Building and Plumbing Permits were sent to the Attorney General for approval. These amendments were disapproved by him.

TRAFFIC LAWS

On September 6th the Board adopted Traffic Rules for the regulation of Automobiles, Carriages and Vehicles however propelled. A copy of same will be printed in the Town Report. It is hoped it will lend some assistance for the safety of the travelling public.

PERAMBULATIONS OF BOUNDARIES

The Board, with the officials of the City of Quincy, the Towns of Randolph and Canton perambulated the Boundaries of these municipalities and found all bounds in their proper places.

SERVICE BOARD

An Honor Roll was erected at the Town Hall bearing the names of Milton men who entered the service of our Country in the World War. We endeavored to get every name on the tablet and hope that there has been no name omitted. In case of any omission, please notify the Selectmen.

TOWN HALL AND LOT

The revenue from the use of the Hall has been very limited for the past year or more, owing to the many free uses for War Activities. How long this will continue, we do not know. We have asked for an increased appropriation this year, in view of putting the Avenues surrounding the property in a safe condition. There has not been anything done on them for a number of years and at present they are in a very bad condition and need improvement.

ELECTRIC RAILWAYS

The Bay State Street Railroad is in the hands of a receiver. Figures have shown that there is a large deficit in operating the Milton Lower Mills East Milton branch. This is one of the lines that the Court was petitioned to abandon. The present condition of things is very unsatisfactory to the people on account of increased fares and poor service. Town Counsel, Lincoln Bryant has submitted a plan to the Receiver, whereby expense of operating the road may be lessened, in the hope that the road shall not be abandoned.

A letter was received from the Blue Hill Street Railway, dated January 27, 1919, stating that after balancing their books for the year ending December 31, 1918, the results of a year's operation show a net loss of \$28,816.91. They ask for assistance from the Town as provided for under General Acts of 1918, Chapter 288. It would appear as if this road was in as much financial difficulty as the Bay State Street Railway. Both situations are serious and it is difficult to know how to improve matters.

The tracks on the westerly side of Blue Hill Avenue, between Brush Hill Road and Cheever Street, which have annoyed the abutting property owners and travelling

public for so many years, have been removed and much relief has been obtained thereby.

MILTON COMMITTEE ON PUBLIC SAFETY

James S. Russell, Chairman of the Milton Committee on Public Safety notified the Board of the disbanding of this Committee on November 29, 1918. The Committee was appointed by the Selectmen March 19, 1917, and did splendid work in all its activities. The Town's People should be thankful for the excellent results of their work.

RECEPTION COMMITTEE

On November 26th, the Board appointed thirty-four (34) representative citizens as a Committee to welcome the homecoming of the men in the service. Mr. Phillip M. Reynolds is the Executive Chairman of this Committee and it is desired that they be entertained in a fitting manner when final arrangements can be made.

COMMITTEE ON PERMANENT MEMORIAL

On November 26th, the Board appointed nine (9) representative citizens to act as a committee on Permanent Memorial for the Milton Men in service who have offered their lives in the cause of Liberty.

Mr. H. C. Gallagher is Chairman of this Committee. It is hoped that some plan will be submitted that will be approved by the Town's People.

IN GENERAL

As the annual Town Report goes to press, Milton Citizens are much disturbed in regard to what is called the Greater Boston Annexation Bills, particularly the so-called Mayor Peter's bill, which in its scope with nine

other Cities and Towns includes Milton. We feel that this is a most insidious bill as it is framed and Milton Citizens must awaken to that fact.

Each member of the Board has publically expressed himself as against the bill. If this measure passes the Legislature it will be the death knell of Milton and it behooves every citizen in our town regardless of his station, to bring all influence to bear on the Legislators to vote against it. We have engaged Felix Rackemann, Esq., and Lincoln Bryant, Esq., to represent the Town's interest in the matter, as it will require hard work to defeat this bill.

All the Departments are in good condition and under the same efficient management as last year.

MAURICE A. DUFFY,

JAMES F. MITCHELL,

JACOB A. TURNER,

Selectmen of Milton.

REPORT OF THE ASSESSORS OF TAXES FOR THE YEAR 1918

MILTON, January 1, 1919.

To the Citizens of the Town of Milton:

The Assessors of Taxes of the Town of Milton herewith submit their Annual Report for the year of 1918.

During the month of January considerable time was spent squaring accounts of previous years with the Collector of Taxes, also in considering and adjudicating the list of uncollectible taxes submitted by the Collector for abatement. During the month of February the meetings of the Board of Registrars of Voters were attended. At the Annual Town Meeting for election of Town Officers, William W. Churchill was re-elected. On March 7th the Board of Assessors organized as follows: William W. Churchill, Chairman; Charles H. Horne, Secretary. Wallace C. Tucker was reappointed Clerk.

The month of April was spent in a canvas of the town to make up the list of Poll Tax Payers, ascertaining the names of owners of houses, cows, dogs, autos, and all other data required by law. The months of May and June were spent levying the tax on real estate, including houses, barns, etc., also all taxable tangible property located in Milton. (Right here it might be well to say that the new law, in effect April 1, 1918, requiring all tangible personal property to be taxed where situated on that day has affected this town adversely. The City of Boston has probably been the greatest gainer under this law.)

On August 10th the tax rate was calculated and declared to be \$10.60 per thousand dollars. This is a decrease of

\$5.40 per thousand from the rate of 1917. This unusually large cut was due to a large reduction in Town appropriations, a decrease in town notes, and a large increase in the amount of State income tax received. It by no means indicates that this same low rate can be maintained, except under most favorable circumstances.

The months of September, October and November were spent in the transaction of routine business, such as hearings for the abatement of taxes, attending Registrars of Voters meetings, examination at the State House of Records of the Commissioner of Corporations for the correction of credits wrongfully given to other cities and towns which really belonged to Milton. Several such credits were found, claims filed for this tax and allowed by the Commissioner of Corporations.

In the month of December some time was spent on the December levy, larger this year than last; also in closing up other matters which were before the Board for consideration.

This year, 1918, the Board was required by law to assess a poll tax to, but exempt from payment, all those men who were in the military or naval service of the United States. This was done with pleasure.

The citizens will note that the two street railway companies doing business in the Town are still assessed a commutation tax, but it is understood these bills have not yet been paid. We think the Town should take some action on these bills. The Bay State Street Railway Company is in arrears for two years; the Blue Hill Street Railway Company has not as yet paid the 1918 commutation tax.

The population of the Town for 1918 is 8,914. Other statistics are as follows:

REPORT OF THE ASSESSORS

Total number of dogs	440
Total number of horses	401
Total number of cows	546
Total number of sheep	34
Total number of swine	106
Total number of fowls	2,910
Total value of fowls	\$2,910
Number of people liable to military duty.	1,702
Total number of dwelling houses	2,058
Total number of acres assessed	6,218.4
The Town received in bank and corporation taxes .	\$47,026 35
The Town received in distribution of State Income Tax	\$287,887 66

TAXES ASSESSED IN THE TOWN OF MILTON FOR YEAR 1918

Valuation of personal estate, including resident bank stock	\$2,122,495 00
Valuation of real estate, including build- ings	15,948,420 00
Total valuation	\$18,070,915 00
Tax rate, \$10.60 per thousand; total tax. . .	191,551 70
Town tax	\$46,032 92
State tax	69,410 00
Metropolitan District Fire Prevention tax .	142 15
County tax.	28,044 44

Additional tax, December levy	378 26
Additional nine poll taxes	18 00
	14,346 15
Grand total	\$205,897 85

OVERLAY ACCOUNT

The Assessors this year incorporate in this Report a

statement of the standing of the Overlay Account. We go back to the time when we were first required by law to deduct the abatements from the overlay. Inasmuch as most people do not know what the Overlay Account is or what its final disposition is we attach below extracts from the law covering this:

“Acts and Resolves of Massachusetts, Chapter 649, Section 1, 1913, and as amended by Chapter 823, Section 1, 1913, and Chapter 12, Section 37, Acts of 1918.”

“The Assessors, except in the City of Boston, may add to the amount to be assessed not more than five per cent thereof, although the limit of taxation as fixed by any city may by such overlay be exceeded, such amount to be used only for avoiding fractional divisions of the amount to be assessed in the apportionment thereof, and for abatements granted on account of polls or property assessed in the year in which the overlay is made or of taxes in the Warrant of which the overlay is a part; but any balance in the overlay account, in excess of the amount of the warrant remaining to be collected or abated, shall be transferred to a reserve fund to be used for extraordinary or unforeseen purposes.”

Standing of Overlay Account

1913 Overlay, Balance January 1, 1919	\$7,164 91
1914 Overlay, Balance January 1, 1919	5,817 10
1915 Overlay, Balance January 1, 1919	10,074 98
1916 Overlay, Balance January 1, 1919	5,773 32
1917 Overlay, Balance January 1, 1919	2,638 41
1918 Overlay, Balance January 1, 1919	3,381 62

Respectfully submitted,

WILLIAM W. CHURCHILL,

CHARLES H. HORNE,

CLARENCE BOYLSTON,

Assessors of Milton.

REPORT OF THE BIRD WARDEN

MILTON, January 1, 1919.

To the Citizens of the Town of Milton:

I beg to submit to you my report as Bird Warden, for the year 1918.

There was no appropriation and there are no accounts to be submitted.

There is very little change in the situation in regard to the bird life in the town, since the reports of the two preceding years.

The clearing away of brush and undergrowth in many localities, has the inevitable result of driving away many species of birds which require such cover for their natural homes and shelter.

The pressing war activities of most of the residents of the town, have of course interfered with the usual interest in the birds and activities on their behalf taken by their many friends, and I have not, therefore, been able to obtain as many observations as usual.

The severe cold of the winter of 1917-1918 was undoubtedly a factor in reducing the number of birds of several species, to the lowest point for a long time. The Ruffed Grouse or Partridge, and Quail, are noticeably scarce. The Purple Finch, Goldfinch, Meadow Lark and Pheasant, apparently suffered a set-back. I found a Night Heron and a few individuals of several varieties of smaller birds, apparently frozen to death.

I can report with pleasure that there was an unusual increase in the number of Blue Birds observed in the

Spring, and many of the Spring migrants appeared in normal numbers.

The Purple Martin, a valuable insect-eating bird, has apparently disappeared entirely now from Milton — driven away it is believed, by the unwelcome English Sparrow. I wish to urge all citizens who are annoyed by these Sparrows, to wage war against them either by trap or gun.

The English Starling now is also recognized as an undesirable resident, and the protection formerly given this bird by the State statutes has been removed.

I wish to remind the citizens that the native birds are many of them of great assistance in controlling insect pests, and I urge that all interested should take such steps as they can to protect and encourage these birds on account of their economic value, as well as the added charm which the country gains from their presence.

Respectfully submitted,

RALPH E. FORBES,

Bird Warden.

REPORT OF TRUSTEES OF CEMETERY

MILTON, February 3, 1919.

To the Citizens of Milton:

The Trustees make the following report for 1918:

The meeting to organize was held at the office of Mr. T. K. Cummins, March 18, 1918.

There were present at the meeting Mr. Samuel Gannett, Mr. J. Frank Pope, Mr. T. K. Cummins and Mr. Percy E. Sheldon. Mr. Gannett was chosen Chairman and Mr. J. Frank Pope, Secretary and Treasurer. The Trustees appointed Thomas W. Pond Superintendent, and Mr. Ellerton P. Whitney to fill the vacancy caused by the death of Mr. C. Minot Weld.

One hundred and forty-eight interments were made during the year, 81 of which were out of town; 35 lots were taken by citizens; 2 lots sold to non-residents; 5 single graves sold; 5 lots regrades; 7 lots taken under perpetual care; 6 graves planted to Myrtle or English Ivy; 26 foundations for monuments; 16 foundations for head stones and markers; 10 markers set with Butts; 34 graves evergreened; 1 brick vault built; 9 funerals Sunday; 23 calls for chapel; 43 of lots layed out in 1914 finished; 120 corner posts set; 2,688 sq. ft. of Avenue 192 ft. long and 14 ft. wide.

In addition to the above, we have taken general care of the avenues and paths. There has been quite a call for a chapel. It is a question whether the town would be willing to spend the money to build a chapel. Of course

it would not be all loss, as most of the out of town people would use it, and we could charge them for the use of it.

We respectfully ask for \$3,000.

SAMUEL GANNETT,

PERCY E. SHELDON,

THOMAS K. CUMMINS,

ELLERTON T. WHITNEY,

J. FRANK POPE,

Trustees of Cemetery.

THOMAS W. POND,

Superintendent of Cemetery.

ENGINEERS' REPORT

MILTON, January 10, 1919.

To the Honorable Board of Selectmen:

GENTLEMEN: The Board of Fire Engineers respectfully submits the following report for the year ending December 31, 1918.

In March, Chapter 140 of the Acts of 1917 were accepted, thereby placing the Chief under "Tenure of Office."

Willard A. Hodges was elected Clerk of the Board.

There have been 201 alarms, 43 of which were bell alarms—15 calls to Boston, 1 call to Randolph. Boston has responded to 7 alarms in Milton. There were 5 false alarms.

The property at risk was \$145,070; total loss \$7,483; insurance paid \$6,629; net loss \$744; per capita loss \$.81.

The department has laid 7,100 feet of hose, raised 1,146 feet of ladders, used 2,251 gallons of chemical, and traveled 1,161 miles.

Permits have been issued as follows:

Out-of-door fires, 549; gasoline, 23; explosive, 2.

One permanent man and two callmen have been appointed.

The equipment of the department remains the same as last year with the exception of the Chief's car. The old one having become worn out it was sold and a second-hand car purchased for the sum of \$600.

It should be constantly borne in mind that the department should be completely motorized as soon as prices become anywhere near normal and the financial situation will permit, not only for the efficiency of the service, but on account of the low cost of maintenance.

It is with deepest regret and sorrow that the Board is

obliged to report the death of two members of the department. On May 16, 1918, while returning from a small fire on Centre Street, the ladder truck collided with a Bay State Street Railway freight car at the junction of Canton Avenue and Reedsdale Road. Thomas F. McDermott, the driver, and Patrick Moran, one of the callmen, were thrown with such violence from the truck that they were almost instantly killed. Four other members of the department were riding on the truck, but escaped serious injury. T. F. McDermott became a permanent member of the department in 1894, while P. Moran had been a callman since 1900. Both men had always been faithful to the service, responding willingly to every demand made upon them.

There will appear in the warrant this year an article asking to install what is known as the two platoon system, the object being to give the men more time off. After duly considering this matter the board endorsed the movement on the ground that the men should have more time off and that under present conditions the work is not attracting men to take up this branch of service.

Following are the conditions under present system of 24-hour duty one day off in six, three meal hours every day and sample of proposed system—two platoon or two shift.

CENTRAL STATION

Eight Men

Four days—one man on day off duty.

Two days—two men on day off duty.

In this station—10½ hours for meals every day. Many times only three men on duty.

HOSE No. 2

HOSE No. 4

Two Men

Two Men

One man for days off at these two stations.

One day in six there are three men at one of these stations.

In these two stations 7-9 hours for meals every day.

One man on duty during meal hours.

Proposed system—

On first three days, the first platoon on duty from 8 A.M.—6 P.M. while second platoon on duty from 6 P.M.—8 A.M. On fourth day the first platoon instead of going off duty at 6 P.M. continues on duty until 8 A.M. the following day—allowing second platoon 24 hours off duty and changing night shift to day shift and vice versa—then second platoon on duty from 8 A.M.—6 P.M. till eighth day—and then on duty 24 hours allowing first platoon 24 hours off duty and brings shift as it was at start. Each platoon one day off in eight and each on duty same length of time (averaging 12 hours daily). There are no meal hours—men carrying their dinners and eating their suppers and breakfasts at home. In case of big fire men on off shift will respond to signal.

This arrangement would require five additional men to the department. There would then be at all times—five men at the Central Station, two men at Hose No. 2, and two men at Hose No. 4.

In closing the Board wishes to extend to the officers and members of the department, its sincere thanks for the faithful manner in which they have performed their several duties.

Respectfully submitted,

J. HARRY HOLMES, *Chief*

PHILIP S. WALTON,

WILLARD A. HODGES, *Clerk*
Board of Engineers.

RECORD OF ALARMS OF FIRE FOR THE YEAR ENDING DECEMBER 31, 1918

REPORT OF THE FORESTRY DEPARTMENT

(Moth and Tree Warden Department)

MOTH DEPARTMENT

MILTON, January 1, 1919.

To the Honorable Board of Selectmen:

I beg to submit the following report of the work of the Moth Department of this Town for the past year.

Suppression Work

The year has been marked by a series of obstacles to the work which have made it unusually difficult. The long continued cold of last winter made creosoting of egg clusters well nigh impossible and necessitated the accomplishment of nearly all this work in the spring. This would have been less difficult were it not for the continual depleting of our force by the draft. We covered the Town, however, although more superficially than usual, but thoroughly enough to prevent serious harm.

The spraying season, however, was very favorable, being dry. This prevented loss of time, washing off of spray by rain and left the ground hard, so that we could get into fields and woodlands without difficulty. We are obliged, however, to neglect much of our unimproved lands because of lack of help, but have suffered no great harm for a single season.

We found the Town in fair condition as far as gypsy moths are concerned and as a general thing believe we are making permanent headway against them.

The advent of the new caterpillar, known as the "leaf roller" made it difficult however to tell exactly what was

the extent of the gypsy destructiveness. We are all hoping, however, that there will eventually develop a natural enemy which will lessen our labors, as in the case of the brown-tail moths which have now nearly disappeared.

Wood Cutting

During the cold weather last winter when our regular work of creosoting could not be properly done, we cut cord wood and put it onto the market at cost to help the fuel situation, which it will be recalled was acute.

Labor

We had difficulty in getting sufficient men to do our work and more difficulty in holding them. The draft was in operation and they were being continually called. We were forced, especially during the spraying season, to employ older men and school boys and they are to be complimented on the way they handled work which was hard and disagreeable. We are grateful to the school authorities for their co-operation in releasing boys to help us.

We advanced the pay during the year from \$3.25 to \$3.50 per day.

Equipment

It was early evident that we could not cover the trees of the Town with horse-drawn machines as we could not get help enough to man more than half of them. We bought a 3-ton Packard truck for transporting one of the large sprayers and did fully three times as much work as with a similar machine horse-drawn. The expense of operation was little greater and the saving financially was large. It is evident that ultimate complete motorization of our equipment is the most economical. We bought no other new equipment.

Plans for Next Season

We should do more creosoting than last year and the present favorable weather makes it possible.

Brush should be cut in more of our waste lands and they should be sprayed more thoroughly than usual.

APPENDIX A

Inventory of Property of Moth and Tree Warden Department

3 2-horse spraying machines at \$1,250 each	3,750 00
1 sprayer for use on Ford truck	250 00
1 Kissel truck with sprayer	1,930 00
1 Packard truck with sprayer	2,500 00
2 50-gallon spraying barrels at \$15.00 each	30 00
1 1-ton Ford truck	684 85
1 Ford car with express body	450 00
1 Ford runabout	363 35
Tools of all kinds (including field supplies)	1,148 50
Spraying hose	976 00
Building and equipment (including stationary devices)	2,916 15
Office equipment	140 00
Total	<u>\$15,138 85</u>

APPENDIX B

Area sprayed	1,498 acres
	88 miles of road
Area creosoted	716 acres
	88 miles of road
Area of woodland cleared	24 acres
Wood cut and marketed	68 cords

APPENDIX C

Financial Statement

Appropriation	\$8,500 00
Received from tax assessments	592 75
Received from private work and wood sales	6,115 12
Total receipts	<u>\$15,207 87</u>
Cost of spraying	\$6,713 40
Cost of creosoting	3,114 23
Cost of woodland work	1,892 41

Repairs, new equipment and stock on hand:

Repairs to equipment	\$492 40	
New Equipment	1,550 00	
Stock on hand	730 75	
	<hr/>	2,773 15
Vacations and Saturday half-holidays		619 11
Amount reverting to Town Treasury		95 57
		<hr/>
Total disbursements		\$15,207 87

Respectfully submitted,

RALPH S. CARPENTER,
Superintendent.

TREE WARDEN DEPARTMENT

MILTON, January 1, 1919.

To the Honorable Board of Selectmen:

I beg to submit my report as Tree Warden.

As a measure of war economy, I accepted a cut in appropriation from \$2,650 to \$1,500, or enough to do only the work absolutely necessary.

Trimming

We trimmed thoroughly as much roadway as possible and gave the necessary care and attention to trees throughout the whole town.

Trees which had died or were a danger to traffic were cut down.

Planting

We made no systematic planting as no money was provided for it. The few we did plant were to replace those cut down, or in locations where special request was made for them.

Insects

The elm leaf beetle made its appearance much as usual and required about a week's spraying with our large motor-drawn machine. This insect shows little change from year to year in its destructiveness.

The leaf roller was a new visitor to this Town and took us by surprise, as it did most towns in this vicinity. Whence it has come no one knows and its habits are still little understood. It is quite different from the gypsy moth, the caterpillar being light green in color and about half an inch long. Its eggs are microscopic and hatch earlier than the gypsy. It attacks the buds of the trees just as they open and curls itself in one of the leaves, folding it about by means of a fine web. It is difficult to destroy, the eggs being too small to find and the cater-

pillars are well protected in the leaves from the poison spray. The web about the leaf also sheds the spray and prevents the poison from adhering.

The remedy seems to be a spraying of the trees in the neighborhoods where the insects appeared last year while they are still in bud. This is, of course, a wasteful process as so much of the spray is lost on the branches and ground, but it will, I believe, give results. We had serious stripping the past season in several localities and our spray did not seem effective. I believe, however, earlier application next spring will be successful.

We are hoping that the State experiment stations will develop something more effective than the present methods. This seems to be a serious problem and is receiving considerable attention from experts.

Plans For Next Year

As much trimming as possible with the money provided should be done. This work is practically unlimited and is important for the future of our trees.

I hope to continue the program I laid out two years ago to plant a minimum of 100 trees per year. We need about 5,000 more trees to properly plant our roadsides.

We must, unfortunately, spend considerable money spraying for the leaf roller, unless we are to suffer serious damage.

I also plan to continue the trimming of trees in the Cemetery begun two years ago.

APPENDIX A

Trees planted:	
Norway maples	8
Sugar maples	2
Pin oak	1
Total	11
Streets on which trees were trimmed	3.2 miles
Dead trees removed	11

APPENDIX B

Financial Statement

Appropriation	\$1,500 00	
Private receipts	161 65	
Total receipts		\$1,661 65
Cost of tree trimming and spraying	\$1,381 46	
Cost of removing dead trees and clearing obscure street corners	225 00	
Cost of tree planting	55 00	
Amount reverting to Town Treasury	19	
Total disbursements		\$1,661 65

Respectfully submitted,

RALPH S. CARPENTER,

Tree Warden.

REPORT OF THE BOARD OF HEALTH

MILTON, January 1, 1919.

To the Citizens of Milton:

The number of cases of contagious diseases reported to the Board of Health for the past three years has been as follows:

	1918	1917	1916
Chicken Pox	32	20	36
Cerebro-Spinal Meningitis	2	0	0
Diphtheria	15	19	17
German Measles	68	62	10
Lobar Pneumonia	14	3	0
Measles	65	86	35
Mumps	74	49	5
Ophthalmia Neonatorum	0	1	0
Scarlet Fever	15	27	45
Septic Sore Throat	0	1	0
Suppurative Conjunctivitis	1	2	0
Tuberculosis (Pulmonary)	13	0	0
Tuberculosis (all other forms)	2	10	8
Typhoid Fever	4	0	4
Whooping Cough	56	0	20
Anterior Polyomyelitis	0	0	11
Small Pox	1	0	0
Influenza	388	0	0

The whole number of deaths recorded in 1918 is 160, (male 81, female 79), giving a death rate of 17.94 per thousand inhabitants.

Influenza became a reportable disease early in October. During the month forty-nine cases were reported, also one case of Lobar Pneumonia. In November thirty cases of Influenza, and two of Lobar Pneumonia were reported. December 1st was the beginning of the second epidemic. There were three hundred eighty-eight cases reported,

and two cases of Lobar Pneumonia. The second epidemic was not as severe as the first, the cases being much lighter. Because the malady was not declared a reportable disease until early in October, there was no record kept of the number of cases which developed at the outset. A few of the cases developed rapidly into pneumonia, with fatal results. Local physicians were busy day and night. In some families, all members were stricken at the same time, rendering them entirely helpless. Being unable to obtain either doctor or nurse, they called upon this department for assistance. Through the efficiency of the telephone operators, we were in every case able to secure a physician without much delay. The district nurse, seemingly working beyond all human endurance, never failed to respond. The number of cases during the two epidemics were thought by some physicians to be at a ratio of 3 to 2. The first epidemic was estimated to have involved five hundred and eighty-two cases. From October 4 to December 31, three hundred and eighty-eight cases were reported, making a total of nine hundred and seventy cases. To every one who helped in meeting the situation there is due the thanks, not only of the families aided, but of the community as well.

During the past year the regular meetings have been held at the office of the Health Department on the second Thursday of each month. Special meetings also have been necessary. Each year the work of the Board of Health grows, and becomes of greater importance to the welfare of the town and its residents. This department is expected to enforce existing laws governing the cleanliness and healthfulness of the community, and to ascertain the best known methods of preventing disease. We urge the co-operation of our citizens in complying with requests and suggestions which we may publish from time to time.

We have had comparatively few complaints. Some, however, have been anonymous. In order to insure prompt attention, all communications must be duly signed. These are looked into promptly, and an effort made to adjust conditions where they prove to be a menace to the public health. The collection of ashes and garbage has been carried on very efficiently in consideration of the shortage of help.

The Board has investigated the condition of the Town and found it, generally, in a good condition.

COLLECTION OF ASHES AND GARBAGE

The work in this department has been quite satisfactory, few complaints having been made. These were investigated and righted. -

The Collector has turned the garbage to good account by feeding it to hogs, having patriotically produced several tons of pork of which we have been, and are, in great need. Not only that, but he has produced a supply of fertilizer so much required for farms and gardens.

He has kept the hogs and pigs healthy and the premises in good condition. Any suggestions for improvement made by the Board have been willingly complied with.

Other piggeries visited, including those of the Boys' Pig Club, have been found in good condition.

DUMPS

Few complaints of dumping places have been made. The trouble was, many times, caused by the people in the neighborhood, rather than by neglect on the part of the Collector, the former using them for improperly disposing of dead animals, cats, dogs, hens, etc., and for the disposal of rubbish, old mattresses and the like from their spring cleaning.

In some instances near the Boston line the city was dumping its refuse. These practices have been investigated and stopped by the Board.

CESSPOOLS

Many complaints have come in of the overflowing of old cesspools and vaults. Those on a street where there is a sewer have been obliged to connect with it as required by Rules and Regulations, and others were remedied.

PINE TREE BROOK

This year, again, as it has reported in former years, the Board finds Pine Tree Brook in a bad condition and recommends that it be cleaned and drained to take off the surplus and stagnant water from the overflow, which is a breeding place in summer for malaria and for flies and mosquitoes.

SLAUGHTERING

Milton has no slaughter house where hogs and cattle may be slaughtered in a sanitary manner. All work of this nature now has to go to Dedham, Randolph or Quincy at considerable expense, hence the Board recommends that a Municipal slaughter house be provided for Milton.

Respectfully submitted,

J. S. LINCOLN,

ABIJAH W. DRAPER.

MILTON, January 20, 1919.

To the Board of Health:

GENTLEMEN:—I herewith submit my report for the year ending December 31, 1918.

There have been collected 987 truck loads and 132 double loads of ashes and 109 cords of garbage.

Yours respectfully,

SAMUEL G. CRAIG.

MILTON, January 1, 1919.

To the Board of Health:

GENTLEMEN:—I herewith submit my report for the year ending December 31, 1918.

Cleaning 4 vaults.

Cleaning 27 cesspools.

Removing 71 loads from cesspools.

ESTATE OF JOHN R. LAWRENCE,

by

MARY A. LAWRENCE.

REPORT OF THE INSPECTOR OF ANIMALS

MILTON, January 1, 1919.

To the Honorable Board of Selectmen:

GENTLEMEN: I herewith submit my report for the year ending December 31, 1918. I have inspected during the year 89 stables and premises where cattle are kept, all of which I found in good sanitary condition, meeting the requirements in regard to light, ventilation, space, etc. I gave a physical examination to 662 cows, 240 swine, 17 bulls, 43 swine, and 4 goats, which I found free from tuberculosis or other contagious diseases. Three cows were quarantined for tuberculosis, causing, three months later a retest of the two herds (54 cows) in which these cases occurred.

Respectfully submitted,

JAMES SPENCER,
Inspector of Animals.

REPORT OF INSPECTOR OF BUILDINGS

MILTON, January 1, 1919.

To the Honorable Board of Selectmen:

GENTLEMEN:—I herewith submit my annual report for the year ending December 31, 1918.

There have been 111 applications made and permits issued for building and repairing.

I have made 470 inspections.

There have been 10 buildings examined for permits to move and 4 permits issued.

WORK OF THE BUILDING DEPARTMENT BY MONTHLY REPORT

Months	Permits for Wooden Buildings	Permits for Stone, Cement and Brick Buildings	Valuation per Application
January	0	0	0 00
February	4	0	\$3,200 00
March	5	2	2,450 00
April	9	12	21,930 00
May	8	6	6,875 00
June	4	4	7,990 00
July	14	0	13,075 00
August	8	0	2,525 00
September	6	1	3,705 00
October	8	3	3,950 00
November	4	1	2,700 00
December	9	3	29,000 00
	79	32	\$97,400 00

Making the valuation as per applications \$97,400.

Respectfully submitted,

G. E. BURT,

Inspector of Buildings.

REPORT OF THE INSPECTOR OF MILK

MILTON, December 31, 1918.

To the Honorable Board of Health:

GENTLEMEN:—I herewith submit my annual report for the year ending December 31, 1918.

There have been 37 Licenses issued for the sale of milk and cream; 29 to residents and 8 to non-residents; 14 to stores and 23 to wagons. There were 133 samples of milk and cream taken for chemical analysis and 187 samples for bacteriological examination. The records show that 90 per cent of the chemical tests were up to, and above the standard and 96 per cent of the bacteriological tests were up to the standard set by the commonwealth.

Respectfully,

WALLACE C. TUCKER,

Inspector.

REPORT OF THE INSPECTOR OF PLUMBING

MILTON, January 1, 1919.

To the Honorable Board of Health:

GENTLEMEN:—I beg to submit the following report for the Department of Inspection of Plumbing for the year ending December 31, 1918.

Seventy-four permits to perform plumbing have been issued from this office. The approximate valuation of the work performed under these permits is Twenty-two thousand Fifty dollars (\$22,050.00).

Nineteen buildings have been connected with the Town sewers. The small number of connections is due to the fact that no new sewers were installed during the year. It is to be hoped that the return to more nearly normal general conditions may make it possible to secure appropriations for very much needed extensions of the Sewer System.

Respectfully submitted,

LORENZO E. YOUNG,

Inspector of Plumbing.

REPORT OF THE INSPECTOR OF SLAUGHTERING

MILTON, December 31, 1918.

To the Board of Health:

GENTLEMEN:—As Inspector of Slaughtering I report that for the year ending December 31, 1918, I have examined and stamped three (3) hogs.

Respectfully,

WALLACE C. TUCKER,

Inspector.

REPORT OF THE INSPECTOR OF WIRES

MILTON, January 27, 1919.

To the Honorable Board of Selectmen:

GENTLEMEN:—I herewith present the report of the Department of Wires for year ending December 31, 1918.

This department has supervision of the Fire Alarm and Police Signal System, also inspection of all buildings equipped with electric light service and all poles and wires on Town Streets.

INTERIOR WIRING

	1917	1918
Certificates issued for light and power	268	147
Number of inspections	630	306
Number of incandescent lights wired for	4,121	1,852
Number of motors installed	8	25
Total horse power	58	11
Number of electric heaters and ranges	23	41
Total watts	54,405	205,750
Number of rectifiers installed	0	1
Total watts	0	3,390

OVERHEAD CONSTRUCTION

The following is a list of Companies owning poles and wires in the Town:—The New England Telephone and Telegraph Company, The Edison Electric Illuminating Company, The Postal Telegraph Company, American Telephone and Telegraph Company and Bay State Street Railway Company.

A large number of poles being condemned have been replaced with new ones by the various companies owning same.

No new lines have been built or old lines rebuilt during the past year although plans had been made to do so, the war conditions being the reason.

Five hundred feet of circular loom cable and five thousand feet of No. 10 covered iron wire have been installed in Fire and Police Signal Systems and seven thousand feet of old wire removed.

For the maintenance of Wire Department the ensuing year the replacing of a ten conductor lead cable in Adams Street between Eliot Street and Wharf Street, renewing a part of old iron wire on Canton Avenue and installing new battery plates at Central Fire Station, I recommend an appropriation of three thousand seven hundred and eighty-five dollars (\$3,785.00).

Respectfully submitted,

ERNEST E. CHOATE,

Inspector of Wires.

REPORT OF THE PARK COMMISSIONERS

MILTON, December 31, 1918.

To the Citizens of the Town of Milton:

At the March Town Meeting, the Town Landing was placed under our management. We rented the building and privileges to the Milton Yacht Club for fifty dollars. At the request of the United States Marshal, an arrangement was made with the Yacht Club whereby they had entire control of the Landing.

The Town Garden Committee again used portions of our Park lots for Home Gardens.

The Street Department has taken five hundred and sixty-three double loads of sand and gravel from the pit at the East Milton Playground. None of the appropriation made to be spent jointly by the Park Commission and School Committee for the improvement of school lots was used, but if this appropriation is made for 1919, we have arranged for its disposition.

The Brook Road Playground has been more popular than ever; partially due to its use for the first time for the High School sports, but more especially because the parents of our smaller children are interesting themselves in what we are doing for the children in supervising their play, with the result that the attendance is increasing each year. A very good idea of the activities can be had by reading the following report of our Physical Director, Mr. M. W. Souders. We are sorry to report that Mr. Souders has resigned to accept a position at Milton Academy. We feel very much indebted to him for the great success of our playground, and believe that his untiring efforts and enthusiasm are responsible for its popularity.

Our recommendations are:

General Appropriations \$2,350

Respectfully submitted,

J. SUMNER DRAPER,

MALCOLM DONALD,

B. W. TRAFFORD,

Park Commissioners of the Town of Milton.

REPORT OF PLAYGROUND ACTIVITIES

Season of 1918

*To the Park Commissioners,
Milton, Massachusetts.*

GENTLEMEN:—I respectfully submit the following report of the playground work for the year ending 1918.

WINTER ACTIVITIES

Through the co-operation of the Park Commission and the School Committee a program was being arranged to open the high school gymnasium several evenings each month for the purpose of recreation. This program had to be given up on account of the coal shortage.

The corner of Brook Road and the Parkway was flooded by the Commission and afforded a good skating surface which was used by large numbers. The ice was kept cleared of snow through the kindness of a citizen who loaned his team and scraper.

SPRING ACTIVITIES

For the first time the Brook Road playground is being used for the high school sports. This is due to the improvements made on the playing surfaces the past two years and the location of the high school gymnasium, where the teams may dress for their games. The past season has been an active one with baseball, soccer, track, tennis and football.

The grammar school baseball league, which was organized in 1917, played its schedule of games on a percentage basis. These games were played Saturday mornings and the results were:—Tucker, 750; Vose, 500; Belcher, 333. The

baseball cup which had been held the year before by Belcher was presented to Tucker at the annual class day, and was accepted by Captain Robert Whipple.

The track meet was held at the Cunningham Park under the auspices of the Belcher School Association. A demonstration was given of physical activities. Winners of the track events received ribbons and a bronze shield was presented to Tucker School for winning the greatest number of points.

The tennis courts were opened Decoration Day, May 30th. A tournament for girls was played in June under the supervision of Miss Marion Adwers.

SUMMER ACTIVITIES

Regular activities for the vacation season opened June 15th. Miss Elenor Wallace, who directed the work for the girls the past two summers, reported June 17th.

The attendance was good, especially in the afternoons, and owing to the daylight saving plan many young people who worked came for recreation in the evenings.

Miss Marie Gordon was employed to teach the kindergarten work for the children.

Program for Summer Months

9.30 to 10.00 o'clock.	Grounds in order.
10.00 to 10.30 o'clock.	Active games.
10.30 to 12.00 o'clock.	Red Cross.
10.30 to 12.00 o'clock.	Tennis, basket ball.
1.30 to 2.00 o'clock.	Free play.
2.00 to 3.00 o'clock.	Sewing, knitting.
2.00 to 3.00 o'clock.	Kindergarten work.
2.00 to 3.00 o'clock.	Apparatus.
3.00 to 5.30 o'clock.	Games, track, baths.
7.00 to 8.30 o'clock.	Free play, basket ball, baseball, tennis and apparatus.

Special events each week,—outings, games with other playgrounds, hikes and swimming.

Saturday afternoons—baseball and tennis.

ATTENDANCE

The attendance from June 17th to September 14th was as follows:

Week ending June 22	565
Week ending June 29	1,423
Week ending July 6	1,256
Week ending July 13	1,175
Week ending July 20	1,250
Week ending July 27	1,147
Week ending Aug. 3	885
Week ending Aug. 10	772
Week ending Aug. 17	906
Week ending Aug. 24	862
Week ending Aug. 31	642
Week ending Sept. 7	1,122
Week ending Sept. 14	1,380
Total	13,385

Special Activities

A Red Cross class was formed among the older girls that worked under the direction of Miss Wallace at the Milton headquarters Tuesday and Friday mornings. Their work was chiefly making surgical dressings, pads, compresses and packing. They also gave assistance from time to time at the Central Canning Kitchen at the high school.

The playground baseball team, composed of sixteen-year-old boys, played a schedule of games competing with the best teams of their class in Greater Boston. It lost but

one game and that to the Dorchester Boys' Club, by a score of 2 to 1.

Two tennis tournaments were held during the summer; the one for men, July 4th, was won by Roy Blackburn. Fourteen boys competed for the war saving stamps given for their tournament. Ralph Sullivan won in the finale from Maurice Moran.

Outings were held each week in July and August, and included trips to the beach, hills, Boston Public Gardens, theatres and Medford playgrounds and reservation.

Play Day and Field Meet

The formal closing of the playground for the summer work ended with a play feast in which about five hundred participated. The program was as follows:

Flag salute	all
Newcomb	girls
Indoor baseball	}	boys
Basket ball relay		
Basket ball		
Track events	Class A. B. C.,	boys and girls
Through barrel race	boys
Potato race	girls
In barrel race	boys
Indian club race	girls
Obstacle race	girls
Boxing A. B. C.	boys

Thrift stamps were given as prizes for the winners of the track events, and in addition prizes were awarded to Miss Mary Cadogan for the best Red Cross work during the summer months, and to Stephen Madden for the best kindergarten work. An exhibition of this work was on display.

A treat for all children present was served by the committee in charge of the program.

FALL ACTIVITIES

During the fall months a caretaker has been in charge of the field, so that the equipment at all times was in proper condition for sports and play.

Activities at the playground were closed Thanksgiving Day with a football game between Milton and Needham High Schools. A large crowd attended.

Buildings, plumbing, equipment, and grounds are in proper condition for the winter months.

Respectfully submitted,

MARTIN W. SOUDERS,

Director.

NOTE:—This report officially ends my Directorship of the public recreation of Milton, and I wish to thank the Park Commission, citizens and children of the Town for their splendid co-operation in this work.

M. W. S.

POLICE DEPARTMENT

To the Honorable Board of Selectmen:

GENTLEMEN:—I have the honor to submit for your consideration the annual report of the Police Department for the year ending December 31, 1918.

Superintendent.—Maurice Pierce.

Deputy Superintendent.—Timothy McDermott.

PATROLMEN

Fred M. Farrington.	Henry C. Shields.
Henry A. Paterson.	Lucius E. Damon.
John F. O'Connell.	William J. Stephenson.
Frank H. McDermott.	John H. Higgins.
William S. Fallon.	John J. Haley.
Joseph F. Donovan.	William D. Karney.
James R. Travers.	Emory H. Farrington.
John P. Driscoll.	William B. Ladd.
William H. Byrnes.	Norman R. Bowman.
Patrick H. Donahue.	Francis G. Doherty.
Timothy A. McDermott.	Andrew J. Donahue.
Richard F. Chamberlain.	Joseph F. Duggan.
James J. Foley.	Edward F. Lee.

Driver of Auto Patrol.—John E. Shields.

CHANGES IN THE FORCE

Several changes have been made in the Department during the year.

Joseph F. Donovan resigned February 2, 1918.

William B. Ladd resigned April 1, 1918.

Francis G. Doherty resigned April 26, 1918.

Richard F. Chamberlain given a leave of absence June 24, 1918, to join the Army.

Joseph F. Duggan given a leave of absence June 28, 1918, to join the Navy.

Timothy A. McDermott given a leave of absence June 28, 1918, to join the Navy.

William J. Stephenson was injured by being run down by an automobile, May 30, 1918, and has done no police duty since that date.

With so many men out of the Department, and not having any substitutes, the other members of the Force did not get their vacations or days off, and they all have done their part willingly.

ARRESTS

Total number of arrests	204
Males	202
Females	2
Residents	44
Non-residents	160

Suicide	1
Water running to waste	9
Wires burning trees	14
Wires broken, electric light and telephone	21

STOLEN PROPERTY

Amount reported stolen	\$841 00
Amount recovered	347 00

AUTOMOBILE SERVICE

The automobile ambulance and patrol has responded to forty-six calls for accidents and sickness to go to different hospitals in Boston, has been in constant use throughout the year and is in good condition at the present time. The number of miles run is 6,740.

The Stanley steamer owned by the Department has been in constant service throughout the year responding to emergency calls and performing general patrol work. The number of miles run is 37,981. It is not in very good condition. I would recommend exchanging it for a new one.

CRIME

During the year several houses were burglarized and considerable property stolen, mostly in the East Milton district. When we consider the size of our town and its surroundings, we wonder we have been as fortunate as we are, knowing what has happened in cities and towns adjoining us.

THE FORCE

The conduct and discipline of the Force has, in the main, been excellent, and all calls for extra service have been cheerfully complied with, and I thank them collectively and individually for their loyal co-operation.

CONCLUSION

I desire at this time to thank the Honorable Board of Selectmen for your courtesy, advice and consideration in all matters pertaining to the welfare of the Police Department. My thanks are due Judge Albert E. Avery of the District Court for valuable advice and assistance, and Lawrence W. Lyons, Clerk of the Court; to all members of the Police Department for their fidelity; and to all others who have aided this department by their co-operation.

Respectfully,

MAURICE PIERCE,
Superintendent of Police.

REPORT OF THE OVERSEERS OF THE POOR

MILTON, December 31, 1918.

To the Citizens of the Town of Milton:

The Board of Overseers of the Poor hereby presents its report for the year 1918.

The personnel of the Board has changed considerably during the year. Mr. Arthur H. Tucker, who had been Chairman of the Board since its organization as a separate Board distinct from the Selectmen in March 1904, declined a re-election as Overseer at the expiration of his term of office in March, 1918, and at the same time, Mr. Walter D. Brooks, who had been an Overseer since 1911, and Secretary since 1913, resigned from the Board. Thus, at the same time, the Board of Overseers lost its two officers, men who had rendered continued and efficient service to the town and to its poor.

Mr. Horace N. Plummer's term of office having expired, he was re-elected at the town meeting in March for the full term of three years. Mr. Homer W. LeSourd was elected for three years to succeed Mr. Tucker, and Mr. Frederick Chase was elected for two years to fill the unexpired term of Mr. Brooks; Mrs. Roderick Stebbins, who had served as an Overseer by election of the Selectmen and Overseers of the Poor, at a joint meeting held upon the resignation of Mrs. Caroline B. Williams in May, 1917, was re-elected at the town meeting in March 1918, to serve for the remaining year of Mrs. Williams' term.

The Board met on March 9, 1918, immediately after the final adjournment of the town meeting, and organized by the election of Mr. Plummer as Chairman and Mr. Smith as Secretary. Mr. Albert Rounsville has continued in the

service of the Board as Agent and Mrs. Lavina H. Brackett as Visitor, and the Board has relied heavily, as heretofore, upon their exceedingly thorough and efficient assistance in administering the aid given by the Town.

Mr. and Mrs. Calvin H. Sanford continued to act as Superintendent and Matron at the Town Farm until October 1, 1918, when they removed to California. Their resignations were very reluctantly accepted, as they had served at the Town Farm long and faithfully and so efficiently that the town had reason to take pride in its Farm. It was a serious loss to have them depart and it seemed impossible to replace them. While search was being made for a new Superintendent and Matron, Mr. and Mrs. Arthur Sanford acted temporarily in those capacities. After interviewing several applicants for the positions, the Board was fortunate in obtaining Mr. and Mrs. James W. Eldridge, who had held similar positions with the Town of Weymouth. They were elected October 3rd and took charge at the Town Farm a few days later. The Board of Overseers feel that under their management the comfort and welfare of the inmates will continue to be assured. Mr. Eldridge has had large experience in farming and comes to Milton full of enthusiasm for his work; the Board hopes he may be able to manage the Farm so that it will produce a considerable portion of the food consumed there, with a consequent saving to the Town.

The appropriation of \$8,000 has proved to be sufficient for all the ordinary expenses at the Town Farm and the ordinary outside aid during the year, but late in December the Board found it necessary to request a transfer of \$435 from the contingent fund to meet hospital bills which were legally chargeable to the Town of Milton; this amount was granted by the Warrant Committee, so that the Poor Department closed the year with no claims outstanding.

For the ensuing year the Board recommends an appropriation of \$9,650, together with reimbursements and the proceeds of sales from the Town Farm. It is impossible for the Poor Department to offset the increased cost of living by curtailing its activities, as the town is by law compelled to care for its poor. The Overseers give outside aid only after full investigation as to its necessity. It usually takes the form of a specified amount of coal, groceries or milk each month, or a monthly sum for rent, although in some cases a small cash allowance is given each month for the purchase of fuel and food. Being limited in this way to the barest necessities, it is obviously wrong to cut down on the quantity as costs go up, as insufficient nourishment is apt to result in tuberculosis or other serious disease. The financial effects of the epidemic of influenza have only begun to be felt by the Poor Department; several Milton families have been left in a destitute condition and have already applied for aid, and it is feared that the number needing outside aid in 1919 may be considerably increased. In fixing upon the sum of \$9,650, therefore, as the amount needed for the department during the year 1919, the Board does so with considerable misgiving as to its sufficiency, but with the determination to make it cover the needs of the poor of the Town if it can fairly and properly be done.

Respectfully submitted,

H. M. PLUMMER, *Chairman*,
ALBERT D. SMITH, *Secretary*,
EDITH ENDICOTT STEBBINS,
H. W. LESOURD,
FREDERICK CHASE.

REPORT OF THE TRUSTEES OF THE MILTON PUBLIC LIBRARY FOR THE YEAR ENDING DECEMBER 31, 1918

MILTON, January 1, 1919.

To the Citizens of the Town of Milton:

The Trustees of the Milton Public Library have the honor to present their annual report.

The most important event of the year was the resignation of Miss Gertrude E. Forrest, which took effect October 24, 1918. Miss Forrest was appointed librarian nineteen years ago, before the present library building was erected and when the books and reading room occupied what are now the offices of the Blue Hill National Bank, Associates' Building in Milton Village.

Much of the success of the library has been due to Miss Forrest's ability and industry. She always considered first the interests of the citizens, and was continually devising ways to make the library more useful to them. It was with sincere regret that the Trustees felt obliged to accept her resignation.

The library and the branches were closed on account of the epidemic and, at the suggestion of the Milton Board of Health, from October 3 to October 20, 1918, inclusive. This was responsible for the reduction in the circulation of books for the year, but after the epidemic the normal circulation was soon restored.

Miss Carrie S. Allen, for many years the first assistant, is now the acting librarian. Her familiarity with the

library, together with her well-known abilities make her well fitted to assume the duties of the position until a permanent librarian is appointed.

REPORT OF THE ACTING LIBRARIAN

MILTON, January 1, 1919.

To the Trustees of the Milton Public Library:

I have the honor to submit the annual report for the year ending December 31, 1918.

The year has been an unusual one. For the first time since moving into the present building in June 1904, the entire Library system was closed for a period of fourteen working days, because of the epidemic of influenza in October, at the suggestion of the Board of Health. The coal situation of the early winter caused a curtailing of hours, both at the Central Library and at the Branches, and while we were fortunate in not closing entirely, as did so many other libraries, because of lack of coal, nevertheless we suffered from shortened hours. For ten weeks, from January 18 to April 1, the East Milton and Mattapan Branches were only open one night a week and the Central Library closed each night at 5 o'clock. It was consequently inevitable that a loss in circulation should follow.

The circulation for the year has been 75,743, a loss of 3,954 over 1917. The loss at Central has been 2,959; at East Milton 633; at Russell 338, but Mattapan has only lost 24 over last year.

In spite of discouraging statistics, the work at the Branches grows steadily, although each assistant in charge has reported that the longer hours of daylight in the summer materially affected the use of their respective Branches.

With greater shelving facilities and an increasing

number of new books, there is no limit to the amount of service that could be rendered to the town by these agencies.

The work with children has grown rapidly under the direction of Miss Thurston. Fifty Story Hours have been held at the Branches, with a total attendance of 1,002.

The critical situation, caused by the influenza epidemics, made it unwise to begin the Story Hours this fall, but with a hoped for return to normal conditions after the first of the year, they will be resumed.

The Literary League, a club of Mattapan girls, met once a week during the school year. During the early winter the Wagner opera stories were read and studied and when the club began its meetings in the fall, the Scottish ballads were taken up for their winter's work.

After our entry into the European War, and more especially after the American troops began to land in France, a marked change was noticed in the reading of the younger boys. Boys, who up to that time, had no thought apparently beyond the latest Altsheler, found that stern reality was more thrilling and fascinating than any made up yarn. The personal narrative type of book, stories of trench life, books about fighting in the air, became so popular, that many titles had to be duplicated and shelved in the Children's Room.

As has been the custom for the last four years, instruction has been given to the ninth grade of the High School, in the use of the Library. The majority of reference work done at the Library is with the pupils of the High School and Milton Academy. It is to be regretted that the adult public makes so little use of the abundant reference material at hand. The Central Library, the Mattapan and East Milton Branches, all have telephone connections, and the assistants are eager and willing to answer questions at any time.

A beginning has been made towards work with Milton's foreign speaking people. The Massachusetts Free Public Library Commission lent us an Italian Library of 22 volumes, a Finnish Library of 7 volumes, and the Women's Education Association lent a Swedish Library of 40 volumes. From these three libraries, 63 volumes were circulated; not a bad record for our comparatively small and changing foreign population.

The Trustees decided, early in the fall, not to open the Library on Sunday afternoons during the present season, as a measure of coal conservation. With that situation improving every day, there would seem to be no reason why we should not go back to our regular Sunday hours after the first of the year.

Some necessary equipment has been added during the year. Shelves have been placed in the lower vault and the East Exhibition Room has been fitted out with shelving on all four walls. The walls of Russell Reading have been painted and the ceiling whitewashed, thus adding much to the general attractiveness of the room.

As in the case of all previous calls upon Milton's generosity, when the call came for books for the soldiers and sailors, the response was instantaneous. During the intensive book campaign in March, 3,099 books and magazines were brought to the Library, and during the whole year, 6,135 volumes have been sent to Headquarters for final distribution overseas and to the various camps and training stations.

The Library is greatly indebted to Robert Saltonstall, Esq., Arthur H. Tucker, Esq., Mrs. Roger Pierce, and Miss Mary E. Batchelder for the use of their motors in transporting the books to the Overseas Dispatch Office in Cambridge.

The exhibits for the year have been as follows: January 3 to February 11, Library Exhibit of the U. S. Food Ad-

ministration, attendance 910; February 15 to April 1, Paintings and Drawings by Mrs. Stanley Cunningham, with an attendance of 263; June 24 to September 28, Examples of Art Work by pupils of the Public Schools, arranged by Miss Ruth Kingman, Supervisor of Drawing, attendance 128; November 20 to December 31, Original Drawings by Milo Winter; with an attendance of 106. This last exhibit furnished Miss Kingman an opportunity of giving a practical lesson in the art of book illustration. She brought a class of seventeen High School pupils to the Art Room and there gave a lesson, using the drawings to illustrate her points.

Four lectures were held on Sunday afternoons during January, in connection with the Food Exhibit. They were given by the following men: Professor Thomas N. Carver of Harvard University on "War Thrift"; Professor W. D. Clark, Professor of Forestry at Amherst Agricultural College, on "Local Wood Lots"; Mr. Warren Baker of Plymouth County Agricultural School on "Community Hog Raising" and Mr. Carey W. Carrick of Norfolk County Agricultural School on "Back Yard Poultry Flocks."

Other important lectures and meetings have been held in the Historical Room during the year. On February 11, Mrs. Hughes from the Library Bread Shop gave a practical demonstration on "Bread Making"; on February 10 and for four successive Sundays, Garden Talks, under the auspices of the Home Garden Committee of the Education Society, were given by Mr. Andrew N. Schwab, of the Norfolk County Agricultural School; on January 15 the Woman's Alliance of the First Congregational Parish held a meeting in the Historical Room; Mrs. James Lawrence and Mrs. Malcolm Donald arranged a meeting in March, at which Mrs. Burnett-Smith of England spoke on the Food Problem; the Historical Society and the

Social Service League have both used the Library for their annual meetings; during April, Mrs. Edward Holton James gave two dramatic readings; the Woman's Club finished in January a course in Dietetics, begun in 1917; the Worker's Club has had its regular meetings and at present the Committee on Household Economics of the Milton Woman's Club is having a course of lectures on "Fabrics." These various meetings and gatherings have brought to the Library during the course of the year, 1,221 people.

A bronze incense burner, which was designed for a Japanese temple, and given to the Library by Mrs. Sidney Clementson, has been the conspicuous gift of the year. This has been placed in the entrance vestibule.

The Milton Collection has been increased by gifts from Edmund James Carpenter, Esq., George A. Morison, Esq., Horace E. Ware, Esq., the Milton Historical Society, Mr. and Mrs. William B. Stearns, Mrs. Mary Wilder Tileston, Frederick Hay Osgood, Esq., Henry Stoddard Ruggles, Esq., and the estate of Miss Mary Rivers.

Miscellaneous volumes, pamphlets, photographs and music have been given by the following: Mrs. Stanley Cunningham, Miss Catherine W. Faucon, Mrs. George Wigglesworth, Nathaniel T. Kidder, Esq., Pennsylvania Academy of Fine Arts, the Japan Society, Mrs. J. Sewell Reed, George M. Jack, Esq., Columbine Book Club, Children's Museum of Boston, Mrs. Samuel Johnson, Mrs. Horatio A. Lamb, Edwin Swift Balch and Eugenia M. Balch, Mr. and Mrs. H. Clifford Gallagher and Edward W. Forbes, Esq.

On September 1, Miss Minnie E. Burke resigned after one year of service. On the same date Miss Aimee F. Draper resigned. After four years of service, her going was a distinct loss to the Library.

Miss Elizabeth Thurston left the service on November 18, to go to France as a Red Cross worker. Under her efficient supervision, the work of the Children's Room steadily increased and reached a high standard of attainment.

One of the vacancies was filled by Miss Jane W. Kennedy, and on October 1, Miss Josephine P. Little once more became a member of the staff.

On October 24, Miss Gertrude E. Forrest resigned, because of ill health, after nearly nineteen years of service. The loss to the town, caused by Miss Forrest's resignation, cannot be measured by words. By her untiring effort, her enthusiastic interest and service, the Library reached its present high standard of efficiency and usefulness.

Respectfully submitted,

CARRIE S. ALLEN,
Acting Librarian.

REPORT OF THE SEALER OF WEIGHTS AND MEASURES

MILTON, February 3, 1919.

To the Honorable Board of Selectmen:

GENTLEMEN:—I herewith submit my report as Sealer of Weights and Measures for the year ending December 31, 1918.

Number of Scales weights and measures sealed	703
Number condemned	4
Total	707
Number of Scales found incorrect and adjusted	12

I have made inspections at various times throughout the year at the stores and places of business and find they are complying with the law.

Respectfully submitted,

JAMES SANGSTER,

Sealer of Weights and Measures.

REPORT OF SEWER COMMISSIONERS

MILTON, January 1, 1919.

The Board of Sewer Commissioners makes the following report of operations of the Sewer Department during the year ending December 31, 1918.

General			
Population by census of 1915			8,600
Estimated length of streets of Town (miles)			50
Percentage of length provided with sewers			33.9%
Method of disposal		Metropolitan system	
	Collection Mains	For Sewage	For Sewage & Surface Water
Lineal feet pipe (measured)		89,525.24	700 (storm overflow)
Lineal feet extended during year		None	
Number of inverted siphons		1	
Number of manholes		388	
Number of storm overflows		1	
Number of emergency overflows		1	
Number of automatic pumping stations		1	
House Connections			
Number made during year		13	
Number of stoppages coming to notice of department		5	
Discharge of Sewer			
Estimated population using sewer system		5,290	
Number of buildings connected		963	
Financial			
Total cost of collection mains to December 31, 1918			\$193,688 01
Bonded debt at date			20,000 00
Average rate of interest on bonds			4.17%

For details of sewer construction and maintenance account, reference is made to the Financial Report compiled by the Auditors as shown elsewhere.

Respectfully submitted,

WARLAND WIGHT,

JAMES S. GALLAGHER,

Board of Sewer Commissioners.

REPORT OF THE SUPERINTENDENT OF STREETS

MILTON, January 20, 1919.

To the Honorable Board of Selectmen:

GENTLEMEN:—I herewith submit the annual report of the Street Department, for the year 1918.

On account of the reduced appropriations voted by the Town at the annual meeting, and the unusual conditions caused by the war, it was necessary to adjust the work of the department, to meet these conditions.

Road materials were hard to obtain, and had greatly increased in price, in some instances, more than 100 per cent.

The use of road oils, asphalt and tar binders for construction work, was restricted and regulated by the Federal Government during the entire season. The great demand for crushed stone by the Government, the scarcity of labor available for quarrying the same, made it impossible at times to obtain any of this material.

Many of the younger men employed in our own Town, attracted by the higher wages paid in other lines of work, gradually left the department. However, we were able to carry on all the work laid out for the season.

The Permanent Construction work, consisted chiefly in finishing work outlined during the previous year, completing unfinished work and of building short sections of road in different parts of the Town.

WHARF STREET

The upper part of this street, comprising an area of 410 square yards, was rebuilt with granite block pavement,

laid on a concrete base. Paving pitch and pebbles were used for grouting the paving block, on account of the steep grade. This form of road construction was used on this street, on account of the heavy traffic it is subject to.

Cost of Construction

Pay Roll	\$1,056 09
Lumber	9 59
13,964 pounds of pitch	147 11
427 gallons of gasoline	107 19
20 gallons of kerosene	4 20
187 bags of cement	128 59
11,050 paving blocks	540 30
Paving 410 square yards, at \$5.167 per square yard	135 30
	<hr/> \$2,118 47

CENTRE STREET

At the annual meeting in March, it was voted to widen Centre Street on the southeasterly side, between Gun Hill Street, and Randolph Avenue, the land being given by the Milton Academy Trustees.

The new Academy building on the adjoining land was nearing completion, and it seemed to be the proper time to widen this street to the new line.

This work necessitated the building of 575 square yards of road surface, 415 square yards of sidewalk, rebuilding one catch basin, laying 18 lineal feet of curbing, 5 square yards of paving blocks.

Cost of Construction

Pay Roll	\$752 57
1,200 gallons of Tarvia	180 00
128-505 tons of stone	182 59
1,500 brick	25 50
6 bags of cement	4 13
4,050 pounds of coal	20 23
183 gallons of gasoline	45 75
	<hr/> \$1,210 77

Cost per square yard, roadway, \$1.60.

Cost per square yard, sidewalk, \$.70

ELIOT STREET

The work on this street consisted mostly of finishing that part of the street from Cliff Road to Hawthorne Road where the lines of the roadway were changed. A great deal of grading was necessary on the embankments, to satisfy the owners of the adjoining property.

The sidewalk had to be rebuilt, and the approach had to be changed and graded to Cliff Road. A seal coat of Tarvis had to be applied from Central Avenue to a point 400 feet westerly from Valley Road.

Cost of Construction

Pay Roll	\$1,320 59	
2,300 gallons of Tarvia	345 00	
245 gallons of gasoline	61 70	
30 gallons of kerosene	4 20	
Lumber	4 93	
30 feet edgestones	45 00	
		<hr/>
		\$1,781 42

ADAMS STREET

That portion of Adams Street from the Railroad Bridge to the Boston line, was resurfaced. This section was worn out and it was deemed necessary to resurface with Bituminous Macadam. This work consisted of resurfacing an area of 750 square yards of roadway.

Cost of Construction

Pay Roll	\$159 76	
1,000 pounds of coal	4 63	
54-05 tons of stone	108 10	
1,600 gallons of Tarvia	240 00	
		<hr/>
		\$512 49

750 square yards. Cost per square yard, \$.683.

BRUSH HILL ROAD, NEAR PAUL'S BRIDGE

The rebuilding of that part of Brush Hill Road from Metropolitan Parkway to Milton Street, also both approaches to Paul's Bridge, being part of the work planned for the previous year, was completed.

A seal coat of Tarvia was applied to the section rebuilt the previous year, from Blue Hill Avenue to Metropolitan Parkway. The grading along the sides of this section was also completed.

The rebuilding of the street from the Parkway to Milton Street, required a great deal of work, as this section has been in very bad condition for a number of years. Drains were built and a subgrade of stone and gravel was laid, to provide drainage and suitable foundation. One section of the Street Railway tracks were removed to provide an unbroken, smooth road surface.

The area rebuilt consists of 2,287 square yards, 240 lineal feet of drains, 40 lineal feet 8 inch Akron pipe, 22 lineal feet of curbing, removal of 81 feet girder rail, removal of 1200 granite paving blocks, extending of stone culvert 20 feet, rebuilding of catch basin.

Cost of Construction

Pay Roll	\$3,729 11	
415 gallons of gasolene	360 87	
143 gallons of kerosene	22 88	
323-675 tons of stone	647 35	
169 loads of sand	117 95	
4,415 gallons of Tarvia	670 50	
6,300 pounds of iron pipe	47 25	
		\$5,595 91
Less \$1,250 00 for unfinished and contingent work		1,250 00
		<hr/> \$4,345 91

Cost per square yard, \$1.90.

BROOK ROAD

On account of the increasing automobile and motor truck travel, between Boston and the South Shore, it seemed necessary to build a new roadway on the south side of Brook Road, from White Street to Canton Avenue, a distance of approximately 2,000 feet. This new street will be built on land taken by the Town some twenty years

ago. It will parallel the existing roadway and there will be a grass plot about 20 feet wide between the two roadways. A large amount of grading was required to provide a proper foundation for this roadway. The material excavated consisting mostly of clay, was used to grade the reserved space in the center, also the low land on the south side of the street. Stone and gravel were used for filling to build this foundation up to subgrade. After provision has been made for drainage, the bituminous surface can be laid and this work can be done early next season.

Cost of Construction

Pay Roll	\$4,194 65	
4,050 pounds of coal	20 23	
	<hr/>	\$4,214 88

CENTRAL AVENUE

The roadway on the easterly side of Central Avenue, from School Street to Brook Hill Road was resurfaced. This short section connected the finished part of Central Avenue, south of School Street, with the new roadway on the easterly side of Eliot Street. As this work was done late in the season, the weather being cold and unsuitable for this kind of work, it may be necessary to do more rolling in the early spring.

The area of this work was 1,250 square yards.

Cost of Construction

Pay Roll	\$288 76	
1,200 gallons of Tarvia	180 00	
105 tons of stone	210 00	
	<hr/>	\$678 76

Cost per square yard, \$.543.

MISCELLANEOUS PERMANENT CONSTRUCTION CHARGES

One-half cost Ford runabout	\$300 00	
Part cost upkeep trucks, carts, etc.	251 14	
Pay Roll, sundry repairs and expenses	835 00	
	<hr/>	\$1,386 14

A transfer of \$2,500 was made from the Permanent construction account to the General maintenance account, so that urgent work could be done. This work was more in the nature of maintenance than Permanent construction so it seemed better to make the transfer for this purpose.

PERMANENT CONSTRUCTION

Appropriation . . .	\$20,000 00	Expenditures . . .	\$17,498 84
Less transfer to general maintenance . . .	2,500 00	Balance revert . . .	1 16
	<u>\$17,500 00</u>		<u>\$17,500 00</u>

GENERAL MAINTENANCE

The general maintenance and repairs of streets, sidewalks and drains, also the upkeep of all road machinery, appliances and tools, are the chief items of this account.

I will only make brief reference to some of the larger expenditures, as follows:

The Oakland Touring Car, that had been used by the Department, was sold, and a new Ford Runabout was purchased and found to be much more satisfactory and economical.

Automobile Expense

Oakland car			
691 gallons of gasoline		\$172 75	
Repairs		76 21	
Supplies		5 49	
3 33 x 4 tires, tubes and labor		101 48	
75-51 gallons of oil		44 63	
		<u></u>	\$400 56
Ford runabout			
One-half cost		\$322 85	
Supplies		20 15	
Repairs		33 50	
License		10 00	
102 gallons of gasoline		26 00	
		<u></u>	412 50
Total			<u>\$813 06</u>

The two motor trucks were used entirely for trucking; no hired trucks being used during the season. These trucks have been very satisfactory, and have done a great deal of work.

Both trucks will have to be overhauled and repaired before another season.

Truck Expense

Locomobile

Pay Roll, repairs by own man	\$94 13	
Locomobile Co., repairs	67 00	
Supplies	35	
25-22 gallons of oil	11 35	
1,213 gallons of gasolene	304 67	
		<hr/>
		\$477 50

Autocar

Pay Roll, repairs by own man	\$56 05	
Autocar Co., repairs by company	97 16	
2 tires, 34 x 5	119 27	
Supplies	12 25	
1,060 gallons of gasolene	240 80	
25-22 gallons of oil	11 35	
		<hr/>
		\$536 88

Total	\$1,014 30
-----------------	------------

STEAM ROLLERS

The steam rollers used by the Department are in good condition, having been kept in good repair during the season and carefully housed for the winter.

Expenses

Pay Roll, repairs by own men	\$162 50	
Repairs, Buffalo Steam Roller Co.	10 04	
New fittings, Buffalo Steam Roller Co.	442 54	
Wood	40 00	
40½ gallons of oil	22 06	
		<hr/>
		\$677 14

HORSES, WAGONS, ETC.

The horses owned by the Department are in good condition being the same as of the preceding year. The carts, wagons and machinery used, have been repaired and painted and are in fair condition.

The stable and sheds have received only necessary repairs. These buildings need painting badly and this should be done as soon as possible.

Expenses, Plant and Stable

Pay Roll	\$1,625 63	
Pay Roll, repairs	176 65	
Shoeing	180 45	
Grain, hay, feed, etc.	1,720 46	
Water	30 26	
Miscellaneous supplies	5 36	
Light	22 40	
Repairs, supplies, etc.	119 35	
		<hr/>
		\$3,880 56

Cart and Wagon Repairs

Pay Roll, repairs	\$125 00	
Lumber and mill work	10 55	
Blacksmithing (outside work)	123 75	
Painting (outside work)	50 00	
		<hr/>
		\$309 30

FENCES, STREET SIGNS, ETC.

Owing to the high price of lumber, very little fence building or repairing was done during the season. New street signs were erected and old signs were repaired and painted where necessary.

Signs and Bulletin Boards

Pay Roll	\$137 65	
Lumber and mill work	35 69	
Lettering signs	36 70	
		<hr/>
		\$210 04

Walls and Fences

Pay Roll, repairs, old lumber used	\$197 86	
Lumber, new	95	
		<hr/>
		\$198 81

TAR PATCHING

The patching of streets with hot tar, applied with fine crushed stone and sand, was not carried on as extensively as in other years.

The cold patching method was substituted, proving to be more satisfactory and less expensive. This material is mixed in the Town yard, and can be applied easily and quickly.

	<i>Expense</i>	
Pay Roll		
Regular men	\$1,827 95	
Outside teams	246 25	
260-662 tons of stone	415 53	
5,407 gallons of patching material	954 83	
		<u>\$3,444 56</u>

STREET CLEANING

Particular attention was given to the cleaning of streets and gutters, as I believe this work is in line with progressive and efficient street maintenance.

	<i>Expense</i>	
Pay Roll		
Section men	\$1,872 00

		<u>\$4,180 52</u>

NEW SCALES

Both approaches to the new scales were built of Tar Macadam, and the necessary grading was completed. These scales are now ready for use.

	<i>Expense</i>	
Pay Roll		
Regular men	\$158 75	
Outside teams	35 00	
Miscellaneous	1 20	
433 gallons of Tarvia X	73 61	
		<u>\$268 56</u>

SURFACE DRAINAGE

In the last annual report, special reference was made to the surface drainage system throughout the Town.

Some of these drains were laid in a great many years ago, and have been extended at different times. Other drains have been laid as the streets have been rebuilt, and abutting property improved, so at the present time, this system comprises many miles of drain.

There are approximately 500 catch basins and man holes connected with these drains. A great deal of work and supervision is necessary to keep these drains in good working order. At the present time they are in good working order, and with reasonable care and supervision, will continue to do the work required of them.

Expenses, Catch Basins, General Repairs and Cleaning

	\$33,729 81		\$33,729 81

SIDEWALK CONSTRUCTION

The appropriations for sidewalk construction, was expended mostly for Granolithic walks.

These walks were laid on both sides of Belvoir Road, from Blue Hills Parkway to Blue Hill Avenue, also on the northerly side of Houston Avenue, from Blue Hills Parkway 750 feet easterly.

The work on the foundations, and the grading after the concrete walks had been laid, was done by the regularly employed men of the Department. The concrete walks were laid by contract, after competitive bidding for the same.

Cost of Construction and General Work

Pay Roll, general work on Town sidewalks	\$199 19		
99-550 tons of stone dust	154 53

		Balance revert	4 14
	\$2,500 00		\$2,500 00

STREET OILING AND WATERING

On account of the restrictions of the Federal Government, it was very hard to obtain oil of good quality, for dust laying or road maintenance.

The cost of oil increased approximately 100 per cent as did also the cost of Tar products used for this kind of work. We were able, nevertheless, to treat most of the streets, and but very few complaints were received.

Following is a summary of the amount of Oil and Tar purchased, and where used (see list of streets on separate sheet).

Water and Oil Account

Pay Roll, sand		\$611 15	
14,517 gallons of Tarvia		2,188 14	
30,342 gallons of road oil		4,679 00

STATISTICS OF ROAD CONSTRUCTION AND MAINTENANCE FOR
1915, 1916, 1917 AND 1918

Main thoroughfares in Town, 27.0588 miles.

Permanent Construction

Built		Cost
1915	5.0241 miles	\$ 65,724 76
1916	3.0575 miles	50,000 00
1917	2.0647 miles	37,140 50
1918	1.0190 miles	18,500 00
		<hr/> \$171,365 26

Total number of miles, 12.0653.

Miles of road to be rebuilt, 14.0935.

CONCLUSION

In concluding this report, I wish to call your attention that a great amount of resurfacing and reconstruction work still remains to be done. Progress in this work will be very slow, unless larger appropriations are made. The appropriations for the past year, were of approximately the same amount as of years ago, while the cost of work has increased more than 100 per cent.

I would recommend that larger appropriations be made, so that the resurfacing and rebuilding of streets can be carried on in a systematic way each year.

I wish to extend to your Honorable Board, my sincere thanks for your co-operation, also to the citizens of the Town, my appreciation for the courtesies extended to me,

Respectfully submitted,

EDWARD A. McCUE,

Superintendent of Streets.

REPORT OF THE WATER COMMISSIONERS

MILTON, February 4, 1919.

To the Citizens of the Town of Milton:

The Board of Water Commissioners respectfully submit the following report for the year 1918:

At the Annual Meeting in March the Town appropriated money for the use of the Department as follows:

For extensions of mains	\$1,500
For hydrant rental	9,000
For extra expenses on account of severe freeze	3,500

CONSTRUCTION

As announced by the Board at the beginning of 1918, the policy established by the Water Department not to approve any expenditures for the extension of mains in private and public ways except for purposes absolutely necessary to public welfare was adhered to throughout the year. The only construction work done was the installation of a connection between the high and low water mains on Brush Hill Road. An 8-inch by-pass with a system of gates and pressure gauges was put in to make it possible to turn water from the high into the low service pipes and vice versa. This connection is of an emergency nature and one that has been needed for some time. It was installed at an expense of \$611.55. In normal times new construction has run from \$7,000 to \$10,000 a year.

The winter of 1917-1918 in all respects was the most disastrous in the history of the Department as to the freezing of mains and services. In all, 150 feet of 6-inch main were frozen, 120 services—representing 6 per cent of the total service connections—called for emergency work,

150 meters, or 7.6 per cent, were repaired and 16 hydrants were put out of commission on account of the severe cold. Water consumption for the first six months of 1918 ran considerably above [normal for [two reasons—first, consumers were requested to run a faucet to prevent freezing and, second, various breaks in the system occurred. It was not until July that all leaks in the system had been located.

During the year 28 new services were installed. At the present time the number of active services is 2,055. There are 440 hydrants in use, 30 of which are private.

MOTOR CARS

The Department began the year with four motors, an Autocar, two Ford trucks and a Ford runabout. This equipment was found to be insufficient when emergency work was running at its height in the winter and a light truck was temporarily hired from the Moth Department. During the year the Autocar has been thoroughly overhauled and so has one of the Ford trucks. In December a Ford was sold and two new Fords were purchased. The motor equipment now stands as follows:

- 1 Autocar
- 3 Ford trucks
- 1 Ford runabout

WAGES

In April the Town Employees' Union filed a request with the Commissioners for the following:

- 1 Saturday half-holiday the year around.
- 2 Preference of Union men when employed.
- 3 Pay for all holidays.
- 4 Increase of 25 cents per day for laborers.

The Water Commissioners held a meeting of all the employees of the Department on April 17th. These

demands were frankly discussed by the Commissioners and by the men and none of them were granted. Later in the year wage conditions became more acute and on August 2d the Commissioners voluntarily granted an increase of wage of 10 per cent to the permanent employees of the Department effective as of July 1st. The following notice was given with the increase:

The Water Commissioners wish it to be understood that the increase of 10 per cent hereby granted to the employees of the Water Department should be considered in the nature of a bonus in recognition of the high cost of living occasioned by the present extraordinary conditions arising from the war and not as an established rate of wage to be continued necessarily during the period of readjustment after the war.

Appropriations asked for the ensuing year are as follows:

For extension of mains	\$2,500
For hydrant rental	9,000

Mr. Marcy L. Sperry was elected Water Commissioner at the Annual Meeting in March to fill the vacancy occurring by the expiration of the term of Lieutenant Howard C. Leslie.

We believe the citizens of the Town will be interested in the tables of cost of motor operation and other statistics appended hereto.

For details of receipts and expenditures for 1918 reference is made to the financial report compiled by the Auditors, shown elsewhere.

Respectfully submitted,

T. T. WHITNEY, JR.,

E. E. FORD,

MARCY L. SPERRY,

Water Commissioners.

REPORT OF THE SUPERINTENDENT

MILTON, MASS., January 1, 1919.

To the Honorable Board of Water Commissioners:

GENTLEMEN:—I have the honor of submitting to you the following statistics pertaining to the operation of the Water Department.

STATISTICS RELATING TO THE CONSUMPTION OF WATER

Population of Milton	8,914
Number of families (5 in family)	1,783
Percentage of population supplied (approximately)	98%
Number of consumers	2,055
Total consumption for 1918:	
By Adams Street venturi	137,780,000 gallons
By Metropolitan Avenue meters	20,821,000 gallons
<hr/>	
Total	158,601,000 gallons
Registered by house meters	112,642,000 gallons
<hr/>	
Water unaccounted for	45,959,000 gallons
Percentage of water unaccounted for	29%
Average daily consumption, gallons	434,500
Gallons daily to each inhabitant	48
Gallons daily to each family	244
Gallons daily to each tap	211
Cost of water, 1918, for 158,601,000 gallons	\$12,430.09
Cost per 1,000 gallons079
Cost per 100 cubic feet0586

STATISTICS RELATING TO DISTRIBUTION SERVICE

Mains

Kind of pipe—cast iron.	
Sizes—2 to 16 inches.	
Extended 24 feet during 1918.	
None discontinued.	
Total now in use—279,835 feet—52.9991 miles.	
Length of pipes under 4 inches—5,344 feet—1.0121 miles.	
Number of hydrants added during 1918:	
Public	1
Private	0
<hr/>	
Total	1
Number of hydrants now in use:	
Public	410
Private	30
<hr/>	
Total	440

Number of stop-gates added during 1918—5.
 Number of stop-gates now in use—716.
 Number of stop-gates smaller than 4 inches—19.
 Number of blow-offs—16.
 Range of pressure on mains—30 to 133 pounds.

SERVICES

Kinds of pipe—brass, cast iron, cement-lined, enameled, galvanized, lead, plain iron, tarred iron, tin-lined lead.
 Sizes— $\frac{5}{8}$ inches to 6 inches.
 Extended—1,760 feet during 1918.
 Discontinued—329 feet.
 Total now in use—216,052 feet—40.9190 miles.
 Average length of service—105 feet.
 Number of services added in 1918—28.
 Returned to service—1.
 Number of services discontinued—4.
 Number of services in use—2,055.

Number and Sizes of Services

$\frac{5}{8}$ inch—	1002
$\frac{3}{4}$ inch—	153
1 inch—	636
$1\frac{1}{4}$ inch—	71
$1\frac{1}{2}$ inch—	15
2 inch—	157
3 inch—	4
4 inch—	7
6 inch—	10

CONCLUSION

Original cost of works:

Amount paid to Milton Water Co. . . .	\$199,608 35
Bonds of Milton Water Co. paid off . . .	120,546 67
Total	\$320,155 02
Town funds expended on plant to Dec. 31, 1918	345,762 93
Total bond issue	312,000 00
Bonds paid off	172,000 00
Bonded debt, Dec. 31, 1918	140,000 00
Per capita debt	15 71
Rate of interest (payable semi-annually)	3 $\frac{1}{2}$ %
Date of maturity—August 1, 1932.	

Respectfully submitted,

D. A. HEFFERNAN,
Superintendent.

REPORT OF THE ART COMMISSIONERS

MILTON, January 30, 1919.

To the Selectmen of the Town of Milton:

GENTLEMEN:—The Art Commission of the Town of Milton begs to report as follows for the year 1918.

The Commission has passed upon and approved the Honor Roll Tablet which has been erected on the Town Hall.

This has been the only matter that has been brought to the attention of the Commission during the past year.

Yours respectfully,

GEORGE F. SHEPARD,
Chairman.

CHAS. E. ROGERSON,
Treasurer.

REPORT OF H. CLIFFORD GALLAGHER, GEORGE WIGGLESWORTH AND LINCOLN BRYANT, TRUSTEES OF THE WADS- WORTH FUND

MILTON, January 1, 1919

We have maintained the investments received from the Town Treasurer with the exception of the exchange of \$17,000 4 per cent Liberty Bonds into \$17,000, 4 $\frac{1}{4}$ per cent Liberty Bonds. We have invested the income of the fund in different issues of Liberty Bonds as appears below.

Our account is as follows:

H. CLIFFORD GALLAGHER, GEORGE WIGGLESWORTH AND LINCOLN BRYANT, TRUSTEES OF THE WADSWORTH FUND IN ACCOUNT WITH THE TOWN OF MILTON

FUNDS HELD BY THE TOWN

PERPETUAL CARE FUND

Amount held December 31, 1918 \$39,529 56

This fund is held by the Town Treasurer in accordance with Chapter 82, Sections 15-18, of the Public Statutes, interest at the rate of 6 per cent per annum being allowed on it and paid over to the Trustees of the Cemetery.

JASON REED CEMETERY FUND

Amount held December 31, 1918 \$2,626 67

The interest on this at the rate of 4 per cent per annum is paid over to the Trustees of the Cemetery.

E. T. L. REED PUBLIC PARK FUND

Amount held December 31, 1918 \$5,372 76

EXTRACT FROM THE WILL OF ELIZABETH T. L. REED

"All the rest, residue and remainder of all the moneys remaining in the hands of said Executor or Administrator, I direct shall be divided into three equal parts.

"The second of said parts shall be paid to and deposited with the Treasurer for the time being of said Town of Milton, the same to be received, held and invested by said town as a fund to be known as the 'Jason Reed Fund,' and the income thereof shall be applied to the preservation, care, improvement, or embellishment of the said Milton Cemetery.

"And the third of said parts shall be paid to said Town of Milton, and the same shall be applied by the proper legal authorities to or towards laying out, improvement or ornamentation of a Public Park or Parks in said town, in such manner as said authorities may deem advisable.

"I make the foregoing bequests in favor of First Parish, the Cemetery and the Parks in said Milton, both on account of the deep interest taken by my father, the late Jason Reed, deceased, in the affairs of said town, and of my own profound desire for the welfare of said town and of the citizens thereof."

MARY L. PEABODY FUND

Amount held December 31, 1918 \$5,000 00

The clause under which this bequest is given reads as follows: "To the Selectmen of the Town of Milton, Massachusetts, \$5,000, to be invested and the income thereof to be distributed annually to the poor at Christmas."

REPORT
OF THE
SCHOOL COMMITTEE

REPORT OF THE SCHOOL COMMITTEE

To the Citizens of the Town of Milton:

The School Committee submits herewith its report for the year ending December 31, 1918.

THE NEW HIGH SCHOOL BUILDING

The new High School building at the time of the last report was unfinished. The physical and chemical laboratories and certain class rooms were first used in January, the lunch room a little later, the assembly hall in May. Many things included in the original plans have not been supplied as the Building Committee has no more money. Some of these are here mentioned.

Unfinished recesses in the walls of many rooms, showing rough brick, are intended to provide storage cases adapted to the needs of the various departments. The lack of such cases and shelving in which to keep supplies in the rooms devoted to drawing, manual training, sewing, cooking, and printing, causes waste as the stock cannot be adequately protected against dust and dirt.

One hundred and fifty electric light fixtures are lacking. No instruments have been installed on the inter-room telephone system, although the wiring is complete. Owing to the size of the building with its large floor area these instruments should be installed at once.

The biological laboratory has no fixtures or equipment.

These things should be supplied and made ready for use before another school year begins.

Contractors' bids have been obtained for the larger items. These and careful estimates for the other items show the probable cost of supplying these vital needs to be \$10,000.

Your Committee recommends that a special appropriation of \$10,000 be made for installing in the High School necessary furnishings and equipment, included in original plans but not provided by the Building Committee for lack of funds.

ELEMENTARY SCHOOL BUILDINGS

Your Committee would again emphasize the fact that the new High School building is the only modern school plant in the Town.

The Vose School building, although of brick, is so arranged that it cannot be heated or administered with economy. During the last year the assembly hall and laboratories, used by the High School until its transfer to the new building, have been closed, thus making a saving in the cost of heating without loss of efficiency to the school now housed in the building.

The work of fire-proofing coal pockets in which bituminous coal is stored has been finished.

In general the school buildings have been put in much better shape than at the time of the last report. The floors which were then in bad condition have been treated with oil and thereby much improved.

It was planned to reshingle the Tucker School roof, which had developed several leaks, but the cost went up to such an extent that reshingling did not seem advisable. Your Committee has, therefore, turned back into the Town treasury the amount included in the budget for this work, and hopes that less costly repairs will prove sufficient temporarily.

The other repairs upon school buildings have been such as have to be made every year to keep the buildings in good shape.

No work upon school grounds has been done for a number of years, and many schools now need some outside

work in order that they may show a reasonable degree of neatness.

TOWN USE OF SCHOOL BUILDINGS

The lack of fuel during the past winter made it impossible to open the school buildings for municipal purposes, and therefore the entire appropriation made last year has been turned back into the Town treasury. Your Committee believes that the cost of such use should be kept separate from ordinary school maintenance and recommends that there be made for this purpose the same appropriation as last year, namely—\$1,500 and receipts.

The Milton Chapter of the American Red Cross used the main floor of the Thacher School as headquarters until winter set in and a transfer to the Milton Club was made. The Garden and Canning Committees of the Milton Public Safety Committee used the basement and the loft. This building, which has not been used for school purposes since June, 1917, has thus contributed materially to the war work of the Town.

The Milton Canning Committee used the kitchen and the lunch room of the High School from June 24 to September 11, 1918. That the plant proved well adapted to their needs is shown by the fact that in fifty-six working days their total output of canned produce was 12,537 quarts.

The expenses of these uses of school property were paid by the respective organizations.

SCHOOL LUNCHES

Last year the statute which authorized the Town to provide for school lunches was accepted. With the support thus assured it was deemed advisable to extend the lunch service to the Vose School. Ordinarily the proceeds

of lunches sold barely cover the cost. During the influenza epidemic in October while the schools were closed the pay-roll of this department continued and to meet it a portion of the appropriation granted last year was expended. More than half, however, is being turned back.

Your Committee recommends that the same sum as last year, namely,—\$200 and receipts, be appropriated for school lunches.

TRANSPORTATION

Further changes in transportation of school children have been made. An examination of the situation in the Houghton district made in September indicated that barge transportation to the car line was unnecessary this year. The longest distance any pupil has to walk from his home to the car line does not exceed a mile and a quarter and the majority have to walk a much shorter distance.

SCHOOL HOUSING

The general question of school housing is necessarily bound up with two of the questions which have been discussed in this report, namely,—repairs, so far as they are permanent or semi-permanent, and transportation. The population of the town is growing and shifting. The most rapid growth is in Mattapan in the Tucker School district, that school being filled to its capacity. Temporary relief has been obtained by transferring some of the pupils to the Vose School, but at the present rate of growth the Tucker School building will become entirely inadequate within a comparatively short time.

The attendance at the Glover School on School Street is rapidly falling off, due to the establishment of the parochial school of St. Gregory's Church and to the fact that many living in the vicinity send their children to the

private school on Randolph Avenue, or to the lower school of the Milton Academy.

The increasing and shifting school population raises problems of school housing which your Committee is carefully considering.

GENERAL POLICY

Much has been done during the last year to remedy defects in the school system. Much constructive work still remains to be done. All those interested in the welfare of the public schools should read carefully that portion of the Superintendent's report dealing with revised courses of study, the adoption of a uniform time allotment for each subject, the revised salary schedule, the provision for a Sabbatical year for teachers, and the housing of our teaching force.

FINANCES

The amount of money necessary for maintenance of schools this year has been large. The increase over former years has been due:

1. To bills carried over from 1917 amounting to \$2,576.34.
2. To a general increase in salaries taking effect in September.
3. To higher prices paid for books and supplies.
4. To additional janitor service, light, power, water and fuel for the new High School building.
5. To the severe winter of 1918, making necessary an unusual supply of coal costing an unprecedentedly high price per ton.
6. To the payment of salaries of directors of physical training formerly paid by the Park Department, but which are properly changeable to the School Department.

Notwithstanding these unusual expenses, out of its appropriation of \$114,000, your Committee is turning back to the town \$10,387.55. This unexpended balance has been made possible by warranted economies of administration, by a change in time of payment of teachers' salaries, which carries forward to January 10, 1919, an item of \$3,500, and by postponement of repairs upon the Tucker School building which were estimated to cost \$3,500.

The estimate of the cost of maintaining the schools during 1919 is \$120,600. Practically the whole of this increase is for text books and salaries. Of the increase in salaries the larger part is to continue the salaries at the rate to which they have been increased since September, 1918. The balance of the increase is to provide for such further advance in salaries as may in the judgment of your Committee be necessary in order to retain an effective working force in competition with other Towns and Cities which are urgently seeking such workers as Milton demands.

GIFTS TO THE SCHOOLS

The Committee desires gratefully to acknowledge the following gifts, which have been made to the schools during the year.

HIGH SCHOOL:

Thirty-two dollars to be devoted to prizes for the promotion of good citizenship—Class of 1918.

One Flag—Women's Relief Corps.

Two Shields—Milton High School Athletic Association.

Ten Flags—Daughters of Veterans.

Service Flag—Milton High School Girls' League.

Books—Milton Public Library.

Collection of Minerals—Mrs. Henry Vose.

BELCHER SCHOOL:

Three dollars and sixty-five cents to be devoted to Red Cross membership fees—Class of 1918.

TUCKER SCHOOL:

Victrola Records—Class of 1918.

VOSE SCHOOL:

Drawings and Water Color Sketches—Miss Catherine W. Faucon.

RECOMMENDATION

Your Committee has made careful estimates of the cost of maintaining the schools—including transportation, medical inspection, school nurse and physical training—for the year 1919 and recommends for that purpose an appropriation of \$120,600, together with the receipts of the Department.

Respectfully submitted,

DR. HARRIS KENNEDY, *Chairman*,
CHARLES M. ROGERSON, *Secretary*,
STEPHEN C. MITCHELL,
EVA B. T. CHURCHILL,
A. F. ELLSWORTH.

Rev. H. Boyd Edwards in the Military Service in France.

ANNUAL REPORT
OF
SUPERINTENDENT
OF
SCHOOLS

REPORT OF THE SUPERINTENDENT

To the School Committee of Milton:

My second annual report is here submitted for your consideration.

The first eighteen months of my service as your Superintendent of Schools has been devoted to a study of local conditions, to the routine work of supervision and administration, to the preparation of courses of study for the elementary schools, and to the development of plans intended further to increase the effectiveness of the school system.

The first part of this report deals chiefly with teachers, courses of study, and equipment, the three prime essentials of good schools. As the greatest of these is teachers, no apology is needed for the special attention given to them and to the promotion of their welfare.

The second part of the report includes special reports from the High School Principal, the director of Physical Training, and the School Nurse; the usual statistics covering enrolment and attendance of pupils; a tabulated statement showing training, experience, and salaries of teachers; a list of members of the class graduating in June, 1918; and a schedule showing the new time allotment of subjects in the several grades.

The distractions of a world war and the necessity for making every legitimate contribution for its successful prosecution and conclusion, together with an interruption of nearly four weeks due to the influenza epidemic,

have interfered much with the regular work of the schools. Through the first, however, there has been liberal compensation for incidental losses in the elevation of ideals, and the development of a spirit of sacrifice and service which can be attained only by the meeting of some great crisis in human experience.

It is not the function of this report to make claims of progress and improvement. Class room results should soon show whether such claims can justly be made.

Frequent visitation of our schools by interested citizens is urged and constructive criticism invited.

Teachers

What does Milton expect of its public school teachers? Of course it expects that they be of sterling character, good education and adequate training, that they dress neatly and conduct themselves discreetly, that they be dignified yet sympathetic, genial yet refined. All these and many other qualifications would be included in a list made up from suggestions obtained by a canvass of public opinion.

There are other qualities not so generally recognized or demanded, but absolutely essential in the worth while teacher. Among these are joy in service, loyalty to associates, and devotion to professional ideals.

After the world's experiences in the great war the importance of morale should never again need emphasis. The teacher with whom young people are intimately associated for five hours per day, and nine or ten months in the year, during the most impressionable period of their lives, must have above all else an attitude of mind that begets joy, breeds loyalty, stimulates courage, and creates ideals.

But what should Milton give in return for the service of such teachers? It can give nothing adequate. It should

give wages that will provide for present and probable future material needs. It should make conditions for successful teaching as favorable as possible. It should make reasonable provision for maintenance and improvement of the professional standing of the teachers.

During the last year definite steps have been taken to meet these obligations. An account of these steps, and suggestions for others, are given in the discussion of the three sub-topics that immediately follow.

Salaries

Early in 1917 school officials began to realize that large increases in salaries must be made to insure the retention of competent teachers for whose service in countless other activities there were great and increasing demands.

Milton has met this situation by a revised salary rating making an average increase of about seven per cent, by a "war bonus" of \$50 per year—both going into effect in September, 1918—and by an additional bonus of \$50 per year going into effect December 30, 1918. Each of these two increases of \$50 per year was given to every teacher in Milton schools at the time such increase was granted. Though they were voted only for the school year ending July 1, 1919, it is evident that they should be continued as long as present high cost of living prevails.

The maximum yearly salary now being paid any regular teacher in the elementary schools is \$1,050, in the High School, women \$1,250, men \$1,850.

In order to successfully meet competition for the class of teachers that Milton demands, provision should be made for a further average increase of at least five per cent. This also will make possible the completion of adjustment of salaries to professional rating of teachers begun last year.

Sabbatical Year

The close of the war will make available for Milton teachers a special opportunity for increasing their educational equipment and otherwise strengthening their professional qualifications. This opportunity is offered through the provision for a Sabbatical year made by the action of your Committee taken June 3, 1918.

That a statement of the provisions of this act may be easily accessible by teachers and citizens a copy of your vote is here inserted.

“Voted that any teacher after each period of six successive years of service in the Milton Public Schools may be granted a leave of absence for one school year with half pay, provided that such leave of absence shall be spent in study, travel, or some other occupation approved by the Committee; and provided further that application for such leave of absence, accompanied by a statement of intended use of time covered by it, shall be filed with the Superintendent of Schools on or before the first day of January next, preceding the opening of the school year for which leave is sought; and provided further that no more than four applications shall be granted for any one school year. The salary allowance shall be paid in two equal payments, one in September of the year for which leave of absence is granted, and the other when the teacher shall have returned to his duties. Should he for any reason fail to resume teaching in the Milton Public Schools, this final payment may be withheld. No applications for Sabbatical year shall be granted during the present war.”

Homes for Teachers

Every child has a right to a teacher so well poised, so happy and so interested in her work as to be a constant source of joy and inspiration.

No teacher can meet these conditions who must take a hurried breakfast at 6.30 A.M., a cold lunch at 12.00 M., and a late dinner after a day in the school room and two or three hours upon present day trolley cars. Yet Milton teachers have been and are obliged to undergo such experiences daily, because Milton citizens have failed either to share homes with them or otherwise to provide suitable living conditions for those who are teaching their children and who are willing to pay well for service rendered.

No other condition, I believe, tends so strongly to lessen the effectiveness of our teachers as the lack of a sufficient number of conveniently located, home-like, available dwelling places. A few have tried co-operative house-keeping with considerable success, but they, as well as men with families, have found it difficult to rent suitable houses.

Unless local conditions become more favorable it would seem necessary for the Town to take steps to insure at least the comfortable housing of its teachers. Meanwhile, citizens who are favorably situated should, as an act of public service, provide teachers with comfortable homes during the school year.

Changes in Teaching Staff

The demands made by the world war upon the man power of the nation have been keenly felt in the schools. From her teaching force, Milton, in common with other towns and cities, has contributed to the cause both directly and indirectly. Mr. Dinsmore, Miss Read, and Miss Haines of the High School, Mr. Burlingame of the Belcher,

and Miss Graves of the Wadsworth were released for war service. Among those who resigned to take positions elsewhere were some who went to places made vacant by calls to active service. Leave of absence for one year was granted to Mrs. Emma K. Gordon on account of ill health and to Miss Lottie M. Allen because of illness in her family.

As a result of the above named causes and others incidental to the profession, it was necessary to fill sixteen teaching positions during the calendar year.

The roster of teachers given later in this report shows assignment of the new teachers and other pertinent data concerning them. By hearty co-operation with their associates and by the performance of their individual duties they are proving worthy recruits to an effective teaching staff.

Courses of Study and Time Allotment of Subjects

Preparation of courses of study for the elementary schools has been going on throughout the year. Outlines for the different subjects are prepared by special committees of three teachers each—a committee for each subject—collaborating with the Superintendent, the members of each committee being chosen because of proficiency in the subject to be considered.

There have already been published and distributed courses in Language, Arithmetic, Geography, and Physiology. The course in History is nearly ready for the printer.

These courses, prepared with the point of view expressed in my report of last year, with the exception of those in Hygiene and Nature Study present only the minimum essentials to be taught. To this extent we believe there should be complete uniformity in material studied by the respective grades in all schools.

There also should be uniformity in the time allotted to each subject in each grade. My early observations in Milton noted a wide diversity in the time devoted to given subjects in the different schools. As a result of these observations I asked the principals to report to me the number of minutes per week devoted to each subject in each grade. Some of the results of this study are indicated in the table below by showing the maximum and minimum per cent of total time given to each subject in the first five grades in any school. Data for only the first five grades is presented because these are the grades common to all the schools.

Where maximum or minimum time was given to any subject in more than one school, for economy of space only the initial of the name of the school is used: B. for Belcher, G. for Glover, H. for Houghton, T. for Tucker, S. for Sumner, V. vor Vose, W. for Wadsworth.

TABLE SHOWING SCHOOLS GIVING MAXIMUM AND MINIMUM PER CENTS OF TOTAL TIME IN MINUTES PER WEEK TO EACH SUBJECT IN THE FIRST FIVE GRADES DURING
FALL TERM OF 1917

Subject	Minimum Time		Maximum Time	
	School	Per cent	School	Per cent
Opening exercises.....	Houghton....	3	Vose & Glover	6
Reading.....	Vose.....	20	Tucker.....	30
Language.....	Wadsworth....	8	Houghton....	14
Arithmetic.....	Tucker.....	11	Houghton....	20
History.....	Vose.....	0	Glover.....	3
Geography.....	S. V. T. B....	4	G. W. H.....	5
Physiology and hygiene	Belcher.....	2	T. W.....	3
Writing.....	H. V.....	4	B. S.....	7
Drawing.....	Houghton....	4	Vose.....	8
Sewing.....	Sumner.....	5	H. V. T. B....	2
Spelling.....	Tucker.....	6	Sumner.....	10
Nature study.....	B. T. H.....	2	G. W.....	4
Music.....	T. W. S.....	7	H. V.....	10
Physical training.....	S. H. G. T. B	6	W. V.....	8

Study of the above table will show that one-half as much time was given to Opening Exercises in the Hough-

ton as in the Vose and Glover; two-thirds as much to Reading in the Vose as in the Tucker; four-sevenths as much to Language in the Wadsworth as in the Houghton; about one-half as much to Arithmetic in the Tucker as in the Houghton, and so on through the list with the most marked variation in the case of Hygiene, to which fifteen times as much attention was given in the Tucker and Wadsworth Schools as in the Belcher.

These conditions have been remedied by the adoption of a new time schedule prescribing the total school time in minutes per week to be given to each subject in each grade. That schedule, which appears later in this report, was arranged by all elementary school principals and the Superintendent working together. It has already proved valuable in simplifying the regular teachers' programs and in regulating work of special teachers.

EQUIPMENT

Text-Books

During the summer vacation text-books were given special attention. Those suitable for use were stamped, numbered, and listed. Others were sent to general supply rooms to be sold.

Next year there should be the usual replacement of worn out copies of desirable texts; a purchase of additional copies of the most satisfactory of our books in Geography and History in order that there may be uniformity of basal texts in these fundamental subjects; and an exchange of books in Arithmetic. To provide for these changes it will be necessary to double the usual appropriation for books.

Furniture and Janitors' Supplies

In many class rooms the pupils' desks have not been adapted to the children. This lack of adaptation is due, either to an excessive distance between chairs and desks,

or to the fact that both chair and desk are too large or too small for the children concerned. The work of adjustment is going on as rapidly as conditions allow.

During the summer all broken furniture was sent to manual training rooms in Vose building where it is to be repaired and thence distributed as needed. Some of this repair work provides good experience for manual training classes.

This year all school principals and janitors made and sent to the office an inventory of supplies on hand, which were considered in filling requisitions.

MISCELLANEOUS TOPICS

Special Teacher of Writing

In no other subject taught in the public schools has the faddist caused greater confusion than in writing. "Vertical," "Slant," "Medial Slant," each has had its day, and illegible writing with all slants is the result. An earnest effort is being made to correct this defect in our school training.

It is a pleasure to report that we have secured as special teacher of writing the man who has developed what seems to us the simplest, most practical, and effective method of teaching this subject that has yet been presented. He began work December 30 and will visit nearly all classes weekly.

School Physician

It is reported that Massachusetts was obliged to reject 40 per cent of her young men as unfit for soldiers.

Public school age is emphatically the time for the development of diseases and the formation of habits resulting in such unfitness.

Nowhere is application of the ounce of prevention more important or effective than in the development of disease and the formation of wrong physical habits. Such development or formation usually could and would be arrested were its existence known.

Milton has a capable school nurse, but thus far has had only a consulting physician. I urgently recommend the employment of an examining physician, who shall thoroughly examine each pupil early in the school year and at such later periods as experience shall show to be desirable.

By following to the homes the cases requiring special care or treatment the co-operation of parents usually may be obtained and the welfare of the children greatly promoted.

Parent-Teacher Associations

No existing auxiliary organization has such large possibilities for helpfulness to the schools as the Parent-Teacher Associations.

While attempts may be made at any time to use an association for personal or political ends, a clearly defined purpose well understood by the membership and the exercise of proper vigilance by loyal leaders will prevent such exploitation.

The primary purpose of these associations should be educational. Through their activities parents and teachers both may learn how better to do their respective parts in promoting the complete development of the child.

Incidentally, the activities of the association should be social and inspirational. Milton has three well organized associations from which constantly increasing usefulness may be expected.

The Tucker School Association has already formulated and in part presented an especially fitting and helpful program for the current year.

War Activities

Milton was one of the first towns in the State to enroll 100 per cent of its public school pupils as paid up members of the Junior Red Cross.

Every school has made large contributions of material and labor in preparation of articles required by the parent organization. Contributions in money from February 1 to December 31, 1918, are shown in the following table:

High School	\$165 00
Belcher School	137 50
Tucker School	173 75
Vose School	87 00
Glover School	36 25
Wadsworth School	36 34
Houghton School	15 55
Sumner School	24 04
Total	<hr/> \$675 43

In savings as well as in service our pupils have made a creditable record.

Milton was one of three towns in the whole state having 100 per cent of its pupils purchasers of Thrift Stamps during the first six months of the year. Only one of the other two had an enrolment approaching that of Milton and there the average holding per pupil was \$2.83 while in Milton it was \$4.55.

The purchase of stamps continued during the fall term. The report for the year showed 95.04 per cent of the enrolment on December 31 holding stamps with a per capita holding of \$12.81. The chief falling off in holders of stamps was in the High School and doubtless was due largely to the purchase of Liberty Bonds.

The report for the year made to the State Committee shows record of the different schools and a copy is here presented.

	Enrol- ment	Pupils buying thrift stamps	Money collected	Per capita investment
High School	444	387	\$5,063 00	\$13 08
Belcher School	233	227	3,350 99	14 76
Tucker School	356	356	5,100 19	14 32
Vose School	187	187	2,235 75	11 95
Glover School	68	68	621 00	9 13
Wadsworth School	72	72	538 75	7 48
Houghton School	29	29	239 00	8 24
Sumner School	43	35	292 14	8 34
Totals	1432	1361	\$17,440 82	\$12 81

Per cent of participation: 95.04.

CONCLUSION

During the year covered by this report earnest efforts have been made to pursue effectively the policy outlined one year ago. The work therein outlined is not the work of a year only but a series of years.

Thus far emphasis has been placed upon teachers, courses of study, and equipment with the needs and capacities of the child always in view. The next step is to make such use of these agencies, such modifications of teaching methods and of class room organization as seem best calculated to insure the highest possible development of the child as an individual and as a member of society.

It is a pleasure to acknowledge the liberal financial support of the Town, the hearty co-operation of principals, teachers and other associates, and the unswerving loyalty of your committee.

Respectfully submitted,

HERBERT J. CHASE,

Superintendent of Public Schools.

January 28, 1919.

APPENDIX
TO
REPORT
OF
SUPERINTENDENT
OF SCHOOLS

SPECIAL REPORTS
AND
GENERAL STATISTICS

REPORT OF THE PRINCIPAL OF THE HIGH SCHOOL

To the Superintendent of Schools:

The following report is intended as a brief summary of the condition, aims, and needs of the High School.

The pupils of our school are fortunate in having a comfortable and modern school home. The excellent spirit which prevails is good evidence of their appreciation. The gymnasium is one of the finest in the State, and testifies to the wisdom of the Town in providing excellent facilities for physical education. The modern high school does not content itself with providing intellectual training only. It realizes something of the complexity of life, and endeavors to provide also for the physical, moral and social welfare of its members. The experiences of the great war have served to emphasize more than ever before the vital necessity of training for citizenship. Thorough scholarship is admirable, and we trust that the high standard of the school may always be maintained. Good health and sound physical development contribute much to the efficiency and happiness of the individual, but the success of an educational system ultimately depends on turning out, as its finished product, young men and women who shall be able to choose their vocations wisely and to assume the duties of good citizenship.

VOCATIONAL GUIDANCE

Our Advisory Bureau, recently organized, is performing a very useful service, and promises to become a vital factor

in the life of our school. Pupils from the eighth grade up are listed, showing vocational preferences. Positions are found for those wishing employment for afternoons, Saturdays, summer vacations, and also for those desiring permanent employment. Records are kept showing the employers' estimate of the pupils employed. These records are of much value in advising pupils as to future activities. It is planned to continue these industrial records for at least five years after the pupils leave the school.

During the summer the supervision of boys engaged in the United States Boys' Working Reserve was given to the Advisory Bureau. Thirty boys qualified for this important branch of war work. On July 23d the record showed 156 pupils at work in various occupations. One hundred and sixteen of these were placed by the Bureau.

Roger W. Babson says that 90 per cent of people have entered their present employment blindly and by chance, irrespective of their fitness or opportunities. We believe that it is highly desirable for our boys and girls to make an early choice of vocation, even though that choice is only tentative, and very likely to be altered. Any worthy purpose is better than none. Courses of study should be so arranged, and the school so managed, that pupils can change their courses, if it seems advisable, without serious loss. Our plans include talks to pupils by business and professional men on their own specialties. Whatever useful information is obtainable regarding various occupations will be presented to the pupils by leaflets and charts, as well as in personal conferences. The purpose of our Advisory Bureau is well stated in the words of a bulletin recently issued by the United States Bureau of Education. "Vocational guidance should be a continuance process designed to help the individual to choose, to plan his preparation for, to enter upon, and to make progress in an occupation."

PUPILS' ORGANIZATION

We believe that organizations of pupils, when well conducted, are a distinct help to the school, and contribute materially to the social education of its members. Our Junior Red Cross, under stress of the war emergencies, has performed prodigies of timely service.

The Student Council is a carefully chosen representative body organized for the purpose of co-operating with the faculty in the interests of the school.

The Girls' League is a most excellent organization. Its purposes, as stated in the constitution of the league, are as follows: to unify and co-ordinate the activities of the girls; to promote their interests and welfare; and to foster school

spirit and true friendliness. The work of the league is carried on through the following departments: Scholarship, Social, Hospitality, Athletics, Dramatics, Debating, Censorship, Civics, and Publicity. After attending several of the meetings of this league, we are much impressed with the valuable work that it is doing among the girls of the school.

We believe that an organization for the boys of the school, with the same general purpose as the Girls' League, but with some necessary adaptations, would be very helpful to the boys. A plan for such an organization is now being drawn up.

SUGGESTIONS FOR FUTURE DEVELOPMENT

The above statistics regarding the distribution of our recent graduates show a considerable increase in the number entering business life. We believe that the commercial course in our school should be strengthened by increasing the work in bookkeeping, by giving a vigorous review of commercial arithmetic in the later years of the course, and by adding a course in salesmanship. The value of the study of Spanish, as a business subject, is being widely recommended. Probably this subject will be added to our curriculum in the near future.

The school library is not used as much as it should be, partly because teachers are available for its supervision during only a few hours in the week. As the school grows, it would be well if a teacher could be provided, to devote much of her time to the library, and to organize reading clubs among the pupils.

Many high schools are giving credit for courses in music taken outside the school, though under supervision of the school authorities. Such procedure is recommended by Federal and State authorities, and is already in operation in several large cities, including Boston, New York, and

Washington. In this State eight well-known cities have taken up this plan. The question naturally arises, why should a school give credit for any work, however praiseworthy in itself, done outside the regular activities of the school? The answer, as given in substance by many authorities, is, that public policy demands that special ability be encouraged, and that the secondary school period is just the time when a boy or girl who shows unusual musical ability should be doing serious work along such lines. Opportunity for such work on the proper basis of individual instruction is seldom, if ever, provided by secondary schools. A plan has been drawn up by the National Commission on the Reorganization of Secondary Education, and has been issued by the Federal Bureau of Education. Without going into details, it may be said that the plan provides quite as definite requirements and quite as good methods of testing results as are found in the ordinary school. An alternative method would be to add to the school faculty, possibly on a part time basis, competent teachers of the branches of musical instruction desired. This, however, would be a rather expensive method of instruction. We are not prepared to recommend that Milton take up this plan at present, but we bring it to your attention as being one of the interesting developments in the educational field.

CONCLUSION

In conclusion, I wish to express my appreciation of the kindly spirit of helpfulness shown me by teachers and pupils, and to thank you and the members of the School Committee for many courtesies.

Respectfully submitted,

FRANK T. WINGATE.

January 22, 1919.

REPORT OF DIRECTOR OF PHYSICAL TRAINING

To the Superintendent of Schools:

In making my first report of the Physical Training Department, I desire to remind you that the winter and spring activities were under the direction of Mr. Martin Souders and that my work began at the opening of school, September 16, 1918.

From January 15 to April 15, 1918, weather conditions did not permit regular outdoor exercises. The new High School Gymnasium was finished about January 1 and was a most welcome addition to the Physical Training Department. Classes were at once formed and all pupils were given systematic exercises twice each week. Little difficulty was experienced by the boys' classes in making use of the shower baths, but the time necessary for girls to use them made it seem inadvisable to insist upon the bathing requirement.

Various games and athletic contests were arranged for both boys and girls, basket ball being the chief attraction. Class teams were formed which played a series of games largely attended by the student body.

The formation of six teams for the smaller boys in the eighth grade gave a large number an opportunity to engage in actual competition. At the end of the season an indoor exhibition was given at which many parents and friends had an opportunity of seeing the work as it was being carried on.

During the spring term the classes were taken to the Playground for instructions in baseball, running, and jumping. The High School was represented by a baseball

team which met many of the other schools in this vicinity. The grammar schools also had representative teams which played a series of games on Saturday mornings. A pennant was awarded to the team winning the most games. At the end of the season a combined Field Day was held at East Milton where the various schools competed in track events, games, and dances.

When I undertook supervision of the work in September I found the Department well organized, the spirit both of teachers and pupils most excellent and the general attitude one of health and happiness.

During the five months ensuing I have tried in the main to follow the lines already established. Another year I hope to be able to widen the sphere of activities and to make still greater use of our baths and other gymnasium facilities.

With the excellent assistance of Miss Marion Adwers it has been possible to visit the primary and grammar schools each week, devoting fifteen minutes to each class in the lower grades and thirty minutes to the upper classes. Our program has been carefully arranged with the purpose of emphasizing the various sides of Physical Education. Class drills, dances, and games, with special stress placed upon correct posture and strict mental attention, have been given to each grade. Wherever possible the boys and girls in the upper classes have been separated to permit the use of games and exercises especially adapted to such divisions.

In the High School each pupil is taking two periods a week, the work being compulsory.

During the fall, football practice was held almost daily. A representative team was formed which competed with other schools in a creditable manner. Games were played on the Playground and a good number of people enjoyed watching the contests.

Since December 1, basket ball has claimed a large part of the interest of our older boys and girls. A first and a second team have been formed from the boys and these are playing each week with other schools. Class teams for both boys and girls are now practicing and will play a series of games in February.

A gymnasium class for grammar school boys of the sixth and seventh grades is meeting each Monday afternoon. This is a new department which it is hoped will prove beneficial. On account of increase in fares many of the young people in the Mattapan district are unable to take advantage of the opportunities offered at the Cunningham Gymnasium at East Milton. I believe that it would meet with popular favor and be of advantage to them if these young people could use our gymnasium during the late afternoon and evening of each day.

I desire to add that my work in general has been most pleasant. I have found all willing to aid me to the fullest extent, and I hope that my work will be so conducted as to show results in the class room, on the street, and in the future citizens of our town.

Respectfully submitted,

HARRY A. DAME.

January 22, 1919.

REPORT OF THE SCHOOL NURSE

To the Superintendent of Schools:

We have been so beset by epidemics during the past year that the work of the School Nurse has been very difficult of accomplishment. This of necessity has caused a very decided set back to the regular work, so that the results are not what they should be at this time.

A great fear of influenza has prevented children from riding on the cars, in consequence of which the dental work has suffered. For the same reason several operations for the removal of adenoids and tonsils have been delayed.

One of the worst of these cases was that of a boy who came to us from an outlying town. This child had been promoted each year for three years and yet was unable to write his name. As the boy seemed bright it was our hope that by the removal of these obstructions some of the cobwebs might be swept from his mind and that he might gain a good foundation before moving again. Unfortunately the family left us very suddenly, having gained from us only a little instruction in ordinary cleanliness and the filling of a few teeth.

We have had an invasion of pediculi, a condition which has required vigilance and has not yet been overcome as we intend it shall be. Generally our people are glad to rid themselves of this condition, but the new families appear not to have been required to do this and when once rid of their vermin, instead of making an effort to remain so, allow the condition to recur from week to week. How-

ever, it is our hope that eventually all our people, new and old, will realize that cleanliness and good health are really next to, if not quite equal to, godliness.

In looking over the children of the kindergarten and sub-primary classes, we noted a comparative absence of diseased tonsils and adenoids, and that many of the children had had their teeth put in order. This was indeed most gratifying because it gave evidence that not all our words of wisdom had fallen upon stony ground.

Another gratifying development is the ever increasing good will and co-operation of the parents. If we now ask nothing more of them than a little neighborliness where it is much needed, we know that we shall be met more than half way, and that from such neighborliness much happiness may be created.

In spite of the many calls made upon everyone this year for money and clothing, the friends of our work have contributed generously money, clothing and toys, so that it has been possible to help not only our children but also their parents.

The various organizations of the town also have helped greatly.

When we find cases of undernourishment or lack of proper clothing among the pupils and, upon home visiting, find the families in need of help—perhaps with the breadwinner ill, or, as was sometimes the case this year, overseas—we call upon these organizations and invariably get the required help.

The Sight and Hearing Tests made in the High School show sixty-four pupils with conditions indicating defects in vision and four defective in hearing. Some visits were made after these tests for follow up work.

The weekly examinations of the children in the lower schools have been made and all vaccination certificates checked up in the usual way.

An examination of the mouths of these pupils showed that the teeth of four hundred and fifty-five were in perfect condition as far as could be judged. Many others were in good condition with the exception of the first teeth which the dentists were allowing to remain until they fell out rather than extract them. Most of the remaining cases were being treated. (It should be understood that children who were in the lower schools in June and are now in the High School are not accounted for in this report.) By means of our reservation at the Forsyth Infirmary the teeth of one hundred and five children were treated and the work for sixty-nine of these was finished.

The Eye and Ear Tests in the lower schools showed one hundred and two defective in vision, or having complaints indicative of defect, and thirteen defective in hearing.

Experience at the Tucker School may be given as an example of the response by parents. Of twenty-six cases having defects or suspected defects in sight and hearing, sixteen were corrected, two sought advice, eight did nothing.

Several children had tonsils and adenoids removed, but again many were deterred by fear of infection. However, we are glad to report that in spite of the epidemic we have lost none of our children from influenza.

There have been the usual scattering cases of scarlet fever, diphtheria, measles, and chicken pox, and many cases of whooping cough. One child was taken for treatment to the Eye and Ear Infirmary and the Massachusetts General Hospital, one died of cerebro spinal meningitis and two died of appendicitis.

Your School Nurse has made one hundred and eighty-nine home visits and twenty-four visits to hospitals, one

visit to a local physician, and thirty-three visits to Forsyth Dental Infirmary.

No summer work was attempted as all the vacation houses and the camp to which we have sent our children in other years were closed.

Respectfully submitted,
SYDNEY CLARKE.

Signals
for Fires
in the
Blue Hills
Reservation.

Running Card.

Engine No. 1 and Hose No. 1 will respond to all alarms and signals.

Ladder Truck No. 1 will respond to all alarms and signals except signal 451.

Combination No. 1 will respond to all alarms but not to signals calling for apparatus to go out of town.

Hose No. 2 will respond to first alarms from Boxes 32, 34, 341, 6, 62, 63, 64, 65, 67, 68, 69, 651, 652, 671, 71, 73.

Hose No. 3 will respond to first alarms from Boxes 35, 312, 315, 351.

Hose No. 4 will respond to first alarms from Boxes 17, 142, 151, 21, 23, 24, 25, 27, 5, 51, 52, 53, 54, 56, 57, 521, 542.

When, after an alarm has been sounded, and before the all-out signal for the same has been given, an alarm is given from another box, the alarm from the second box is to be responded to the same as a General Alarm.

Directions in Case of Fire.

Get the key to the nearest box, open and pull the hook all the way down once, then let go and close the door.

Remain at the station, if possible, after giving an alarm, to direct the firemen to the fire.

Second alarms will be given only by one of the Engineers.

Citizens are earnestly requested to keep themselves informed as to the location of the keys. Signs over each box will give the desired information.

Caution to Persons Holding Station Keys.

Never open or touch the apparatus except in case of fire.

Never sound the alarm for a fire seen at a distance, unless assistance is called for.

Be reasonably sure there is a fire before sounding the alarm.

Never let the key go out of your possession, except to some responsible person to give an alarm of fire, and be sure the key is returned.

If you remove from your house or place of residence, return the key to the Engineers at once.

83rd
ANNUAL TOWN REPORT
OF
MILTON
MASS.

FOR THE YEAR ENDING
DECEMBER 31, 1919

COMPILED BY
THE AUDITORS

POOLE PRINTING CO., INC.
217 FRIEND STREET
BOSTON

STATEMENT OF THE AUDITORS

To the Citizens of Milton:

In accordance with the Revised Laws and the By-Laws of the Town, we have examined the books and accounts of all officers and committees intrusted with the expenditure of money, and all original bills and vouchers on which moneys have been paid from the treasury for the year ending December 31, 1919, and have found the same correct.

Respectfully submitted,

J. HERBERT RAYMOND }
FREDERICK N. KRIM } *Auditors*

control of direct radiation and the work upon the High School grounds at an estimated cost of \$4,500 were not included in last year's recommendation.

ELEMENTARY SCHOOL BUILDINGS

Your Committee does not wish the Town to lose sight of the fact that the High School building is the only modern school structure in town. The Vose School is expensive to maintain and inconvenient to administer as an elementary school. Extensive repairs will have to be made during the coming year, particularly repairs and changes in the heating system, which is in poor condition and inadequate for heating the building in severe weather.

Such minor repairs have been made in all of the elementary schools as were deemed necessary to make them presentable. Numerous repairs will have to be made during the coming year and it is possible that one or two of the buildings will have to be painted outside.

The school grounds have been neglected since the beginning of the war. They are now in very poor condition, especially at the Houghton and Wadsworth Schools. Work upon them should be no longer delayed.

SCHOOL LUNCHES

Your Committee has this year continued to supply school lunches at the High School and at the Vose School. The price of these lunches has been as nearly as possible at cost. In order to meet any possible deficit your Committee recommends that the same appropriation as last year be made, namely,—\$200, together with receipts.

TRANSPORTATION

No change has been made in transportation since the last report. The only means of transportation now being used is the street cars.

If the Town should fail to make an appropriation for the Blue Hill Street Railway Company at the annual meeting, it will be necessary for your Committee to supply transportation in place of that railway. This will probably involve the purchase of a large automobile bus and its operation by the School Department. For this it is estimated that an additional appropriation of \$4,000 will be required.

TOWN USE OF SCHOOL BUILDINGS

The municipal use of school buildings has continued during the last year.

The assembly halls in the various schools and the High School gymnasium have been used for social and educational purposes by the various parent-teacher associations, the Woman's Club, the Milton Education Society, the Boy Scouts, and the Milton Forum.

Your Committee has estimated the cost of the use of the various buildings and has charged such use to the special appropriation for the municipal use of school buildings. In this way the cost of the use of the buildings for school purposes and the cost for municipal use is kept separate. It seems to your Committee that such separate accounting is highly desirable. Therefore, the same appropriation as last year, namely,—\$1,500, together with receipts, is recommended for the municipal use of school buildings for the ensuing year.

SCHOOL PHYSICIAN

Your Committee, acting favorably on the recommendation to extend the work of the school physician made last year by Superintendent Chase, has employed Dr. Frank S. Churchill to undertake the work. Full reports of what has been done and what it is intended to do appear later in the Superintendent's report.

TOWN OFFICERS OF MILTON

ELECTED FOR THE MUNICIPAL YEAR 1919-1920

Selectmen and Surveyors of Highways.

MAURICE A. DUFFY.

*Term expires March, 1920.

REVISED BY-LAWS

TOWN OF MILTON, MARCH 2, 1902

*Adopted by the Town and approved by the Superior Court
May 20, 1902.*

*The amendments to Chapters 2, 3, 7, 8, and 10 adopted by
the Town March 2, 1914, March 13, and September 1,
1915, were approved by the Attorney-General,
December 10, 1914, May 8, and
September 22, 1915.*

CHAPTER 1

GENERAL PROVISIONS

SECTION 1. These By-Laws, contained in this and the succeeding chapters, being ten chapters in all, may be designated as the Revised By-Laws, adding the number of the chapter and section when necessary.

SECT. 2. So far as the provisions of these By-Laws are the same in effect as those of previously existing By-Laws, they shall be construed as a continuation of such By-Laws, but, subject to said limitations and the provisions of the next section, all By-Laws of the Town heretofore in force are hereby repealed; provided that this repeal shall not apply to or affect any By-Law, order, or article heretofore adopted, accepting or adopting the provisions of any statute of the Commonwealth.

SECT. 3. These By-Laws and the repeal of all By-Laws heretofore in force shall not affect any act done, any right accrued, any penalty or liability incurred, or any suit, prosecution, or proceeding, pending at the time when they take effect; nor shall the repeal of any

By-Law thereby have the effect of reviving any By-Law theretofore repealed or suspended.

SECT. 4. When in a By-Law anything is prohibited from being done without the license or permission of a certain officer, officers, or board, such officer, officers, or board, shall have the power to license or permit such thing to be done.

SECT. 5. In all the By-Laws of the Town the following words and expressions shall, unless inconsistent with the manifest intent, be severally construed as follows:—

The word *public way* shall include any highway, town-way, road, bridge, street, avenue, boulevard, roadway, parkway, lane, sidewalk or square; *the owner or occupant* of a building or land shall include any sole owner or occupant, and any joint tenant and tenant in common of the whole or of any part of a building or lot of land; words purporting to give a joint authority to three or more officers or other persons shall give such authority to a majority of such officers or persons; the word *person* may include corporations; words importing the singular number may apply to the plural number, and words importing the masculine gender may apply to the feminine gender.

SECT. 6. All fines and penalties for the violation of any By-Laws shall, when received, inure to the use of the Town, and be paid into the Town treasury, unless it be otherwise directed by the laws of the Commonwealth or the By-Laws of the Town.

SECT. 7. Whoever violates any of the provisions of the By-Laws of the Town, whether included in these By-Laws or any hereafter enacted, whereby any act or thing is enjoined or prohibited, shall, unless other provision is expressly made, forfeit and pay a fine not exceeding twenty dollars for each offence.

SECT. 8. Whoever shall refuse or neglect to obey any

order of any Town officer or board of Town officers, issued under any of the By-Laws of the Town, directed to him and properly served upon him, shall, in cases not otherwise provided for, forfeit and pay for such offence a fine not exceeding twenty dollars.

SECT. 9. Prosecutions for the breach of any of the provisions of the By-Laws of the Town shall be commenced within six months from such breach.

SECT. 10. Any or all of the By-Laws of the Town may be repealed or amended, or other By-Laws may be adopted, at any Town meeting, annual or special, an article containing the subject-matter of the proposed change having been inserted in the warrant for such meeting.

CHAPTER 2

TOWN MEETINGS

SECTION 1. The warrants for all Town meetings shall be directed to the constables of the Town, and the meetings shall be notified by posting attested copies of the warrant in each of the post-offices of the Town at least fourteen days, and by leaving printed copies thereof at the dwelling-houses in the Town at least four days, before the day of such meeting.

SECT. 2. The annual meeting for the election of Town officers shall be held upon the first Saturday of March, the polls to be open at fifteen minutes before six o'clock in the forenoon, and they shall remain open until four o'clock in the afternoon for the election of such other Town officers as are required by law to be elected by ballot, all said officers to be voted for on official ballots. At any time after said four o'clock a vote may be passed to close the polls in not less than ten minutes.

SECT. 3. All business except the election of such officers and the determination of such matters as by law are required to be elected or determined by ballot shall be considered at an adjournment of said meeting to the following Saturday at one-thirty o'clock in the afternoon

SECT. 4. All motions shall, if required by the Moderator, be reduced to writing before being submitted to the meeting.

SECT. 5. Upon taking the question, if the decision of the Moderator is doubted, or a division of the house called for, the Moderator shall request the voters to be seated, and shall appoint tellers; the question shall then be distinctly stated, and those in the affirmative and negative, respectively, shall be requested to rise and stand in their places until they are counted by the tellers, who shall carefully count each side and make a report thereof to the Moderator.

SECT. 6. No vote shall be reconsidered at the same meeting, except upon a motion made within one hour of the adoption of such vote, unless ordered by two-thirds of the voters present and voting thereon.

SECT. 7. When a question is before the meeting, the following motions, viz.:—

- to adjourn,
- to lay on the table,
- for the previous question,
- to postpone to a time certain,
- to commit (or recommit) or refer,
- to amend or substitute,
- to indefinitely postpone,

shall have precedence in the order in which they are placed in this section.

In proposed amendments involving amounts or dates, the smallest amount and the shortest time shall be put first.

SECT. 8. After the declaration of the vote for Town officers, fifteen legal voters shall be appointed by the Moderator, who shall constitute a committee to be known as the Warrant Committee. The persons so appointed shall continue as members of said committee until the Town meeting of the ensuing year.

CHAPTER 3

THE WARRANT COMMITTEE

SECTION 1. The Warrant Committee shall, within two weeks after their appointment, meet, at the call of the member thereof first named, for organization by the choice of a chairman and secretary. And they shall meet thereafter from time to time as they may deem advisable.

They shall have power to fill vacancies in their number by vote, attested copy of which shall be sent by the secretary to the Town Clerk.

SECT. 2. It shall be the duty of the Warrant Committee to inform themselves concerning those affairs and interests of the Town, the subject-matter of which is generally included in the warrants for its Town meetings; and the officers of the Town shall, upon their request, furnish them with facts, figures, and any other information pertaining to their several departments; provided, however, that any such information may be withheld when, in the opinion of the officer or board of officers so requested, the communication thereof might injuriously affect the interests of the Town or its citizens.

SECT. 3. The Warrant Committee shall consider the various articles in the warrants for all the Town meetings held during the period for which they were appointed including the various articles in the warrant for the annual Town meeting next after their appointment; they shall also consider all questions submitted to the

voters of the Town at any meeting, including State elections under any act or resolve of the Legislature and proposed amendments to the Constitution; and they shall report in print before all such meetings their estimates and recommendations for the action of the Town."

CHAPTER 4

THE TOWN'S FINANCES AND PROPERTY

SECTION 1. The financial year shall begin with the first day of March.

SECT. 2. The Selectmen shall annually, not less than seven days before the annual meeting, cause to be printed and distributed among the tax-payers of the Town, a detailed report of all moneys received into and paid out of the Town treasury during the preceding calendar year, with such information and recommendations as they may deem proper, and with detailed estimates of the amounts of money that will be required for the ensuing financial year. With this report shall be printed the records of all meetings of the Town held since the last annual report was printed, the reports of the Auditors, of the Surveyors of Highways, and of the Engineers of the Fire Department, the Collector's account of receipts, payments, and abatements, a list of all taxes assessed, an abstract of the births, marriages, and deaths to be furnished by the Town Clerk, a statement concerning the condition and funds of the public library and the cemetery to be furnished by the Trustees respectively, and a statement of all other funds belonging to the Town or held for the benefit of its inhabitants; also statements of the liabilities of the Town on bonds, notes, certificates of indebtedness, or otherwise, and of the total money paid the Town, the income of which is to be applied to the care of lots in the cemetery. The annual report shall also contain

such other matters as may be required by the By-Laws of the Town.

SECT. 3. The assessment of taxes shall be completed and the tax list and warrant shall be delivered to the Collector on or before the first day of August in each year.

SECT. 4. Poll taxes shall be payable on demand, and all other taxes assessed in each year shall be payable on or before the first day of November in the same year; and on all such taxes as are not paid on or before the said first day of November, interest shall be charged at a rate to be fixed annually by the Town, pursuant to Section 71 of Chapter 490 of the Acts of the year 1909, Part 1, and the Collector shall use all the means and processes provided by law for the collection of all taxes remaining unpaid after the first day of November in the same year.

SECT. 5. No person being an officer of the Town shall in his official capacity make or pass upon, or participate in making or passing upon, any sale, contract or agreement, or the terms or amount of any payment, in which the Town is interested and in which such officer has any personal interest at variance with that of the Town.

SECT. 6. The Selectmen, being duly authorized by vote of the Town under the limitations imposed by statute, may authorize the Treasurer to borrow money temporarily in anticipation of the collection of taxes, or upon loans authorized by vote of the Town, and to give promissory notes therefor in behalf of the Town, the same to be signed by the Treasurer and countersigned by a majority of the Selectmen.

SECT. 7. No money granted for special purposes shall be applied to any other use unless by a vote of the Town, and all unexpended balances of such grants shall be stated in the annual report.

SECT. 8. No order shall be drawn by any officer or

committee on the Town Treasurer for any purpose not authorized by a vote of the Town, or by the laws of the Commonwealth, nor shall any such draft be made for any amount which overdraws the appropriation against which it is made, whether general or special; and the Town Treasurer shall keep full accounts in respect to the several separate appropriations and the drafts made against each, and shall not honor any draft which does not state specifically the appropriation against which it is drawn, or which overdraws such appropriation, whether general or special.

SECT. 9. To provide for extraordinary expenditures of departments, should any become necessary in excess of appropriations made, the Town shall annually appropriate a certain sum of money to be known as the Contingent Fund. No direct drafts against this fund shall be made, but transfers from the fund may be made by vote of the Warrant Committee to the account of any other appropriation. A certified copy of such vote shall be sent to the Town Treasurer, and the Treasurer shall transfer accordingly, and honor drafts against the funds so transferred as if originally appropriated.

SECT. 10. No board, committee, or officer of the Town shall commit the Town to any expenditure or liability which would, in the ordinary course of business, be chargeable to the appropriation of which such board, committee or officer is or has been in charge, after such appropriation has been exhausted, or after the satisfaction of all liabilities against it would exhaust it, until either the Warrant Committee shall have transferred additional sums to such appropriation, or until the Town at a meeting of the voters, shall have acted in the matter.

SECT. 11. No grant of a sum of money exceeding five hundred dollars shall be made until the subject-matter thereof has been considered and the estimates reported to

the Town, either by the Selectmen or other Town officers, or by the Warrant Committee or some committee chosen for that purpose in pursuance of a vote of the Town.

SECT. 12. The Selectmen shall have full authority as agents of the Town to institute and prosecute suits in the name of the Town, and to appear and defend suits brought against it, unless it is otherwise specially ordered by a vote of the Town.

SECT. 13. Whenever it shall be necessary to execute any deed conveying land or other instrument required to carry into effect any vote of the Town, the same shall be executed by the Selectmen, or a majority thereof, in behalf of the Town, unless the Town shall otherwise vote in any special case.

SECT. 14. Two Auditors shall be chosen by ballot at the annual meeting, who shall have the power and perform the duties prescribed by statute.

CHAPTER 5

THE CEMETERY

SECTION 1. The sole care, superintendence, management, and control of the Cemetery shall be intrusted to a Board of five Trustees to serve for the period of five years; one of said Board shall retire and a new member be elected at each annual meeting of the Town.

In case of vacancies in the Board of Trustees the remaining members may fill the same, but any member so chosen shall hold office only until the next annual Town meeting, when a Trustee shall be elected for the unexpired term.

SECT. 2. Citizens of Milton who are heads of families and have been residents of the Town not less than five years shall be entitled to lots in the Cemetery, allowing one lot to a family, subject to the regulations adopted by

the Town, upon payment of the charges for putting the lot in order; but by unanimous consent of the Trustees the five years' residence requirement may be waived.

SECT. 3. The Trustees, when in their judgment it shall be deemed advisable, may sell lots at the rate of fifty cents a square foot, but only to those who are in some way connected with Milton people.

SECT. 4. The proprietor of each lot shall cause to be erected, at his own expense, corner-stones, and a step with his name and the number of the lot inscribed on the same, and shall cause his lot to be kept in proper order; and if the proprietor shall omit for thirty days after notice to erect such landmarks and to keep the lot in order, the Trustees shall have authority to have the same done at the expense of said proprietor.

SECT. 5. No lot shall be used for any other purpose than as a place of burial for the dead, and no proprietor shall suffer the remains of any person to be deposited within the bounds of his lot for hire; nor shall any proprietor sell or transfer the whole or any part of his lot without the consent of the Trustees.

SECT. 6. If in the judgment of the Trustees any trees or shrubs in any lot shall become detrimental to the adjacent lots or avenues, or dangerous or inconvenient, it shall be the duty of the Trustees to enter upon said lot and to remove said trees and shrubs, or such parts thereof as are thus detrimental, dangerous or inconvenient.

SECT. 7. There shall be no structure or inscription placed in, upon or around any lot which the Trustees shall deem offensive or improper; and it shall be the duty of the Trustees to remove all offensive or improper objects.

SECT. 8. The Trustees shall have authority to purchase any tomb in the Cemetery offered for sale, paying for the same such sums as, in their judgment, may be fair and reasonable. They shall also have authority to

give for any tomb a lot to be constructed on the land occupied by the tomb, or to be selected at some other point in the Cemetery grounds, as they may agree with the proprietor of the tomb. Should there be no living proprietors, or legal representatives of deceased proprietors, the Trustees may take possession of such Tomb, carefully remove its contents to a lot prepared for the purpose, and erect over the remains a suitable memorial stone.

SECT. 9. The following regulations shall be posted within the Cemetery:—

1. All persons are prohibited from driving on the borders.

2. No horse shall be left upon the grounds without a keeper, unless fastened to posts provided for the purpose.

3. All persons are prohibited from discharging fire-arms within the grounds of the Cemetery, except in connection with military memorial services.

4. All persons are prohibited from writing upon or otherwise defacing any sign, monument, fence, or other structure.

5. All persons are prohibited from gathering flowers, or breaking any tree, plant or shrub.

6. Dogs are not allowed within the Cemetery grounds.

CHAPTER 6

POLICE REGULATIONS

SECTION 1. No person shall move or assist in moving any building, over any way which the Town is obliged to keep in repair, without the written permit of the Selectmen being first obtained; nor, having obtained such permit, without complying with the restrictions and provisions thereof.

SECT. 2. Whoever, without a written license from the Selectmen, shall cause or suffer any cart or wagon to remain within the limits of any public way so as in any manner to obstruct travel thereon, or for more than twenty-four hours, shall forfeit and pay a sum not less than one dollar and not more than ten dollars for each offence; and he shall be subject to a like penalty if he neglects to remove the same within the time ordered by such officers, who may revoke such license at any time.

SECT. 3. No person shall place or cause to be placed, upon any public way or sidewalk, any lumber, iron, wood, coal, trunk, bale, box, crate, cask, barrel, package or other thing, and allow the same to remain for more than one hour, or more than ten minutes after being notified by a constable, police officer or the Selectmen.

SECT. 4. Any person who intends to erect, repair or take down any building on land abutting on any way which this Town is obliged to keep in repair, and desire to make use of any portion of said way for the purpose of placing thereon building materials or rubbish, shall give notice thereof to the Selectmen. And thereupon the Selectmen may grant a permit in writing to occupy such a portion of said way to be used for such purpose as in their judgment the necessity of the case demands and the security of the public allows; such permit in no case to be in force longer than ninety days, and to be on such conditions as the Selectmen may require; and especially in every case, upon condition that during the whole of every night, from twilight in the evening until sunrise in the morning, lighted lanterns shall be so placed as effectually to secure all travellers from liability to come in contact with such building materials or rubbish.

SECT. 5. No person shall throw or place, or cause to be thrown or placed, any ice or snow into or upon any

public way unless the same be broken into small pieces and spread evenly.

SECT. 6. Whoever, without the written permission of the Selectmen, shall place or cause to be placed in or upon any public way, or sidewalk, any ashes, dirt, rubbish or filth of any kind, or any animal or vegetable substance, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

SECT. 7. Whoever shall suffer any horse or grazing beast, or swine, to run at large in the Town, or to feed in any public way either with or without a keeper, and whoever shall drive any such animal upon any sidewalk, or suffer any horse to remain hitched across any sidewalk, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

SECT. 8. Three or more persons shall not continue to stand or remain in a group, or near to each other, on any sidewalk or in any public place in such a manner as to obstruct a free passage for foot passengers, after having been requested by a constable or police officer to move on. Any person who shall violate the provisions of this section shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

SECT. 9. No person shall dig up or obstruct any portion of any way which the Town is obliged to keep in repair without the permit, in writing, of the Selectmen, nor, having obtained such permit, shall fail to comply with the conditions thereof; and in addition to any penalty to which he may be subjected under these By-Laws for such failure, he shall reimburse the Town for all expenses and damages which, or for which, the Town may be compelled to pay by reason of such unauthorized use, or any failure to comply with said conditions.

SECT. 10. No person shall ride or drive any beast of burden, carriage or draught, or shall propel or cause to be

propelled any bicycle, tricycle, automobile or any vehicle whatsoever, at a rate of speed exceeding ten miles an hour, in or over any crossing in any public way.

SECT. 11. No person shall permit any team under his care or control to stand across any public way in such a manner as to obstruct the travel over the same for an unnecessary length of time; no person shall stop with any team in any public way so near to another team as to obstruct public travel; and no person shall stop with any team or carriage upon or across any crossing in any public way.

SECT. 12. No person shall drive or take charge of at the same time in any public way two or more vehicles drawn by horses or other beasts; or shall allow any vehicle belonging to him to be driven in any public way without some competent person in charge thereof.

SECT. 13. Whoever shall coast upon ice or snow on Adams Street, between Churchill's Lane and the line of the City of Boston, or upon any public way on which the Selectmen or Superintendent of Police shall by public notice have forbidden such coasting, and whoever shall drive, wheel or draw any coach, cart, wheelbarrow, hand-cart, velocipede, bicycle or any carriage of burden or pleasure, except children's carriages, or coast upon any sidewalk in the Town, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

SECT. 14. Whoever shall behave in an indecent or disorderly manner, or use profane, indecent, or insulting language in or upon any sidewalk, public way, or other public place, to the annoyance or disturbance of any other person there being or passing in a peaceable manner, shall forfeit and pay a sum not less than one dollar nor more than twenty dollars for each offence.

SECT. 15. Any person or persons who shall play or

perform on any musical instruments, or sing, parade, march, or congregate in any public way or public place, except in connection with a funeral, without the written permit of the Selectmen, shall forfeit and pay a sum not less than one dollar nor more than twenty dollars for each offence.

SECT. 16. Whoever shall be or remain on any doorstep, portico, or other projection from any house or building, or upon any wall or fence on or near any public way or public place, after being requested by the occupant of the premises or by any constable or police officer to remove therefrom, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

SECT. 17. No person shall throw stones, snowballs, sticks, or other missiles, or kick a football or play at any game in which a ball is used, or fly any kites or balloons, in any public way.

SECT. 18. Whoever shall affix, by paste or otherwise, any handbill, placard, notice, or advertisement, or paint, draw or stamp the same, or any marks or figures, to or upon any sign board of the Town, or to or upon any building, fence, wall, tree or structure, without the permission of the owner of such building, fence, wall, tree or structure, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence; and if such handbill, placard, notice, advertisement, mark, or figure be obscene or indecent, the penalty shall not be less than twenty dollars for each offence.

SECT. 19. Whoever shall undertake to enter a particular drain into a common sewer without a permit in writing from the Sewer Commissioners or without complying with the conditions and directions of such permit, shall forfeit and pay a sum not exceeding ten dollars.

SECT. 20. Whoever shall lead or cause to be led into any public way, or running stream, any drain or pipe

from any house or other building whereby filthy water or other unclean matter may be emptied into or upon any such public way or running stream; and whoever shall throw, lead or discharge or cause to be thrown, led or discharged, into any public way, or running stream, any noxious or poisonous matter or substance, or any matter or substance which shall cause an offensive smell or odor, or which shall be destructive of, or injurious to, animal life, shall forfeit and pay a sum not less than five dollars nor more than twenty dollars.

SECT. 21. The Selectmen may grant licenses to use a certain portion of any public way as a carriage-stand, under such terms and conditions as they may prescribe; and no person shall use any portion of any public way as a carriage-stand for the solicitation of passengers for hire without a license from the Selectmen. But licenses shall not be confined to one person to the exclusion of other applicants, and shall be granted so as to allow competition and promote public convenience.

SECT. 22. No person shall distribute papers, circulars, or advertisements through the Town or any portion thereof in such a manner as to make a litter or otherwise cause public annoyance.

SECT. 23. No person shall fire, discharge, explode or set off any gun, fire-arm, torpedo, fire-cracker or fireworks in such manner as to frighten any horse, or to disturb the peace or quiet of any neighborhood.

SECT. 24. No person shall wilfully deface or injure any public playground, planting space, flower bed, tree, shrub or grass border.

SECT. 25. No person shall own or keep a dog which by barking, biting, howling or in any other manner is disturbing the peace or quiet of any neighborhood.

SECT. 26. No person shall hawk or peddle any of the articles enumerated in Section 15 of Chapter 65 of the

Revised Laws, until he has recorded his name and residence with the Superintendent of Police, and been assigned a number by him, nor unless any vehicle or receptacle in which he shall carry or convey such articles shall have painted on it in letters and figures at least two inches in height the name of the person selling, and the number given him by the Superintendent of Police, and be approved on the first Monday in every month by the Superintendent of Police; provided, however, that the foregoing provisions shall not apply to minors licensed by the Selectmen; and, further, provided that the Selectmen may restrain the sale by minors of any or all such articles.

No person hawking, peddling or selling, or exposing for sale, any articles enumerated in Section 15 of Chapter 65 of the Revised Laws, shall cry his wares to the disturbance of the peace and comfort of the inhabitants of the town.

No hawker or peddler shall carry or convey any articles enumerated in Section 15 of Chapter 65 of the Revised Laws in any manner that will tend to injure or disturb the public health or comfort, nor otherwise than in vehicles or receptacles which are neat and clean and do not leak.

SECT. 27. The Selectmen may license suitable persons to be dealers in and keepers of shops for the purchase, sale, or barter of junk, old metals, or second-hand articles, in the Town. They may also license suitable persons as junk collectors, to collect, by purchase or otherwise, junk, old metals, and second-hand articles from place to place in the Town; and they may provide that such collectors shall display badges upon their persons, or upon their vehicles, or upon both, when engaged in collecting, transporting, or dealing in junk, old metals, or second-hand articles; and may prescribe the design thereof. They may also provide that such shops and all articles of merchandise therein, and any place, vehicle

or receptacle used for the collection or keeping of the articles aforesaid, may be examined at all times by the Selectmen or by any person by them authorized thereto. The aforesaid licenses may be revoked at pleasure, and shall be subjected to the provisions of Sections 186 to 189 inclusive of Chapter 102 of the Revised Laws.

Whoever violates any provisions of Sections 26 and 27 shall in cases not otherwise provided for, forfeit and pay for each offence a fine not exceeding twenty dollars.

SECT. 28. The Selectmen may order numbers to be affixed to or painted on the buildings on any street in their discretion. The owner of every house shall comply with such order within thirty days thereafter.

PROSECUTIONS AND PENALTIES

Except when otherwise provided by law, prosecutions for offences under the By-Laws of the Town may be made by any constable or police officer of the Town.

CHAPTER 7

THE CONSTRUCTION AND INSPECTION OF BUILDINGS

SECTION 1. This Chapter shall constitute and be known as the Building Code and may be cited as such. It provides, in conjunction with Chapter 635, Acts of 1912, known as the "Tenement House Act," for all matters concerning the construction, equipment, alteration, repair, demolition or moving of buildings or structures erected or to be erected in the Town of Milton.

SECT. 2. Whenever the word "Inspector" occurs in this Chapter it means the Inspector of Buildings.

SECT. 3. The Inspector may, so far as is necessary for the performance of his duties, enter any building or premises within the Town at any reasonable hour.

SECT. 4. In this Chapter the following terms shall have the meanings respectively assigned to them:

First Class Buildings: A first class building shall consist of fireproof material throughout, with floors constructed of iron, steel or reinforced concrete beams, filled in between with terra cotta or other masonry arches or with concrete or reinforced concrete slabs. Wood may be used only for under and upper floors, window and door frames, sashes, doors, interior finish, hand rails for stairs, necessary sleepers bedded in cement, and for isolated furrings bedded in mortar. There shall be no air space between the top of any floor arches and the floor boarding.

Second Class Buildings: Second class buildings shall include all buildings not of the first class, the external and party walls of which are of brick, stone, iron, steel, concrete, reinforced concrete, concrete blocks or other equally substantial and fireproof material.

Third Class Buildings: Third class buildings shall include all buildings not of the first or second class.

Thickness of Wall: The minimum thickness of such wall.

Grade: Average grade of the ground immediately adjoining a building.

Cellar: A story more than one-half below the average grade of the ground immediately adjoining a building.

Wooden Frame Building: Any building of which an external wall is constructed wholly or partly of wood. Wood frames covered with metal, wire lath and plaster or brick shall be deemed to be wood structures.

Reinforced Concrete: By the term "reinforced concrete" is meant an approved concrete mixture reinforced by steel of any shape so combined that the steel takes up the tensile stress and assists in the resistance to shear.

Story: That part of a building between the top of any floor beams and the top of the floor or roof beams next above.

PERMITS

SECT. 5. Before the erection, construction or alteration of any building or part of any building, structure or part of any structure, wall, or any platform or flooring to be used for standing or seating purposes, is commenced, the owner or lessee, or agent of either, or the architect or builder employed by such owner or lessee in connection with the proposed erection or alteration shall, except for ordinary repairs, submit to the Inspector a detailed description of the location, purpose and construction of the proposed structure or work on proper blanks to be furnished by the Inspector, and full and complete copies of the plans of such proposed work, and such structural detailed drawings as the Inspector may require.

Such plans and detailed drawings shall be furnished in duplicate and, if approved by the Inspector, one set shall be kept at the building during the progress of the work, open to the inspection of the Inspector or his representative. The other shall be kept on file in the office of the Inspector.

The Inspector may require an applicant for a permit to submit with the plans of a building or other structure detailed drawings and calculations of any portions thereof subjected to unusual stresses, or of complicated construction, or for a steel frame or reinforced concrete construction, or of any type of construction not particularly described in this chapter.

Nothing in this section shall be construed to prevent the Inspector from granting his approval of the erection of any part of a building or structure where the general

plans and detailed descriptions have been filed for the same, before the entire detailed plans have been submitted.

SECT. 6. It shall be the duty of the Inspector to approve or reject any plans filed with him pursuant to the provisions of this chapter within a reasonable time and within ten (10) days in any event, and no work shall be commenced until a permit is issued.

SECT. 7. Upon approval of plans the Inspector shall issue a permit. The permit shall be void unless work is commenced within three (3) months from the date thereof.

SECT. 8. No building shall be lathed nor shall any metal ceiling, plaster board or other covering be put on until the Inspector has been notified that the building is ready for such work, and until he has given written consent thereto.

SECT. 9. If a proposed building or structure is of a size or character not provided for by this chapter, plans and specifications of such building or structure shall be submitted to the Inspector and referred by him, with his recommendations thereon, to the Board of Selectmen for approval.

CONSTRUCTION

SECT. 10. The Inspector shall examine all buildings in the course of erection or alteration as frequently as is necessary, to see that the Law and the By-Laws of the Town are complied with.

SECT. 11. Every portion of every building or other structure in process of construction, alteration, repair or removal and every neighboring building or other structure or portion thereof affected by such process, or by any excavation, shall be properly supported during such process or excavation.

SECT. 12. All masonry below the finished grade shall be laid up in mortar no poorer than one part Portland cement and three parts sand.

All masonry above grade shall be laid up in mortar no poorer than one part Portland cement, one part lime, and six parts sand.

SECT. 13. Every building or structure hereafter erected shall have a masonry foundation resting upon the solid ground, piles, or other durable structure. Said foundation shall be securely and properly built, and shall be of such thickness as to properly sustain the weight it is intended to support; provided, however, that the Inspector may, in his discretion, permit the use of other materials for foundations of buildings not over one and one-half stories high.

SECT. 14. The underpinning above grade, if of concrete, shall be not less than ten (10) inches in thickness; if of brick, not less than twelve (12) inches in thickness; if of stone, not less than sixteen (16) inches in thickness; and shall be laid in cement mortar, as prescribed in Section 12.

SECT. 15. All foundation walls and pier footings shall be laid at least three (3) inches below cellar bottom and not less than three (3) feet six (6) inches below any adjoining surface exposed to frost.

SECT. 16. All piers shall be built of stone, good hard burnt brick laid in mortar, or reinforced concrete. Isolated brick piers shall not exceed in height ten (10) times their horizontal dimensions and, if of reinforced concrete, fifteen (15) times their least horizontal dimensions, which shall not be less than twelve (12) inches. Cement filled iron columns may be substituted for piers if of suitable size to carry the superimposed load. Such columns shall have cast iron caps and bases and shall rest on foot-

ings of masonry, stone, or concrete which shall be at least twelve (12) inches in each dimension.

SECT. 17. For buildings other than frame, where the walls are of brick or solid concrete, the minimum thickness in inches of all exterior and dividing walls carrying the loads of floors and roofs and including foundation walls for the same shall be not less than specified in the following table:

Height	Founda- tions	Base- ment	Stories					
			1	2	3	4	5	6
1 Story	16	12	8					
2 Stories	16	12	12	8				
3 Stories	20	16	12	12	8			
4 Stories	20	16	16	12	12	8		
5 Stories	20	16	16	16	12	12	8	
6 Stories	24	20	16	16	16	12	12	8

The height of stories for the thickness of walls given shall not exceed:

First Story	17 feet
Second Story	15 feet
Third Story	13 feet
Fourth and Upper Stories	12 feet

and if any story exceeds the foregoing heights, it shall be counted as one additional story for each twelve feet in height or fraction thereof and the thickness of the walls not diminished from the thickness of the lower portion of such story.

If stone is used in place of brick or solid concrete, the thickness of walls shall be made four (4) inches thicker than above specified.

In external walls of the thickness specified in this section, the area of openings for windows, doors, flues, etc., shall not exceed 50 per cent of the gross sectional area.

In case the width of such openings exceeds one-half the length of the wall, the thickness of piers between openings shall be increased so as to maintain an area of at least fifty (50) per cent of the gross area required by the specified thickness; provided, however, that in the upper half of any vertical portion of the wall required to be of constant thickness a smaller addition may be made to the thickness of piers, if the stresses allowed by this code are not exceeded. Curtain walls of brick or concrete between piers, where carried to the piers by arches or lintels at each story, shall be not less than eight (8) inches in thickness.

SECT. 18. Vaulted walls shall contain, exclusive of ties, the same amount of material as required for solid walls, and shall be securely tied together with headers in every sixth course at least.

SECT. 19. In reckoning the thickness of walls, no allowance for ashlar shall be made unless it is at least eight (8) inches thick, in which case the excess over four (4) inches shall be reckoned as part of the thickness of the wall. Ashlar shall be at least four (4) inches thick and properly held by metal clamps to the backing, or properly bonded to the same.

SECT. 20. Reinforced concrete construction will be accepted for buildings of the first class, and must be designed in accordance with the recommendations of the Joint Committee of the American Society of Civil Engineers, or American Society for Testing Materials, and all materials used in the construction must conform to the requirements of the standard specifications of the American Society for Testing Materials.

The Building Inspector shall have authority to require tests to be made of all materials used in the construction. Such tests shall conform to the requirements as approved by the American Society for Testing Materials.

Only stone or gravel concrete shall be allowed in the construction of reinforced concrete buildings, except that slag or cinder concrete may be used for fireproofing purposes and for floors or roofs where the super-imposed load does not exceed fifty (50) pounds per square foot, and the spacing between supports does not exceed six (6) feet.

The allowable unit stresses shall not exceed those recommended by the Joint Committee above mentioned.

Before issuing permit for the construction of reinforced concrete buildings, the Inspector of Buildings shall require the owner to submit a complete set of working drawings and details of the proposed construction with the approval of some well-known consulting engineer written upon each sheet of the drawing, and the cost of such approved drawings shall be paid by the owner.

SECT. 21. The studding in outside walls shall be at least two (2) by four (4) inches in size and spaced not over sixteen (16) inches on centers.

Studs next door and window openings shall be at least three (3) inches by four (4) inches and shall be mortised into sills and girts.

Openings in outside walls shall be trussed if the Inspector so requires.

SECT. 22. Every wooden building hereafter erected or altered shall have all parts of sufficient strength to carry the weight of the super-structure; shall be built with sills, posts, girts, studs and plates all properly framed, braced and secured together by mortising, strapping or halving, to the satisfaction of the Inspector.

The posts and girts shall be not less than four (4) inches in size except intermediate posts, which shall be not less than four (4) inches by eight (8) inches in size. Studs in interior partitions shall be placed not more than twenty (20) inches on centers. Plates shall be not less

than four (4) inches by four (4) inches in size, but may be two (2) inches by four (4) inches doubled. Sills shall be not less than four (4) inches by six (6) inches in size.

SECT. 23. The studding of main or carrying partitions shall be not less than two (2) by four (4) inches in size, and shall rest on a sole piece of hard pine two (2) by four (4) inches. All openings in main partitions of more than thirty-six (36) inches shall be trussed and have studs doubled at sides. Every partition shall have a header extending the length of the partition, and carrying partitions shall be bridged with stock the full width of studding and two (2) inches thick, at least once in height.

Partitions over twelve (12) feet in height shall be bridged at least once in every six (6) feet.

When carrying partitions rest directly over each other, the studs shall run down between the floor beams and rest on the header of the partition below.

Headers of carrying partitions shall be at least two (2) inches by four (4) inches in size, doubled and of hard pine.

SECT. 23 A: All wooden header beams more than four (4) feet long used in any building shall be framed together and pinned or hung to the trimmer beams in stirrup-irons. When it is not practicable to frame or secure the ends of tail beams into header beams, the ends of the tail beams shall be hung to the header beams by stirrup-irons.

SECT. 24. All wooden beams of floors or flat roofs shall be properly bridged with cross bridging at least one (1) inch by three (3) inches in size, and the distance between bridging or between bridging and walls shall not exceed eight (8) feet.

SECT. 25. No part of any floor timber shall be within two (2) inches of any chimney; no studding or furring shall be within one (1) inch of any chimney; and no

timbers or woodwork shall be within two (2) inches of the back wall of any fireplace. The header beam, carrying the tail beams of a floor and supporting the trimmer arch in front of a fireplace, shall be not less than eighteen (18) inches from the finished chimney breast.

SECT. 26. Every wooden beam, except header beams, shall rest four (4) inches in the wall at each end, or upon a girder or column as authorized by this chapter, unless the wall is properly corbelled out of four (4) inches, in which case the brickwork or corbelling shall extend to the top of the floor beams.

SECT. 27. The ends of all wooden beams of floors where they rest on brick walls, and the ends of all wooden roof beams in parapeted walls, shall be cut to a bevel of three (3) inches in their depth.

SECT. 28. No cutting of timbers for any purpose shall be done so as to reduce the strength of the supporting parts below that required by the provisions of this chapter. No floor timber, header or trimmer beam of any building shall be cut into more than two (2) inches in depth for piping without a permit from the Inspector. Holes for electric wires through wooden beams, girders or floor beams shall not be located more than one (1) inch from the neutral axis thereof.

SECT. 29. Every second and third class building hereafter built shall have in each story all vertical space in the exterior walls, and carrying partitions thoroughly stopped with fireproof materials not less than four (4) inches in height. These steps may be omitted on approval of the Inspector in cases where the studding is to remain open and uncovered. In every building used solely as a mill or factory there shall be a fireproof stop between the upper and under floor. This fire stop may, however, be omitted if the floor boards are at least two (2) inches

thick and splined or tongued together and the space between the timbers of the floor open and uncovered.

SECT. 30. All floors shall be of sufficient strength to bear the weight imposed thereon and of sufficient strength in all parts to safely bear (in addition to the weight of the material of which the floor is composed), upon every square foot of its surface not less than the weights named below for the specified purposes for which such floors are respectively used or designed to be used:

Dwelling houses and hotels [except public rooms having a floor area of over five hundred (500) square feet and corridors], fifty (50) pounds; unfinished attics used for storage purposes only, thirty (30) pounds; schoolhouses, except corridors and assembly halls, sixty (60) pounds; stairs, landings, platforms, fire escapes, office floors, places of public assembly and public buildings having permanent seats, seventy-five (75) pounds; stables, private garages and the portions of public garages not containing machinery, seventy-five (75) pounds; corridors of hotels, of public buildings and of schoolhouses and rooms in hotels exceeding five hundred (500) square feet in area, one hundred (100) pounds; retail stores and buildings for light manufacturing purposes, one hundred and twenty-five (125) pounds; places of public assembly and public buildings having movable seats, dance halls and gymnasiums, two hundred (200) pounds; warehouses and buildings for heavy manufacturing purposes, two hundred and fifty (250) pounds. Loads not included in the above classification shall be determined by the Inspector.

SECT. 31. The pressure upon brick masonry in walls or piers, of which the thickness or least dimension is more than one-sixth of the height, when lime mortar is used, shall not exceed eight (8) tons per square foot; with lime and cement mortar, twelve (12) tons per square

foot; with cement mortar, eighteen (18) tons per square foot. When the thickness or least dimension is between one-sixth and one-twelfth the height, and lime mortar is used, the pressure shall not exceed seven (7) tons per square foot; lime and cement mortar, ten (10) tons per square foot; with cement mortar, fifteen (15) tons per square foot.

On first class stone work laid in cement, pressures shall not exceed: on sandstone, thirty (30) tons per square foot; on marble or limestone, forty (40) tons per square foot; on granite, sixty (60) tons per square foot.

Hollow blocks of terra cotta or concrete when used for bearing walls shall have not more than fifty (50) per cent of cellular space. Concrete blocks shall not be used in construction until they have attained the age of twenty-eight days, or developed the strength required in this section. All building blocks shall be laid in Portland cement mortar.

The compressive strength of building blocks shall in all cases be calculated upon the gross area of the bedding faces, no account being taken of the cellular spaces. The average ultimate compressive strength for terra cotta blocks laid with cells vertical shall be not less than twelve hundred (1200) pounds per square inch; the average for concrete blocks laid with cells vertical shall be not less than eight hundred (800) pounds per square inch. Concrete blocks shall be not less than thirty-six (36) days old when tested. The average strength of the blocks as here given shall be obtained by testing ten blocks of average quality.

The allowable working stress of hollow building blocks shall not exceed one hundred (100) pounds per square inch of gross area for terra cotta blocks, or seventy-five (75) pounds per square inch of gross area for concrete blocks. If a wall be built of blocks with the cells horizon-

tal, the allowable working stress shall not exceed thirty (30) pounds per square inch of gross area.

The maximum stress in pounds per square inch in wood-work shall not exceed the following:

	Long-leaved Yellow Pine Oak and Locust	Other Woods
Direct tension on compr. or fiber str.	1,500	1,000
Direct comp. side grain . . .	500	300
Shear across fiber	1,200	800
“ with “	150	100
Short columns	1,000	700

Columns may be used with a length not exceeding forty (40) times the least dimension. The unit strain for lengths up to ten (10) times the least dimensions shall be as given in the above table, with a reduction of one hundred (100) pounds per square inch for every increase of ten in the ratio of length to least dimension.

The maximum stress in tension in cast iron, or tensile fiber stress in case of beams, shall not exceed three thousand (3000) pounds per square inch. The maximum compression in short pieces or compressive fibre stresses in beams shall not exceed sixteen thousand (16,000) pounds per square inch. Cast iron columns may be used with a length not exceeding twenty (20) times their least external diameter. The unit stress for lengths up to three (3) times their least diameter shall not exceed eleven thousand (11,000) pounds per square inch, with a reduction of five hundred (500) pounds per square inch for every increase of 3 in the ratio of length to least diameter.

In rolled steel the maximum stresses shall not exceed the following:

Tension and fiber stress, 16,000 lbs. per square inch; compression in columns, 13,000 lbs. per square inch.

Columns may be used with a ratio of length (1) to least radius of gyration (r) not exceeding 16, 1 being expressed in feet and the r in inches. The unit stress allowed shall be 13,000 pounds per square inch for $1/r$ from 2 to 4; 12,000 from 4 to 6; with a decrease of 1000 pounds for each succeeding increase of 2 in the ratio of 1 to r .

Shear in rivets, 10,000 lbs. per square inch; shear in rough bolts, 9000 lbs. per square inch; shear in web (stiffened), 8000 lbs. per square inch; bearing on rivets, 18,000 lbs. per square inch; bearing on rough bolts, 15,000 lbs. per square inch.

The maximum stresses in wrought iron shall not exceed seventy-five (75) per cent of those allowed in rolled steel.

Materials not specifically mentioned above shall not be allowed to carry stresses exceeding one-quarter the stresses which would cause fracture or cracks in specimens of such materials of average quality under similar conditions of loading. In cases of doubt of the strength of such materials, the owner may be required to make such tests as the Inspector shall deem necessary to determine the strength, said tests to be made in the presence of the Inspector or his authorized representative.

SECT. 32. Frame buildings veneered on the outside with four (4) inches of brick or stone work shall have such brick or stone work supported on a foundation of masonry, and shall be properly anchored to the frame structure. The height of any such veneer shall not exceed twenty-five (25) feet above the solid masonry.

SECT. 33. All hot air furnaces, low pressure boilers, and hot water heaters shall be placed at least two (2) feet from any wooden or combustible partition or ceiling, unless such partition or ceiling is properly protected by incombustible material, when the distance shall be not less than one (1) foot.

SECT. 34. No wood shall be placed within one (1) inch of any smoke flue or metal pipe used to convey hot air. No smoke pipe shall pass through any wood floor. No smoke pipe shall be placed nearer than twelve (12) inches to any woodwork unless it is properly guarded by metal shields; if so guarded smoke pipes shall be not less than six (6) inches distant. Where smoke pipes pass through a lath and plaster partition they shall be guarded by galvanized iron ventilated thimbles at least twelve (12) inches larger in diameter than the pipes, or by galvanized iron thimbles surrounded by solid masonry extending through the partition and eight (8) inches larger than the pipe. No smoke pipe shall pass through the roof of any building unless a special permit be first obtained from the Inspector of Buildings.

SECT. 35. Steam or hot water heating pipe shall not be placed within two (2) inches of any timber or woodwork, unless the timber or woodwork is protected by a metal shield; then the distance shall be not less than one (1) inch. All steam or hot water heating pipes passing through floors and ceilings or lathed and plastered partitions shall be protected by a metal tube one (1) inch larger in diameter than the pipe—having a metal cap at the floor.

All pipes or ducts used to convey air warmed by steam or hot water shall be of metal or other fireproof material. All steam and hot water pipe coverings shall consist of fireproof materials only.

SECT. 36. All walls, ceilings and partitions inclosing drying-rooms, when not made of fireproof material, shall be wire lathed and plastered, or covered with metal, tile or other hard, incombustible material.

SECT. 36 A: No portion of any building of third class construction to which the provisions of Chapter 635 of the Acts of 1912 do not apply shall be hereafter erected, enlarged, altered, or placed nearer than four (4)

feet to the line of any adjacent lot or to any other building of the first or second class; or nearer than eight (8) feet to any portion of any other building of the third class on the same lot, unless fireproof masonry walls, with openings protected as required by Section 36, are built next to the said lot or other building, such walls to be of thickness provided under Section 17.

SECT. 37. In first or second class buildings all openings in walls within four (4) feet of adjoining property lines shall be protected by metal shutters or by metal sash, frames and wire glass.

SECT. 38. Every building of the third class hereafter erected to form a block of two or more buildings shall have a wall of brick, or Portland cement concrete, or other equally substantial and approved fireproof material between adjoining buildings, completely separating same. Such walls to be of thickness specified in Section 17, carried to under side of roof boarding.

SECT. 38 A: Every dwelling to which the provisions of Chapter 635 of the Acts of 1912 do not apply shall have at least two independent means of egress.

ELECTRIC WIRING AND FIXTURES

SECT. 39. All wires, appliances and apparatus in the interior of a public building or on private premises, which are intended for the transmission of electricity and to be connected with an outside circuit, shall be made and at all times kept safe, and shall be placed, arranged, attached, changed and maintained by the person, firm or corporation owning or using the same, to the satisfaction of the Inspector of Wires appointed in accordance with the provisions of Chapter 337 of the Acts of the year 1899. The Inspector of Wires shall have access at all reasonable times to such wires, appliances and apparatus.

Before any person, firm or corporation shall arrange, fix, or essentially change any such wires, appliances and apparatus, the Inspector of Wires shall be notified and given full opportunity to inspect the said wires and their arrangement and fixtures before the same are covered or enclosed. Wires in the interior of buildings and on private premises shall not be connected with an outside circuit which crosses or runs along, over or under any street or way of the Town without written permission therefor having been first obtained from the Inspector of Wires.

Companies and contractors making any repairs on or installing any electric plants in the Town of Milton shall send a notice to the Inspector of Wires before the work is commenced.

All work and material must be supplied and installed in accordance with provisions of the National Electric code and any amendments or additions thereto.

GAS FIXTURES

SECT. 40. The burners of all gas fixtures shall be at least three (3) feet below any ceiling or woodwork, unless the same is properly protected by a shield, in which case the distance shall be not less than eighteen (18) inches. No gas bracket on any lath and plaster partition or woodwork shall be less than five (5) inches in length, measured from the burner to the plaster surface or woodwork.

SECT. 41. Gas pipes in any building or structure shall be installed in accordance with the rules and regulations prescribed by the company furnishing gas. All gas pipes shall be inspected and tested by the gas company before the pipes are covered, and a certificate of the same from the gas company shall be placed on file with the Inspector of Buildings by the owner of the building or his

representative. The method of installation of the gas pipes shall be subject to the approval of the Inspector of Buildings.

SECT. 42. Every hot water boiler hereafter installed, to be used for heating purposes, shall be provided with a safety or relief valve of a size not less than that known commercially as one-half ($\frac{1}{2}$) inch. Such valve shall be attached either directly to the boiler or to some pipe connected therewith at a point not more than one foot from the boiler.

REGULATIONS MADE BY THE FIRE ENGINEERS ACCORDING
TO THE PROVISIONS OF CHAPTER 32, SECTION 46 OF THE
REVISED LAWS IN REGARD TO CHIMNEYS, FLUES, FIRE-
PLACES AND HEATING PIPES.

SECT. 43. All chimneys hereafter erected shall be built of brick, stone or other incombustible material.

SECT. 44. All chimneys hereafter erected, if walls are less than eight (8) inches thick, shall be lined on the inside with terra cotta or tile pipe, made smooth on the inside from two (2) feet below girder, or from the throat of the fireplace, if the flue starts from the latter, and carried up continuously to the top. The ends of all such lining pipes shall be made to fit close together, and the pipe shall be built in, as the flue or flues are carried up. The walls shall be at least four (4) inches thick. No parging mortar shall be used on the inside of any fireplace, chimney or flue. The firebacks of all fireplaces hereafter erected shall be not less than eight (8) inches in thickness if of solid brickwork nor less than twelve (12) inches if of stone. When a grate is set in a fireplace, a lining of firebrick at least two (2) inches in thickness shall be added to the fireback, unless soapstone, tile or cast iron is used and filled solidly behind with fireproof material.

All chimneys shall extend at least three (3) feet above the highest point at which the chimney cuts the roof and at least six (6) inches above any roof surface within ten (10) feet in a horizontal line.

SECT. 45. Imitation fireplaces intended for use with gas or electricity and not having a flue shall be constructed throughout, including the hearth, of fireproof material not less than two (2) inches thick.

Hearths of all fireplaces and chimney breasts where mantels are placed shall be supported by trimmer arches of brick, stone, burnt clay or concrete at least eighteen (18) inches in width measured from the face of the finished chimney breast and not less than sixteen (16) inches longer than the width of the finished fireplace opening. Wooden centers under trimmer arches shall be removed before plastering the ceiling underneath. Hearths may be supported on steel cantilever beams built not less than sixteen (16) inches into the chimney.

SECT. 46. No chimney shall be supported by, started or built upon any woodwork.

In no case shall a chimney be corbelled out more than two-thirds the thickness of a wall to which it is attached, and in all such cases the corbellings shall consist of at least five course of brick. Where chimneys are supported by piers, the piers shall start from the foundation on the same line with the chimney breast, and shall be not less than twelve (12) inches on the face, properly bonded into the walls. When a chimney is to be cut off below, in whole or in part, it shall be wholly supported by stone, concrete, brick, iron or steel.

All chimneys which become dangerous in any manner whatever shall be repaired and made safe, or taken down.

SECT. 47. All hot air furnaces, low pressure boilers, and hot water heaters shall be placed at least two (2) feet from any wooden or combustible partition or ceiling,

unless such partition or ceiling is properly protected by incombustible material, when the distance shall be not less than one (1) foot.

SECT. 48. No wood shall be placed within one (1) inch of any smoke flue or metal pipe used to convey hot air. No smoke pipe shall pass through any wood floor. No smoke pipe shall be placed nearer than twelve (12) inches to any woodwork unless it is properly guarded by metal shields; if so guarded smoke pipes shall be not less than six (6) inches distant. Where smoke pipes pass through a lath and plaster partition they shall be guarded by galvanized iron ventilated thimbles at least twelve (12) inches larger in diameter than the pipes, or by galvanized iron thimbles surrounded by solid masonry extending through the partition and eight (8) inches larger than the pipes. No smoke pipe shall pass through the roof of any building unless a special permit be first obtained from the Inspector of Buildings.

SECT. 49. Steam or hot water heating pipe shall not be placed within two (2) inches of any timber or woodwork, unless the timber or woodwork is protected by a metal shield; then the distance shall be not less than one (1) inch. All steam or hot water heating pipes passing through floors and ceilings or lathed and plastered partitions shall be protected by a metal tube one (1) inch larger in diameter than the pipe—having a metal cap at the floor.

All pipes or ducts used to convey air warmed by steam or hot water shall be of metal or other fireproof material. All steam and hot water pipe coverings shall consist of fireproof materials only.

CHAPTER 8

THE REGULATION AND INSPECTION OF PLUMBING

SECTION 1. There shall be in the Town a department for the inspection of plumbing in accordance with the provisions of Chapter 103 of the Revised Laws.

SECT. 2. The word "Inspector" without further addition wherever used in this chapter means the Inspector of Plumbing.

SECT. 3. Every plumber before commencing work on any part of the drainage system in a building, except in the case of the repair of leaks, shall file at the office of the Inspector upon blanks provided for that purpose, a description of the proposed work. No such work shall be done in any building unless approved by the Inspector and after a permit is issued therefor. Permits to perform plumbing shall be issued only to master plumbers. Drawings of the proposed work shall be filed when required by the Inspector.

SECT. 4. No drainage, waste or ventilation pipes shall be covered or concealed in any way until the same have been examined and approved by the Inspector. Notice shall be sent to the Inspector when the work is sufficiently advanced for such inspection, and it shall be the duty of such Inspector, within two (2) working days after receiving such notice, to inspect the same; and in case any change therein shall be found necessary, he shall direct in writing the change to be made.

SECT. 5. All drainage, waste and ventilation pipes shall be subjected to the water test before the fixtures are set. After all the fixtures are set, said pipings and fixtures shall be subjected to pneumatic or other reliable pressure test. All such tests shall be made in the presence of the Inspector.

SECT. 6. The drainage and waste piping of every building shall be connected with the public sewer when such sewer is located in a street, way or other land adjacent to the lot upon which the building is located, if the sewer is within two hundred (200) feet of such building and is so located as to take the sewerage therefrom. If the building is more than two hundred (200) feet from

Acts of 1907.

[CHAP. 191.]

An Act to authorize the establishment of boards of survey in towns.

Accepted by the Town of Milton, March 5, 1913.

Be it enacted, etc., as follows:

SECTION 1. The selectmen of any town which accepts the provisions of this act shall constitute a board of survey for that town.

SECTION 2. Any person or corporation desiring to lay out, locate or construct any street or way in any town which accepts the provisions of this act, after the date of such acceptance, shall, before the beginning of such construction, submit to said board of survey suitable plans of such street or way, to be prepared in accordance with such rules and regulations as the board may prescribe. Upon the receipt of such plans, with a petition for their approval, the board shall give a public hearing thereon, after giving notice of such hearing by publication once a week for two successive weeks in a newspaper published in the town, the last publication to be at least two days before the hearing; and after such hearing the board may alter such plans and may determine where such street or way shall be located, and the width and grades thereof, and shall so designate on said plans. The plans shall then be approved and signed by the board and filed in the office of the clerk of the town, who shall attest thereon the date of the filing.

SECTION 3. The board of survey shall from time to time cause to be made under its direction plans of such territory or sections of land in any town which accepts the provisions of this act, as

the board may deem advisable, showing thereon the location of such street or ways, whether already laid out or not, as the board shall be of opinion that the present or future interests of the public require or will require in such territory, showing clearly the direction, width and grades of each street or way; and the board may employ such assistants and incur such expense in regard to said plans as it may deem necessary, not exceeding the amount of money appropriated by the town for the purpose. Before making any such plan the board shall give a public hearing as to the location, direction, width and grades of streets or ways in the territory to be shown on the plan, after giving notice of such hearing by publication once a week for two successive weeks in a newspaper published in the town, the last publication to be at least two days before the hearing, and shall, after making any such plan, give a like notice of hearing, and a hearing thereon, and shall keep the plan open to public inspection for one month after the first publication of notice of such hearing. After such hearing and after the alterations deemed necessary by the board have been made in such plan, the plan shall be marked as made under the provisions of this act, shall be signed by the board, and shall then be filed in the office of the clerk of said town, who shall attest thereon the date of such filing.

SECTION 4. The powers of the board of selectmen of any town which accepts the provisions of this act in regard to highways shall not be abridged by this act in any manner, except as provided in this section, and the powers given to them by this act shall be in addition to the powers now possessed by them. After the passage of this act no street or way in such town, shown on any plan filed as aforesaid, shall be laid out, located anew, altered or widened, and no such street or way, whether already or here-

after laid out, shall be constructed by any public authority, except in accordance with the provisions of this act. If any person or corporation shall hereafter open for public travel any private way the location, direction, width and grades of which have not previously been approved in writing by the board of survey in the manner provided for in this act, then neither the town nor any other public authority shall place any public sewer, drain, water pipe or lamp in, or do any public work of any kind on, such private way so opened to public travel contrary to the provisions of this act: *provided, however*, that these provisions shall not prevent the laying of a trunk sewer, water or gas main, if it be required by engineering necessities.

SECTION 5. If any building shall hereafter be placed or erected in any town which accepts the provisions of this act within the boundaries of any street or way shown on any plan filed with the town clerk as herein provided, or on land adjacent to any such street or way the grade of which at the time of placing or erecting such building is other than the grade shown on said plan, or on land adjacent to any street or way the plan and profile of which have not been approved by said board of survey, no damages caused to any building so placed or erected, by the construction of such street or way as shown on said plan, or caused to any building so placed or erected, or to the land upon which such building is placed or erected, by the subsequent change of grade of any street or way the plan of which has not been approved by said board of survey, shall be recovered by or paid to the owner of the whole or any part of the estate of which the land upon which said building so placed or erected formed a part at the date of the first publication of notice of hearing as aforesaid.

SECTION 6. Any town which accepts the provisions of this act may from time to time appropriate sums of money to be expended by the board of survey for carrying out the provisions of this act; but no expenditures shall be made in excess of such appropriations.

SECTION 7. Said board of survey, its officers and agents, may, so far as they deem it necessary in carrying out the provisions of this act, enter upon any lands and there make such examinations and surveys and place and maintain such monuments and marks as they may deem necessary; and any person whose property is injured by such entry or by such placing or maintaining, who fails to agree with the town as to the amount of his damages, may have them assessed and determined in the manner provided by law in the case of land taken for the laying out of highways in said town, on application at any time within one year after such entry or after such placing and maintaining.

SECTION 8. This act shall not be construed to authorize any taking or condemnation of land, or to render a town liable for damages of any kind, except for making entries upon land and for placing and maintaining monuments and marks as authorized by section seven, nor to authorize a town to lay out or to construct any way located on any of said plans, until such way has been laid out as a highway under other provisions of law.

SECTION 9. This act shall take effect upon its passage so far as to authorize the submission of the question of its acceptance to the voters of any town, but it shall not take further effect in any town until it has been accepted by a majority of the voters of such town present and voting thereon either at a special meeting called for the purpose, or at an annual meeting. [*Approved March 12, 1907.*]

the sewer or a sewer is not accessible, connection may be made with a proper cesspool, provided a permit is granted therefor by the Board of Health.

SECT. 7. The soil pipe of every building shall be of sufficient size to receive, and allow freely to pass, all that enters or should enter the same. All soil pipes shall be of extra heavy cast iron pipe. All drain and connecting ventilating pipes within the building shall be of sufficient size, and made of cast iron with leaded and caulked joints, but galvanized wrought iron pipe may be used for vent purposes. All pipes shall be properly secured to walls and ceilings with wrought iron hangers. Waste pipes shall be of cast iron, of lead, or of annealed brass of a thickness not less than No. 13 Stubbs gauge with brass or cast iron recessed fittings. No soil pipe of any building shall be less than four (4) inches inside diameter, except by written permission of the Board of Health. No vent pipe shall be less than one and a half ($1\frac{1}{2}$) inches inside diameter. No waste pipe shall be less than one and a quarter ($1\frac{1}{4}$) inches inside diameter.

SECT. 8. All drain pipes shall have a proper pitch, shall have an accessible clean-out, and shall extend to a point ten (10) feet outside of the cellar wall. The pipe from the sewer or cesspool to within ten (10) feet of the cellar wall shall have tight joints. The clean-out, if made accessible, may be placed outside of the cellar wall. All drain or ventilation pipes shall extend undiminished in inside diameter at least two (2) feet above the highest window on the roof. Every drain pipe, except a drain pipe from a building having but one sink, or but one sink with adjoining trays, shall have a suitable trap placed with an accessible clean-out at a reasonable distance from the point where such drain pipe leaves the building. All changes in direction of soil pipes shall be made by Y branches or by curved pipes. No ventila-

tion pipes on the outside of any building shall be less than two (2) inches inside diameter.

SECT. 9. All joints in iron drain pipes, soil or vent pipes shall be made by thoroughly caulking the same with molten lead. Joints of lead pipes with iron pipes shall be made by soldering the same into brass ferrules by means of a full sized wiped joint and caulking the ferrules to pipes which are of cast iron, or screwing them to pipes which are of wrought iron.

SECT. 10. Every water-closet, urinal, sink, basin, bath-tub, slop hopper, and every tray or set of four or less wash trays shall have a separate trap, placed as near the fixture as possible, except that when two sinks or two basins, or a sink and a set of four or less wash trays adjoin, one trap shall be sufficient. A basin and bath-tub adjoining shall each have a separate trap, and in no case shall the waste from the bath-tub or other fixtures be connected with the water-closet trap or water-closet lead outlet pipe.

All fixture traps shall be protected from syphonage or air pressure by special vent pipes having a diameter not less than the diameter of the waste pipe and connected with the waste pipe at a point not lower than the seal of the trap in such manner as to make the vent pipe a continuation of or a Y branch from the waste pipe, except that the highest fixture on a stack which extends through the roof shall not require such special vent pipe unless the length of the waste pipe from the trap of said fixture to the said stack exceeds three (3) feet. Vent pipes for water-closets shall be of not less than two (2) inches bore and may be connected with the water-closet waste pipe below the level of the trap seal. Two or more vent pipes may be connected together or with a soil pipe, but such connection with a soil pipe shall be above the uppermost fixture connected with such soil pipe. Lead

vent pipes may be used only where they are exposed to view.

SECT. 11. No drip or overflow pipes from safes under water-closets, urinals, or other fixtures, no overflow pipes from tanks or cisterns, no waste pipes from refrigerators or other receptacles in which food is stored, no rain water conductors, and no steam exhaust pipes, or steam waste pipes shall be connected with any soil pipe. No openings shall be allowed in the soil or waste pipe of any building for the purpose of receiving the surface drainage of the cellar except by permission of, and in a manner satisfactory to, the Board of Health. No brick, sheet metal, earthenware, or chimney flue shall be used as a sewer ventilator, or to ventilate any trap, drain, soil or waste pipe.

SECT. 12. Every water-closet shall be supplied with water from a tank or cistern, and shall have a flushing pipe of not less than one and a quarter ($1\frac{1}{4}$) inches inside diameter. Flushing valves attached directly to a water-closet may be used, but when used the method of installation shall conform in every particular to the requirements of the Inspector.

SECT. 13. Cesspools shall have a top of stone, or arched brick, with iron rim and cover, and may be laid up dry, unless otherwise ordered by the Board of Health.

SECT. 14. No water-closet shall be enclosed with any woodwork.

SECT. 15. None of the provisions of the foregoing sections of this chapter shall apply to the drainage systems of barns and stables, except so far as ordered by the Board of Health, and all drainage systems of barns and stables shall be constructed according to plans approved in writing by the Board of Health.

SECT. 16. Every closed tank or boiler hereafter installed, which is to be used for the storage and supply of hot water, shall, if fed by direct pressure from any source

outside of the building, have a safety or relief valve and a vacuum valve. Each valve shall be of a size not less than that known commercially as one-half ($\frac{1}{2}$) inch.

SECT. 17. Any person violating any of the provisions of Chapters numbered Seven and Eight shall be liable to a fine of not less than twenty (20) dollars nor more than one hundred (100) dollars for each offense, to be paid into the treasury of the Town of Milton.

SECT. 18. Upon the approval of Chapters 7 and 8 by the Attorney-General of the Commonwealth and the publication as required by law, they shall go into effect, and all building laws heretofore adopted by the Town shall be thereby repealed, except that in cases where permits have been issued prior to the approval and publication as above provided, the laws then existing shall govern the work to be performed under said permits.

CHAPTER 9

STREET RAILWAYS

SECTION 1. The annual report shall contain the following concerning the street railways in the Town and the street railway companies owning or operating the same, viz.:—

Copies or full statements of all locations granted to street railways during the preceding calendar year, with all the terms, conditions and modifications thereof, and the terms of any modifications granted during the year of locations previously granted.

A copy of all regulations in force as to the rate of speed, the mode, manner and extent of use of tracks, and the number and routes of cars of any and all such companies made by the Selectmen under the provisions of Sections 40 and 42 of Chapter 112 of the Revised Laws.

A statement of all taxes paid the Town by street railway companies during the preceding calendar year,

which by the terms of Section 47 of Chapter 14 of the Revised Laws are to be applied toward the construction, repair and maintenance of the public ways and removal of snow therefrom within the Town.

SECT. 2. Whenever the Selectmen are of the opinion that additional accommodations for the travelling public are required upon any street railway in the Town, and the company neglects or refuses to furnish the same at their request, it shall be their duty to petition the Board of Railroad Commissioners to order such additional accommodations to be provided under the terms of Section 70 of Chapter 112 of the Revised Laws.

CHAPTER 10

TOWN WAYS

SECTION 1. Every way that shall be laid out for the acceptance of the Town as a Town way shall be not less than thirty feet in width.

SECT. 2. Whenever an existing private way, the fee of which is in the abutters, shall be laid out for the acceptance of the Town as a Town way, the documents relating to such laying out shall be accompanied by a letter from the Selectmen, which shall be filed in the office of the Town Clerk, together with said documents, before such way shall be accepted. This letter shall state that such private way is well built; and that as constructed it is equal to the average construction of the existing highways of the Town.

SECT. 3. Whenever any way shall have been laid out or altered by the Selectmen, and accepted and allowed by the Town, no entry for the purpose of constructing any part of such laying out or alteration shall be made until all claims for damages by reason thereof shall have been finally adjusted or determined, unless such entry shall be authorized by special vote of the Town.

LEGISLATIVE ACTS ACCEPTED BY THE TOWN OF MILTON

MARCH 19, 1866. *Voted*, To establish a High School, according to the provisions of Section 2 of Chapter 38 of the General Statutes.

MARCH 2, 1874. *Voted*, To accept the provisions of Chapter 265 of the Acts of 1873, relative to public landing places in the Town of Milton.

MARCH 4, 1878. *Voted*, To accept the provisions of Sections 23 to 32 of Chapter 24 of the General Statutes, relative to the establishment of a board of fire engineers.

MARCH 3, 1879. *Voted*, To accept the provisions of Section 21 of Chapter 38 of the General Statutes, relative to the election of School Committee.

DECEMBER 8, 1879. *Voted*, To accept the provisions of Section 1 of Chapter 234 of the Acts of 1878, relative to truants and neglected children.

MARCH 5, 1883. *Voted*, To accept the provisions of Section 10 of Chapter 48 of the General Statutes, relative to truants and neglected children.

MARCH 7, 1881. *Voted*, To accept the Act of the Legislature, Chapter 158 of the Laws of 1871, entitled, "An Act to Provide for the Election of Road Commissioners."

MARCH 3, 1890. *Voted*, To accept the first nine sections of Chapter 51 of the Public Statutes, said chapter being entitled, "Of Betterments, and Other Assessments on Account of the Cost of Public Improvements."

FEBRUARY 12, 1891. *Voted*, To accept the Act authorizing towns and cities to lay out public parks within their limits; being Chapter 154 of the Acts of 1882.

MARCH 2, 1891. *Voted*, To accept the provisions of Chapter 386 of the Acts of 1890, relative to the election of Town Officers.

FEBRUARY 3, 1894. *Voted*, That the Town does hereby accept the provisions of Section 268 of Chapter 417 of the Acts of the Legislature of Massachusetts passed in the year 893, relative to the election of a separate Board of Assessors.

NOVEMBER 28, 1894. *Voted*, That the Town hereby accepts the provisions of Chapter 324 of the Acts of the Legislature of 1894, entitled, "An Act Relative to the Reservation of Spaces in Public Ways."

MARCH 4, 1895. *Voted*, That the Town hereby accepts the provisions of Chapter 309 of the Acts of 1885, entitled, "An Act Authorizing Cities and Towns to License Groves, to be Used for Picnics and Other Lawful Amusements."

MARCH 4, 1895. *Voted*, That the Town hereby accepts the provisions of Section 272 of Chapter 417, Acts of the Legislature of 1893, relating to the election of Sewer Commissioners in towns.

MARCH 4, 1895. *Voted*, That the Town hereby accepts the provisions of Chapter 462 of the Acts of the Legislature of 1893, entitled "An Act to Authorize the Establishment of a Building Line on Public Ways."

MARCH 4, 1895. *Voted*, That the Town hereby accepts the provisions of Chapter 218 of the Acts of the Legislature of 1894, as amended by Chapter 473 of the Act of the same year, being "An Act Relative to the Election of Boards of Health in Towns."

MARCH 4, 1895. *Voted*, That the Town hereby accepts the provisions of Sections 20 and 21 of Chapter 50 of the Public Statutes, relating to the establishment and grading of sidewalks, by the Selectmen.

JUNE 29, 1895. *Voted*, That the Town accept the provisions of Chapter 304 of the Acts of 1895, entitled, "An

Act to Authorize the Town of Milton to Construct One or More Systems of Sewerage."

MARCH 1, 1897. *Voted*, That the Town accept Chapter 101 of the Public Statutes, entitled, "Of the Suppression of Common Nuisances."

MARCH 1, 1897. *Voted*, That the provisions of Chapter 481 of the Acts of the year 1894, be accepted, entitled, "Regulation and Inspection of Buildings."

MARCH 5, 1900. *Voted*, That Chapter 344, Acts of 1899, entitled, "An Act to Make Eight Hours a Day's Work for City and Town employees," be accepted.

MARCH 3, 1902. *Voted*, That the Town accept Section 18 of Chapter 122 of the Revised Laws, relative to the appointment of an Inspector of Wires.

MARCH 3, 1902. *Voted*, That the Town accept Chapter 38 of the Revised Laws of Massachusetts, relative to the election of a treasurer of Public Library Trustees.

JULY 14, 1902. *Voted*, To accept Chapter 307 of the Acts of 1902, entitled, "An Act to Supply the Town of Milton with Water."

AUGUST 16, 1902. *Voted*, To accept Sections 58 to 64, inclusive, of Chapter 48 of the Revised Laws, relative to jurisdiction of towns over highways and county bridges.

MARCH 2, 1903. *Voted*, To accept Sections 20 and 21, of Chapter 25 of the Revised Laws of Massachusetts, relating to public baths, etc.

MARCH 2, 1903. *Voted*, To accept Section 339 of Chapter 11 of the Revised Laws, and Acts in amendment thereof and in addition thereto, relative to the election of Overseers of the Poor.

MARCH 7, 1904. *Voted*, To accept Section 70 of Chapter 75 of the Revised Laws, relating to privy vaults.

MARCH 6, 1905. *Voted*, To accept Chapter 103 of the Revised Laws, relative to supervision of plumbing.

JULY 21, 1905. *Voted*, To accept Chapter 381 of the Acts

of 1905, relative to the suppression of gypsy and brown-tail moths.

MARCH 1, 1909. *Voted*, To accept the provisions of Chapter 476, Acts of 1908, relative to vacations of members of Police departments.

MARCH 7, 1910. *Voted*, To accept the provisions of Section 43 of Chapter 49 of the Revised Laws, relative to the grading and construction of sidewalks.

MARCH 4, 1911. *Voted*, To accept the provisions of Section 359 of Chapter 560 of the Acts of 1907, relative to the election of Moderator for the term of one year.

MARCH 4, 1911. *Voted*, To accept the provisions of Section 362 of Chapter 560 of the Acts of 1907, relative to the number of Constables to be elected.

NOVEMBER 7, 1911. *Voted*, To accept Chapter 634, Acts of 1911, authorizing counties to establish retirement systems for employees.

MARCH 11, 1912. *Voted*, To accept Chapter 146 of the Acts of 1911, authorizing the Town to establish an Art Commission.

MARCH 11, 1912. *Voted*, To accept the provisions of Chapter 468 of the Acts of 1911, relative to the extension of the Civil Service Act to the Chiefs of Police in certain cities and towns.

MARCH 11, 1912. *Voted*, To accept the provisions of Chapter 314 of the Acts of 1911, relative to authorizing the School Committee to spend money for the supervision of sports.

MARCH 11, 1912. *Voted*, To accept the provisions of Chapter 367 of the Acts of 1911, relative to the use of school halls for other than school purposes.

NOVEMBER 5, 1912. *Voted*, To accept the provisions of Chapter 503 of the Acts of 1912, an Act relative to pensioning laborers in the employ of cities and towns.

MARCH 3, 1913. *Voted*, To accept the provisions of

Chapter 327 of the Acts of 1904, relative to the pensioning of permanent members of the Police and Fire Departments.

MARCH 3, 1913. *Voted*, To accept Chapter 498, Acts of 1908, entitled An Act to Authorize Cities and Towns to Establish Pension Funds for Teachers in the Public Schools.

MARCH 4, 1913. *Voted*, To adopt Chapter 635 of the Acts of 1912, known as the Tenement House Act for Towns.

MARCH 4, 1913. *Voted*, To accept the provisions of Chapter 191 of the Acts of 1907, authorizing the establishment of Boards of Survey in Towns.

MARCH 2, 1914. *Voted*, To accept Chapter 807 of the Acts of 1913, being an Act to provide for compensating laborers, workmen and mechanics for injuries sustained in public employment, and to exempt from legal-liability counties and municipal corporations which pay such compensation.

MARCH 2, 1914. *Voted*, To accept the provisions of Section 42 of Chapter 514 of the Acts of 1909, as affected by Chapter 494 of the Acts of 1911, which provide that eight hours shall constitute a day's work for city or town employees.

MARCH 13, 1915. *Voted*, To accept the Act provided for in Chapter 296 of the Legislative Enactments of 1913 and to establish the office of Bird Warden provided under this Act.

MARCH 10, 1917. *Voted*, To accept Chapter 15, Special Acts of 1917. "An Act authorizing the Town of Milton to revoke the reserved space for the use of street railways in a part of Blue Hill Avenue."

MARCH 2, 1918. *Voted*, To accept Chapter 140, General Acts of 1917, amending Chapter 291, General Acts of 1916. "An Act relative to the tenure of office of

chiefs of fire departments in the Metropolitan Fire Prevention District."

MARCH 2, 1918. *Voted*, To accept Chapter 575 of the Acts of 1913. "An Act authorizing the furnishing of lunches for school children at a price not exceeding cost."

MARCH 9, 1918. *Voted*, To accept Chapter 305 of Special Acts of 1917, relative to the management and use of the property received under the will of Edwin D. Wadsworth and to other matters.

MARCH 8, 1919. *Voted*, To accept the provisions of Special Act of 1919, Chapter 16 entitled: "An Act to authorize the Town of Milton to pay an annuity to Katherine K. McDermott, widow of Thomas F. McDermott."

MARCH 8, 1919. *Voted*, To accept the provisions of Special Act of 1919, Chapter 17, entitled: "An Act to authorize the Town of Milton to pay an annuity to Catherine M. Moran, widow of Patrick Moran."

G. FRANK KEMP,
Town Clerk.

IN THE BOARD OF SELECTMEN

MILTON, September 6, 1918.

ORDERED that the following rules are hereby adopted for the regulation of carriages and vehicles in the Town of Milton, however propelled.

RULE 1. Every person having charge or control of any carriage or other vehicle, upon a public street, shall stop, place, change the position of, or move such carriage or other vehicle as directed by any police officer.

RULE 2. Every person having charge or control of a carriage or other vehicle, upon a public street, shall comply with and obey the directing upon all signs, movable posts or mechanical devices placed by direction of the Board of Selectmen or by a police officer on or near such street, unless otherwise directed by a police officer.

RULE 3. All carriages or other vehicles stopping in any business section must stand near to and parallel with the right-hand curb, unless it is necessary for the purpose of loading or unloading said vehicle to back up to the curb. By the words "business section" is meant any section of a street in the Town where two or more stores or shops for the sale of goods, wares or merchandise are located within 100 feet of each other.

RULE 4. No carriage or other vehicle shall remain backed up to the curb except when actually loading or unloading, and the horse thereof, if it be a horse-drawn vehicle, shall be turned in the direction of traffic and parallel with the curb.

RULE 5. Unless in an emergency or to allow another vehicle or a pedestrian to cross a street, no carriage or other vehicle shall stop in any public street except close to the curb.

RULE 6. No carriage or other vehicle shall stop in such a way as to obstruct any street or crossing or within ten feet of a fire hydrant, street corner, electric car or pole stop, except in case of emergency or when directed to do so by a police officer.

RULE 7. The operator of a motor vehicle shall under no circumstances cut out the muffler while on a public street.

RULE 8. A carriage or other vehicle when turning to the right into another street shall slow down and keep as near to the right-hand curb as possible.

RULE 9. A carriage or other vehicle in turning to the left into another street shall slow down and pass to the right of and beyond the center of the intersecting streets before turning.

RULE 10. A carriage or other vehicle crossing from one side of the street to the other, except for the purpose of passing other vehicles or because of dangers in the street, shall do so by turning to the left, so as to head in the general direction of traffic after it has crossed the street.

RULE 11. The words "carriage or other vehicle" herein shall include horses hitched to vehicles, horses ridden or led, motor vehicles of all kinds, bicycles, tricycles propelled by hand, and everything on wheels or runners except street cars and light carriages for the conveyance of children.

Whosoever violates any of the provisions of the foregoing rules and regulations shall be punished by a fine not exceeding twenty dollars (\$20 for each offense.

MAURICE A. DUFFY,

JAMES F. MITCHELL,

JACOB A. TURNER,

Selectmen of Milton.

MILTON TOWN RECORDS IN THE MUNICIPAL YEAR 1919

MARCH MEETING

WARRANT

COMMONWEALTH OF MASSACHUSETTS, NORFOLK, SS.

To either of the Constables of the Town of Milton, Greeting:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Milton qualified to vote in Town affairs to meet at the Town Hall in said Milton upon the first day of March next at fifteen minutes before six o'clock in the forenoon, then and there to act upon the following articles, to wit:

ARTICLE 1. To choose by ballot the following Town officers: Moderator, Town Clerk, 3 Selectmen, Assessor, Overseers of Poor, Treasurer, 2 Auditors, Collector of Taxes, Constables, Sewer Commissioner, Member of Board of Health, 2 Members of School Committee, Water Commissioner, Cemetery Trustees, Park Commissioner, 3 Trustees of Public Library, Tree Warden.

The following appointments of Ballot Clerks and Tellers were made by the Selectmen to serve at said meeting, viz:

Ballot Clerks: Thomas M. Lennon, Clyde L. Whittier, Charles F. Thompson, Edwin J. Fairbank, Charles E. Whelan, Wallace C. Tucker, James Sangster.

Tellers: Peter A. Barry, Jr., Charles E. Cross, John L. Kelly, Robert J. Duncan, Joseph F. Donovan, Walter I. Marsden, Richard C. Mulroy, Lewis B. Currier, John T.

Forde, Jr., C. Fred Joy, Jr., James C. Burke, Leon A. Minot, Frank I. Jordan, James J. Kersey, Edwin W. Hurd, Prescott Skinner, Henry F. Brierly, Joseph J. Mullen, Ralph Eaton, John J. Colgan, Roy C. Blackburn, Patrick F. Healey.

All of the above-named Ballot Clerks and Tellers were sworn by the Town Clerk.

At 4.04 o'clock P.M., *Voted*, To close the Polls for Town officers in ten minutes.

Polls closed at 4.14 o'clock P.M.

All ballots cast for Town officers having been sorted, counted, declared and recorded, the result being as hereby appended, and the following officers chosen, viz:

Maurice A. Duffy, James F. Mitchell, Jacob A. Turner, Selectmen and Surveyors of Highways.

G. Frank Kemp, Town Clerk.

Clarence Boylston, Assessor.

J. Porter Holmes, Town Treasurer.

Leonard M. Patton, J. Henry Scott, School Committee.

Josiah Babcock, Collector of Taxes.

Frederick N. Krim, J. Herbert Raymond, Auditors.

Bernard W. Trafford, Park Commissioner.

William S. Febiger, Sewer Commissioner.

Chauncey C. Nash, Water Commissioner.

Stephen B. Ames, Board of Health, 3 years.

Proctor K. Browne, Board of Health, 1 year.

Peleg Bronsdon, George W. Higgins, Timothy McDermott, Maurice Pierce, Constables.

Nathaniel T. Kidder, Alexander McAdie, Frederic M. Stone, Trustees of Public Library.

Samuel Gannett, Trustee of Cemetery, 5 years.

Ellerton P. Whitney, Trustee of Cemetery, 1 year.

Ralph S. Carpenter, Tree Warden.

Albert D. Smith, Edith E. Stebbins, Overseers of Poor.

Robert F. Herrick, Moderator.

Lincoln Bryant, Trustee of Wadsworth Fund, 3 years.

ARTICLE 2. To vote "Yes" or "No" in answer to the question, "Shall licenses be granted for the sale of intoxicating liquors in this Town?" The polls will remain open until four o'clock in the afternoon, after which time a vote may be passed to close them in not less than ten minutes. In accordance with the By-Laws the meeting will then be adjourned until Saturday, March eighth, next at one thirty o'clock P.M., to consider the following articles.

Voted, That no license for the sale of intoxicating liquors be granted in this Town. The vote being as follows: Yes, 149; No, 665; Blanks, 183.

The following question was submitted to the voters on the ballot and was not accepted by the Town the result being as follows:

Shall Chapter 15, Special Acts of 1919, be accepted by this town?

"An Act relative to Pensioning Call Members of the Fire Department of the Town of Milton."

Yes, 314; No, 394; Blanks, 239.

The result of the ballot was declared at 7 o'clock and 14 minutes P.M., and the meeting adjourned until March 8, 1919, at 1.30 P.M.

ADJOURNED MEETING, MARCH 8, 1919.

ARTICLE 3. To choose all such Town officers as are not required by law to be chosen by ballot.

The following officers were elected *viva voce*, viz: Ralph E. Forbes, Bird Warden; George E. Burt, Horace B. Horne, Surveyors of Lumber.

ARTICLE 4. To hear and act upon the Auditors' report, and reports of other Town officers and committees.

Voted, That the Auditors' (printed) Report, also the report of the Committee on School Buildings contained therein be accepted and placed on file.

The following reports of the Blue Hill Avenue Special Committee and Special Committee on Permanent Construction were read by the Moderator and accepted and placed on file.

BLUE HILL AVENUE SPECIAL COMMITTEE.

To the Citizens of Milton:

The Blue Hill Street Railway Company have removed the tracks on the westerly side of Blue Hill Avenue from Brush Hill Road to Cheever Street, and the abutting property owners and traveling public have been relieved of a source of annoyance for a number of years. This work was accomplished without any expense to the Town.

Respectfully submitted,

MAURICE A. DUFFY,

JAMES F. MITCHELL,

JACOB A. TURNER,

W. RODMAN PEABODY,

JOHN A. EWELL.

To the Citizens of Milton:

Through an oversight the subject matter of Article 13, was not considered.

Very truly yours,

MAURICE A. DUFFY,

JAMES F. MITCHELL,

JACOB A. TURNER,

ROBERT H. HALLOWELL,

SIDNEY A. PARSONS,

And you are directed to warn said inhabitants qualified as aforesaid, to meet at the time and place and for the purpose herein mentioned, by posting attested copies of this Warrant in each of the post-offices of said Town fourteen days at least before said meeting, and leaving printed copies hereof at the dwelling-houses of said Town at least four days before said meeting.

Hereof fail not, and make due return of this Warrant with your doings thereon, to the Town Clerk at the time and place of said meeting.

Given under our hands at Milton the 14th day of February, nineteen hundred and nineteen.

MAURICE A. DUFFY,

JAMES F. MITCHELL,

JACOB A. TURNER.

Selectmen of Milton.

COMMONWEALTH OF MASSACHUSETTS, NORFOLK, SS.

MILTON, March 1, 1919.

Pursuant to the within Warrant I have notified the inhabitants of the Town of Milton, as within directed, to meet at the time and place and for the purposes therein mentioned, by posting attested copies of the same in the post-offices of the Town and leaving copies at the dwellings of the inhabitants.

PELEG BRONSDON,
Constable of Milton.

March 8, 1919, at 4.45 P.M., *Voted*, That the meeting be dissolved.

The foregoing meeting was opened March 1, 1919, at 5.45 A.M., by the Town Clerk (who proceeded to read the Warrant); upon the conclusion of the reading of the second Article it was moved that further reading of the Warrant be dispensed with. Said motion being put was unanimously carried and the further reading of the Warrant (except the concluding paragraphs) was dispensed with.

The total number of ballots cast at the aforesaid meeting was 1,371, of which 374 were cast by women voters for School Committee.

A true record.

Attest:

G. FRANK KEMP,
Town Clerk.

SEPTEMBER PRIMARY

WARRANT

COMMONWEALTH OF MASSACHUSETTS. NORFOLK, SS.

To either of the Constables of the Town of Milton, Greeting:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of Milton qualified to vote at elections, to meet in the Town Hall in said Milton, on Tuesday the twenty-third day of September, 1919, at four o'clock in the afternoon, then and there to bring in their ballots to the Primary Officers for the nomination of candidates of political parties for the following offices: Governor, Lieutenant-Governor, Secretary, Treasurer and Receiver-General, Auditor, Attorney-General, all for this Commonwealth, Councillor for the Second Councillor District, Senator for the Norfolk Senatorial District, Representative in the General Court for the Fourth Norfolk District, County Commissioner for the County of Norfolk, Two Associate Commissioners for the County of Norfolk, District Attorney for the County of Norfolk, County Treasurer for the County of Norfolk to fill vacancy; and for the election of the following officers; District Member of the State Committee for each political party for the Norfolk Senatorial District; Members of the Democratic Town Committee; Members of the Republican Town Committee; Delegates to the State Convention of both Political Parties.

All the above candidates and officers are to be voted for upon one ballot.

The polls may be closed at nine o'clock, P.M.

And you are directed to warn the inhabitants qualified as aforesaid to meet at the time and place and for the purposes herein mentioned, by posting attested copies of this Warrant in each of the post-offices of said Milton at least fourteen days before the date of said meeting.

Hereof fail not, and make due return of this Warrant with your doings thereon, to the Town Clerk at or before the time of said meeting.

Given under our hands at Milton, this fifth day of September, nineteen hundred and nineteen.

MAURICE A. DUFFY,

JAMES F. MITCHELL,

JACOB A. TURNER.

Selectmen of Milton.

COMMONWEALTH OF MASSACHUSETTS.

NORFOLK, SS.

MILTON, September 23, 1919.

Pursuant to the within Warrant I have notified the inhabitants of the Town of Milton as therein directed, to meet at the Town Hall in said Milton upon the date above mentioned, for the purposes therein set forth.

Ballot Clerks: Republican; Wallace C. Tucker, Edwin J. Fairbank, Charles F. Thompson, Frank W. Johnson, James Sangster.

Democratic: Thomas M. Lennon, John L. Kelly, W. Russell Pierce.

Tellers: Republican: Clarence L. Dutton, Prescott Skinner, J. Arthur Spencer, Henry F. Brierly, Charles E. Cross, George Kelly, Walter A. Cheney, Robert J. Duncan, William H. Hooper, William H. McGee.

Democratic: John H. Donovan, Richard C. Mulroy, Walter M. Donovan, Edward A. Haley, Joseph J. Mullen, Frank I. Jordan, Francis J. Ward, Charles E. Peters, Peter A. Barry, Jr.

All of the above named Ballot Clerks and Tellers were sworn by the Town Clerk before entering upon their duties.

Whole number of ballots cast was eight hundred and forty-five; Republican, eight hundred and eleven; Democratic, thirty-four.

At 12.30 A.M., September 24, 1919, *Voted*, That the meeting be dissolved.

A true record.

Attest:

G. FRANK KEMP,
Town Clerk.

SPECIAL OCTOBER MEETING

WARRANT

COMMONWEALTH OF MASSACHUSETTS.

NORFOLK, SS.

To either of the Constables of the Town of Milton, Greeting;

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Milton qualified to vote in Town affairs to meet at the Town Hall in said Milton upon Tuesday, the Twenty-first day of October, 1919, at eight o'clock in the evening, then and there to act upon the following article:

ARTICLE I. To see if the Town will amend the vote passed at the adjourned annual Town Meeting on March 8, 1919, under Article 52 of the Warrant for said meeting, so as to reduce the amount appropriated for the payment of the cost of the Town's share of the Norfolk County Tuberculosis Hospital from \$48,373.08 to \$31,915.34, which last named sum is the Town's portion of said cost as finally fixed by the County Commissioners on August 5, 1919, and so as to make new provision in substitution for the bond issue authorized by said vote for the raising by borrowing or otherwise of that part of the Town's revised portion of the said cost, viz: \$23,542.26, which has not been included in the current tax levy or take any other action in relation to the foregoing.

And you are directed to warn the inhabitants qualified as aforesaid to meet at the time and place and for the

purpose herein mentioned, by posting attested copies of this Warrant in each of the post-offices of said Town, fourteen days at least before said meeting, and leaving printed copies hereof at the dwelling-houses in said Town at least four days before said meeting.

Hereof fail not, and make due return of this Warrant with your doings thereon, to the Town Clerk, at the time and place of said meeting.

Given under our hands this Third day of October, Nineteen hundred and Nineteen.

MAURICE A. DUFFY,

JAMES F. MITCHELL,

JACOB A. TURNER,

Selectmen of Milton.

COMMONWEALTH OF MASSACHUSETTS,

NORFOLK, SS.

Milton, October 21, 1919.

Pursuant to the within Warrant I have notified the inhabitants of the Town of Milton as therein directed, to meet at the Town Hall in said Milton upon the date above mentioned, for the purpose therein set forth.

PELEG BRONSDON,

Constable of Milton.

The foregoing meeting was opened October 21, 1919 at 8 o'clock P.M., by the Town Clerk who read the Warrant.

Felix Rackemann was chosen Moderator *pro tem*.
The following vote was passed under Article I.

Voted, That the vote passed at the adjourned annual

Town Meeting on March 8, 1919, under Article 52 of the Warrant for said meeting, be and the same is hereby amended so as to reduce the amount appropriated for the payment of the cost of the Town's share of the Norfolk County Tuberculosis Hospital from \$48,373.08 to \$31,915.34, which last named sum is the Town's share of said cost as finally fixed by the County Commissioners on August 5, 1919, and that \$42.26 of that portion of the revised appropriation which has not been included in the current tax levy be paid from the appropriation for the Contingent Fund, and that the remainder, namely \$23,500 be raised by issuing bonds or notes of the Town in substitution for the bonds authorized by the said vote passed March 8, 1919, bearing interest at a rate not exceeding five (5) per cent per annum, for which purpose the Town Treasurer, under the direction of the Selectmen, is hereby authorized to issue and sell bonds to an amount of \$23,500, dated November 1, 1919, maturing \$5,000, on November 1st. of each year of the years 1920 to 1923 inclusive and \$3,500 maturing on November 1st, of the year 1924. Said bonds shall state on their face that they are exempt from taxation in Massachusetts, and shall be denominated "Town of Milton, Tuberculosis Hospital Loan," and shall not be obligatory unless the certificate of the First National Bank of Boston, of Boston, Massachusetts, or such other bank or trust company as said Selectmen shall designate, be signed thereon. All other particulars as to form, insurance and sale of said bonds, except as prescribed by law, shall be determined by the Selectmen and the Town Treasurer. For the purpose of meeting maturing principal and interest payments of said bonds, there shall be raised by taxation each year an amount sufficient to pay such principal and interest

payments coming due each year until all of said bonds be paid in full.

Result of vote: Yes, 34; No, 0.

At 8.13 p.m., *Voted* to adjourn.

A true record.

Attest:

G. FRANK KEMP,
Town Clerk.

NOVEMBER MEETING

WARRANT.

COMMONWEALTH OF MASSACHUSETTS,

NORFOLK, SS.

To either of the Constables of the Town of Milton, Greeting

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of the Town of Milton, qualified to vote at elections, to meet in the Town Hall in said Milton on Tuesday, the fourth day of November next, it being the Tuesday after the first Monday in said November, at five forty-five o'clock in the forenoon, then and there to bring in their ballots for Governor, Lieutenant Governor, Secretary of State, Treasurer and Receiver-General, Auditor, Attorney-General, all of this Commonwealth; Councillor for the Second District; Senator for the Norfolk Senatorial District; Representative in the General Court for the Fourth Norfolk District; County Commissioner and Two Associate County Commissioners for the County of Norfolk; District Attorney for the County of Norfolk; County Treasurer for the County of Norfolk to fill vacancy; also to see if the Town will vote on the acceptance of the following questions:

Acceptance of the rearrangement of the Constitution of the Commonwealth, submitted by the Constitutional Convention.

Acceptance of Chapter 311, General Acts of 1919, entitled, "An Act relative to the establishment and

maintenance of continuation schools and courses of instruction for employed minors.”

Acceptance of Chapter 116, General Acts of 1919, entitled, “An Act to authorize savings banks and institutions for savings, and trust companies having savings departments, to place deposits on interest monthly.” Referendum.)

All to be voted for on one ballot.

The polls may be closed at 4 o'clock, P.M.

And you are directed to warn said inhabitants, qualified as aforesaid, to meet at the time and place for the purposes herein mentioned, by posting attested copies of this Warrant in each of the post-offices of said Milton at least fourteen days before the date of said meeting and leaving printed copies hereof at the dwelling-houses in said Milton at least four days before said meeting.

Hereof fail not, and make due return of this Warrant, with your doings thereon, to the Town Clerk, at or before the time of said meeting.

Given under our hands at Milton, this Seventeenth day of October, Nineteen Hundred and Nineteen.

MAURICE A. DUFFY,

JAMES F. MITCHELL,

JACOB A. TURNER,

Selectmen of Milton.

COMMONWEALTH OF MASSACHUSETTS.

NORFOLK, SS.

MILTON, November 4, 1919.

At 4 o'clock P.M., *Voted*, To close the polls in five minutes.

At 4.05 PM. polls were closed.

At 4.35 P.M. *Voted*, To dissolve the meeting.

Whole number of ballots cast: 1713

A true record.

Attest:

G. FRANK KEMP,
Town Clerk.

Fourth Norfolk Representative District

We the undersigned Town Clerks of the towns of Canton, Westwood, and Milton, comprising Representative District Number Four in the County of Norfolk, hereby certify: That at an election duly held in said towns upon the fourth day of November, A.D. 1919, for a candidate to represent said district at the next General Court, the following number of votes were given in for the persons hereinafter named, to wit:

Talbot Aldrich of Canton, eighteen hundred and thirty-six votes.

John J. O'Brien of Canton, nine hundred and thirty-nine votes.

Blanks, two hundred and one.

Given under our hands at Canton, this fourteenth day of November, A.D. 1919.

WALTER AMES,

W. W. BAKER,

G. FRANK KEMP,

Town Clerks of Canton, Westwood and Milton.

REPORT OF COMMITTEE ON MOTORIZATION OF FIRE DEPARTMENT

MILTON, MASS., February 2, 1920.

To the Honorable Board of Selectmen:

GENTLEMEN:—The committee appointed on motorization of the Fire Department, met and organized on March 11, 1919.

Competitive bids were called for on new apparatus in accordance with specifications prepared by Chief J. Harry Holmes. After these were submitted they were given careful consideration by the committee. The contract was awarded late in March to the American La France Fire Engine Company for a Combination Chemical and Hose Wagon which was delivered to the Fire Department in August.

For use at brush fires and for demands of a similar character it was decided that by the purchase of a lighter piece, that the heavier and more expensive apparatus of the department, could be saved much wear and possible damage.

Consequently after competitive bids were received and considered, a contract was awarded to the Oldsmobile Company of Massachusetts, for one, three-quarter ton truck chassis. Upon the receipt of this chassis in October, 1919, the employees of the Fire Department attached the body of the old combination Chemical and Hose Wagon, which has made a well equipped and convenient piece

of medium weight, that has proved a most useful addition to the department.

A statement of the receipts and expenditures authorized by the committee follows.

MOTORIZATION OF FIRE DEPARTMENT ACCOUNT

Appropriation	\$9,000 00	
Received from the sale of old apparatus, horses, wagons, etc.	960 00	\$9,960 00

EXPENDITURES

Gasoline tanks and pumps.	\$177 24	
Alteration of Fire House at East Milton	261 45	
American La France combination Hose and Chemi- cal Wagon.	7,820 75	
2 Rectifiers, electric lanterns, miscellaneous supplies, etc.	181 86	
Oldsmobile, $\frac{3}{4}$ -ton truck chassis also necessary springs and parts to attach old body of Chemical apparatus, for use in brush fire work, etc.	1,447 00	9,888 30
Balance		\$71 70

(Signed) J. HARRY HOLMES, *Chairman.*
 PHILIP S. DALTON,
 WILLARD A. HODGES,
 MAURICE A. DUFFY,
 JOHN P. ILSLEY, *Secretary.*

REPORT OF COMMITTEE ON SCHOOL BUILDINGS

MILTON, January 20, 1920.

To the Citizens of Milton:

Supplementing its final report of January 11, 1919, in which the Committee on School Buildings stated that all appropriations had been expended with the exception of \$86.25 contracted for but withheld until specified fittings could be installed, the Committee reports that the fittings have now been installed and the \$86.25 withheld has now been expended, and the Committee asks that it be discharged.

Respectfully submitted,

PERCY E. SHELDON, *Chairman.*

HARRIS KENNEDY, *Secretary.*

MALCOLM DONALD,

REGINALD L. ROBBINS,

Committee.

REPORT OF COMMITTEE ON PERMANENT WAR MEMORIAL

To the Honorable Board of Selectmen:

GENTLEMEN:—It became the duty of this committee, as stated in your letter of appointment dated November 27, 1918, “to consider a permanent memorial to those soldiers and sailors of our Town who have given up their lives in the late war in the cause of liberty.” The committee as appointed consisted of:

H. Clifford Gallagher	Maurice A. Duffy
Nathaniel T. Kidder	Robert F. Herrick
Freeland D. Leslie	James F. Mitchell
John F. Perkins	Roderick Stebbins
Arthur H. Tucker	Jacob A. Turner
George Wigglesworth	

At a meeting held in January it was voted:—

“That it is the sense of this meeting that the proposed memorial in the Town of Milton be dedicated not only to those men and women who gave their lives in the service of the United States, but also to all those who served in the Army or Navy in the world war of 1914-18.”

Efforts to get an expression of the thought of the citizens in regard to a memorial, brought out a number of replies, and a variety of suggestions. All these suggestions, together with other plans, were discussed and carefully considered by the committee at several meetings during the spring months.

In May it was decided to submit to the voters very

briefly the three propositions which were then being most favorably considered, thus giving to each voter, having a choice, an opportunity to express it.

This was done through the mail by reply postal cards, after publishing in the Milton Record a statement of what the committee desired. The three suggestions most favorably considered may be briefly described as they appeared on the postal cards which were printed as follows:—

MILTON, May 9, 1919.

The Committee on Permanent War Memorial wishes to know the sentiment of the citizens regarding several plans which have been suggested for a fitting Memorial to Milton's soldiers.

Suggestion No. 1.—A Memorial Town Hall, which may cost approximately \$400,000.

Suggestion No. 2.—A park of about forty acres at Turner's Pond, the cost of acquiring the area in its present condition being about \$130,000.

Suggestion No. 3.—A soldiers' monument, which may cost \$50,000 or more.

Kindly fill out and sign the attached card.

Committee on Permanent War Memorial.

Are you in favor of Suggestion No. 1? { Yes

For Memorial Town Hall { No

Are you in favor of Suggestion No. 2? { Yes

For Public Park { No

Are you in favor of Suggestion No. 3? { Yes

For Soldiers' Monument { No

Is there some other plan which you would prefer?

Sign here

While the results obtained by this questionnaire cannot be regarded as a conclusive record of the public thought, they undoubtedly indicate to some degree how the citizens feel in regard to a public memorial. 1975 cards were sent out to the male voters of the town—690 replies have been returned, which may be tabulated as follows:—

Favoring Memorial Hall.....	348
“ Memorial Park	149
“ Monument	72
“ Memorial Hospital	31
“ Various combinations of the above	34
“ Various other plans	43
“ No memorial	13
	<hr/>
	690

The Memorial Committee, while not entirely unanimous in its opinion, feels strongly that the best proposition for the Town to adopt, is to make a taking, by purchase or otherwise, of area contained in and about Turner’s ice pond, so called, comprising a triangular tract of about forty acres, and bounded on two sides by Central Avenue and Brook Road.

While it is, undoubtedly, true that there are a number of our citizens who do not favor this proposition, it is also true that there are many who feel that this property is by nature admirably adapted for the purposes of a Park, and, for the future welfare of Milton, should be acquired for that purpose.

Some of the other suggestions favored by the voters and considered by the committee for memorial purposes, were:—

- Hospital
- Tower and chime of bells

Memorial cemetery entrance

Memorial arch

College education fund

Memorial highway

Gymnasium

Community building

Stadium

Chapel at cemetery

Large central park containing municipal group of buildings.

The committee recommends that the town proceed to establish for itself a Memorial Park, to become a lasting, and adequate expression (so far as human hands can establish a memorial which shall be an adequate expression) of the reverent honor in which we, and those who come after us in later generation, shall ever hold the memory of those, who offered their lives in the Great War, which we hope may be our last.

ARTHUR H. TUCKER

Secretary.

MILTON, Mass. June 3, 1919.

DEPARTMENT REPORTS

REPORT OF THE SELECTMEN

MILTON, January 31, 1920.

To the Citizens of Milton:

We respectfully submit the following report for the year ending December 31, 1919.

The Bonded debt of the Town is as follows:—

Outstanding January 1, 1919.	\$412,000 00
Norfolk County Tuberculosis Hospital . .	23,500 00
	<hr/>
	\$435,500 00
Paid during 1919	35,500 00
	<hr/>
Outstanding December 31, 1919	\$400,000 00
Water	\$130,000
Parks	1,000
Schools of 1909	51,000
Schools of 1916	145,000
Schools of 1917	25,000
Sewer of 1913	6,000
Sewer of 1915	11,000
Public Library	7,500
Hospital	23,500
	<hr/>
	\$400,000

THE WILLIAM B. WESTON BEQUEST

The \$6,000 Hospital Fund left with the Massachusetts Hospital Life Insurance Company now amounts to \$7,204 43 as of January 1, 1920.

The \$15,000 Poor Fund left with Francis C. Welch, Trustee, is held in the Weston Estate of which Mr.

Francis C. Welch, now deceased was trustee, and as this report goes to press we are unable to get a correct statement of this fund.

The Board organized March 6th with Maurice A. Duffy, Chairman, James F. Mitchell, Secretary.

HIGHWAY DEPARTMENT

The Board reappointed Edward A. McCue, Superintendent of Streets, and we consider he has given excellent satisfaction.

Messrs. Robert H. Hallowell and Sidney A. Parsons were reappointed members to assist the Board in the disbursement of the Permanent Construction appropriation.

The detail of this, together with the other work done on the highway appropriations will be found in Superintendent McCue's report. It is our intention to ask for an increase in both Permanent and Maintenance accounts, as conditions of labor and materials have not improved as we had hoped a year ago, at the present time tendencies are inclined upward rather than downward, as the attempt at reconstruction has not lessened values any.

TRAFFIC LAWS

There has been a marked improvement by the adoption of the Traffic rules as enforced by our Police Department regulating automobiles, carriages and other vehicles.

A strict enforcement of these rules we feel will help to safeguard the travelling public.

HALL AND LOT

On account of the constant use of the Town Hall and the small revenue derived from this, it will be necessary to ask for an increased appropriation. We are glad to say that the principal use of the hall is in the nature of Patriotic Welfare.

These are the times when Patriotic Societies should be encouraged as much as possible and any use of the hall for these purposes should be favored by the Town.

RECEPTION COMMITTEE

We take this opportunity to thank the members of the Welcome Home Committee for the able and efficient manner in which they conducted the reception to our returning Soldiers, Sailors and Women in the service.

We feel that the receptions were highly appreciated by the boys and will be long remembered as a tribute to them from a loyal Town's people.

ANNEXATION

The annexation bill which we spoke of in our report of last year and in which Milton's interests would have been greatly jeopardized if the measure had gone through as originally designed, was finally withdrawn on account of the able argument as presented by our worthy counsel Felix Rackemann assisted by Town Counsel Lincoln Bryant.

We have reason to believe that the argument presented by Mr. Rackemann before the Legislative Committee had much to do with the final action taken. Copies of Mr. Rackemann's argument are on file at this office and will be given to any citizen desiring to procure the same.

INCOME TAX

The Income Tax Act as passed by the Legislature of 1919 was one of great financial importance to our Town.

The Board questioned the constitutionality of the law and while the Supreme Court stated that the act of the Legislature verged on being unconstitutional yet the court would not overrule the act of the Legislature. We feel that everything was done to protect the Town's interest and realize that Mr. Felix Rackemann and Town Counsel Lincoln Bryant made every effort to prove their case.

GENERAL

The statement from all the departments are found in the Annual Report and are in good condition. The past year was a very busy one involving many important matters but we are pleased to say that all things considered it was pleasant. We thank the citizens for the assistance which they have given us in discharging our duties.

MAURICE A. DUFFY,
JAMES F. MITCHELL,
JACOB A. TURNER,

Selectmen of Milton.

REPORT OF THE ASSESSORS OF TAXES

MILTON, January 1, 1920.

To the Citizens of the Town of Milton:

The Assessors of Taxes of the Town of Milton herewith submit their Annual Report for the year 1919.

At the Annual Town Meeting for election of Town Officers, Mr. Clarence Boylston was re-elected to this Board for the three-year term. The Board organized as follows: W. W. Churchill, Chairman; Charles H. Horne, Secretary; Wallace C. Tucker was reappointed clerk.

During the months of January, February and March business of a routine nature was duly attended to. During the months of April, May and June the list of Poll Tax Payers was made up and both Real and Personal Property Tax levied. The rate was calculated and fixed at \$16.10 per thousand dollars; this increase was due principally to increased Town Appropriations and a decrease in the Town's share of the State Income Tax. This income tax will be further reduced this year. The balance of the year was spent by the Assessors in attending various meetings of the Registrars of Voters, giving abatement hearings and attending such other matters as were presented the Board for consideration.

This year the Annual Poll Tax fee will be \$5.00 instead of \$2.00 and will be payable immediately on presentation of bill.

The population of the Town for 1919 is 9,824. Other statistics are as follows:

Total number of dogs	469
Total number of horses	341
Total number of cows	548
Total number of sheep	56
Total number of swine	55
Total number of fowls	2,260
Total value of fowls	\$2,260
Number of people liable to military duty	1,534
Total number of dwelling houses	2,003
Total number of acres assessed	6,218.4
The Town received in bank and corporation taxes	\$57,722.02
The Town received in distribution of State Income Tax	234,082.94

TAXES ASSESSED IN THE TOWN OF MILTON FOR YEAR 1919

Valuation of personal estate, including

resident bank stock \$2,195,750 00

Valuation of real estate, including buildings. 16,062,620 00

REPORT OF THE BIRD WARDEN

MILTON, MASS., January 1, 1920.

To the Citizens of the Town of Milton:

I beg to submit to you my report as Bird Warden, for the year 1919.

There was no appropriation and there are no accounts to be submitted.

I am glad to report that the result of my observations leads me to believe that the effect on the bird-life of the very cold winter of 1918 is passing away and several varieties of birds are recovering from their losses of that year. There are, however, singular variations in the migration of various species which are hard to account for. For instance, last winter the number of common Juncos about the town seemed to be rather large, but this Autumn and up to the close of the year in the month of December, I believe they have been singularly absent, and I am informed that this is true also throughout the eastern part of the State.

The active interest in the bird-life which was shown by many residents of the town prior to the advent of the recent war, has I regret to say, not yet revived as much as I have wished, and I trust that the return to more normal conditions throughout the country will result in a re-awakening in the interest and activities in behalf of the birds.

In regard to the game birds, I believe that the Ruffed Grouse or Partridge, and the Quail, have not yet nearly

recovered from the severe losses of 1918, and it appears very important that all sportsmen should spare those birds for a longer period.

In regard to reducing the birds which are recognized as pests, I would encourage the citizens to wage war on both the English Sparrow and the English Starling as those birds both probably do more harm than good.

During the winter months the Sparrows are often easy to trap or catch in hen houses or about farm yards and stab'les, but the Starlings I believe are very difficult to destroy in any other way than by shooting.

Respectfully submitted,

RALPH E. FORBES,

Bird Warden.

REPORT OF TRUSTEES OF CEMETERY

MILTON, February 2, 1920.

To the Citizens of Milton:

The Trustees make the following report for 1919:

The meeting to organize was held at the office of Thos. K. Cummins, March 19, 1919.

There were present Mr. Thos. K. Cummins, Mr. Percy E. Sheldon, Mr. Ellerton P. Whitney, Mr. Frank J. Pope. In the absence of Mr. Gannett, Mr. Cummins acted as chairman. Mr. Gannett was elected chairman for the year. Mr. J. Frank Pope was elected Secretary and Treasurer. Thomas W. Pond was appointed Superintendent.

One hundred and seven interments were made during the year, 56 from out of town; 27 lots taken by citizens; 2 lots sold to non-residents; ; 1 single grave sold; 13 lots regraded and seeded; 14 perpetual care lots regraded and seeded; 10 lots put under perpetual care; 14 graves planted to English ivy or myrtle; 2 myrtle borders planted; 15 foundations for monuments were made; 18 foundations for markers and headstones; 3 steps reset; 14 markers set with butts; 16 graves evergreened; 11 Sunday funerals; 9 calls for a chapel.

The securities, in which the Jason Reed, the Vose, and the Tucker funds were invested, have been held by the Treasurer of the Trustees of the Cemetery, for the Trustees.

Recent legislation requires that all such funds be held by the Town Treasurer, consequently the Trustees have directed that all such securities and the small balance in cash be turned over to the Town Treasurer.

This transfer has been made.

SAMUEL GANNETT, *Chairman.*

J. FRANK POPE, *Treasurer,*

ELLERTON P. WHITNEY,

PERCY E. SHELDON,

THOMAS K. CUMMINS,

THOMAS LEE,

Trustees of Cemetery.

THOMAS W. POND,

Superintendent of Cemetery.

REPORT OF THE ENGINEERS

MILTON, Mass., January 26, 1920.

To the Honorable Board of Selectmen:

GENTLEMEN: The Board of Fire Engineers respectfully submits the following report for the year ending December 31, 1919.

Willard A. Hodges was re-elected clerk of the board.

There have been 174 alarms, 31 of which were bell alarms—22 calls to Boston, 1 call to Quincy. Boston has responded to 12 alarms in Milton.

The property at risk was \$119,560.00; total loss \$12,403.00; insurance paid \$10,629.72; net loss \$1,773.28; per capita loss \$1.18.

The department has laid 6100 feet of hose, raised 782 feet of ladder, used 1072½ gallons of chemical and travelled 899.5 miles.

Permits have been issued as follows:

Out of door fires, 488; gasoline, 20; explosive 19; fireworks, 3.

On July 1st, the two platoon system was installed in the department, which necessitated the appointment of five permanent men. One platoon is in charge of a captain and the other in charge of a lieutenant. So far this system has worked out perfectly, and at every bell alarm, one or more members on the off shift have reported for duty.

On August 9th, a combination hose and chemical car was delivered by the American LaFrance Fire Engine

Co. and accepted—was placed in commission at Hose 2 on August 26th, and on the same day the combination hose and chemical car, which had been at the central station since 1915, was placed in commission at Hose 4. On account of this new piece of apparatus, four horses, the last in the department, have been disposed of.

On October 7th, an Oldsmobile chassis was purchased and delivered at the central station, and in less than three weeks time the permanent men at this station turned out a combination hose and chemical car, using a body from one of the horse drawn pieces of apparatus, chemical tanks and hose basket from another, and other equipment from several discarded pieces. When completed, with the exception of painting, which will be done before next spring, this piece of apparatus had two twenty-five-gallon tanks, two hundred feet of chemical hose, and a body with a capacity of five hundred feet of two and one-half inch hose, and all small tools.

On October 25th, this piece was placed in commission at the Central Station, and has been used for brush fires and still alarms.

The apparatus of the department now consists of the following—at the Central Station—American LaFrance 750-gallon pumping engine and hose car, American LaFrance ladder truck with chemical tank, Oldsmobile combination chemical and hose car, and Chief's car—Hose 2, double tank chemical and hose car—Hose 4, double tank chemical and hose car—both of the latter are American LaFrance cars.

No hose has been purchased since 1916 and the board feels that a small appropriation each year for three or four years, will bring the supply up to standard. An appropriation is asked for to purchase five hundred feet.

All of the buildings in the department are badly in need

of paint, both inside and out, and an appropriation is asked for to take care of this need.

The permanent men have petitioned for an increase in pay, and the board thinks that they are justified in doing so, as salaries everywhere are constantly being raised, to combat the very high cost of living.

At this time the board wishes to thank the officers and members of the department for the faithful manner in which they have performed their duties.

Respectfully submitted,

J. HARRY HOLMES, *Chief*

PHILIP S. DALTON,

WILLARD A. HODGES, *Clerk*

Board of Engineers.

RECORD OF ALARMS OF FIRE FOR THE YEAR ENDING DECEMBER 31, 1919

REPORT OF THE FORESTRY DEPARTMENT

(Moth and Tree Warden Department)

MOTH DEPARTMENT

MILTON, January 1, 1920.

To the Honorable Board of Selectmen:

I beg to submit the following report of the work of the Moth Department of this Town for the past year.

Suppression Work

We were this past year, during the spraying season, particularly favored by good weather, which made it possible for us to cover more ground than the previous year, and also prevented the loss of spray by rain.

We had another two-ton Packard truck with sprayer which also assisted us greatly in doing more work. We obtained, therefore, we believe, good results in the destruction of caterpillars and the holding of them in check. We were somewhat surprised, however, as it was a common condition throughout this section to find an unusually large and healthy crop of eggs following the caterpillar season.

This of course is another result of a favorable season, that is, one which is both warm and dry. It can but mean the continuation for the present at least of our processes of destruction until something besides man-made methods of suppression develop.

The "leaf roller" which, two years ago, did considerable damage was effectually suppressed by our system of very early spraying before, in fact, the caterpillar had appeared. This was done in all territories where it prevailed the previous season and which we had carefully charted. We were complimented on having better success with the "leaf roller" than in any other town in this locality.

Wood Cutting

We did very little of this work the past year, owing to the fact that the demand for wood as a fuel had decreased to such a point that any unusual activity on our part in this particular would interfere with the legitimate and normal wood business.

We also were hard-pressed for funds and were obliged to carry a gang much smaller than usual, which we utilized in creosoting, the winter weather being entirely favorable for this work. During the Autumn just passed, we have been unable to do any of this type of destruction as it has been necessary for us to continue to do private work which pays for itself in order to keep our men at work.

Labor

We have made several successive increases in wages until we are now at the present basis of \$4.00 per day. We could not foresee that this would be necessary, and did not make provision for it in our budget of last year, the result being that we ran over our expenditures considerably, and were obliged to modify our plans.

Equipment

We purchased this year one 3-ton Packard truck, second-hand, from the Packard Motor Car Company,

and had a sprayer attached thereto. It is a duplicate of the other machine which we own and these two have done splendid work. They are very economical and efficient and ultimate complete motorization of our Department is clearly advisable. We have at the present time three truck sprayers which are doing considerably more work than the six horse-drawn machines which they have replaced.

Plans for Next Season

We should do about the same spraying throughout the Town in general as we did the past year, and should do considerable work in our unimproved lands which we have because of necessities of the situation allowed to go undone for the past two years. This is preventative work which has brought us good results and which is largely responsible for what we choose to believe is a generally improved condition throughout the Town. These lands should be sprayed more thoroughly and the brush should be cut out and burned. This last type of work is particularly effective in the elimination of bad breeding places.

APPENDIX A

Inventory of Property of Moth and Tree Warden Department

1 2-horse spraying machine	\$1,250 00
1 sprayer for use on Ford truck	250 00
1 Kissel car truck with sprayer body	1,930 00
2 Packard trucks with sprayer bodies	5,400 00
2 50-gallon sprayer barrels at 15.00 each	30 00
1 1-ton Ford truck	684 85
1 Ford car with express body	450 00
1 Ford runabout	545 98
Tools of all kinds (including field supplies)	1,268 25
Spraying hose	976 00
Building and equipment (including stationary devices)	2,974 15
Office equipment	140 00
Total	<hr/> \$15,899 32

APPENDIX B

Area sprayed	1,628 acres
	88 miles of road
Area creosoted	756 acres
	88 miles of road
Area of woodland cleared	none
Wood cut and marketed	16 cords

APPENDIX C

Financial Statement

Appropriation	\$9,700 00
Received from tax assessment.	753 07
Received from private work and sale of wood	7,063 61
Received from State reimbursement	1,434 49
	<hr/>
Total receipts	\$18,951 17
Cost of spraying	\$8,400 19
Cost of creosoting	4,640 28
Cost of woodland work	2,035 37
Repairs, new equipment and stock on hand:	
Repairs to equipment	\$314 34
New equipment	2,600 25
Stock on hand	177 60
	<hr/>
	3,092 19
Vacations and Saturday half-holidays	711 00
Amount reverting to Town Treasury	72 14
	<hr/>
Total disbursements	\$18,951 17

Respectfully submitted,

R. S. CARPENTER,

Superintendent.

TREE WARDEN DEPARTMENT

MILTON, January 1, 1920.

To the Honorable Board of Selectmen:

I beg to submit the following report of the work of the Tree Warden Department of this Town for the past year.

Trimming

One of the most important features of the Tree Warden's work, although not commonly so considered by the layman, is the trimming of existing trees. This is not only an improvement in the appearance of the trees and the removal of dangerous and unsightly branches, but prevents the entrance of decay into the trunk of the tree which, of course, seriously shortens its life.

There is an almost unlimited amount of this work which has not been done as extensively as should be the case. It has been our plan to do one-fifth of the Town each year, planning to complete the circuit every five years.

During the past two years, however, because of curtailment in our activities, we have not accomplished this much work and are consequently somewhat behind. We hope, however, another year to do considerable more.

Planting

During the past year we have planted 296 trees, as well as to cultivate and care for several times the trees which we have previously planted. This we consider

is an important function of the office, and trust that we may be able to continue it.

Insects

The two insects which come under the jurisdiction of the Tree Warden are the leaf roller and the elm leaf beetle. We have explained under the Moth Department Report the condition of the leaf roller and will not again state it. The elm leaf beetle does not vary much from year to year and is reasonably easy to suppress. It cannot, however, be neglected except without serious results.

Plans for Next Year

We should do considerable more trimming, as previously explained.

We should plant as many trees as funds permit, and should continue the trimming of trees in the cemetery which has been provided for in a separate item in previous years.

It is also our hope to be able to do more or less extensive planting of trees and shrubs on the grounds of our public buildings. There has been little of this work done in the past and a number of our buildings look shabby for the want of some such decoration.

We are, therefore, this year presenting a plan to the Warrant Committee and if acted upon favorably will make it possible for us to start this work.

APPENDIX A

Trees planted:

Horse chestnuts	47
Norway maples	200
Lindens	46
American Ash	2
Buttonwood	1
Total	296
Streets on which trees were trimmed	About 1½ miles
Dead trees removed	11

APPENDIX B

Appropriation	\$3,600 00	
Private receipts	58 00	
		<hr/>
Total receipts		\$3,658 00
Cost of tree trimming and spraying	\$1,566 00	
Cost of removing dead trees and clearing obscure street corners	401 21	
Cost of tree planting	1,382 06	
Trimming in cemetery	308 00	
Amount reverting to Town Treasury	73	
		<hr/>
Total disbursements		\$3,658 00

Respectfully submitted,

R. S. CARPENTER,

Tree Warden.

REPORT OF THE BOARD OF HEALTH

MILTON, January 1, 1920.

To the Citizens of Milton:

The number of cases of contagious diseases reported to the Board of Health for the past three years has been as follows:

	1919	1918	1917
Chicken Pox	54	32	20
Cerebro-Spinal Meningitis	0	2	0
Diphtheria	4	15	19
German Measles	1	68	62
Lobar Pneumonia	1	14	3
Measles	58	65	86
Mumps	5	74	49
Ophthalmia Neonatorum	0	0	1
Scarlet Fever	13	15	27
Septic Sore Throat	0	0	1
Suppurative Conjunctivitis	1	1	2
Tuberculosis (Pulmonary)	12	13	0
Tuberculosis (all other forms)	3	2	10
Typhoid Fever	2	4	0
Whooping Cough	2	56	0
Anterior Polyomyelitis	0	0	0
Small Pox	0	1	0
Influenza	148	388	0

The whole number of deaths recorded in 1919 is 107 (male 46, female 61), giving a death rate of 10.89 per thousand inhabitants.

MILTON, January 24, 1920.

To the Citizens of Milton:

The Board of Health has the honor to render the following report:

Organization of the Board of Health was effected on March 11, 1919.

Regular meetings have been held through the year on the second Thursday of each month.

AGENT

Dr. A. W. Draper was appointed a paid Agent of the Board for one year. He has done the work entailed by that position, with which he is thoroughly familiar, in a satisfactory manner.

DAIRY AND MILK INSPECTION

The Board reappointed Mr. Wallace C. Tucker to have charge of this department. His work has been especially satisfactory considering the small salary for the service rendered which often requires early and late hours, and covering a large territory.

COLLECTION OF ASHES AND GARBAGE

The contract for the collection of ashes and garbage was given to Mr. Samuel Craig who has faithfully performed the duties required under the contract.

CONTAGIOUS HOSPITAL

Mr. James W. Eldridge was appointed Caretaker of the Contagious Hospital. This little hospital at the Town Farm has been put in good condition ready to receive patients should such a need arise.

Other appointments were Mr. Lorenzo E. Young as Inspector of Plumbing and Wallace C. Tucker, Inspector of Slaughtering.

The Permit for cleaning cesspools and vaults was transferred during the year from the estate of John R. Lawrence to Albert B. Snow.

INVESTIGATION

The Board has made a tour of investigation about town, finding things, generally speaking, in good sanitary condition.

PIGGERIES

These were mostly found in good condition, but where they were not the Board ordered that they be cleaned up and a license procured.

DUMPS

The public dumps were found in good shape, but some private dumping places where the owner was filling in were not as well kept. Citizens having such places were notified to keep them levelled down and to keep papers from blowing around thus becoming a nuisance.

PINE TREE BROOK

This remains in the same condition as in former years, and we would repeat the recommendation as before made — that the town take some action toward cleaning up this stream which is breeding mosquitoes and malaria in a part of the town that is growing rapidly.

HOUSING

We are glad to say that few houses were found in an

unsanitary condition. When a house was deemed not so the owner was notified in order that it might be improved.

Complaints of conditions on what was formerly the Merritt Estate have come to us and the Board would like it understood that those who, under the guise of obtaining a permit to build, expect to live in a shack or camp, disregarding the sewage and plumbing laws of the town will find they have made a mistake.

SEWER CONNECTIONS

Formerly the Board received many complaints of cess-pools and vaults overflowing. This year the Board sent notices to all householders on a street where there is a sewer, requiring them to connect with it. This order was, in general, readily complied with. Those who have not done so will be expected to connect in the spring.

In closing we will say that we think it is the place of the Board of Health to promote whatever will contribute to the health of the citizens as well as to enforce rules and regulations to remedy conditions after the health is destroyed.

Plenty of good, healthful food being the first requisite for health we would recommend that everybody produce more. Though the war is over we would encourage the raising of back-yard gardens, for the farmer cannot raise enough at a moderate price, owing to the high cost of labor and the short hours. We would encourage the production of milk, eggs, pork, etc., whenever it is possible to do so without being offensive to the community.

Respectfully submitted,

J. S. LINCOLN,

STEPHEN B. AMES.

MILTON, January 15, 1920.

To the Board of Health:

GENTLEMEN:—I herewith submit my report for the year ending December 31, 1919.

There have been collected 742 truck loads and 611 double loads of ashes and 124 cords of garbage.

Yours respectfully,

SAMUEL G. CRAIG.

MILTON, January 20, 1920.

To the Board of Health:

GENTLEMEN:—I herewith submit my report for November and December, 1919.

1 vault, 16 cesspools. 21 loads from the same.

Respectfully yours,

ABAH B. SNOW.

MILTON, January, 1920.

To the Health Department:

Report respectfully submitted for the year ending October, 1919. Resigned.

Cleaning vaults, 4.

Cleaning cesspools, 25.

Removing 29 loads from cesspools.

ESTATE OF JOHN R. LAWRENCE,
BY

MARY A. LAWRENCE,
Executrix.

REPORT OF THE INSPECTOR OF ANIMALS

MILTON, January 1, 1920.

To the Honorable Board of Selectmen:

GENTLEMEN: I herewith submit my annual report for the year ending December 31, 1919. I have inspected during the year 75 stables and premises, where cattle are kept and found all in good sanitary condition, meeting requirements of light, ventilation, space, etc. I gave a physical examination to 620 cows, 12 bulls, 219 swine, 75 sheep and 6 goats. I found all of these free from tuberculosis or other contagious diseases. I also examined all animals that came into the town from outside the state of Massachusetts.

Respectfully submitted,

JAMES SPENCER,
Inspector of Animals.

REPORT OF INSPECTOR OF BUILDINGS

MILTON, January 1, 1920.

To the Honorable Board of Selectmen:

GENTLEMEN:—I herewith submit my annual report for the year ending December 31, 1919.

There have been 258 applications made for buildings and permits issued for the same.

I have made 994 inspections.

WORK OF THE BUILDING DEPARTMENT BY MONTHLY REPORT

Months	Permits for Wooden Buildings	Permits for Stone, Cement and Brick Buildings	Valuation per Application
January	4	3	\$4,185 00
February	7	1	3,490 00
March	8	7	30,625 00
April	33	4	65,131 00
May	15	9	40,615 00
June	10	6	43,995 00
July	37	4	105,735 00
August	12	5	23,470 00

December	6	8	126,050 00
	185	73	\$650,121 00

Making valuation as per applications \$650,121.

Respectfully submitted,

G. E. BURT,

Inspector of Buildings.

REPORT OF INSPECTOR OF MILK

MILTON, December 31, 1919.

To the Board of Health:

GENTLEMEN:—I herewith submit the following report as Inspector of Milk for the year ending December 31, 1919. There have been 35 licenses issued for the sale of Milk and Cream 25 to residents, and 10 to non-residents; of these licenses 13 were issued to stores and 22 to wagon deliveries. I have taken 130 samples of Milk and Cream for chemical tests, and 31 samples for bacteriological examination. Of the total analyses made 96.2% tested standard grade, or above.

Respectfully yours,

WALLACE C. TUCKER,

Inspector.

REPORT OF INSPECTOR OF PLUMBING

MILTON, January 1, 1920.

To the Honorable Board of Health:

GENTLEMEN:—I beg leave to submit the following report for the Department of Inspection of Plumbing for the year ending December 31, 1919.

One Hundred Sixty-four (164) permits to install Plumbing have been issued from this Office during the year. The approximate valuation of this work, as stated in applications, is Sixty-six Thousand Eight Hundred Ninety-eight dollars (\$66,898.00).

There has been a gratifying increase in the number of buildings which have been connected with the Town sewers and a consequent elimination of cesspools. One Hundred Seventeen (117) inspections of buildings have been made as a preliminary to the issuance of permits by your Board.

Respectfully submitted,

LORENZO E. YOUNG,

Inspector of Plumbing.

REPORT OF INSPECTOR OF SLAUGHTERING

MILTON, December 31, 1919.

To the Board of Health:

GENTLEMEN:—As Inspector of Slaughtering, I report that for the year ending December 31, 1919, I have examined and stamped one hog.

Respectfully,

WALLACE C. TUCKER,

Inspector.

REPORT OF THE INSPECTOR OF WIRES

MILTON, January 22, 1920.

To the Honorable Board of Selectmen:

GENTLEMEN:—I herewith present the report of the Department of Wires for the year ending December 31, 1919.

This department has supervision of the Fire Alarm and Police Signal Systems, also inspection of all buildings equipped with electric light service and all poles and wires on Town Streets.

INTERIOR WIRING

	1919	1920
Certificates issued for light and power	147	197
Number of inspections	306	582
Number of incandescent lights wired for	1,852	3,176
Number of motors installed	25	13
Total horse-power	11	24
Number of electric heaters and ranges	41	27
Total watts	205,750	79,350

OVERHEAD AND UNDERGROUND CONSTRUCTION

The following is a list of companies owning poles and wires in the Town:—The New England Telephone and Telegraph Company, The Edison Electric Illuminating Company, The Postal Telegraph Company, American Telephone and Telegraph Company, and Bay State Street Railway Company.

The New England Telephone Company during the past year has completed on Blue Hill Avenue between Blue Hills Parkway and Columbia Street over one mile of underground conduit and installed wires in same, removing old wires and crossarms from poles. One conduit is reserved for the Town Wires.

The Edison Electric Illuminating Company have under construction the replacing of about two hundred defective poles; this necessitates a very large amount of new construction on Police and Fire Signal Systems.

Have replaced old iron wire on Canton Avenue, between Adams Street and School Street, also on Canton Avenue, between Blue Hills Parkway and Harland Street, with four conductor circular loom cable.

Four hundred feet of ten conductor lead cable has been installed in Adams Street between Fire Box 43 and Eliot Street.

For the maintenance of Wire Department, the placing of wires on Blue Hill Avenue in underground conduit, trading in Ford truck for Dodge truck, and all appropriations pertaining to maintenance of Wire Department under one appropriation I recommend an appropriation of ten thousand two hundred and thirty-eight dollars and fifty cents (\$10,238.50).

Respectfully yours,

E. E. CHOATE,

Inspector of Wires.

REPORT OF THE PARK COMMISSIONERS

MILTON, December 31, 1919.

To the Citizens of the Town of Milton:

As may be seen by our financial report, our appropriation was practically all expended at Brook Road Playground. Our activities there began June 23rd and ended September 11th with a Field Day. The attendance on the final day was 522. Mr. Harry A. Dame was in charge during the season, assisted by Miss Marion W. Adwers. The attendance during the season averaged nearly the same as last year. We regret that we cannot append a detailed report of our activities, because Mr. Dame has resigned to take a position in Cleveland, Ohio, and has not furnished us with complete data.

There is an ever increasing demand for evening classes in physical instruction by the men and women of Milton. The cost of conducting these classes two evenings a week during the winter months, would not be large, entailing only the services of two physical directors and the lighting and heating of the High School Gymnasium.

We believe that the tree planting as well as the beautifying of school lots should be under the supervision of the Forestry Department of the town; consequently, we are not asking for these appropriations in our budget for 1920.

The Town Landing was rented to the Milton Yacht Club.

The Brush Hill Road Park and Crane Field were again used for home gardens.

We have requested an appropriation for 1920 of \$2,900 for general purposes.

Respectfully submitted

J. SUMNER DRAPER,

MALCOLM DONALD,

B. W. TRAFFORD,

Park Commissioners of the Town of Milton.

Wires burning trees	17
Wires broken, electric light and telephone	28

STOLEN PROPERTY

Amount reported stolen	\$1890 00
Amount recovered	1400 00

AMBULANCE AND AUTOMOBILE SERVICE

During the year, the Ambulance was called for forty-two times, for accidents and sickness, to go to different hospitals; also answering other calls, as a patrol automobile, from signal boxes. It has been in constant use throughout the year and is in good condition at the present time.

The new Stanley steam automobile went into commission on Friday, March 21, 1919. It has been in constant service since that time responding to emergency calls, performing general patrol work and regulating traffic. The number of miles run is 12,891.

CRIME

During the year, several houses were burglarized and considerable property stolen.

I am pleased to say that in most instances the thieves have been arrested. Some are now undergoing sentence, some are on probation, and much of the property stolen

has been recovered. Other than the above, general good order has obtained in the town.

THE FORCE

The discipline of the Department has, in the main, been good. Several patrolmen, for minor violations of the rules, have been reprimanded, and warned that any further infractions would be followed by charges filed with the Board of Selectmen.

Charges have been preferred against three patrolmen for violating the rules governing the Department. After a hearing before the Board of Selectmen they were found guilty and fined thirty days' pay each.

CONCLUSION

To your Honorable Board I want to express my appreciation and heartfelt thanks for the universal support and aid given to me and my Department during the year.

My thanks are due Judge Albert E. Avery of the District Court for valuable advice and assistance, and Lawrence W. Lyons, Clerk of the Court; to all members of the Police Department for their loyal co-operation.

Respectfully,

MAURICE PIERCE.

Superintendent of Police.

REPORT OF THE OVERSEERS OF POOR

MILTON, MASS., December 31, 1919.

To the Citizens of the Town of Milton:

The Board of Overseers of the Poor has little to record outside the statistics which form a part of the annual report.

There has been no change in the personnel or organization of the Board and, happily, Mr. Rounseville and Mrs. Brackett both remain as agent and visitor respectively, and Mr. and Mrs. Eldridge as superintendent and matron of the Town Farm. The Board feels sure it made no mistake in selecting them for these positions. There are at present time seven inmates at the Town Farm.

Mention was made in the last annual report of a probable development of the resources of the farm under the skilled management of Superintendent Eldridge. A good beginning has been made this year, which, in spite of some unfavorable conditions, in the opinion of your Board, warrant a continuance along the same lines. The Board therefore asks an additional appropriation of \$500, an amount necessary for the object mentioned. There is no question that this expenditure will soon be repaid and the farm will continue to produce much beyond its past production. The high cost of living, continued effects of last year's epidemic disease, and the increasing population of the town, combine to increase the expenses of this department, as of all other departments. Hence, the necessity of asking for a larger appropriation than last year for the running expense of the department. The appropriation

voted in March, 1919, was \$9,650 and later in the year it was necessary to obtain a transfer of \$1,000 from the Contingent Fund.

The Board, therefore, asks for an appropriation of \$12,000 for the usual expenditure of the department, and an additional \$500 for the development of the farm, — a total of \$12,500, together with the proceeds of sales from the farm and reimbursements.

Respectfully submitted,

HORACE N. PLUMMER, *Chairman*,

ALBERT D. SMITH, *Secretary*,

FREDERICK CHASE,

HOMER W. LE SOURD,

EDITH E. STEBBINS.

REPORT OF THE TRUSTEES OF THE MILTON
PUBLIC LIBRARY FOR THE YEAR
ENDING DECEMBER 31, 1919.

MILTON, January, 1920.

To the Citizens of the Town of Milton:

The Trustees of the Milton Public Library have the honor to present their annual report.

The year has been marked by the appointment of a librarian to succeed Miss Forrest, who resigned in October, 1918. Miss Eleanor T. Horne, of Framingham, was chosen for the position in the late spring but did not assume her duties until September 1, 1919. Miss Horne comes well prepared by education and experience for the position and the Trustees feel confident that there will be no abatement in the usefulness of the Library under her management.

Indeed the report which she has submitted to the Trustees and which is printed herewith shows encouraging facts in regard to the place of the Library among the educational forces of the Town. This report covers the nine months during which Miss Carrie S. Allen was acting-librarian, and the three months during which Miss Horne herself was in office.

In these twelve months the circulation of the Library has grown to 83,733, the largest in its history. The work

with the schools has been maintained at its usual efficiency and the interests of the children out of school hours have continued to claim the attention of the staff of the Library. The foreign speaking population of the Town is not large, but books have been provided for them and have been greatly appreciated.

For further information, the Trustees respectfully commend the report of the librarian to the citizens of Milton.

Respectfully submitted,

NATHANIEL T. KIDDER, *Chairman*,
CHARLES E. ROGERSON, *Treasurer*,
RODERICK STEBBINS, *Secretary*,
FRANK E. LANE,
ALEXANDER McADIE,
ROBERT SALTONSTALL,
ROGER L. SCAIFE,
FREDERIC M. STONE,
ARTHUR H. TUCKER,
Trustees of the Milton Public Library.

REPORT OF LIBRARIAN

MILTON, January 1, 1920.

To the Trustees of the Milton Public Library:

I have the honor to submit the annual report for the year ending December 31, 1919.

Although we should not forget that the closing of the Library, on account of the influenza epidemic and coal shortage, was largely responsible for the loss in circulation last year, it is encouraging to be able to record, not only that this year's figures show an increase of 7,990 over 1918, but also that the total circulation has reached 83,733, the largest in the history of the Library.

Reports from the Branches indicate a steady growth in their work. Russell has a gain in circulation of 307. At East Milton there has been a gain of 2,132 in circulation and of 2,583 in attendance. At Mattapan, from a collection of 1,300 volumes, 20,998 have been circulated, a gain of 1,871 over last year. Although lack of space prevents quoting all three reports in full, each is interesting as showing a development suited to the needs of the locality, and a desire on the part of the assistant in charge to do her best for an increased efficiency of service.

As usual, the work of the Children's Department at Central deserves special mention. It has this year been under the direction of Miss Margaret B. Sheffield, and her report shows a gain here in circulation of 3,423.

Story Hours were started on January 20, and were held at Central on Mondays with an average attendance of 14,

and at Russell on Tuesdays with an average of 18. Upon resuming them this fall, it was decided to tell the stories at Central at four o'clock instead of three, so that the children from the Wadsworth school could come. As a result, the average attendance has increased to 24.

On Sunday, December 21, a special story hour was held. The Children's Room, with its decorations of pine, shaded lights, and attentive audience of youngsters gathered about the story-teller, was an attractive sight, and our only regret was that there were not more mothers present to enjoy it.

Work with the schools has not been neglected. Monthly deposits have been sent, consisting of books asked for by the teachers or the children; or if no requests were sent in, a selection, appropriate for the grade, has been made by the Children's Librarian. In this connection, the pictures circulated to the schools should not be forgotten. The Library's picture collection has grown rapidly and consists now of over 3,000 mounted pictures, filed and classified. Soon after the opening of the schools a list of the most important subjects covered was mailed to each teacher in Milton, and at once a gratifying response was felt. Fairy tale illustrations, and pictures of various seasons and holidays are called for in the lower grades, while the upper grades use all subjects. The range of the collection is very wide and there is no intention on the part of the Library to limit its use to the schools; the material is available for anyone who is interested.

Another means of coming in touch with the schools was offered this fall when, through the courtesy of Mr. Chase, the Librarian was given the opportunity of speaking directly to the children at assembly. In a very brief talk at the Vose School, the advantages of forming the "Library habit" early were urged, and the method of registration explained. An encouraging number of new

registrations in the Children's Room during the next few days seemed to prove the worth of the experiment, and as opportunity allows, it is hoped visits may be made to all the grade schools.

As has been the custom during the past few years, the ninth grade pupils of the High School came to the Library for three lectures on classification, cataloguing and the use of magazine indexes. The worth of this training is already too well established to need further comment; yet it has a special value this year, as the library at the High School has recently been classified and catalogued in accordance with the system used at the Public Library. Thanks for this service, which has greatly increased the value of the High School collection, are due to Miss Allen, upon whom the greater part of the work fell.

Although Milton's foreign population is not large, provision has been made for serving it through loan collections from the Massachusetts Free Public Library Commission. The chief call is for books in Italian and this deposit has been changed a number of times during the year. An interesting development in this service was the illustrated talk (in Italian) on "The work of the American Red Cross in Italy" by Dr. Giorgio La Piana. This was given in the Historical Room on the afternoon of April 6, before an audience of 22, 14 of whom were Italians, and was thoroughly appreciated.

Among the most important of the meetings held at the Library during the year were those of the Milton Forum which were as follows: February 26, and March 5, Dr. George Nasmyth on "The League of Nations"; March 12, Mr. Louis A. Coolidge on "The League of Nations"; March 26, Professor Carver, of Harvard, on "Labor reconstruction after the war"; April 5, Professor N. P. O'Connor on "The Irish question"; April 9, Lieut. Alden G. Alley, of Milton Academy, on "The attitude of the

A. E. F. towards a League of Nations"; April 16, The Rev. W. Harris Crook on "Comparison of English and American labor."

On February 10, under the auspices of the Civics Committee of the Milton Woman's Club, Mrs. Frederick Bagley spoke on "Americanization" and Mrs. Irving O. Palmer on "Our boys and girls."

As usual, the Milton Historical Society and the Social Service League have had their regular meetings here. As for committee meetings, although no record is now kept, the Library continues to be a convenient and popular gathering place.

Those who have had occasion to use the Historical Room this fall must have noted with pleasure the improvements which have been made there. Not only have the ceiling and walls been renovated, but a system of indirect lighting has been installed which will add greatly to the comfort of those attending evening meetings. The walls of the basement hall, the Trustees' Room and the Librarian's Room have also been done over, and new lights installed in the latter room.

The grounds, too, have received attention; the shrubbery has been trimmed, and wherever necessary, replanted.

The following exhibits have been held in the Art Room during the year: January 13 to February 28, Paintings by J. Eliot Enneking, with an attendance of 144; March 5 to 31, Etchings by Lester G. Hornby, lent by Houghton, Mifflin & Company, with an attendance of 55; April 1 to 30, water colors by Miss Theodora Willard, with an attendance of 118; May 7 to 29, Food Conservation Posters, by Miss Edith Park, with an attendance of 33; June 2 to 14, Portrait of The Reverend Roderick Stebbins, by Eben F. Comins, with an attendance of 66; June 16 to 28, Farré prints, lent by Robert F. Herrick, Jr., with an attendance of 48; July 1 to 15, French War Posters,

lent by Robert F. Herrick, Jr., with an attendance of 37; July 14 to August 16, Photographs of Paris during the celebration on July 4, 1918; August 18 to September 20, Photographs of the devastated districts of France, both exhibits lent by the Children's Museum—attendance 62; October 3 to 15, War Portraits by Eben F. Comins, with an attendance of 125; November 7 to 30, Drawings and Paintings by Mrs. Stanley Cunningham, with an attendance of 122; December 1 to 31, Paintings by E. Winchester Kingsbury, with an attendance of 105.

The work of classifying the Milton Collection, and arranging the material so that it will be easily available, was begun this fall and is proving intensely interesting.

Acknowledgment has been made during the year of gifts for the collection from the following: Felix Rackemann, Esq., Mr. Emile F. Williams, Mr. Henry Stoddard Ruggles, Mr. Henry B. Martin, Mr. Frederick H. Osgood.

Miscellaneous volumes, pamphlets, photographs and music have also been received from the following: Mr. Paul Carlton, The Humane Society of Massachusetts, Mrs. Harris Kennedy, Mr. Philip P. Chase, Miss Catherine W. Faucon, Hampton Institute, The National War Garden Commission, Mrs. Walter H. West, Mr. Charles S. Gill, Mr. Albert L. James, Mr. Porter E. Sargent, Miss Katherine Dalton, Robert F. Herrick, Esq., Columbine Book Club, Alberto J. Pani, The Catholic Encyclopædia Press, Manufactures Aircraft Association, Mrs. Horatio A. Lamb, Mrs. Henry S. Shaw, Mr. Charles S. Gage, Mr. James S. Russell, Fogg Art Museum, Dr. Harris Kennedy.

One resignation from the staff has been received during the year, that of Miss Margaret B. Sheffield, to take effect January 1, 1920. Miss Sheffield became Children's

Librarian on January 1, 1919, and during her year of service has well maintained the high standard of her department.

The Librarian assumed her duties September 1, and wishes to take this opportunity to acknowledge the helpful interest of the Trustees and the loyal co-operation of Miss Allen and the other members of the staff.

Respectfully submitted,

ELEANOR T. HORNE.

Librarian.

Lineal feet pipe (measured)		93,129.59	700 (storm overflow)
Lineal feet extended during year		3,604.35	
Number of inverted siphons		1	
Number of manholes		407	
Number of storm overflows		1	
Number of emergency overflows		1	
Number of automatic pumping stations		1	
House Connections			
Number made during year		112	
Number of stoppages coming to notice of department		9	
Discharge of Sewer			
Estimated population using sewer system		5,850	
Number of buildings connected		1,075	
Financial			
Total cost of collection mains to December 31, 1919			\$207,858 20
Bonded debt at date			17,000 00
Average rate of interest on bonds			4.176%

For details of sewer construction and maintenance account, reference is made to the Financial Report compiled by the Auditors as shown elsewhere.

Respectfully submitted,

WARLAND WIGHT,
JAMES S. GALLAGHER,
WILLIAM S. FEBIGER.

Board of Sewer Commissioners.

The extensions made during the year were in Aberdeen Road 402.90 feet; Briarfield Road 915.15 feet; Brook Road 86.09 feet; Eliot Street 515.32 feet; Hawthorn Road 662.47 feet; West Street 649.82 feet; Winthrop Street 372.60 feet.

REPORT OF THE SUPERINTENDENT OF STREETS

MILTON, January 27, 1920.

To the Honorable Board of Selectmen:

GENTLEMEN:—I herewith submit the annual report of the Street Department for the year 1919.

The general conditions of the previous year had not improved and are still very unsettled.

While there were no restrictions on the use of road material, the demand for the various kinds of Asphalt and Tar was so great that the delivery of the same was very unsatisfactory, causing much delay and additional expense.

The same conditions prevailed as regards to crushed stone, as the different companies operating crushers were hampered with labor troubles throughout the season. There was practically no change in the working force of the Department, none of the younger men seeking employment, as other kinds of work paid higher wages than was paid by this Department.

PERMANENT CONSTRUCTION

The appropriation for this work was \$20,000.00 and was largely expended on Brook Road. The easterly side of that section upon which work was started last year, was completed. This roadway was built to an established grade with first class foundation and suitable drainage. A bituminous surface was laid with Asphalt for binder.

Cost of Construction, No. 1 Section

Pay Roll	\$2,724 40	
6,000 brick—360 feet of pipe	213 71	
11,400 pounds of coal	45 60	
7,500 gallons Binder "B"	900 00	
1,654—575 pounds crushed stone	1,453 16	
		\$5,336 87
4,060 gallons Binder "B"		487 20
5,340 Square yards, \$1.09 per square yard		\$5,824 07

BROOK ROAD SECTION NO. 2

That section from Churchill's Lane easterly to Centre Street was entirely rebuilt. The new roadway was built to an established grade, with first class foundation, and drains were laid to carry away ground and surface water.

A great amount of work was necessary to build this roadway up to the new grade. All the material used for the foundation was hauled from the gravel pits in the east part of the town.

The roadway was constructed 22 to 24 feet in width, the sides of the roadway were widened, graded to provide for safety. A bituminous surface was laid on a sand filled Macadam base, Tarvia X being used for a binder.

Cost of Construction

Pay Roll	\$7,867 35	
3,100,575 pounds crushed stone	2,902 25	
11,690 gallons Tarvia X	1,288 80	
3,400 gallons Tarvia B	357 00	
37,570 pounds coal	149 54	
840 gallons gasoline	276 02	
329 loads sand	164 50	
106 loads gravel	53 00	
		\$13,058 46

Permanent Construction

	\$20,000 00

STREET CLEANING AND GENERAL REPAIR WORK

On account of the very mild and open winter much of the cleaning was done before the usual time so that more prompt attention could be given to the general repairs.

Street Cleaning	
Pay Roll—general work	\$3,293 11
Storage for carts	30 00
Miscellaneous	1 50
	<hr/>
	\$3,324 61

GENERAL MAINTENANCE

The cost of maintenance and general repairs of the streets and the upkeep of the machinery and equipment used by the department was greater owing to increase of wages to the employees and the cost of repairs and supplies.

AUTOMOBILE AND TRUCK EXPENSE

The Ford runabout, the Locomobile and Autocar trucks used by the department continue to give good service, but will require considerable repairs before the next season.

Ford runabout	
Gas, tire, repairs, etc	\$572 81
Locomobile	
Gasoline, oil and repairs	1,622 10
Autocar	
Gasoline, oil and repairs	821 53

STEAM ROLLERS

The three steam rollers used by the department have been repaired and are at present in good condition, having been inspected by the Liability Company.

Expense	
Repairs	\$87 83
Coal	18 65
Supplies	156 74
	<hr/>
	\$263 22

HORSES, WAGONS, ETC.

The horses owned by the department are in good condition, the same number as the previous year. One new horse was purchased to replace one that had become disabled.

The carts, wagons, snowplows, and road machines are also in good order. The stables and sheds remain in the same condition as of the preceding year.

CONCLUSION

It is very evident that the appropriation for the coming year should be proportionately increased in order that the work required of the Department can be satisfactorily carried out.

I desire to express my appreciation to the employees of the Department for their assistance and co-operation during the season.

In conclusion, I wish to extend my sincere thanks to your Honorable Board for your assistance and suggestions.

Also to the citizens of the Town in general for their appreciation of the work of the Department during the past year.

Respectfully submitted,

EDWARD A. McCUE,

Superintendent of Streets.

REPORT OF THE WATER COMMISSIONERS

MILTON, January 29, 1920.

To the Citizens of the Town of Milton:

The Board of Water Commissioners respectfully submits the following report for the year 1919:

At the Annual Meeting in March the Town appropriated money for the use of the Department as follows:

For extension of mains	\$2,500
For hydrant rental	9,000

CONSTRUCTION

The policy of the Board, as announced early in 1919, of not approving any expenditures for the extensions of mains in private and public ways except for purposes necessary to public welfare, was adhered to throughout the year because of the continued high cost of doing such work. The development of the property formerly known as the Leopold Morse Home into a residential section did necessitate the undertaking in this district of more construction than was done during the previous year. It was, however, possible to only finish a portion of the work planned in this development. When this work is done, it will serve effectively with water this section of the Town.

The expenditure for new main work during the year was divided as follows:

Public Ways	\$1,407 33
Private Ways	1,973 08
Total	<u>\$3,380 41</u>

The mains laid in public ways were on Blue Hills Parkway, and those on private ways were on Hazel Street, Cedar Terrace, Dyer Road and Willoughby Road.

The winter of 1918-1919 was fortunately mild, so that there was very little trouble with frozen mains, hydrants or services, and it was not necessary to ask the Town for any extra appropriation on this account, and in fact the expenditures for this item during the winter were normal.

Statistics as to the mileage of main pipe in use, number of hydrants installed, *et cetera*, are covered in the report of Mr. D. A. Heffernan, Superintendent, which follows this report.

The Department had in use during the year the following automobile equipment:

- 1 Autocar
- 1 Ford Ton Truck
- 2 Ford Light Trucks
- 1 Ford Roadster

The ton truck and roadster are new, having been purchased in December to replace two other Ford automobiles which had been in use for such length of time and had covered such mileage that it was advisable to sell them.

WAGES

On May 19, 1919, an increase of 25c per day was granted to the employees of the Department, this increase being granted on the same basis as that which was made effective on July 1, 1918, namely—that it was to be considered as a bonus in recognition of the high cost of living and not as an established rate of wage to be continued indefinitely.

The appropriations asked for, for the ensuing year are as follows:

For extensions of mains	\$2,500
For hydrant rental	9,000

Mr. Chauncey C. Nash was elected a member of the Board of Water Commissioners at the Annual Meeting held in March, Mr. T. T. Whitney, Jr's term having expired.

As in the past, we believe the citizens of the Town will be interested in the details giving the cost of construction, and cost of operating motor cars, and other statistics as appended hereto.

For details of receipts and expenditures for the year 1919, we refer those interested to the Financial Report compiled by the auditors, shown elsewhere.

Respectfully submitted,

MARCY L. SPERRY

EDWARD E. FORD

CHAUNCEY C. NASH

REPORT OF THE SUPERINTENDENT

MILTON, MASS., January 1, 1920.

To the Honorable Board of Water Commissioners:

GENTLEMEN:—I have the honor of submitting to you the following statistics pertaining to the operation of the Water Department.

STATISTICS RELATING TO THE CONSUMPTION OF WATER

Population of Milton	9,824
Number of families (5 in family)	1,965
Percentage of population supplied (approximately)	98%
Number of consumers	2,116
Total consumption for 1919:	
By Adams Street venturi	127,494,000 gallons
By Metropolitan Avenue meters	18,973,000 gallons
Total	146,467,000 gallons
Registered by house meters	113,861,000 gallons
Water unaccounted for	32,606,000 gallons
Percentage of water unaccounted for	22%
Average daily consumption, gallons	401,300
Gallons daily to each inhabitant	41
Gallons daily to each family	204
Gallons daily to each tap	190
Cost of water, 1919, for 146,467,000 gallons	\$12,925.78
Cost per 1,000 gallons081
Cost per 100 cubic feet0607

STATISTICS RELATING TO DISTRIBUTION SERVICE

Mains

Kind of pipe—cast iron.	
Sizes—2 to 16 inches.	
Extended 1831 feet during 1919.	
None discontinued.	
Total now in use—281,666 feet—53.3439 miles.	
Length of pipes under 4 inches—5,407 feet—1.0241 miles.	
Number of hydrants added during 1919:	
Public	3
Private	0
Total	3
Number of hydrants now in use:	
Public	413
Private	30
Total	443

Number of stop-gates added during 1919—12.
 Number of stop-gates now in use—723.
 Number of stop-gates smaller than 4 inches—20.
 Number of blow-offs—16.
 Range of pressure on mains—30 to 133 pounds.

SERVICES

Kinds of pipe—brass, cast iron, cement-lined, enameled,
 galvanized, lead, plain iron, tarred iron, tin-lined lead.
 Sizes— $\frac{5}{8}$ inches to 6 inches.
 Extended—3,841 feet during 1919.
 Discontinued—287 feet.
 Total now in use—219,606 feet—41.5925 miles.
 Average length of service—104 feet.
 Number of services added in 1919—54.
 Returned to service—13.
 Number of services discontinued—6.
 Number of services in use—2,116

Number and Sizes of Services

$\frac{5}{8}$ inch—	998
$\frac{3}{4}$ inch—	160
1 inch—	690
$1\frac{1}{4}$ inch—	74
$1\frac{1}{2}$ inch—	15
2 inch—	151
3 inch—	4
4 inch—	7
6 inch—	10
<hr/>	
	2116

CONCLUSION

Original cost of works:

Amount paid to Milton Water Co. . . .	\$199,608 35
Bonds of Milton Water Co. paid off . . .	120,546 67
Total	<hr/> \$320,155 02
Town funds expended on plant to Dec. 31, 1919	348,262 93
Total bond issue	312,000 00
Bonds paid off	182,000 00
Bonded debt, Dec. 31, 1919	130,000 00
Per capita debt	13 23
Rate of interest (payable semi-annually)	3 $\frac{1}{2}$ %
Date of maturity—August 1, 1932.	

Respectfully submitted,

D. A. HEFFERNAN,
Superintendent.

FUNDS HELD BY THE TOWN

PERPETUAL CARE FUND

Amount held December 31, 1919 \$41,029 50

This fund is held by the Town Treasurer in accordance with Chapter 82, Sections 15-18, of the Public Statutes, interest at the rate of 6 per cent per annum being allowed on it and paid over to the Trustees of the Cemetery.

JASON REED CEMETERY FUND

Amount held December 31, 1919 \$2,626 67

The interest on this at the rate of 4 per cent per annum is paid over to the Trustees of the Cemetery.

E. T. L. REED PUBLIC PARK FUND

Amount held December 31, 1919 \$5,589 90

EXTRACT FROM THE WILL OF ELIZABETH T. L. REED

"All the rest, residue and remainder of all the moneys remaining in the hands of said Executor or Administrator, I direct shall be divided into three equal parts.

"The second of said parts shall be paid to and deposited with the Treasurer for the time being of said Town of Milton, the same to be received, held and invested by said town as a fund to be known as the 'Jason Reed Fund,' and the income thereof shall be applied to the preservation, care, improvement, or embellishment of the said Milton Cemetery.

"And the third of said parts shall be paid to said Town of Milton, and the same shall be applied by the proper legal authorities to or towards laying out, improvement or ornamentation of a Public Park or Parks in said town, in such manner as said authorities may deem advisable.

"I make the foregoing bequests in favor of First Parish, the Cemetery and the Parks in said Milton, both on account of the deep interest taken by my father, the late Jason Reed, deceased, in the affairs of said town, and of my own profound desire for the welfare of said town and of the citizens thereof."

MARY L. PEABODY FUND

Amount held December 31, 1919 \$5,000 00

The clause under which this bequest is given reads as follows: "To the Selectmen of the Town of Milton, Massachusetts, \$5,000, to be invested and the income thereof to be distributed annually to the poor at Christmas."

REPORT
OF THE
SCHOOL COMMITTEE

REPORT OF THE SCHOOL COMMITTEE

To the Citizens of the Town of Milton:

The School Committee submits herewith its Report for the year ending December 31, 1919.

HIGH SCHOOL

Your Committee is again compelled to report that the new High School building is yet uncompleted. The Committee together with the two citizens appointed by the moderator has expended the \$7,500 appropriated at the last Town meeting in supplying the things most urgently needed for the completion of the new High School. The inter-room telephone system, the storage cases for the various departments, and electric lights for the remaining rooms and corridors are the larger items of work completed.

There still remain many things included in the original plans which must be supplied before the school can be said to be finished, and before it may be completely used as originally intended. The biological laboratory is unfinished and wholly unequipped. Science apparatus, particularly electrical apparatus, for the physics laboratory is greatly needed. The locker rooms and toilets are inadequately ventilated. The automatic regulation of the direct radiation throughout the school has not been installed. There are no suitable driveways for approaching or leaving the assembly hall and the gymnasium. Such driveways should be constructed to Brook Road and Central Avenue respectively.

Your Committee estimates that the cost of the above work will be \$8,000 and recommends that a special appropriation of that sum be made. The automatic

control of direct radiation and the work upon the High School grounds at an estimated cost of \$4,500 were not included in last year's recommendation.

ELEMENTARY SCHOOL BUILDINGS

Your Committee does not wish the Town to lose sight of the fact that the High School building is the only modern school structure in town. The Vose School is expensive to maintain and inconvenient to administer as an elementary school. Extensive repairs will have to be made during the coming year, particularly repairs and changes in the heating system, which is in poor condition and inadequate for heating the building in severe weather.

Such minor repairs have been made in all of the elementary schools as were deemed necessary to make them presentable. Numerous repairs will have to be made during the coming year and it is possible that one or two of the buildings will have to be painted outside.

The school grounds have been neglected since the beginning of the war. They are now in very poor condition, especially at the Houghton and Wadsworth Schools. Work upon them should be no longer delayed.

SCHOOL LUNCHES

Your Committee has this year continued to supply school lunches at the High School and at the Vose School. The price of these lunches has been as nearly as possible at cost. In order to meet any possible deficit your Committee recommends that the same appropriation as last year be made, namely,—\$200, together with receipts.

TRANSPORTATION

No change has been made in transportation since the last report. The only means of transportation now being used is the street cars.

If the Town should fail to make an appropriation for the Blue Hill Street Railway Company at the annual meeting, it will be necessary for your Committee to supply transportation in place of that railway. This will probably involve the purchase of a large automobile bus and its operation by the School Department. For this it is estimated that an additional appropriation of \$4,000 will be required.

TOWN USE OF SCHOOL BUILDINGS

The municipal use of school buildings has continued during the last year.

The assembly halls in the various schools and the High School gymnasium have been used for social and educational purposes by the various parent-teacher associations, the Woman's Club, the Milton Education Society, the Boy Scouts, and the Milton Forum.

Your Committee has estimated the cost of the use of the various buildings and has charged such use to the special appropriation for the municipal use of school buildings. In this way the cost of the use of the buildings for school purposes and the cost for municipal use is kept separate. It seems to your Committee that such separate accounting is highly desirable. Therefore, the same appropriation as last year, namely,—\$1,500, together with receipts, is recommended for the municipal use of school buildings for the ensuing year.

SCHOOL PHYSICIAN

Your Committee, acting favorably on the recommendation to extend the work of the school physician made last year by Superintendent Chase, has employed Dr. Frank S. Churchill to undertake the work. Full reports of what has been done and what it is intended to do appear later in the Superintendent's report.

TUCKER SCHOOL

In our last report attention was especially called to the rapid increase in population in the Tucker School district in Mattapan. The Tucker School then was overcrowded and some relief was given by transferring pupils to the Vose School. This is not a satisfactory solution of the problem to the parents, since in some cases children from the same family are divided, part going to the Tucker School and part to the Vose School.

This year the situation became acute and it was necessary to transfer the sloyd work to the basement and make the sloyd room over into a classroom. It was also necessary to divide some of the grades.

The Tucker School building is one of the old buildings of the town. It has been added to several times, and is not the kind of a building to which further additions should be made. The population still is growing rapidly in the Mattapan district and many new buildings are to be erected this year.

After thorough consideration the Committee is of the opinion that a new schoolhouse should be built in substantially the same location as the present Tucker building. It believes that the Town should acquire the land on the westerly side of the present school property on Oak Street and build on the two properties combined, a modern elementary school building adequate to provide for the growing needs of the district. Your Committee recommends that the Town purchase this land. Your Committee also recommends that they be authorized to procure plans and specifications for a new fireproof building on the two lots combined.

GLOVER SCHOOL

The enrollment of the Glover School continues to decrease. This school is located in the midst of a thickly

populated district. Most of the children, however, do not attend this sizable well-equipped building, but attend private schools in Milton and Dorchester. The building is not well located to accommodate those who do attend.

The Committee has considered closing this school and transferring the pupils to the Vose School. This is by no means wholly desirable, particularly for the younger grades.

There are only seven in the first grade and about an equal number in the kindergarten. It is almost impossible to obtain a teacher willing to teach so few pupils. Therefore, it may be necessary the coming school year to make some changes in the organization, or even to close this school, at least temporarily.

TEACHERS' SALARIES

A further increase in teachers' salaries is imperative.

Since 1914 increases have indeed been made and to a greater extent than by many other cities and towns in the Commonwealth. Nevertheless these increases have not been large enough to provide adequate compensation for the services rendered by the teaching body.

During the school year 1918-1919 the compensation of each teacher was increased by two bonuses of \$50 each. In the spring of 1919 at the time of election of teachers the amount of these bonuses, \$100, was added to each salary and other increases granted. It was then apparent that a further increase should be made, but the amount available for salaries did not permit.

In a communication presented October 20, 1919, the teachers' association asked for an increase of \$400 a year for each teacher. There were not sufficient funds available to meet such a request, but the Committee, feeling that an increase was necessary at the earliest possible date, was later able to vote an increase at the

rate of \$200 a year to each regular teacher, effective November 24, 1919.

The Town should pay salaries sufficient to attract the kind of teachers that Milton should have. To obtain and keep such teachers, salaries must again be increased, at least to an average of \$200 per year more per teacher. This with the salaries now in force will make an increase of \$33,000 in allowance for teachers' salaries for the fiscal year 1920 over that made for the last fiscal year. Provision for such an increase is made in the budget recommended.

GIFTS TO THE SCHOOLS

The Committee desires gratefully to acknowledge the following gifts, which have been made to the schools during the year:

HIGH SCHOOL:

Bronze Memorial Tablet—Class of 1919.

\$45 for fees of artists at Annual Concert—Milton Education Society.

TUCKER SCHOOL:

Bust of Roosevelt—Class of 1919.

GLOVER SCHOOL:

Two Silk Flags—Women's Relief Corps.

WADSWORTH SCHOOL

Two Silk Flags—Women's Relief Corps.

ALL SCHOOLS:

Eight War Posters by famous French Artists—Miss Harriet Whittier.

Eight Copies of Grouped Colors of Allied Nations entitled "Allied in Honor"—Dr. Harris Kennedy.

During the past year the School Department has expended \$122,122.25. This includes \$1,227 expended for the municipal use of school buildings and reimbursed to the School Department out of the special appropriation for such use. The principal increases in expenses have been in the items of salaries, repairs, light and power. There has been some saving in the item of water, due largely to the installation of a different type of drinking fountain in the High School.

Your Committee has very carefully estimated the cost of maintaining the schools during the coming year, including medical inspection, school nurse, physical training, and transportation, and recommends for that purpose an appropriation of \$165,598, together with receipts of the Department.

Respectfully submitted,

CHARLES M. ROGERSON, *Chairman*,

STEPHEN C. MITCHELL, *Secretary*,

EVA B. T. CHURCHILL,

ALFRED J. ELLSWORTH,

LEONARD M. PATTON,

J. HENRY SCOTT.

OF
SCHOOLS

REPORT OF THE SUPERINTENDENT

To the School Committee of Milton:

The matter here submitted for your consideration constitutes my third annual report of the public schools.

Milton schools, in common with those of other towns and cities, have suffered from conditions produced by the great war. Shortage of supplies and equipment in the general market, lack of prompt transportation facilities, shortage of labor with its indifference toward employment and its demands for unusual compensation, each has had its unfavorable effect upon the work of maintaining and improving our public schools.

More serious than any or all of these in its effect upon actual school work has been the unrest that everywhere has attacked the teacher. The obvious underlying cause of this unrest is an inadequate salary and the demands for his services in other walks of life. The responsibility for low efficiency in school work due to low salaries must be shared by school officials not sufficiently alert in noting or aggressive in presenting the needs of teachers, by unappreciative citizens, and by self-constituted watch dogs of municipal treasuries.

It is much to be regretted that in public schools generally the thought and efforts of teachers have been diverted from professional duties by the apparent need of individual and organized efforts to obtain adequate salaries. Milton is to be congratulated and the teachers commended that our schools have suffered no more from such efforts.

It is a pleasure to report and to approve the action of our teachers in steadily resisting the prevailing pressure towards unionization and affiliation with organized labor. The adoption of principles and methods which discourage initiative and high individual efficiency while demanding the highest possible wage for the least permissible service, which encourage self-seeking and loyalty to class, as distinguished from self-sacrifice and service to humanity, would mean an abandonment of the established ideals of the teaching profession. It ultimately would mean that our trainers of American citizens become mere holders of union jobs subservient to leadership that too often is both ignorant and alien. If we would insure the schools and society against such a calamity we must at once make the salaries of teachers not simply a living wage but a means for continuous professional improvement and a reasonable provision for old age.

In spite of the distractions above mentioned and in spite of the loss of nearly four weeks, during which schools were closed on account of influenza, practically all classes completed the work prescribed for the school year ending in June. The handicaps seem to have been overcome partly through economy of time from observance of the new time allotment of subjects and partly through unusually intensive work by teachers and pupils.

CHANGES IN TEACHING STAFF

The roster of Milton teachers for February 1, 1915, contained sixty-nine names. Of these, thirty-six are now teaching here, two are on leave of absence and thirty-one have left our schools.

During the five years twenty-nine other teachers entered and left the system. Thus for the five years there has been a total loss of sixty and an average yearly loss of twelve. During the year just closed there was a loss of

nine. Two of these were married, one is at home, one entered business, and five secured positions elsewhere at a considerably higher salary. Of the nine who resigned six were High School teachers. Three of the nine resignations came at the close of school in June and four others late in the vacation. Thus seven positions had to be filled under the most unfavorable conditions. We were so fortunate as to secure for these positions eight well-trained teachers of successful experience. Thus far we have been unable to find an available man who seemed to possess the necessary qualifications for the important position of Director of Physical Education.

We are under special obligation to the trustees of the Cunningham Gymnasium who since October have shared with us the services of their Physical Director, Mr. William L. Caldwell. It is a pleasure here to acknowledge the spirit of helpfulness shown by Mr. Caldwell and the valuable service that he has rendered.

One of the most serious losses from our teaching staff has come from the permanent retirement of Mrs. Emma K. Gordon. After a leave of absence due to ill health and extending over a period of nearly fifteen months, Mrs. Gordon, upon the advice of her physician, officially retired in June, 1919. For more than twenty-two years with exceptional faithfulness, zeal, and ability she gave herself unreservedly to the public schools of Milton. She left vacant a position that it will be extremely difficult to fill.

CHANGES IN SALARIES

This report, in justice to all concerned, must emphasize the pressing need of further increases in salaries.

Citizens generally may know that every teacher who has been in Milton for the last three years has received at least four increases at an annual rate of \$50 to \$200 each.

Knowing this fact it may seem that a further increase is unnecessary.

The extent of increases made since December, 1914, are indicated in the comparison made below.

**A COMPARISON OF SALARIES (AVERAGE IN CASE OF GROUPS)
PAID IN 1914 AND IN 1919 WITH PER CENT OF INCREASE**

		<i>December</i>		
		1914	1919	<i>Increase</i>
<i>High School</i>				
Principal		\$2,500 00	\$2,900 00	16%
Teachers	{ Men.	1,325 00	1,925 00	45%
	{ Women	933 33	1,354 16	45%
<i>Elementary Schools</i>				
Principals	{ Man	1,800 00	1,950 00	8%
	{ Women	983 33	1,450 00	47%
Teachers (including Kindergarten)		776 39	1,175 75	51%
Special Teachers				
(not including Physical Training)		983 33	1,402 00	42%
School Nurse		800 00	1,275 00	59%
Superintendent of Schools		3,000 00	3,800 00	26%
Clerk for Committee and Superintendent		660 00	1,250 00	90%
Janitors		744 44	1,188 88	60%

From the above it will be seen that in December, 1919, the rank and file of our teachers were being paid at rates averaging from 42 per cent to 51 per cent more than they or their predecessors were paid in December, 1914.

In view of the fact that during this five-year period the cost of living has increased practically 100 per cent, it is apparent that when measured in purchasing power the salaries of our teachers have actually decreased more than 25 per cent.

In view of the additional fact that teachers' salaries in 1914 were admittedly lower than those paid for other activities where the qualifications demanded were equivalent, any argument in favor of further increases seems unnecessary.

PROMOTION OF HEALTH

The most important forward movement of the year is the adoption of a comprehensive program for the promotion of good health.

The key note of this program is training in right living. Its activities are preventive, corrective, and constructive. Its agents are the teacher, the school physician, and the school nurse.

The work of the teacher is to give necessary instruction for the care and development of a normal body. This instruction is based upon a carefully prepared course in Hygiene and is given regularly to all pupils in the first eight grades.

In the first three grades the main topics emphasized are Cleanliness, Good Air, Exercise, Rest and Sleep, Proper Food, and Avoidance of Accidents. Instruction in simple First Aid treatment is included under the last topic.

In the fourth grade pupils learn the name, location, and general appearance of important parts of the body; are taught their chief functions, and are instructed in their care.

Grade Five learns something about the growth and distribution of good and bad germs and is taught means of destroying certain germs that are causes of disease. Attention also is given to hygiene of the family and of the community.

In Grade Six much attention is given to common accidents and to First Aid treatment.

In Grades Seven and Eight the emphasis is upon Vital Processes,—their Organs, Functions, and Hygiene. A further study is here made of the sources, carriers, and prevention of disease. Under the final topic, The Next Generation, comes a study of the influence of heredity and environment with renewed emphasis upon

the necessity of correct bodily habits if one would develop to the utmost his physical and mental powers.

While the work of the teachers is mainly constructive, that of the school physician is largely preventive and corrective. He makes a careful physical examination of each pupil and reports defects to parents with suggestions that the family physician or a specialist be consulted where professional treatment seems imperative or desirable. He decides upon the physical eligibility of candidates for school athletic teams, makes diagnosis of suspected cases of contagious disease, advises officials concerning sanitation of school buildings and acts as counselor for the directors of physical training.

The work of the School Nurse is a most important supplement to that of the teacher and the physician. She does much to interest the parents in the work being done for and by the child and is an important agent for carrying out the corrective features of the health program.

It is too early to measure the results or to draw general conclusions as to the value of this program for safeguarding the health and promoting the highest physical welfare of the children. The most noticeable effect thus far comes from the monthly measurement of the height and weight of each child. The school physician's report shows that thirty per cent of the 886 children so far examined are below the normal weight for children of their respective ages. In most cases this lack of weight is due to mal-nutrition, which in turn is due to improper or insufficient food. Through hygiene lessons in the schools and through advice by the physician and nurse efforts are made to be helpful in correcting these defects in diet. The interest taken by the children in these monthly measurements and the resulting efforts for improvement are evidences of their value.

I believe that a distinct contribution to better nourish-

ment may be made by serving milk at cost during the forenoon recess. I recommend that such service be tried first at the Tucker School, where it has already been advocated by the Principal.

Through the records that are being kept it is expected that much interesting data may be given in the next annual report.

The Town is most fortunate in securing as medical director, Dr. Frank S. Churchill, a skilled pediatrician, who for a mere honorarium is giving much thought and time to the prosecution of this health program. Miss Sydney Clarke is continuing her effective work as school nurse.

ADVANCEMENT AND RETARDATION OF PUPILS

During the year we have begun a study of the extent and causes of advancement and retardation of pupils in the different grades.

In Table II of the appendix is shown the distribution of pupils by grades and ages on December 1, 1919. In each grade column there is heavily underscored the number representing the pupils of normal age in that grade. Inasmuch as the regular age of admission to our first grade is six years this is considered the normal age for that grade during the fall term. It is evident that the normal age for any grade may be determined by adding five to the number denoting the grade.

A pupil who is less than the normal age is classed as advanced, one who is older as retarded. From the data in this table has been computed the per cents of pupils of normal age and of different degrees of advancement and retardation. These per cents are shown in Table III. Study of the latter table shows that the membership of successive grades is well maintained; that the average of the per cents of pupils of normal age in the twelve regular grades is 50.6 per cent; that the average of per

cents of pupils advanced one year is 16.4 per cent; and that of pupils retarded one year is 26 per cent.

It is of interest that the four upper classes in the High School constitute 25 per cent of the membership of the twelve regular grades.

The data in Table II shows degrees of advancement and retardation in terms of age. The next step in our study is to determine to what extent these are due to special promotions or failure to promote, and then to discover and remove so far as may be possible the causes of failure of promotion. We are not yet ready to report upon the latter phase of this work.

MISCELLANEOUS

The High School Courses of Study, as revised in June, have been printed in pamphlet form, copies of which may be had upon application.

On account of the inadequacy of the special appropriation for completion of the High School building, the biological laboratory is still unfinished and unequipped. It, therefore, has been necessary further to postpone instruction in the courses requiring this equipment.

Lack of the necessary apparatus has also postponed the offering of courses in electricity.

Our plan to combine the work of teacher of botany and the supervision of school and home gardens has not been put into operation because of inability to obtain a duly qualified instructor.

Your careful attention is invited to special reports of the High School Principal, the School Physician, the School Nurse, the Attendance Officers, and to the statistics that follow this part of my report:

Respectfully submitted,

HERBERT J. CHASE,

Superintendent.

February 2, 1920.

APPENDIX
TO
REPORT
OF
SUPERINTENDENT

SPECIAL REPORTS
AND
STATISTICS

REPORT OF THE PRINCIPAL OF THE HIGH SCHOOL

To the Superintendent of Schools:

The following report is intended as a review of some of the more important achievements of the Milton High School during the past year.

Like any institution for educational or for business purposes, a high school is to be judged by its product. What is the product of our school, and how may its value be estimated? As a partial answer I present a few facts relative to the graduating class of 1919.

The class numbered forty-nine at graduation. This is a somewhat smaller number than the average for recent years, doubtless due to the influence of the war.

STATISTICS OF THE GRADUATING CLASS

Attending higher institutions	21
Graduate course Milton High School	1
Graduate course other secondary schools	1
Business	23
Nursing	1
At home	2

The higher institutions attended by our graduates include Harvard, Massachusetts Institute of Technology, Boston University, Dartmouth, Brown, Bridgewater Normal, Framingham Normal, Boston Normal Art, Leland Powers School of Expression, and others. Five are getting specialized training in commercial schools.

Thus it appears, that nearly all of the class are making immediate and practical use of the education they have

received in our school, some in active life, others in the pursuit of higher education.

The high school of the previous generation seldom did much for its students aside from actual classroom instruction, valuable as that may have been. What more does the high school of today do for its students?

It is an interesting fact that the Advisory Bureau, one of the valuable modern features of our school, placed in their positions fifteen of the twenty-three graduates who entered business. Further, these graduates and others will be followed in their careers and assisted as opportunity offers.

Undergraduates are assisted in finding temporary employment for vacations, afternoons and Saturdays. One hundred and fifty-eight placements were made during the past year.

We believe that it is very important that our pupils make an early choice of vocation. To that end, our boys and girls are requested yearly to indicate their vocational preferences.

VOCATIONAL PREFERENCES

1919-1920

	<i>Boys</i>	<i>Girls</i>		<i>Boys</i>	<i>Girls</i>

Elocution		1	Undecided	54	62

SCHOLARSHIP

Our school has always maintained a high standard of scholarship. The best proof of this fact is found in the success of our graduates in higher institutions and in business life.

It may be interesting to consider the scholarship records of all our pupils while in the process of education. It is our practice to issue five general reports each year, using the letters A, B, C and D to indicate the rank of the pupil in each subject, A being the highest and D meaning failure in the subject so marked.

The following table gives a summary of marks in all academic subjects, excluding such subjects as Manual Training, Cooking, Sewing, Drawing, etc.

SCHOLARSHIP RECORD				
1918-1919				
	A	B	C	D
Report 1	236	795	739	149
2	226	639	662	214
3	282	735	679	179
4	274	673	671	189
5	273	628	711	242
Total	1291	3470	3462	973
Per cent	14.03	37.73	37.64	10.58

It will be noticed that the A and B marks, recognized as honor marks, constitute 51.76 per cent of the total, while the number of D marks given during the year is 10.58 per cent of the total. We find that many of these D marks represent merely temporary difficulties. When the final results of the year are considered, it appears that 8 per cent of the marks indicate failure in a subject. Nearly half of these failures are in minor subjects and do not seriously retard the pupils' progress.

From previous experience and general observation, we believe that the scholarship record of our school compares favorably with that of other schools.

The school year of 1918-1919 was an extraordinary year. It witnessed the end of the World War, and also much of the tremendous social reaction which followed. In spite of many influences tending to distract, in spite of the epidemic which closed our school for three and one half weeks, our work went on steadily and the usual amount was accomplished. For this achievement both teachers and pupils deserve much praise.

In closing, I wish to express my appreciation of the friendly co-operation of the teachers and pupils, and of the pleasant relations I have enjoyed with yourself and the members of the School Board.

Respectfully submitted,

FRANK T. WINGATE.

REPORT OF SCHOOL PHYSICIAN

To the Superintendent of Schools:

I beg to submit the following report on the work of medical inspection in the public schools for the months of September, October, and November, 1919.

The general health of the pupils on the whole has been good; there has been a certain amount of contagious disease, but no epidemic of any kind.

In its earliest stage the work consists of a careful physical examination of each pupil and the making of record of condition disclosed. In the case of children showing abnormalities a written report is made to the parents with suggestions for necessary action. These reports are followed up by visits to the home by the School Nurse. The work has been greatly facilitated by the assistance of a corps of volunteer citizens obtained through the Milton Social Service League. I wish to take this opportunity to thank these volunteers for their public spirit and valuable help.

When this first year of medical inspection and study shall be completed it may be regarded as a "survey" upon the results of which may be based future activities for the improvement of the health of the school population.

No general conclusions can safely be drawn from the work thus far done. The following statistics, however, based upon observations made in the three large schools, Belcher, Tucker, and Vose, are interesting and suggestive. They are submitted without comment as indicative of the amount and kind of work being done. They show the

general nutrition as indicated by the pupil's weight and height and the number of pupils showing a defective condition of the nose, throat, and teeth.

RECORD OF PHYSICAL EXAMINATION OF PUPILS IN THREE
MILTON SCHOOLS

School	Total Examined	Below Weight	Abnormal Throat & Nose	Unclean & Carious Teeth
Belcher	267	60 (22%)	67 (25%)	185 (69%)
Tucker	423	125 (29%)	82 (19%)	307 (72%)
Vose	196	81 (41%)	51 (25%)	158 (80%)
Totals	886	266 (30%)	200 (22%)	650 (73%)

It will be seen that of the 886 children examined, 266 or 30 per cent are below the average weight of children of the same age and height; that 200 or 22 per cent present abnormalities in the throat and nose, chiefly diseased tonsils and adenoids; that 650 or 73 per cent show teeth in need of dental care.

Special conferences have been held with the principals of the schools inspected concerning pupils whose physical condition necessitated special physical examination.

A more detailed report of the physical condition of all pupils in the schools and of other parts of the work will be made at the end of the school year.

Respectfully submitted,
FRANK SPOONER CHURCHILL, M. D.
Medical Director.

January 23, 1920.

REPORT OF THE SCHOOL NURSE

To the Superintendent of Schools:

From January to October, 1919, the lower schools were visited weekly by the School Nurse, and the children examined as to the eyes, ears, nose, throat, teeth, hair, and general condition.

After the appointment of a regular school physician in October, it seemed best to remain in each district until all the children had been examined so that notifications of defects found might be recorded and sent promptly to the parents and guardians.

The result of the year's work as a whole is not so favorable as that of the preceding year, owing undoubtedly to the fact that the common necessities of life have increased so greatly in cost, that physicians' and dentists' services have had to be dispensed with except in extreme cases.

It is gratifying, however, to be able to report that of the children in the lower schools, not including the kindergarten at the Belcher and Tucker, at least six hundred have had dentistry done within the year. Of this number one hundred and twenty-nine were treated at the Forsyth Dental Infirmary by means of our "reservation," one hundred of whom were finished. Up to the first of June, twenty-four children were treated at Tufts Dental School, of whom eleven were finished. Thirty-four children have had tonsils and adenoids removed.

There would seem to be a number of children in need of attention, but of these many have bone obstructions which cannot be corrected until the children are older,

and some have adenoids and tonsils which their family physicians do not deem it wise or necessary to remove.

The eyes and ears of all children above the kindergarten and including the High School were tested. One hundred and fifty-one were found with defects or complaints indicating defect of vision. This number includes those children whose defects have been corrected as far as possible, but whose vision is still below normal. Twenty-three were found with impaired hearing, remediable and otherwise. One hundred and twenty-five notifications were sent to the parents or guardians of those children whose defects seemed to need attention.

The response in the matter of sight and hearing troubles is always at least ninety per cent in the lower schools. It is never possible to follow up the High School as closely, partly because so many graduate at the end of each school year.

CLINIC WORK AND HOME VISITING

The Saturday work has gone on as usual when necessary.

It is a source of great annoyance and wonderment to find how few people consider that appointments are made to be kept. Appointments are always kept by the School Nurse if the cars are running, not so with the parents and children. Rain, snow, wind, cold, anything in fact, is excuse enough for breaking them, but the reason is never known until the child is hunted up in the classroom the next time the school is visited.

222 visits were made to the homes.

40 visits to the Forsyth Dental Infirmary.

19 visits to Tufts Dental School.

14 visits to the Massachusetts Eye & Ear Infirmary.

3 visits to the Massachusetts General Hospital.

1 visit to the Children's Hospital.

1 visit to the Psychopathic Hospital.

The School Nurse has now a much needed "aid." A good lady possessing a small motor truck has kindly volunteered to take the children in groups to the Forsyth for the nose and throat examination, which is required after the teeth have once been put in order, if further work on the teeth at that institution is desired. Heretofore we have had to depend upon the parents or guardians to attend to this, which has proved to be most unsatisfactory.

Thirty-five children were taken in for this examination by the School Nurse on the last day of the spring term and the Monday following. By our new method nearly fifty children were examined within a fortnight.

The nose and throat work at the Forsyth is done by one of Boston's leading specialists. The charge is \$2.05, for which children remain at least forty-eight hours, longer if necessary.

Milton is happy this year in having a regular visiting housekeeper who is a great help to our work. If a family is found which needs instruction not only as to the proper balancing of meals, but also as to the choice of cheaper foods which may be just as nutritious as those much more expensive and therefore prohibitive, the visiting housekeeper is immediately called upon. Many of the mothers are most grateful for this help.

School tickets on all the car lines are also a great help, cutting down, as they do, our clinic fares one half.

Our friends have helped somewhat in the matter of clothing during the year, but not with their usual generosity, due no doubt to the urgent calls from France, Belgium, Italy, etc.

Respectfully submitted,

SYDNEY CLARKE.

January 25, 1920.

REPORTS OF ATTENDANCE OFFICERS

To the Superintendent of Schools:

I present herein my report as Attendance Officer of the Town of Milton for the year 1919.

Number of cases investigated	11
Number of different pupils	8
Number of visits to schools	13
Number of visits to homes of pupils	10
Visit to mercantile establishment	1
Absent because of neglect of parents	7
Absent because of sickness	2
Truants	2

Respectfully,

TIMOTHY McDERMOTT.

December 23, 1919.

To the Superintendent of Schools:

I hereby submit to you my report as Attendance Officer for the Belcher School for the year ending December 31, 1919.

Number of notices received	31
Number of pupils kept by parents	14
Number of pupils kept for sickness	10
Number of pupils kept for want of clothing	1
Number of cases of truancy	6

Respectfully yours,

HENRY F. BRIERLY.

A true record.

Attest:

G. FRANK KEMP,
Town Clerk.

Number of ballots cast: Republican, 564; Democratic, 9; Total, 573.

SPECIAL MAY MEETING

COMMONWEALTH OF MASSACHUSETTS,

NORFOLK, SS.

To either of the Constables of the Town of Milton, Greeting:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Milton qualified to vote in Town affairs to meet at the Town Hall in said Milton upon Monday, the third day of May next, at eight o'clock in the evening, then and there to act upon the following Articles:

ARTICLE 1. To see what additional sum of money the Town will vote to appropriate for the Printing Department the present year.

Voted, To appropriate the additional sum of \$800 for the Printing Department the present year.

ARTICLE 2. To see if the Town will vote to accept the provisions of Sections 221 to 225 inclusive, of Chapter 835 of the Acts of 1913, pertaining to precinct voting in towns.

Voted, That the subject matter of this article be referred to the Committee on Town Government.

ARTICLE 3. To see if the Town will vote to accept the provisions of Chapter 240 of the Acts of 1920, entitled "An Act to permit, under public regulation and control, certain sports and games on the Lord's day."

Voted, To accept the provisions of Chapter 240 of the Acts of 1920, entitled "An Act to permit, under public regulation and control, certain sports and games on the Lord's day."

ARTICLE 4. To see what sum of money the Town will vote to appropriate for the payment of pension, under the provisions of Chapter 186 of the Acts of 1907, to Flora H. Trull, widow of Henry A. Trull, who died in the service of the Milton Fire Department, for the present year.

Voted, To appropriate \$225 to cover nine months from April 1, to December 31, 1920, for the payment of pension, under the provisions of Chapter 186 of the Acts of 1907, to Flora H. Trull, widow of Henry A. Trull, who died in the service of the Milton Fire Department, for the present year.

ARTICLE 5. To see what sum of money the Town will vote to appropriate under the provisions of Chapter 327 of the Acts of 1904, for the retiring and placing upon the pension roll the name of Henry A. Patterson of the Milton Police Department, for the present year.

Voted, To appropriate \$600 to cover the eight months from May 1 to December 31, 1920, under the provisions of Chapter 327 of the Acts of 1904, for the retiring and placing upon the pension roll the name of Henry A. Patterson of the Milton Police Department, for the present year.

ARTICLE 6. To hear the report of the special committee appointed (as the result of action taken at the last annual Town Meeting) to study the general street railway situation in Milton; and to take action on such report.

Voted, That the report of the Committee be accepted and placed on file, and that, if the Town shall vote to authorize an agreement between the Town and the Eastern Massachusetts Street Railway Company, the Moderator be and he hereby is authorized to appoint a committee not exceeding three in number to represent the interests of the Town in connection with such agreement, said committee to report with recommendations not later than the next annual Town Meeting.

Committee appointed: Maurice A. Duffy, Lincoln Bryant, Marcy L. Sperry.

ARTICLE 7. To see what sum of money the Town will vote to raise and appropriate in order to maintain or aid in the maintenance of service on the lines of the Eastern Massachusetts Street Railway Company running to East Milton and to Dorchester Lower Mills, or any part or parts of any of them.

Voted, That the Selectmen be and they hereby are authorized, in the name and behalf of the Town, pursuant to the authority granted by Chapter 188 of the Special Acts of 1918 and Acts in amendment thereof and in addition thereto, and for the purpose of avoiding a reduction, or discontinuance of service in the branch lines of the Eastern Massachusetts Street Railway Company running within the Town to Milton Lower Mills and East Milton, to enter into an agreement with the Trustees of said Railway Company to pay a part or all of any excess of the cost of the service, as defined in Section 14 of said Act, on said branch lines above the amount of the receipts of such branch lines, during the period commencing April 1, 1920, and ending March 31, 1921, the amount to be paid by the Town in no event to exceed the sum of ten thousand (10,000) dollars; and to authorize the Selectmen to insert in such agreement, such provisions as they in their discretion may deem necessary or convenient in the premises and as may be accepted by said Trustees; and to raise and appropriate the sum of ten thousand (10,000) dollars for the above purpose.

(Result of the ballot: Yes, 93; No, 24.)

ARTICLE 8. To see what sum of money the Town will vote to raise and appropriate to maintain or aid in the maintenance of service on the Blue Hill Street Railway Company or any part thereof or otherwise provide means of transportation to the Brush Hill or Blue Hill Districts of the Town.

Voted, That the Moderator be and he hereby is authorized to appoint a committee, not exceeding five in number to continue the investigations and negotiations with respect to the resumption of service on the line of the Blue Hill Street Railway Company, said committee to make its report together with recommendations not later than the next annual Town Meeting.

Committee appointed: Arthur H. Weed, Maurice A. Duffy, James S. Gallagher, Philip M. Reynolds, Marcy L. Sperry.

ARTICLE 9. To consider and act upon the question of procuring or aiding the establishment and maintenance of some proper and reasonable facilities for public transportation in the Town, or some part or parts of the Town; and to see what sum of money, if any, the Town will vote to raise and appropriate for any such purpose.

Voted, That the subject matter of this article be referred to the committee provided for under Article 8.

ARTICLE 10. To see what additional sum of money the Town will vote to appropriate to be expended by the Local Superintendent for the suppression of the gypsy and brown-tail moths the present year.

Voted, To appropriate \$1,400 to be used for the purchase of lead.

And you are directed to warn the inhabitants qualified as aforesaid, to meet at the time and place and for the purpose herein mentioned, by posting attested copies of this Warrant in each post office of said Town, fourteen days at least before said meeting, and leaving printed copies hereof at the dwelling-houses in said Town, at least four days before said meeting.

Hereof fail not, and make due return of this Warrant with your doings thereon, to the Town Clerk, at the time and place of said meeting.

Given under our hands this 16th day of April, nineteen hundred and twenty.

MAURICE A. DUFFY,
JAMES F. MITCHELL,
JACOB A. TURNER,
Selectmen of Milton.

COMMONWEALTH OF MASSACHUSETTS,

NORFOLK, SS.

Milton, May 3, 1920.

Pursuant to the within Warrant I have notified the inhabitants of the Town of Milton as therein directed, to meet at the Town Hall in said Milton upon the date above mentioned, for the purposes therein set forth.

PELEG BRONSDON,
Constable of Milton.

The foregoing meeting was opened by the Moderator at eight o'clock P.M.

At ten o'clock and fifteen minutes, *Voted* to adjourn.

A true record.

Attest:

G. FRANK KEMP,

Town Clerk.
